Safety Instruction Guide for Remington Magazine Cap Swivel Assembly

Introduction

Thank you for choosing the Remington Magazine Cap Swivel Assembly for your Remington Versa Max shotgun. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document thoroughly before installation and use.

General Safety Guidelines

- Always handle the product with care to avoid injury.
- Ensure that the firearm is unloaded before installation or maintenance.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for wear or damage.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls or safety alerts through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Installation Safety:**
 - Use appropriate tools and follow the installation instructions carefully.
 - Do not force components together; ensure all parts fit correctly.
- **Usage Safety:**
 - Always ensure the magazine cap is securely attached before using the shotgun.
 - Avoid using the shotgun in wet or corrosive environments without proper maintenance.
- **Transport Safety:**
 - When transporting your shotgun, ensure that all components are secured and protected from damage.
 - Always store the shotgun in a safe, locked location when not in use.

Instructions for Installation and Usage

1. **Preparation:**
 - Ensure the shotgun is completely unloaded.
 - Gather necessary tools for installation (e.g., screwdriver).
2. **Installation:**
 - Remove the existing magazine cap from the shotgun.
 - Align the Remington Magazine Cap Swivel Assembly with the magazine tube.
 - Securely attach the magazine cap by turning it clockwise until it is snug but not overtightened.
3. **Usage:**
 - Check that the sling swivel is properly attached and functional.
 - Before firing, confirm that the magazine cap is secure.
 - After use, clean and inspect the assembly for any signs of wear or damage.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the product is no longer functional or safe, dispose of it responsibly, ensuring it does not pose a risk to the environment or public safety.

Contact Information for Further Support
