

TRS (THE RIGHT SIZE) BRASS GLIDE BAR FOR TRS12 ARCA - VICTOR COMPANY USA, INC. TRS GLIDE BAR WEIGHT FOR TRS12 ARCA 1/PACK

VICTOR COMPANY USA, INC. TRS (THE RIGHT SIZE) BRASS GLIDE BAR FOR TRS12 ARCA The TRS Brass Glide Bars are precision-machined solid-brass weights designed to mount directly to the TRS 12" Universal ARCA Rail. Built to add low-mounted mass and perfectly smooth tracking, they give rifles a more stable, predictable recoil path while helping shooters settle faster on target. Their solid-brass construction delivers the ideal balance of weight and glide—sliding naturally across bags and supports without snagging or dragging. Whether used for tuning a competition rifle, stabilizing a precision rimfire setup, or optimizing a barricade gun, the TRS Glide Bars bring competition-level control to any ARCA-equipped platform. **FEATURES** Precision-machined solid-brass construction Designed specifically for the TRS 12" Universal ARCA Rail Compatible with other 1.5" ARCA dovetail rail systems Low-friction underside for smooth bag and barricade tracking Adds tuned weight for recoil control and rifle balance optimization Compact footprint for flexible placement along the rail Secure bolt-on installation with the TRS mounting pattern Works on both rimfire and centerfire precision rifles Ideal for NRL/PRS, positional shooting, and barricade work **SPECS** Material: Solid brass Construction: CNC-machined, precision-cut weight bar Rail Standard: 1.5" ARCA dovetail compatibility Mounting Interface: TRS 12" ARCA Rail mounting pattern Dimensions: 1.5" x 3.5" x 2" (per published specs) Weight: 11.5 oz per bar Underside: Low-friction smooth surface for controlled bag/barricade glide Compatibility: TRS 12" ARCA Rail, RPG COMP forend, MDT chassis, and other ARCA-equipped systems Use Case: Rifle balance tuning, recoil control, and positional stability Finish: Raw or lightly polished brass depending on SKU Platform Type: Suitable for rimfire and centerfire precision rifles

Attributes

Sicherheitshinweise für den TRS Brass Glide Bar

Einleitung

Herzlichen Glückwunsch zu deinem Kauf des TRS Brass Glide Bar! Dieses Produkt wurde entwickelt, um deine Schießtechnik zu verbessern und dir eine präzise Kontrolle über dein Gewehr zu geben. Bitte lies diese Sicherheitshinweise sorgfältig durch, um eine sichere Anwendung zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du das Produkt nur für den vorgesehenen Zweck verwendest.
- Halte das Produkt von Kindern und schutzbedürftigen Personen fern.
- Überprüfe regelmäßig den Zustand des Glide Bars auf Beschädigungen oder Abnutzungen.
- Informiere dich über Rückrufaktionen und Sicherheitswarnungen über die EU Safety Gate Plattform.

Besondere Sicherheitsvorkehrungen für die Verwendung

- Verwende das Produkt nur mit kompatiblen Gewehren und ARCARails.
- Achte darauf, dass der Glide Bar sicher montiert ist, um ein Verrutschen oder Lösen während des Gebrauchs zu vermeiden.
- Vermeide die Verwendung bei extremen Wetterbedingungen, die die Leistung des Produkts beeinträchtigen könnten.
- Halte die Unterseite des Glide Bars sauber, um eine optimale Gleitleistung zu gewährleisten.

Anweisungen für Installation und Nutzung

1. Installation:

- Stelle sicher, dass das Gewehr sicher auf einer stabilen Unterlage liegt.
- Positioniere den TRS Brass Glide Bar an der gewünschten Stelle auf der TRS 12" ARCA Rail.
- Verwende die passenden Schrauben, um den Glide Bar sicher zu befestigen. Achte darauf, dass er fest sitzt, aber ziehe die Schrauben nicht zu fest an, um Beschädigungen zu vermeiden.

2. Nutzung:

- Überprüfe vor jedem Schießen, ob der Glide Bar korrekt montiert und in gutem Zustand ist.
- Achte beim Schießen darauf, dass du eine stabile Position einnehmen kannst, um die Vorteile des Glide Bars voll auszuschöpfen.
- Nach dem Schießen, reinige den Glide Bar, um Schmutz oder Rückstände zu entfernen.

Entsorgungsanweisungen

- Entsorge das Produkt gemäß den örtlichen Vorschriften für Metallabfälle.
- Stelle sicher, dass alle Teile des Glide Bars ordnungsgemäß recycelt oder entsorgt werden, um Umweltschäden zu vermeiden.

Kontaktinformationen für weitere Unterstützung

- Bei Fragen oder Bedenken zu diesem Produkt, wende dich bitte an den Hersteller oder deinen Händler. Sie stehen dir zur Verfügung, um dir bei allen Anliegen zu helfen.

Bitte beachte diese Sicherheitshinweise und genieße die Vorteile deines TRS Brass Glide Bars für präzises Schießen!

Safety Instruction Guide for TRS Brass Glide Bar for TRS12 ARCA

Introduction

Thank you for choosing the TRS Brass Glide Bar for TRS12 ARCA. This product is designed to enhance the stability and performance of your rifle setup. To ensure safe and effective use, please read this safety instruction guide carefully. It contains important information regarding product safety, installation, usage, and disposal.

