

MODULAR CHASSIS (SMC) ALPHA - MODULAR CHASSIS (SMC) BY - ALPHA

The Strike Modular Chassis (SMC) - ALPHA for SIG SAUER P320 (Standard) by Strike Industries is THE MOST MODULAR SIG SAUER P320 CHASSIS IN THE WORLD. With included and sold separately optional SMC parts and accessories, 20+ configurations possible for each user to setup exactly how they want it. Machined from 6061-T6 aluminum, this P320 chassis is sturdier and more durable than polymer for hard use. The SMC Standard length is setup to be a match for the full-size P320 4.7" slide and barrel. When used with a Carry/Compact P320 3.9" slide and barrel, the SMC chassis dust cover will overhang past the muzzle. SMC Standard use with P320 3.6" slide and barrel is not recommended. Included in the box is an Ambidextrous Side Charging Handle with Slide Cover Mount so each SMC user can decide which side you want to rack the slide with. The SMC Rear Module Backstrap is pre-installed on the SMC chassis which gives the user rear ambidextrous QD sockets and a rear Picatinny rail mount to attach any accessories. The SMC Multi-Optic Mount allows you to use just about any Mini/Micro Red Dot Sight (MRDS) on the market with footprint fitment for C-More, DeltaPoint Pro, Docter/Noblex, RMR, Shield and all SIG SAUER Open Reflex Sights. The SMC chassis and optional to use Spare Magazine Holder for SIG SAUER P320 both include the SI Modular Magazine Release and is pre-installed. The Strike Modular Chassis (SMC) is the new modular standard for the SIG SAUER P320 platform. Simply insert a P320 FCU (9mm/.357SIG/.40S&W) and complete slide assembly along with your favorite SMC accessories and you are ready to go.

NOTICE: PLEASE READ ALL INFORMATION ON THIS STRIKE MODULAR CHASSIS (SMC) PRODUCT PAGE FROM TOP TO BOTTOM WHICH INCLUDES WARNINGS, DISCLAIMERS, PACKAGE CONTENTS, COMPATIBILITY, NOT COMPATIBLE, RED DOT COMPATIBILITY & MORE. Torque: Do not exceed 20 in/lbs (2.25 nM) for the x4 set screws for Multi-Optic Mount [M4x7mm T25 Socket Head]

Product Features: The most modular SIG SAUER P320/M17/M18 grip module/chassis in the world Over 20+ configurations with included and optional Strike Modular Chassis (SMC) parts and accessories Included Ambidextrous Side Charging Handle with Slide Cover Mount Works with SMC Rear Module Backstrap (included) and can be configured as a conventional P320 grip module with optional SMC LITE Backstrap (sold separately) SMC Multi-Optic Mount (Footprints: C-More, DeltaPoint Pro, Docter/Noblex, RMR, Shield and all SIG SAUER Open Reflex Sights) Ambidextrous QD sockets located on SMC Rear Module Backstrap Picatinny rail located at front bottom of chassis and on Rear Module Backstrap for accessories Optional to use Spare Magazine Holder for SIG SAUER P320 with SI Modular Magazine Release is included SMC ALPHA for SIG SAUER P320 (Standard) uses SIG SAUER P320 OEM fitment takedown lever and P320 magazine release, SI Modular Magazine Release is pre-assembled and included Machined from 6061-T6 aluminum, sturdier and more durable than polymer Package Contents: x1 SMC - ALPHA GRIP MODULE/CHASSIS with SMC Grip Panels, SI Modular Magazine Release [w/ extended button] and Rear Module Backstrap [w/ QD sockets] (fully assembled) x1 Ambidextrous Side Charging Handle x1 Slide Cover Mount for Ambidextrous Side Charging Handle x1 Screw for Ambidextrous Side Charging Handle to Slide Cover Mount [M4x8mm T20 Rounded] x2 Rubber pad for Ambidextrous Side Charging Handle bar [back side facing slide] x1 Spare Magazine Holder for SIG SAUER P320 with SI Modular Magazine Release [w/ extended button] (fully assembled) x1 Screw for Spare Magazine Holder for SIG SAUER P320 [M5x30mm T27 Socket Head] x1 Nut for Spare Magazine Holder for SIG SAUER

