

GRIP INSERTS - RANSOM GRIP INSERTS FOR LLAMA 82/BERETTA 92,92S/TAURUS 91,92,99

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR LLAMA 82/BERETTA 92,92S/TAURUS 91,92,99
- Manufacturer: RANSOM
- Product no.: 430119293
- Mfr. No.: 30-300-03-02
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132580246

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS

Einführung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM GRIP INSERTS, die speziell für die Verwendung mit deinem Waffensystem, einschließlich LLAMA 82, BERETTA 92/92S und TAURUS 91/92/99, entwickelt wurden. Diese Anleitung soll sicherstellen, dass du die Produkte sicher und effektiv nutzen kannst. Bitte lies die folgenden Informationen sorgfältig durch.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die GRIP INSERTS nur in Verbindung mit dem Master Series Ransom Rest verwendest.
- Vermeide die Verwendung von harten oder 3Dgedruckten GriffEinsätzen, da sie deinem Gewehr schaden können.
- Achte darauf, dass die Einsätze in gutem Zustand sind und keine sichtbaren Schäden aufweisen.
- Halte die GRIP INSERTS außerhalb der Reichweite von Kindern und schütze sie vor unsachgemäßer Handhabung.
- Melde unsichere Produkte oder Unfälle den zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Verwende die GRIP INSERTS nur gemäß den Anweisungen in dieser Anleitung.
- Überprüfe regelmäßig die Einsätze auf Abnutzung oder Beschädigungen.
- Bei Anzeichen von Schäden, wie Rissen oder Verformungen, die Inserts sofort ersetzen.
- Achte beim Schießen darauf, dass du die richtige Technik anwendest, um Verletzungen durch Rückstoß zu vermeiden.
- Halte immer einen sicheren Abstand zu anderen Personen, während du das Waffensystem benutzt.

Anweisungen für Installation und Nutzung

1. Installation der GRIP INSERTS:

- Stelle sicher, dass das Waffensystem sicher und stabil auf dem Ransom Rest positioniert ist.
- Entferne die alten GriffEinsätze vorsichtig.
- Setze die neuen GRIP INSERTS an die vorgesehenen Stellen ein, bis sie fest sitzen.
- Überprüfe, ob die Inserts richtig installiert sind, bevor du mit dem Schießen beginnst.

2. Nutzung der GRIP INSERTS:

- Führe vor jedem Schießen eine Sichtprüfung der Inserts durch.
- Achte darauf, dass die Maschine und die Inserts nicht überhitzen.
- Bei der Benutzung der Waffe stelle sicher, dass du die richtige Haltung einnimmst, um den Rückstoß optimal zu kontrollieren.
- Nach jedem Schießen die Inserts auf Vibrationen und Rückstoß überprüfen.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte GRIP INSERTS gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffprodukten.
- Achte darauf, dass keine Teile in die Umwelt gelangen.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung zu den GRIP INSERTS wende dich bitte an den Hersteller oder den Händler, bei dem du das Produkt erworben hast. Stelle sicher, dass du alle Sicherheitsrichtlinien befolgst und deine Waffe verantwortungsbewusst nutzt.

Diese Sicherheitshinweise entsprechen den Anforderungen der EUVerordnung über die allgemeine Produktsicherheit (GPSR) und sollen dir helfen, die GRIP INSERTS sicher und effektiv zu verwenden. Achte darauf, die Anweisungen sorgfältig zu befolgen, um Unfälle und Schäden zu vermeiden.

GRIP INSERTS RANSOM GRIP INSERTS FOR LLAMA 82/BERETTA 92, 92S/TAURUS 91, 92, 99 Safety Instruction Guide

Introduction

Thank you for choosing the Ransom International Grip Inserts. These inserts are designed to enhance the performance of your Master Series Ransom Rest while ensuring the safety and longevity of your firearm. This guide provides essential safety instructions, installation guidelines, and important precautions to ensure the safe use of the product.

General Safety Guidelines

- **Product Safety:** Ensure the safe use of all nonfood products, including new technologies and online purchases.
- **Enhanced Recalls:** Stay informed about standardized recall notices and remedies for potentially dangerous products.
- **Online Shopping Safety:** Enjoy the same protections when shopping online as you would in physical stores.
- **Special Consumer Focus:** Extra safeguards are in place for vulnerable groups, such as children.
- **EU Contact Point:** All products must have an EU-based contact for safety inquiries.
- **Rapid Alerts:** Be aware of faster updates on unsafe products via the Safety Gate system.

