

COMPETITION BOLT 2.0 FOR 10/22 - VOLQUARTSEN COMPETITION BOLT 2.0 FOR 10/22

VOLQUARTSEN COMPETITION BOLT 2.0 FOR 10/22 Complete CNC-Machined Bolt features our hardened and tuned extractor for positive, consistent extraction. It also includes our round titanium firing pin. This round design eliminates the unnecessary movement found on most 10/22 firing pins. The CNC-machining process allows us to hold the head spacing to exact dimensions eliminating the need to have your factory bolt reworked. FEATURES Case hardened with DLC coating applied - a high performance premium finish that offers many advantages. Recoil buffer included Features the same improved [Firing Pin](/inventory_configurations/821) and [Extractor](/inventory_configurations/822) as our complete rifles In the T/CR22, this bolt is only compatible with our TG2000 Trigger Group Increased hardness Low residual stress Increased lubricity Low coefficient of friction Improved wear resistance Requires much less lubrication **NOTE: These are designed to work with Volquartsen aftermarket receivers as well as factory Ruger receivers, but may not be compatible with other aftermarket receivers**

Attributes

- Name: VOLQUARTSEN COMPETITION BOLT 2.0 FOR 10/22

Safety Instruction Guide for Volquartsen Competition Bolt 2.0 for 10/22

Introduction

Thank you for choosing the Volquartsen Competition Bolt 2.0 for 10/22. This product is designed to enhance the performance of your firearm while ensuring a high level of safety. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and ammunition in a secure location, out of reach of children and unauthorized users.
- Ensure that you are familiar with local laws and regulations regarding the use of firearms.
- Regularly inspect the bolt and other firearm components for wear and damage.
- Do not exceed the manufacturer's recommended specifications for ammunition and use.

Specific Safety Precautions for Use

- Ensure that the Volquartsen Competition Bolt 2.0 is installed correctly before use.
- Always wear appropriate eye and ear protection when shooting.
- Do not modify the bolt or any other firearm components.
- Only use the bolt with compatible receivers, specifically Volquartsen aftermarket receivers and factory Ruger receivers.
- Be cautious of the increased lubricity and low coefficient of friction, which may affect handling.
- Do not attempt to disassemble the bolt for maintenance unless you are knowledgeable about its components.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the factory bolt from the receiver following the manufacturer's guidelines.
- Carefully insert the Volquartsen Competition Bolt 2.0 into the receiver.
- Ensure that the bolt is seated properly and that all components are aligned.
- Reassemble any other components as per the manufacturer's instructions.

2. Usage:

- Load the firearm with compatible ammunition (22 Long Rifle).
- Ensure that the firing pin is functioning correctly before use.
- Test the extraction and firing mechanism in a safe environment before regular use.
- Always keep the firearm pointed in a safe direction when loading or unloading.

Disposal Instructions

- Dispose of the Volquartsen Competition Bolt 2.0 in accordance with local regulations.
- Do not dispose of the bolt in regular household waste.
- Contact local authorities or a licensed waste disposal service for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Volquartsen Competition Bolt 2.0, please reach out to the manufacturer or authorized dealers for assistance. Ensure that you have the product information and any relevant details ready for a more efficient response.

By following these guidelines, you can help ensure a safe and enjoyable experience with your Volquartsen Competition Bolt 2.0 for 10/22. Always prioritize safety and stay informed about best practices for firearm use.
