

ASSAULT BACK PANEL CORE MK2 - SPIRITUS SYSTEMS MK2

ASSAULT BACK PANEL CORE BLACK

SPIRITUS SYSTEMS ASSAULT BACK PANEL CORE MK2 Evolution, not just iteration. We took the foundation of the Assault Back Panel Core and refined it for the modern operator. The Mk 2 isn't a departure from what worked—it's a precision upgrade designed for seamless UCAS and LV-120 compatibility, without sacrificing the reliability of the legacy design. By integrating direct user feedback, we've maximized internal capacity and streamlined the profile, ensuring your mission-essential gear is more accessible than ever. The Assault Back Panel Core Mk 2 is designed to be a multi-mission back panel attachment to your LV-120 Plate Carrier, and other UCAS Compatible Plate Carriers. The Assault Back Panel Core Mk 2 is both expandable and modular and can accommodate a series of equipment to meet virtually any operational need. The Assault Back Panel Core Mk 2 attaches to your LV-120 Rear Plate Bag using a combination of our proprietary Quick Attachment Tab System and UCAS Standard #10 Zippers. The newly integrated Quick Attachment Tab System allows the Assault Back Panel Core Mk 2 to affix to and off the LV-120 quickly and seamlessly. The Panel has a removable flap system that allows the user to configure the upper half of the Back Panel to meet their mission needs. Compatible with Back Panel GP Flap, Back Panel Flashbang Flap and Back Panel MOLLE Flap. (Flaps are sold separately, the Assault Back Panel Core Mk 2 does NOT come with a flap.) This eliminates the need to have multiple panels and allows for quicker donning and doffing of mission essential equipment. THE TOP OF THE PANEL FEATURES A CUSTOM DOUBLE PULL, LOCKING, SEPARATING ZIPPER WHICH ALLOWS: 1) Total user configurability to swap, stack and secure your mission-essential tools without compromise. 2) Communication antennas and other items such as cabling, hydration tubes and breaching tools to be routed into and out of the top of the panel with the locking zipper setting the tool in a specific position. The Assault Back Panel Core Mk 2 is designed with three direction snaps to hold Flaps securely and to keep tools held inside the panel. THE PANEL CAN BE WORN IN THREE CONFIGURATIONS: 1) Configuration 1 uses the outermost zippers to attach the panel to the plate bag. This compresses the panel and allows it to be worn in a "light" configuration. Ideal for users who want a streamlined fit and only need to carry breaching tools, slap charges, flash bangs and GP kit on their backs. 2) Configuration 2 uses the innermost zippers to attach the panel to the plate bag. This gives the user greater capacity and configures the panel to act more like a small assault pack. This provides the same features as Configuration 1, but with the added volume for bulky items such as radios, cold weather gear, pole-less litters, etc. 3) Configuration 3 "The Drop Expansion Pocket," utilizes Configuration 1) to attach to the rear plate bag and introduces the bottom expansion. This expansion offers the ability to carry longer tools and store even more bulky items in the expanded space. Between the two sets of zippers, is a column of MOLLE cuts for mounting pouches, such as the Magic Stick, and has holes for shock cord to secure charges, braided tubular nylon or any other lightweight objects. The Assault Back Panel Core Mk 2 comes standard with a permanently affixed large GP pocket on the lower half. This pocket is lined with a loop field for attachment of accessory items and features two tie-down locations inside the pouch for securing sensitive equipment. The front of the pouch features a zippered stash pocket for organizing smaller, commonly needed items. This pocket has an external 4" x 5" loop field for attaching identification patches. Behind the GP pocket is a hidden stash compartment, used for storing the lower half of slap

charges or other items when they are passed through the flaps above. It can also be used to stash E&E equipment or smaller personal items. To fold the main bag tail extension back into the Assault Back Panel Core Mk 2 body, stuff the extension into the panel and re-affix your directional snap straps. These straps are now wrapped around the bottom of the back panel, which allows you to secure it in place if a heavier load needs to be carried inside, but you do not want the expansion to deploy inadvertently. NOTE: *** The Assault Back Panel Core Mk 2 is NOT Compatible with the LV-119 ***

Attributes

- Name: SPIRITUS SYSTEMS MK2 ASSAULT BACK PANEL CORE BLACK
- Manufacturer: SPIRITUS SYSTEMS
- Product no.: 430118036
- Mfr. No.: PC-AP-BK-02

Sicherheitshinweise für das ASSAULT BACK PANEL CORE MK2

Einführung

Herzlichen Glückwunsch zum Kauf des ASSAULT BACK PANEL CORE MK2 von SPIRITUS SYSTEMS! Dieses Produkt wurde entwickelt, um deine Missionen zu unterstützen und deine Ausrüstung sicher und effizient zu transportieren. Bitte lies diese Sicherheitshinweise sorgfältig durch, um eine sichere Nutzung zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass das Produkt in einwandfreiem Zustand ist, bevor du es verwendest.
- Verwende das Produkt nur für den vorgesehenen Zweck und gemäß den Anweisungen.
- Überprüfe regelmäßig auf Abnutzungserscheinungen oder Beschädigungen.
- Halte das Produkt von Kindern fern, um Verletzungen zu vermeiden.
- Achte darauf, dass alle Teile richtig montiert und gesichert sind, bevor du das Produkt verwendest.