General Safety Guidelines

To ensure your safety and the safety of others, please adhere to the following guidelines:

- Always read the product manual before use.
- Ensure that the product is suitable for your specific rifle model.
- Inspect the glide bar for any damage before installation.
- Keep the glide bar out of reach of children and vulnerable individuals.
- Avoid using the product in extreme weather conditions.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay updated on product recalls through the EU Safety Gate platform.

Specific Safety Precautions for Use

When using the TRS Brass Glide Bar, please observe the following precautions:

- Ensure that the glide bar is securely mounted to the TRS 12" Universal ARCA Rail before use.
- Do not exceed the weight limit specified for the glide bar.
- Avoid using the glide bar for purposes other than those intended.
- Use caution when adjusting or repositioning the glide bar during use.
- Regularly check the mounting hardware for wear or loosening.
- In case of any malfunction, discontinue use immediately and consult a qualified technician.

Instructions for Installation and Usage

Follow these steps for the proper installation and usage of the TRS Brass Glide Bar:

1. Preparation

- Gather all necessary tools, including a wrench and the provided mounting hardware.
- Ensure that the rifle is unloaded and in a safe condition before proceeding.

2. Installation

- Locate the TRS 12" Universal ARCA Rail on your rifle.
- Align the glide bar with the mounting holes on the rail.
- Secure the glide bar using the provided bolts, ensuring a tight fit without overtightening.
- Doublecheck the installation by gently tugging on the glide bar to confirm it is secure.

3. Usage

- Once installed, test the glide bar on a stable surface to ensure smooth tracking.
- Adjust the position of the glide bar as needed for optimal balance and stability.
- Use the glide bar during shooting sessions to enhance recoil control and improve accuracy.

Disposal Instructions

When the TRS Brass Glide Bar has reached the end of its life cycle, please follow these disposal instructions:

- Dispose of the glide bar in accordance with local regulations regarding metal waste.
- Do not dispose of the glide bar in regular household waste.
- If unsure about disposal methods, consult your local waste management authority for guidance.

Contact Information for Further Support

For any questions or concerns regarding the TRS Brass Glide Bar, please refer to the manufacturer's website or customer service for assistance. It is important to have an EUbased contact for any safety inquiries or product issues.

Thank you for choosing the TRS Brass Glide Bar for your shooting needs. Your safety and satisfaction are our priorities.

Guida alle Istruzioni di Sicurezza per il TRS Brass Glide Bar

Introduzione

Grazie per aver scelto il TRS Brass Glide Bar per il tuo TRS12 ARCA. Questo accessorio è progettato per migliorare la stabilità e la precisione del tuo fucile. È importante seguire le linee guida di sicurezza per garantire un uso corretto e sicuro del prodotto.

Linee Guida Generali di Sicurezza

- Assicurati di leggere attentamente tutte le istruzioni prima dell'uso.
- Mantieni il prodotto fuori dalla portata dei bambini e di gruppi vulnerabili.
- Controlla il prodotto regolarmente per eventuali segni di usura o danni.
- Utilizza il prodotto solo per gli scopi previsti.
- Non modificare o smontare il prodotto senza autorizzazione.

Precauzioni di Sicurezza Specifiche per l'Uso

- Utilizza il TRS Brass Glide Bar solo con fucili compatibili, come specificato nelle istruzioni.
- Assicurati che il fucile sia scarico prima di installare o rimuovere il Glide Bar.
- Non utilizzare il prodotto in condizioni atmosferiche avverse (pioggia, neve, ecc.) che potrebbero comprometterne la funzionalità.
- Durante l'uso, presta attenzione a eventuali movimenti imprevisti del fucile.
- Se noti qualsiasi anomalia durante l'uso, interrompi immediatamente e controlla il prodotto.

Istruzioni per l'Installazione e l'Uso

• Installazione:

1. Assicurati che il tuo fucile sia scarico.
2. Posiziona il TRS Brass Glide Bar sul TRS 12" Universal ARCA Rail.
3. Fissa il Glide Bar utilizzando le viti fornite nel kit di montaggio.
4. Controlla che sia ben fissato prima di procedere all'uso.

• Uso:

1. Una volta installato, regola il posizionamento del Glide Bar secondo le tue preferenze.
2. Utilizza il fucile in un ambiente sicuro e controllato.
3. Monitora il comportamento del fucile durante il tiro per assicurarti che il Glide Bar stia funzionando correttamente.

Istruzioni per lo Smaltimento

- Non smaltire il prodotto nell'ambiente. Segui le normative locali per lo smaltimento dei materiali metallici.
- Contatta un centro di raccolta locale per informazioni su come smaltire correttamente il prodotto.

Informazioni di Contatto per Ulteriore Supporto

Per domande o ulteriori informazioni sulla sicurezza del prodotto, ti invitiamo a contattare il servizio clienti del produttore. Assicurati di avere a disposizione il numero di modello e la prova di acquisto quando richiedi assistenza.

Ricorda che la sicurezza è una responsabilità condivisa. Segui queste linee guida per garantire un uso sicuro e responsabile del tuo TRS Brass Glide Bar.
