

GRIP INSERTS - RANSOM GRIP INSERTS BERETTA.COUGAR 8000 9MM, COUGAR 8040 40 S&W

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS BERETTA.COUGAR 8000 9MM, COUGAR 8040 40 S&W
- Manufacturer: RANSOM
- Product no.: 430119294
- Mfr. No.: 30-300-03-05
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM GRIP INSERTS BERETTA.COUGAR 8000 9MM, COUGAR 8040 40 S&W

Einführung

Herzlichen Glückwunsch zu deinem Kauf der GRIP INSERTS RANSOM GRIP INSERTS für deine Beretta Cougar! Diese Inserts sind speziell entwickelt, um die Sicherheit und Leistung deiner Waffe zu gewährleisten. Bitte lese die folgenden Sicherheitshinweise sorgfältig, um eine sichere Nutzung zu gewährleisten.

Allgemeine Sicherheitshinweise

- Stelle sicher, dass du die Inserts nur mit kompatiblen Waffen verwendest.
- Überprüfe vor jedem Gebrauch die Inserts auf Beschädigungen.
- Verwende keine harten oder 3Dgedruckten Inserts, da sie deiner Waffe schaden können.
- Halte die Inserts und die Waffe außerhalb der Reichweite von Kindern.
- Berichte unsichere Produkte oder Unfälle den zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen bei der Nutzung

- Die Inserts sind so konzipiert, dass sie die Rückstoßenergie absorbieren. Verwende sie nur in der vorgesehenen Weise.
- Achte darauf, dass die Inserts korrekt installiert sind, um Schäden an der Waffe zu vermeiden.
- Vermeide es, die Inserts zu überlasten. Halte dich an die empfohlenen Kaliber.
- Bei Anzeichen von Verschleiß oder Beschädigung der Inserts, stelle die Nutzung sofort ein und kontaktiere den Hersteller.

Anleitungen zur Installation und Nutzung

1. Installation der Inserts:

- Stelle sicher, dass die Waffe entladen ist.
- Entferne die alten Inserts, falls vorhanden.
- Setze die neuen GRIP INSERTS vorsichtig an die vorgesehenen Stellen ein.
- Überprüfe, ob die Inserts sicher und fest sitzen.

2. Nutzung der Inserts:

- Halte die Waffe beim Schießen stabil.
- Achte darauf, dass die Inserts die Rückstoßenergie korrekt absorbieren.
- Nach jedem Schuss, überprüfe die Inserts auf mögliche Beschädigungen.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffabfällen.
- Stelle sicher, dass die Inserts nicht in die Hände von Kindern gelangen.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Unterstützung zu deinen GRIP INSERTS wende dich bitte an den Hersteller oder deinen Händler.

Schlussfolgerung

Die GRIP INSERTS RANSOM GRIP INSERTS sind eine hervorragende Wahl, um die Leistung deiner Beretta Cougar zu verbessern und gleichzeitig die Sicherheit zu gewährleisten. Halte dich an die oben genannten Sicherheitshinweise, um die bestmögliche Nutzung zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS RANSOM GRIP INSERTS BERETTA.COUGAR 8000 9MM, COUGAR 8040 40 S&W

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Beretta Cougar 8000 9MM and Cougar 8040 40 S&W. This guide provides essential safety instructions and guidelines to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure the product is used only as intended.
- Always follow the manufacturer's instructions for installation and usage.
- Report any unsafe product incidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.
- Keep the product out of reach of children and vulnerable individuals.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts. They can damage your firearm by generating harmful recoil energy.
- **Understand Recoil Dynamics:** Be aware that vibration and recoil cannot be eliminated but can be controlled. Using the correct inserts is crucial for accurate testing and safety.
- **Proper Grip Matching:** Ensure that the grip inserts match the durometer of the human hand to absorb recoil effectively.
- **Monitor for Damage:** Inspect your firearm regularly for any signs of wear or damage that may result from improper use of grip inserts.
- **Safety First:** A hard insert can lead to decreased firearm lifespan and may cause injury or death in extreme cases.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and in a safe condition before installation.
- Gather all necessary tools and materials for installation.