Besondere Sicherheitsvorkehrungen für die Nutzung

- Vermeide es, übermäßiges Gewicht zu transportieren, das die Stabilität des Panels beeinträchtigen könnte.
- Achte darauf, dass alle Reißverschlüsse und Befestigungen sicher geschlossen sind, um ein ungewolltes Öffnen während des Gebrauchs zu verhindern.
- Verwende das Quick Attachment Tab System nur mit kompatiblen Zubehörteilen, um Beschädigungen zu vermeiden.
- Bei der Verwendung des Panels in einer aktiven Umgebung achte darauf, dass keine scharfen oder gefährlichen Gegenstände in der Nähe sind, die zu Verletzungen führen könnten.

Anweisungen zur Installation und Nutzung

1. Installation des ASSAULT BACK PANEL CORE MK2:

- Befestige das Panel mit dem Quick Attachment Tab System an deinem LV120 Rear Plate Bag.
- Stelle sicher, dass die UCAS Standard #10 Zipper vollständig geschlossen sind.

2. Konfiguration des Panels:

- **Konfiguration 1:** Nutze die äußeren Reißverschlüsse für eine "leichte" Konfiguration.
- **Konfiguration 2:** Nutze die inneren Reißverschlüsse für eine größere Kapazität.
- **Konfiguration 3:** Verwende die "Drop Expansion Pocket" für längere Werkzeuge.

3. Verwendung der Taschen:

- Nutze die große GPTasche für die Aufbewahrung von Ausrüstungsgegenständen.
- Achte darauf, dass die Tasche sicher verschlossen ist, bevor du das Panel verwendest.

4. Anpassung des Klappensystems:

- Passe die obere Hälfte des Back Panels an deine Missionsbedürfnisse an, indem du die Klappen entsprechend wechselst.

5. Sicherung der Haupttasche:

- Führe die Verlängerung der Haupttasche zurück in das Panel und befestige die

RichtungsSnapRiemen.

Entsorgungsanweisungen

- Entsorge das Produkt gemäß den örtlichen Vorschriften für die Abfallentsorgung.
- Achte darauf, dass alle Teile des Produkts umweltgerecht entsorgt werden.

Kontaktinformationen für weitere Unterstützung

Solltest du Fragen oder Bedenken bezüglich des ASSAULT BACK PANEL CORE MK2 haben, wende dich bitte an den Hersteller oder den Händler, bei dem du das Produkt erworben hast. Sie stehen dir für alle Sicherheitsanfragen zur Verfügung.

Bitte beachte, dass diese Sicherheitshinweise regelmäßig aktualisiert werden, um den neuesten Sicherheitsstandards zu entsprechen. Halte dich über Rückrufe und Sicherheitswarnungen auf dem Laufenden, um sicherzustellen, dass du stets die neuesten Informationen zur Nutzung deines Produkts erhältst.

Safety Instruction Guide for ASSAULT BACK PANEL CORE MK2

Introduction

Thank you for choosing the ASSAULT BACK PANEL CORE MK2 by SPIRITUS SYSTEMS. This product is designed to enhance your operational capabilities while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- **Product Safety:** Ensure that you use the ASSAULT BACK PANEL CORE MK2 in accordance with the instructions provided to avoid any potential risks.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. In the event of a recall, follow the provided instructions for returning or exchanging the product.
- **Online Shopping Safety:** If you purchased this product online, ensure that the platform meets safety requirements similar to physical stores.
- **Special Consumer Focus:** This product is not intended for children. Ensure that it is used only by individuals who are trained and capable of utilizing tactical gear.
- **EU Contact Point:** For safety inquiries, please refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on product safety and potential hazards.

Specific Safety Precautions for Use

- **User Training:** Ensure that all users are trained in the proper use of tactical gear and are familiar with the features of the ASSAULT BACK PANEL CORE MK2.
- **Inspection:** Before each use, inspect the panel for any signs of wear, damage, or malfunction. Do not use the product if any issues are identified.
- **Load Capacity:** Be mindful of the load capacity when attaching equipment to the panel. Overloading may compromise safety and functionality.
- **Secure Attachment:** Ensure that the panel is securely attached to the LV120 Plate Carrier or compatible systems to prevent accidental detachment during use.
- **Environmental Conditions:** Avoid using the product in extreme weather conditions that may affect its performance or your safety.
- **Emergency Situations:** Be prepared to quickly detach the panel if necessary during emergency situations.

