

MARS-L MRP 5.56X45 NATO SEMI-AUTO RIFLE - MARS-L MRP 5.56X45 NATO 16" BBL (1)30RD MAG BLACK

MARS-L MRP 5.56X45 NATO SEMI-AUTO RIFLE MRP Upper Receiver | Ambidextrous Charging Handle | S-A Bolt Carrier Group | MARS-L Lower Receiver | 16" 5.56x45 (.223) Chrome Lined 1:7" RH Twist Barrel Utilizing the LMT® patented Monolithic Rail Platform, MRP™. The only true monolithic rail platform, milled from a single solid piece of aerospace aluminum forging. It utilizes two locking bolts accessible from the side of the receiver to lock in the barrel extension. This patented technology engages the barrel extension for a full 360 degrees around the extension and makes the barrel removable within seconds with a return to zero of the same barrel. One receiver can utilize numerous barrels of varying length, material, and caliber. The upper receiver has 18.5" of uninterrupted 1913 picatinny rail on the 12 o'clock position. The remaining 7 sides provide M-LOK compatible attachment points. Monolithic rail platform barrels utilize a low profile gas block and straight gas tube. They possess proprietary coating and are cryogenically treated for long term durability. The MARS-L ambidextrous lower receiver features LMT® ergonomic textured grip and SOPMOD stock, and the ambidextrous features include bolt catch, magazine catch, and safety selector. As with all LMT® lower receivers, the extension tube is coated with dry film lubricant. This weapon system comes complete with 3 grip panels, one magazine and owner's manual. MARSL MRP 5.56X45 NATO SEMIAUTO RIFLE

Safety Instruction Guide

Introduction

Thank you for choosing the MARSL MRP 5.56X45 NATO SemiAuto Rifle. This safety instruction guide is designed to provide you with essential information for the safe use, installation, and disposal of your firearm. It is important to read and understand these instructions thoroughly to ensure your safety and the safety of others.

General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your target and what lies beyond it.
- Store the firearm unloaded and locked in a secure location when not in use.
- Use only the recommended ammunition specified in this manual.
- Ensure that the firearm is clean and properly maintained.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of local laws and regulations regarding firearm ownership and use.
- Do not use the firearm under the influence of drugs or alcohol.
- Regularly check for recalls or safety alerts related to your firearm.

Specific Safety Precautions for Use

- **Firearm Handling:**

- Always keep the muzzle pointed in a safe direction.
- Do not engage the safety selector until you are ready to fire.
- Ensure the firearm is on "Safe" until you are prepared to shoot.

- **During Shooting:**

- Maintain a proper shooting stance and grip.
- Be aware of your surroundings and ensure a clear shooting area.
- Do not allow anyone to stand in front of or behind you while shooting.

- **PostShooting:**

- After shooting, ensure the firearm is unloaded before handling it further.
- Store the firearm in a secure place, away from unauthorized access.

- **Cleaning and Maintenance:**

- Follow the manufacturer's recommendations for cleaning and maintenance.
- Always ensure the firearm is unloaded before cleaning.

Instructions for Installation and Usage

1. Installation of Accessories:

- Ensure the firearm is unloaded.
- Attach any accessories to the MLOK compatible attachment points on the rail.

- Follow the manufacturer's instructions for any specific accessories.

2. Loading the Magazine:

- Use only the specified 30round magazine provided with your rifle.
- Load the magazine by pressing down on the follower and inserting cartridges.
- Ensure the magazine is properly seated in the lower receiver.

3. Firing the Rifle:

- Ensure the firearm is on "Safe" before loading.
- Load the magazine into the rifle and pull the charging handle to chamber a round.
- Switch the safety selector to "Semi" to prepare for firing.
- Aim at your target, and gently squeeze the trigger to fire.

4. Unloading the Rifle:

- Point the firearm in a safe direction.
- Switch the safety selector to "Safe."
- Remove the magazine and pull the charging handle to eject any chambered round.

5. Storage:

- Store the firearm unloaded and locked in a secure location.
- Use a gun safe or lockbox to prevent unauthorized access.

Disposal Instructions

- Dispose of the firearm in accordance with local laws and regulations.
- If the firearm is no longer functional or is to be destroyed, consult with a licensed firearms dealer for proper disposal methods.
- Ensure that all ammunition is disposed of safely and in accordance with local regulations.

Contact Information for Further Support