P320 [M5 Hex] x1 Multi-Optic Mount x4 Screw for Multi-Optic Mount [M4x7mm T25 Socket Head] x3 Screw [M3x8mm T10 Flat] x3 Screw [M3x9mm T10 Flat] x3 Screw [M3x10mm T10 Flat] x3 Screw [M3x14mm T10 Flat] x3 Screw [M3x15mm T10 Flat] x3 Screw [M3x7mm T10 Rounded] x3 Screw [M3x8mm T10 Rounded] x3 Screw [M3x10mm T10 Rounded] x3 Screw [M3x11mm T10 Rounded] x5 Large mounting post x5 Small mounting post x5 Shallow mounting post x3 Tall mounting post x1 Torx tool [T10] x1 Torx tool [T20] x1 Torx tool [T25] x1 Torx tool [T27] x1 Loctite® Threadlocker Blue 243® x2 Warning card x1 SMC Enamel Pin x1 SMC Sticker

COMPATIBILITY: Calibers: 9mm/.357SIG/.40S&W FCU: All SIG SAUER P320 FCUs which include XSeries as well as M17/M18 with complete function of the manual safety. For SMC use with M17/M18 manual safeties, the notch on the chassis is visible and outlined as a guide for the modification needed to be performed for the manual safeties to be usable. Triggers: We only guarantee proper fit and function with SIG SAUER OEM triggers. SI cannot guarantee safety and function on aftermarket triggers and components. The SMC is made to fit the OEM standards of the SIG SAUER FCU. Slide Lengths: The SMC will work with all P320 slide and barrel lengths but best matched on ALPHA for SIG SAUER P320 (Standard) with 4.7" slide or ALPHA for SIG SAUER P320 (Standard) with 3.9" slide using SMC Chassis Mounted Compensator (sold separately). ALPHA for SIG SAUER P320 (Standard) not suggest with 3.6" slide. Slide Length Note: Any slide size shorter mentioned in "-Slide Lengths:" will have a gap from the front of the slide/muzzle to the front of the SMC chassis front end Chassis Mounted Compensator (sold separately): MUST BE USED with Carry 3.9" length slide to cover the gap between the front of the Carry 3.9" length slide/muzzle to the front of the SMC chassis front end. Example images and video will be shown on product page. Currently no plans to produce a SMC Chassis Mounted Compensator for Compact/Subcompact 3.6" length slide Magazine Fitment: P320 17-round, 18-round, 21-round and up INCLUDING 10-round (full size length, not compact) magazines Holster: Works with many (but not all) P320 holsters (options w/o or w/ weapon light) matching slide length on the market without the use of Spare Magazine Holder for SIG SAUER P320 NOT COMPATIBLE: .45ACP FCU/Calibers 10mm FCU/Calibers RED DOT

COMPATIBILITY: C-MORE, DELTAPOINT PRO, DOCTER/NOBLEX, RMR STANDARD, SHIELD STANDARD & all SIG SAUER Open Reflex Sights When using screws provided in the package, there is always a chance of hardware marring your optic housing finish/coating Be careful and use your best judgment on which hardware to use for your specific setup All installations should only be done by a certified professional gunsmith and properly tested to pass all safe and function tests WARNING: Be careful of thumb/hand placement at front end of Strike Module Chassis/grip module. Misuse or improper placement can cause disfigurement or death. Before every use, always check proper function and that all screws/hardware is secure. Maintain and check all screws/hardware and components regularly as preventative maintenance. Always have your weapon SAFE when not being fired. Always follow all firearms safety rules and never point your weapon at anything you are not willing to destroy. The user is responsible for the modification required to use the M17/M18 manual safeties. The Strike Modular Chassis (SMC) has a visible outline for the shape to fit the M17/M18 manual safeties. -Strike Industries only recommends all work be done by a certified gunsmith. Be aware that once you remove material in the SMC chassis for the M17/M18 notch, you cannot go back and there will always be a notch for the manual safeties once the modification is done to the SMC chassis. Torque: Do not exceed 20 in/lbs (2.25 nM) for the x4 set screws for Multi-Optic Mount [M4x7mm T25 Socket Head] DISCLAIMER: "SIG SAUER", "SIG", "P320" is a federally registered trademark of SIG SAUER, Inc. and is one of many