2. Installation:

- Remove any existing grip inserts from the firearm.
- Carefully fit the Ransom grip inserts into the designated areas of the firearm's grip.
- Ensure a snug fit to prevent movement during use.

3. Usage:

- When using the Ransom Rest with grip inserts, ensure the machine is properly calibrated.
- Observe the recoil dynamics during testing to ensure accurate results.
- Regularly check the condition of the inserts and the firearm to maintain safety and performance.

4. After Use:

- Clean the grip inserts and the firearm as per the manufacturer's recommendations.
- Store the firearm and grip inserts in a safe location, away from children.

Disposal Instructions

- Dispose of any worn or damaged grip inserts in accordance with local regulations.
- Do not incinerate plastic materials; instead, recycle where possible.
- Ensure that the product is disposed of in a manner that does not pose a risk to the environment or public safety.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the manufacturer's contact details provided with your product.

By following these guidelines, you can ensure safe and effective use of the Ransom International Grip Inserts. Thank you for your attention to these important safety instructions.

Istruzioni di Sicurezza per l'Uso degli Inserto Grip RANSOM per Beretta Cougar 8000 e 8040

Introduzione

Gli Inserto Grip RANSOM sono progettati per offrire prestazioni superiori e garantire la sicurezza durante l'uso del tuo firearm. Questo manuale fornisce linee guida di sicurezza essenziali e istruzioni per garantire un utilizzo corretto e sicuro del prodotto.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo gli Inserto Grip RANSOM con il tuo Ransom Rest.
- Non utilizzare inserti rigidi o inserti in plastica stampati in 3D, in quanto possono danneggiare l'arma e compromettere la sicurezza.
- Controlla regolarmente il tuo Ransom Rest e gli inserti per segni di usura o danni.
- Tieni gli inserti e il Ransom Rest lontano dalla portata di bambini e gruppi vulnerabili.
- In caso di incidenti o malfunzionamenti, contatta immediatamente le autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti sono progettati per replicare il comportamento della mano umana e assorbire le forze di rinculo.
- Assicurati che gli inserti siano correttamente installati prima di utilizzare il tuo Ransom Rest.
- Non utilizzare gli inserti in condizioni estreme che potrebbero compromettere la loro integrità.
- Non tentare di modificare o riparare gli inserti da solo; contatta un professionista per eventuali problemi.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserto Grip RANSOM:

- Rimuovere eventuali inserti esistenti dal Ransom Rest.
- Posizionare gli Inserto Grip RANSOM nel supporto, assicurandosi che siano ben fissati.
- Controllare che non ci siano spazi vuoti o allentamenti.

2. Uso del Ransom Rest con gli Inserto Grip:

- Posizionare il firearm in modo sicuro nel Ransom Rest.
- Assicurati che il firearm sia in posizione stabile prima di iniziare a sparare.
- Monitorare attentamente il comportamento del firearm e del Ransom Rest durante l'uso.

3. Manutenzione:

- Pulire regolarmente gli inserti con un panno asciutto per rimuovere polvere e detriti.
- Ispezionare gli inserti per eventuali segni di usura o danni prima di ogni utilizzo.

Istruzioni per il Discarico

- Gli Inserto Grip RANSOM devono essere smaltiti in conformità con le normative locali sui rifiuti.
- Non gettare gli inserti negli scarichi o nei rifiuti domestici.
- Controlla se ci sono programmi di riciclaggio disponibili per materiali plastici o compositi.

Informazioni di Contatto per Ulteriori Supporto

Per qualsiasi informazione aggiuntiva o domande relative alla sicurezza, ti invitiamo a contattare il tuo rivenditore autorizzato o il servizio clienti del produttore.

Avvertenza Finale

Non utilizzare mai inserti rigidi o stampati in 3D. Questi possono compromettere la sicurezza del tuo firearm e causare danni gravi. Utilizza solo prodotti progettati specificamente per il tuo Ransom Rest per garantire prestazioni ottimali e sicurezza.