Specific Safety Precautions for Use

- **Do Not Use Hard Grip Inserts:** Avoid using hard grip inserts or 3Dprinted plastic grip inserts, as they may damage your firearm.
- **Understand Recoil Dynamics:** Recognize that recoil energy travels through the frame and barrel, and hard inserts can generate destructive forces.
- **Proper Testing:** Use inserts that replicate humanlike recoil to ensure valid test data.
- **Monitor for Damage:** Be aware that damage from hard inserts may not be immediately visible but can accrue over time.
- **Risk of Injury:** Understand that using inappropriate inserts may lead to injury or death.

Instructions for Installation and Usage

1. Inspect the Product:

- Check the grip inserts for any visible damage or defects before installation.
- Ensure that the inserts are compatible with your firearm model (LLAMA 82, BERETTA 92, 92S, TAURUS 91, 92, 99).

2. Installation:

- Follow the manufacturer's guidelines for installing the grip inserts.
- Ensure that the inserts fit securely in the designated areas of the Ransom Rest.
- Avoid using excessive force during installation to prevent damage.

3. Usage:

- Place your firearm in the Ransom Rest according to the instructions.
- Ensure that the grip inserts are absorbing the recoil and vibrations during testing.

- Monitor the performance of your firearm and the condition of the inserts regularly.

4. PostUsage Care:

- After use, inspect the grip inserts for any signs of wear or damage.
- Clean the inserts as per the manufacturer's recommendations to prolong their life.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not dispose of the inserts in regular household waste if they contain materials that may be hazardous.
- Follow any specific disposal guidelines provided by the manufacturer.

Contact Information for Further Support

For any inquiries regarding safety, installation, or usage, please refer to the manufacturer's contact details provided with the product.

By following these safety instructions, you can ensure the safe and effective use of the Ransom International Grip Inserts. Always prioritize safety and be mindful of the guidelines provided to protect yourself and your firearm.

Istruzioni di Sicurezza per Grip Inserts RANSOM

Introduzione

Benvenuto nel manuale di sicurezza per i Grip Inserts RANSOM progettati per le armi LLAMA 82, BERETTA 92/92S e TAURUS 91/92/99. Questo documento fornisce informazioni importanti per garantire un uso sicuro e efficace del prodotto. Si prega di leggere attentamente queste istruzioni prima dell'uso.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo Grip Inserts RANSOM progettati specificamente per la tua arma.
- Non utilizzare grip inserts rigidi o in plastica stampata in 3D, in quanto possono danneggiare l'arma e compromettere la tua sicurezza.
- Segui sempre le istruzioni del produttore per l'installazione e l'uso.
- Maneggia l'arma con cautela e responsabilità, trattandola sempre come se fosse carica.
- Tieni i Grip Inserts e le armi fuori dalla portata di bambini e persone non qualificate.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare grip inserts rigidi, poiché possono generare energia di rinculo distruttiva che danneggia l'arma.
- Gli inserti sono progettati per assorbire le forze di rinculo e vibrazione; non tentare di modificarli.
- Assicurati che gli inserti siano installati correttamente prima di ogni utilizzo.
- Non eseguire test distruttivi o di precisione con grip inserts rigidi o stampati in 3D, poiché ciò potrebbe portare a risultati non validi e potenzialmente pericolosi.
- Se noti segni di usura o danni sugli inserti o sull'arma, interrompi immediatamente l'uso e contatta un professionista per una valutazione.

Istruzioni per l'Installazione e l'Uso

1. Preparazione:

- Assicurati che l'arma sia scarica e in una posizione sicura.
- Rimuovi eventuali grip inserts precedenti se presenti.

2. Installazione:

- Segui le istruzioni specifiche fornite con i Grip Inserts RANSOM.
- Assicurati che gli inserti siano ben fissati e che non ci siano spazi vuoti o movimenti.

3. Uso:

- Utilizza l'arma come previsto, mantenendo sempre la sicurezza al primo posto.
- Monitora le prestazioni dell'arma e degli inserti durante l'uso.

Istruzioni per lo Smaltimento

- Gli inserti usurati o danneggiati devono essere smaltiti in conformità con le normative locali sui rifiuti.
- Non gettare gli inserti o altri componenti nell'ambiente. Segui le linee guida locali per il riciclaggio o lo smaltimento dei materiali.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori informazioni sulla sicurezza e sull'uso dei Grip Inserts RANSOM, contatta il produttore o un rivenditore autorizzato. Assicurati di avere a disposizione il numero di modello e altre informazioni pertinenti relative al tuo acquisto.

Conclusione

La sicurezza è fondamentale quando si maneggiano armi e accessori. Segui queste istruzioni e linee guida per garantire un uso sicuro e responsabile dei Grip Inserts RANSOM. Se hai domande o dubbi, non esitare a cercare assistenza.
