Safety Instruction Guide for GUNSLINGER SKYLINE 12 x 18" DIRTY BIRD TARGET

Introduction

Thank you for purchasing the GUNSLINGER SKYLINE 12 x 18" DIRTY BIRD TARGET by Birchwood Casey. This guide provides important safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before using the target.

General Safety Guidelines

- Always handle the target with care to avoid injury.
- Ensure that the shooting area is safe and free from bystanders.
- Use appropriate protective gear, such as safety glasses and hearing protection, while shooting.
- Keep firearms pointed in a safe direction at all times.
- Follow all local laws and regulations regarding the use of firearms and shooting targets.
- Ensure that the target is used only for its intended purpose.

Specific Safety Precautions for Use

- Before using the target, inspect it for any damage or defects. Do not use if damaged.
- Ensure that the target is securely mounted or placed to avoid it falling or moving during use.
- Use the target only with appropriate firearms and ammunition as specified by the manufacturer.
- Be aware of your surroundings and ensure that the backstop is adequate to stop bullets.
- Do not shoot at the target from an unsafe distance. Follow safe shooting practices.
- Store the target in a cool, dry place away from direct sunlight when not in use.

Instructions for Installation and Usage

1. Setting Up the Target:

- Choose a flat, stable surface or a suitable target stand for installation.
- Ensure the target is at a safe height and distance for shooting.
- Securely attach the target to the stand or surface using appropriate fasteners.

2. Using the Target:

- Stand at a safe distance from the target, typically between 10 to 20 yards, depending on your skill level and the type of firearm used.
- Aim carefully and shoot at the center of the target for optimal results.
- After shooting, check the target for damage and replace it if necessary.

3. After Use:

- Remove the target from the stand or surface.
- Dispose of any damaged targets responsibly, following local waste disposal regulations.

Disposal Instructions

- Dispose of any used or damaged targets in accordance with local regulations.
- If the target is made of materials that can be recycled, please recycle them where possible.
- Do not burn the target as it may contain materials that are harmful when incinerated.
