

GRIP INSERTS - RANSOM GRIP INSERTS FOR ASTRA 357

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR ASTRA 357
- Manufacturer: RANSOM
- Product no.: 430119288
- Mfr. No.: 30-300-01-01
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132580154

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR ASTRA 357

Einleitung

Herzlichen Glückwunsch zu deinem Kauf der GRIP INSERTS RANSOM GRIP INSERTS für deine Astra 357! Diese Inserts sind speziell entwickelt, um die Leistung deines Master Series Ransom Rest zu optimieren. Um die Sicherheit und Effektivität des Produkts zu gewährleisten, ist es wichtig, die folgenden Sicherheitshinweise zu beachten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass das Produkt für deine Waffe geeignet ist.
- Verwende die Inserts nur in Übereinstimmung mit den Anweisungen des Herstellers.
- Bewahre die Inserts außerhalb der Reichweite von Kindern auf.
- Melde unsichere Produkte oder Unfälle an die zuständigen Behörden.
- Überprüfe regelmäßig die EU Safety Gate Plattform auf Rückrufinformationen.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Verwende keine harten Grip Inserts oder 3Dgedruckte KunststoffGrip Inserts. Diese können deiner Waffe schaden.
- Achte darauf, dass die Inserts richtig installiert sind, um eine optimale Leistung zu gewährleisten.
- Vermeide es, die Inserts bei extremen Temperaturen zu lagern oder zu verwenden.
- Überprüfe die Inserts regelmäßig auf Abnutzung oder Beschädigungen.
- Sei vorsichtig beim Testen der Waffe; achte auf Anzeichen von Rückstoß und Vibration.

Anweisungen für Installation und Verwendung

1. Installation der Inserts:

- Entferne die vorhandenen Inserts gemäß den Anweisungen des Herstellers.
- Setze die neuen RANSOM Grip Inserts vorsichtig in die vorgesehenen Halterungen ein.
- Stelle sicher, dass die Inserts fest und sicher sitzen.

2. Verwendung der Inserts:

- Achte darauf, die Waffe in einer sicheren Umgebung zu testen.
- Halte die Waffe während des Gebrauchs stabil und kontrolliert.
- Beobachte die Reaktionen der Waffe beim Schießen und achte auf ungewöhnliche Vibrationen oder Rückstoß.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffen.
- Stelle sicher, dass die Inserts nicht in die Hände von Kindern gelangen, wenn du sie entsorgst.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung wende dich bitte an den Hersteller oder den Händler, bei dem du das Produkt erworben hast. Achte darauf, alle Sicherheitsrichtlinien zu befolgen und die Inserts

verantwortungsvoll zu verwenden.

Bitte beachte, dass die Sicherheit deiner Waffe und deiner eigenen Sicherheit von größter Bedeutung sind. Die Verwendung der richtigen Inserts kann dazu beitragen, die Lebensdauer deiner Waffe zu verlängern und das Schießerlebnis zu verbessern.

GRIP INSERTS RANSOM GRIP INSERTS FOR ASTRA 357 Safety Instruction Guide

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Astra 357. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully to understand the potential hazards and the correct usage practices.

General Safety Guidelines

- Ensure safe use of the grip inserts by adhering to all safety instructions.
- Be aware that using hard grip inserts or 3Dprinted plastic grip inserts can damage your firearm and generate unsafe recoil.
- Regularly check for updates regarding product recalls and safety notices through the EU's Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Always prioritize safety and caution when handling firearms and related accessories.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts with your Master Series Ransom Rest. These can generate destructive recoil energy that may harm your firearm.
- **Understand Recoil Dynamics:** The grip inserts are designed to mimic the durometer of the human hand, absorbing initial recoil forces. Hard inserts do not replicate this, leading to invalid test results.
- **Monitor for Damage:** Damage from hard inserts may not be immediately visible but can accumulate over time, potentially leading to decreased barrel life and safety hazards.
- **Use Proper Testing Methods:** For accurate testing, always use inserts that replicate humanlike recoil. Avoid hard or 3Dprinted inserts to ensure valid test data.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and in a safe position before installation.
- Carefully remove any existing grip inserts from the Master Series Ransom Rest.
- Align the Ransom International Grip Inserts with the designated slots on the rest.
- Firmly press the inserts into place until they are secure.