Sicherheitshinweise für das MODULAR CHASSIS (SMC) ALPHA von Strike Industries

Einführung

Herzlichen Glückwunsch zum Kauf des MODULAR CHASSIS (SMC) ALPHA für SIG SAUER P320. Dieses Produkt wurde entwickelt, um Ihnen eine modulare und anpassbare Lösung für Ihre Waffe zu bieten. Bitte lesen Sie diese Sicherheitshinweise sorgfältig durch, um sicherzustellen, dass Sie das Produkt sicher und korrekt verwenden.

Allgemeine Sicherheitsrichtlinien

- Stellen Sie sicher, dass Sie alle Sicherheitsanweisungen befolgen, um Verletzungen oder Schäden zu vermeiden.
- Verwenden Sie das Produkt nur gemäß den Anweisungen in diesem Handbuch.
- Halten Sie das Produkt außerhalb der Reichweite von Kindern und anderen unbefugten Personen.
- Überprüfen Sie regelmäßig den Zustand des Chassis und der Komponenten auf Abnutzung oder Beschädigung.
- Verwenden Sie nur die empfohlenen Zubehörteile und Komponenten, um die Sicherheit und Funktionalität zu gewährleisten.
- Bei Fragen oder Unsicherheiten wenden Sie sich an einen zertifizierten Büchsenmacher.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- **Handhabung:** Achten Sie darauf, dass Ihre Daumen und Hände nicht am vorderen Ende des Chassis platziert sind, um Verletzungen zu vermeiden.
- **Montage:** Sorgen Sie dafür, dass alle Schrauben und Verbindungen fest angezogen sind, bevor Sie das Chassis verwenden.
- **Modifikationen:** Führen Sie keine Modifikationen am Chassis durch, die nicht in dieser Anleitung beschrieben sind, um die Sicherheit zu gewährleisten.
- **Schutzmaßnahmen:** Verwenden Sie geeignete Schutzbrillen, wenn Sie mit dem Chassis arbeiten oder es installieren.

Anweisungen zur Installation und Verwendung

1. **Vorbereitung:** Stellen Sie sicher, dass Sie alle Teile und Werkzeuge bereit haben, bevor Sie mit der Installation beginnen.
2. **Montage des Chassis:**
 - Entfernen Sie alle vorhandenen Teile von Ihrer SIG SAUER P320.
 - Setzen Sie die P320 FCU in das SMCChassis ein.
 - Befestigen Sie die Schlittenmontage gemäß den Anweisungen in der Produktbeschreibung.
 - Ziehen Sie alle Schrauben gemäß den angegebenen Drehmomentwerten an (nicht mehr als 20 in/lbs oder 2,25 nM für die x4 SetSchrauben der MultiOptic Mount).
3. **Verwendung:** Nach der Installation sollten Sie das Chassis regelmäßig auf seine Funktionalität überprüfen. Achten Sie auf Anzeichen von Verschleiß oder Beschädigung.
4. **Reinigung:** Reinigen Sie das Chassis regelmäßig, um eine optimale Leistung zu gewährleisten. Verwenden Sie keine aggressiven Chemikalien oder Reinigungsmittel.

Entsorgungsanweisungen

- Entsorgen Sie das Produkt und alle zugehörigen Teile gemäß den örtlichen Vorschriften für die Abfallentsorgung.
- Achten Sie darauf, umweltfreundliche Verfahren zu verwenden, wenn Sie das Produkt nicht mehr

benötigen.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Bedenken zur Sicherheit oder zur Verwendung des MODULAR CHASSIS (SMC) ALPHA, wenden Sie sich bitte an einen zertifizierten Büchsenmacher oder den Hersteller.