Instructions for Installation and Usage

Installation

1. **Prepare the LV120 Plate Carrier:** Ensure your LV120 Plate Carrier is clean and free from obstructions.
2. **Align the Panel:** Position the ASSAULT BACK PANEL CORE MK2 against the rear of the Plate Carrier.
3. **Attach Using Zippers:**
 - Use the Quick Attachment Tab System and UCAS Standard #10 Zippers to securely attach the panel to the plate bag.
 - Ensure that the zippers are fully engaged and locked in place.
4. **Adjust Flap Configuration:** If using flaps, configure them according to your mission needs. Remember that flaps are sold separately.

Usage

- **Configurations:** The panel can be worn in three configurations:
 1. **Configuration 1:** Use the outermost zippers for a "light" configuration, ideal for minimal gear.
 2. **Configuration 2:** Use the innermost zippers for increased capacity, suitable for carrying bulkier items.
 3. **Configuration 3:** Utilize the bottom expansion for longer tools and additional storage.
- **Tool Routing:** Use the custom double pull, locking, separating zipper to route communication antennas and other items securely.
- **Storing Items:** Utilize the large GP pocket for organizing equipment and the hidden stash compartment for sensitive items.

Disposal Instructions

- **Recycling:** When the ASSAULT BACK PANEL CORE MK2 reaches the end of its life cycle, dispose of it in accordance with local recycling regulations.
- **Hazardous Materials:** If any components are deemed hazardous, follow your local guidelines for safe disposal.
- **Environmental Responsibility:** Always aim to recycle materials whenever possible to minimize environmental impact.

Contact Information for Further Support

For further assistance or inquiries regarding the ASSAULT BACK PANEL CORE MK2, please refer to the contact details provided by your retailer or manufacturer. Always ensure that you have access to support in case of questions or concerns about the product.

By following these safety instructions, you can ensure a safe and effective experience with the ASSAULT BACK PANEL CORE MK2. Thank you for your attention to safety, and we wish you success in your missions.

Guida alle Istruzioni di Sicurezza per il ASSAULT BACK PANEL CORE MK2

Introduzione

Grazie per aver scelto il ASSAULT BACK PANEL CORE MK2 di SPIRITUS SYSTEMS. Questo prodotto è progettato per offrire un supporto versatile e funzionale per le tue esigenze operative. È fondamentale seguire le linee guida di sicurezza per garantire un utilizzo sicuro e efficace.

Linee Guida Generali di Sicurezza

- Assicurati di leggere e comprendere tutte le istruzioni prima di utilizzare il prodotto.
- Controlla regolarmente il prodotto per segni di usura o danni.
- Non utilizzare il prodotto se presenta difetti visibili o se è stato danneggiato.
- Mantieni il prodotto lontano da fonti di calore e sostanze chimiche aggressive.
- Evita di sovraccaricare il pannello oltre le specifiche raccomandate.

Precauzioni di Sicurezza Specifiche per l'Uso

- Utilizza il pannello solo con plate carriers compatibili (ad esempio, LV120) per garantire una vestibilità sicura.
- Assicurati che tutte le cerniere e i sistemi di attacco siano completamente chiusi e fissati prima di utilizzare il pannello.
- Non utilizzare il pannello per il trasporto di oggetti pericolosi o infiammabili.
- Quando non in uso, riponi il pannello in un luogo asciutto e sicuro.
- Fai attenzione durante la configurazione delle flap e degli accessori per evitare infortuni.

Istruzioni per l'Installazione e l'Uso

1. Installazione del pannello:

- Fissa il ASSAULT BACK PANEL CORE MK2 al tuo LV120 Plate Carrier utilizzando il sistema di Quick Attachment Tab e le cerniere UCAS Standard #10.
- Assicurati che il pannello sia ben allineato e che non ci siano spazi vuoti tra il pannello e il carrier.

2. Configurazione delle flap:

- Scegli la flap appropriata (GP Flap, Flashbang Flap, MOLLE Flap) e attaccala al pannello.
- Verifica che la flap sia fissata correttamente e che non ci siano parti allentate.

3. Utilizzo delle configurazioni:

- **Configurazione 1:** Attacca il pannello utilizzando le cerniere più esterne per una configurazione leggera.
- **Configurazione 2:** Usa le cerniere più interne per maggiore capacità e configurazione simile a uno zaino d'assalto.
- **Configurazione 3:** Utilizza la Configurazione 1 e attiva l'espansione inferiore per trasportare oggetti più lunghi.

4. Manutenzione:

- Controlla regolarmente il pannello per eventuali segni di usura.
- Pulisci il pannello con un panno umido e lascia asciugare all'aria.

Istruzioni per lo Smaltimento

- Quando il prodotto arriva alla fine della sua vita utile, smaltiscilo in conformità con le normative locali per i rifiuti.
- Non gettare il pannello nell'ambiente; assicurati di smaltirlo in modo responsabile.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori informazioni o domande sulla sicurezza, ti invitiamo a contattare il tuo rivenditore o il produttore. Assicurati di avere a disposizione il numero di modello e la data di acquisto quando richiedi assistenza.

Ricorda che la sicurezza è una responsabilità condivisa. Segui queste linee guida per garantire un utilizzo sicuro e efficace del tuo ASSAULT BACK PANEL CORE MK2.