2. Usage:

- Always use the Ransom Rest with the appropriate grip inserts designed for your firearm.
- Monitor the firearm and the rest for any signs of wear or damage during use.
- After each shooting session, inspect the grip inserts for any signs of degradation or failure.

3. PostUsage Care:

- Clean the grip inserts according to the manufacturer's recommendations.
- Store the Ransom Rest and grip inserts in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of any damaged or worn grip inserts responsibly. Follow local regulations for the disposal of nonhazardous materials.
- Do not dispose of the grip inserts in regular household waste if they are made from materials that require special handling.

Contact Information for Further Support

For any inquiries or further support regarding the Ransom International Grip Inserts, please refer to the manufacturer's website or customer service channels. Always ensure that you are using the product safely and in accordance with the guidelines provided.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your Ransom International Grip Inserts for Astra 357. Thank you for prioritizing safety in your shooting practices.

Istruzioni di Sicurezza per l'Utilizzo degli Inserti per Impugnatura Ransom per Astra 357

Introduzione

Grazie per aver scelto gli Inserti per Impugnatura Ransom per il tuo Master Series Ransom Rest. Questo prodotto è progettato per garantire prestazioni ottimali e proteggere la tua arma da fuoco. È fondamentale seguire le istruzioni di sicurezza per garantire un utilizzo sicuro e efficace.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo gli inserti progettati specificamente per il tuo Master Series Ransom Rest.
- Non utilizzare inserti rigidi o inserti in plastica stampati in 3D, in quanto possono danneggiare l'arma e compromettere la sicurezza.
- Controlla regolarmente gli inserti per eventuali segni di usura o danni.
- Segui tutte le normative locali riguardanti l'uso e la manutenzione delle armi da fuoco.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare gli inserti in condizioni di umidità o in ambienti estremi che potrebbero comprometterne l'integrità.
- Mantieni gli inserti lontani da fonti di calore e sostanze chimiche aggressive.
- Evita di sovraccaricare il Ransom Rest durante l'uso per prevenire danni agli inserti e all'arma.
- Assicurati che l'arma sia scarica prima di installare o rimuovere gli inserti.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti:

- Assicurati che il Ransom Rest sia posizionato su una superficie stabile e piana.
- Rimuovi eventuali inserti precedenti seguendo le istruzioni del produttore.
- Inserisci gli Inserti per Impugnatura Ransom nel Ransom Rest, assicurandoti che siano saldamente in posizione.

2. Utilizzo del Ransom Rest:

- Posiziona l'arma nel Ransom Rest seguendo le indicazioni del produttore.
- Controlla che l'arma sia ben fissata e che gli inserti siano allineati correttamente.
- Esegui il test di tiro seguendo le procedure standard, monitorando le prestazioni e il comportamento dell'arma.

3. Manutenzione degli Inserti:

- Pulisci gli inserti regolarmente con un panno morbido e asciutto.
- Controlla gli inserti per segni di usura e sostituiscili se necessario.

Istruzioni per lo Smaltimento

- Gli inserti non devono essere smaltiti insieme ai rifiuti domestici. Segui le normative locali per lo smaltimento dei materiali di plastica.
- Contatta l'ente locale per informazioni sul corretto smaltimento degli inserti e degli accessori per armi.

Informazioni di Contatto per Ulteriore Supporto

Per domande o preoccupazioni riguardanti la sicurezza del prodotto, contatta il tuo rivenditore o il produttore. Assicurati di avere a disposizione il numero di modello e dettagli di acquisto.

Avvertenze

- Gli inserti rigidi possono causare danni all'arma e sono sconsigliati. Utilizza solo gli inserti progettati per il tuo Ransom Rest.
- Non utilizzare il Ransom Rest in modo improprio per evitare infortuni o danni.