Haftungsausschluss

- "SIG SAUER", "SIG", "P320" sind eingetragene Marken von SIG SAUER, Inc. und werden hier nur zur Beschreibung verwendet.
- Das MODULAR CHASSIS (SMC) ALPHA ist kein Schusswaffenprodukt. Es handelt sich um ein Griffmodul/ChassisSystem, das mit einer SIG SAUER P320 FCU verwendet werden muss.
- Bitte überprüfen Sie alle lokalen Gesetze und Vorschriften, bevor Sie das Produkt verwenden oder modifizieren.

Bitte beachten Sie diese Sicherheitshinweise sorgfältig, um eine sichere und effektive Nutzung des MODULAR CHASSIS (SMC) ALPHA zu gewährleisten.

Safety Instruction Guide for MODULAR CHASSIS (SMC) ALPHA

Introduction

Thank you for choosing the Strike Modular Chassis (SMC) ALPHA for SIG SAUER P320. This product is designed to enhance your shooting experience while ensuring safety and compliance with applicable regulations. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always treat the chassis and your firearm as if they are loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the weapon is in a safe condition when not in use.
- Check all screws and hardware regularly to ensure they are secure.
- Always follow all firearms safety rules and never point your weapon at anything you are not willing to destroy.
- Be cautious of thumb and hand placement at the front end of the chassis to prevent injury.
- Use only SIG SAUER OEM parts and accessories for compatibility and safety.
- Ensure that modifications required for M17/M18 manual safeties are performed by a certified gunsmith.

Specific Safety Precautions for Use

- **Torque Specifications:** Do not exceed 20 in/lbs (2.25 nM) for the x4 set screws for the MultiOptic Mount. Overtightening can cause damage.
- **Installation:** All installations should only be done by a certified professional gunsmith. Improper installation may lead to unsafe conditions.
- **Modification Warning:** The user is responsible for any modifications required for M17/M18 manual safeties. Once material is removed from the chassis, it cannot be undone.
- **Optic Compatibility:** When using screws provided in the package, be cautious as there is a risk of marring your optic housing finish. Use your best judgment on which hardware to use for your specific setup.
- **Regular Maintenance:** Maintain and check all screws, hardware, and components regularly as part of preventative maintenance.

Instructions for Installation and Usage

1. **Prepare Your Workspace:** Ensure your workspace is clean and free of distractions. Gather all necessary tools and components.
2. **Check Compatibility:** Ensure that your firearm is compatible with the SMC chassis. The SMC is designed for use with SIG SAUER P320 FCUs, including XSeries and M17/M18 models.
3. **Install the Chassis:**
 - Insert the P320 FCU (9mm/.357SIG/.40S&W) into the chassis.
 - Attach the complete slide assembly and ensure it is secured.
 - Use the included Ambidextrous Side Charging Handle with Slide Cover Mount according to your preference.
4. **Adjust the Backstrap:** The SMC Rear Module Backstrap is preinstalled. Ensure it is secured and can be configured as desired, including the optional SMC LITE Backstrap.
5. **Mounting Accessories:** Use the Picatinny rail located at the front bottom of the chassis and on the Rear Module Backstrap to attach any accessories.
6. **Optic Installation:** Use the SMC MultiOptic Mount for attaching Mini/Micro Red Dot Sights. Ensure proper fitment for your specific optic model.
7. **Final Check:** Before use, doublecheck that all screws and hardware are secure and the assembly is

complete.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of any components in regular household waste.
- Check for any specific disposal instructions related to the materials used in the chassis.

Contact Information for Further Support

For any inquiries regarding safety, usage, or compatibility of the MODULAR CHASSIS (SMC) ALPHA, please refer to the manufacturer's website or contact their customer support directly.

Note: This product is not a firearm. It is a grip module/chassis system made to work with the SIG SAUER P320 FCU and userprovided complete slide. Always check local and state laws before purchase.

Warning: This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. For more information, please visit www.P65Warnings.ca.gov.

By following these guidelines, you can help ensure a safe and enjoyable experience with your MODULAR CHASSIS (SMC) ALPHA. Thank you for your attention to safety.

Guida alle Istruzioni di Sicurezza per il MODULAR CHASSIS (SMC) ALPHA

Introduzione

Grazie per aver scelto il MODULAR CHASSIS (SMC) ALPHA di Strike Industries per il tuo SIG SAUER P320. Questa guida fornisce informazioni importanti sulla sicurezza, l'installazione e l'uso del prodotto. È essenziale seguire queste istruzioni per garantire un utilizzo sicuro e corretto.

Linee Guida Generali di Sicurezza

- Leggi e comprendi tutte le istruzioni prima dell'uso.
- Controlla sempre il corretto funzionamento del prodotto prima di ogni utilizzo.
- Mantieni il prodotto lontano dalla portata di bambini e persone non autorizzate.
- Segui tutte le normative locali riguardanti l'uso delle armi da fuoco.
- Non modificare il prodotto senza consultare un armaiolo certificato.
- In caso di malfunzionamento o danno, non utilizzare il prodotto e contatta un professionista.

Precauzioni di Sicurezza Specifiche per l'Uso

- **Controllo della posizione della mano:** Fai attenzione alla posizione della tua mano all'estremità anteriore dello chassis/module grip. Una posizione scorretta può causare infortuni.
- **Utilizzo di ottiche:** Quando utilizzi ottiche, verifica che le viti non danneggino la finitura dell'ottica. Usa il tuo miglior giudizio per scegliere l'hardware appropriato.
- **Sicurezze manuali:** L'utente è responsabile della modifica necessaria per utilizzare le sicurezze manuali M17/M18. Assicurati di seguire le indicazioni per evitare danni.
- **Controllo regolare delle viti:** Mantieni e controlla regolarmente tutte le viti e i componenti come parte della manutenzione preventiva.

Istruzioni per l'Installazione e l'Uso

1. Preparazione:

- Assicurati di avere tutti i componenti e gli strumenti necessari.
- Lavora in un'area ben illuminata e priva di distrazioni.

2. Installazione del Chassis:

- Inserisci il tuo FCU P320 (9mm/.357SIG/.40S&W) nel chassis SMC.
- Monta il carrello completo sul chassis SMC seguendo le istruzioni del produttore.

3. Configurazione del Grip:

- Utilizza il manico di ricarica ambidestro incluso per montare la copertura del carrello.
- Scegli la backstrap appropriata per la tua configurazione e montala sul modulo posteriore.

4. Montaggio MultiOttico:

- Fissa il montaggio multiottico sul chassis SMC.
- Assicurati che sia compatibile con il tuo Mini/Micro Red Dot Sight (MRDS).

5. Controllo Finale:

- Controlla che tutte le viti siano serrate e che il prodotto sia sicuro da utilizzare.

- Verifica il corretto funzionamento del sistema prima di procedere all'uso.

Istruzioni per lo Smaltimento

- Quando il prodotto ha raggiunto la fine della sua vita utile, smaltiscilo in conformità con le normative locali sullo smaltimento dei rifiuti elettronici e delle armi.
- Non gettare il prodotto insieme ai rifiuti domestici. Contatta un centro di raccolta autorizzato per il corretto smaltimento.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori informazioni sulla sicurezza e sull'uso del MODULAR CHASSIS (SMC) ALPHA, consulta il sito web del produttore o contatta un professionista qualificato. Assicurati di avere a disposizione il numero di modello e la descrizione del problema quando richiedi assistenza.

Avvertenze Finali

- **Avviso California Proposition 65:** Questo prodotto contiene sostanze chimiche conosciute dallo Stato della California come causa di cancro e difetti alla nascita o altri danni riproduttivi.
- **Disclaimer:** Il MODULAR CHASSIS (SMC) ALPHA non è un'arma da fuoco. È un sistema di modulo grip/chassis progettato per funzionare con il FCU SIG SAUER P320 e un carrello completo fornito dall'utente.

Seguendo queste istruzioni, potrai utilizzare il tuo MODULAR CHASSIS (SMC) ALPHA in modo sicuro e responsabile.

Säkerhetsanvisningar för MODULAR CHASSIS (SMC) ALPHA STRIKE INDUSTRIES

Introduktion

Tack för att du valt MODULAR CHASSIS (SMC) ALPHA från Strike Industries. Denna produkt är designad för att öka prestandan och anpassningsbarheten hos din SIG SAUER P320. Det är viktigt att du följer säkerhetsanvisningarna noggrant för att säkerställa en säker och effektiv användning av produkten.

Allmänna säkerhetsriktlinjer

- Läs och förstå alla instruktioner innan du använder produkten.
- Håll produkten utom räckhåll för barn och andra sårbara grupper.
- Använd alltid skyddsutrustning, inklusive skyddsglasögon och hörselskydd, vid installation och användning.
- Kontrollera alltid att alla skruvar och fästen är ordentligt åtdragna före användning.
- Rapportera osäkra produkter eller olyckor till lokala myndigheter.

Specifika säkerhetsåtgärder för användning

- Använd endast de rekommenderade delarna och tillbehören som medföljer produkten.
- Undvik att modifiera produkten på något sätt som inte anges i bruksanvisningen.
- Kontrollera att din P320 FCU är kompatibel med SMC innan installation.
- Använd inte produkten om den är skadad eller om några delar saknas.
- Följ alltid tillverkarens rekommendationer för användning och underhåll.

Instruktioner för installation och användning

1. Förberedelse

- Kontrollera att du har alla medföljande delar och verktyg innan du börjar installationen.
- Se till att arbetsområdet är rent och fritt från hinder.

2. Installation av SMC

- Ta bort den gamla greppmodulen från din SIG SAUER P320.
- Installera SMC genom att följa dessa steg:
 - Sätt in P320 FCU i SMCchassit.
 - Fäst SMC Rear Module Backstrap.
 - Använd de medföljande skruvarna för att säkra installationen.
 - Montera den ambidextrösa sidoladdningshandtaget och skjutbanekåpan.

3. Kontrollera funktionalitet

- Kontrollera att alla delar är korrekt installerade och att SMC fungerar som avsett.
- Testa att ladda och avfira vapnet enligt tillverkarens instruktioner.

4. Underhåll

- Inspektera produkten regelbundet för slitage eller skador.
- Rengör produkten med en mjuk, torr trasa och undvik användning av kemikalier som kan skada ytan.

Avfallshantering

- Kasta inte produkten i vanliga hushållssopor.
- Följ lokala riktlinjer för avfallshantering för att återvinna eller kassera delar av produkten på ett miljövänligt sätt.
- Använda batterier och elektroniska komponenter bör återvinnas enligt lokala miljöbestämmelser.

Kontaktinformation för ytterligare support

För frågor eller ytterligare support, vänligen kontakta tillverkaren eller din återförsäljare. Se till att ha produktens modellnummer och inköpsinformation till hands för snabbare hjälp.

Varningar och ansvarsfriskrivningar

- Användaren är ansvarig för modifieringar som krävs för att använda M17/M18 manuella säkerheter.
- Strike Modular Chassis (SMC) är inte ett vapen och ska endast användas med en korrekt monterad P320 skjutbana.
- Denna produkt innehåller kemikalier som är kända av delstaten Kalifornien att orsaka cancer och fosterskador eller annan reproduktiv skada. Mer information finns på www.P65Warnings.ca.gov.

Genom att följa dessa säkerhetsanvisningar kan du säkerställa en trygg och effektiv användning av MODULAR CHASSIS (SMC) ALPHA. Tack för att du prioriterar säkerhet och ansvar i din användning av produkten.
