

GRIP INSERTS - RANSOM GRIP INSERTS BERETTA 92D,F,FS,G,SB,96,M9/TAURUS 92,100,101

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS BERETTA 92D,F,FS,G,SB,96,M9/TAURUS 92,100,101
- Manufacturer: RANSOM
- Product no.: 430119295
- Mfr. No.: 30-300-03-03
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132580253

Sicherheitsanleitung für GRIP INSERTS RANSOM

Einführung

Willkommen zur Sicherheitsanleitung für die GRIP INSERTS RANSOM, die speziell für die Beretta 92D, F, FS, G, SB, 96, M9 und Taurus 92, 100, 101 entwickelt wurden. Diese Anleitung hilft dir, die Sicherheit beim Gebrauch der Inserts zu gewährleisten und potenzielle Gefahren zu vermeiden.

Allgemeine Sicherheitsrichtlinien

- **Produktsicherheit:** Stelle sicher, dass du die GRIP INSERTS gemäß den Anweisungen verwendest, um sicherzustellen, dass sie sicher und effektiv sind.
- **Rückrufe:** Halte dich über Rückrufmeldungen auf dem Laufenden. Informiere dich regelmäßig über die Sicherheit der Inserts.
- **OnlineEinkauf:** Wenn du die Inserts online kaufst, achte darauf, dass der Anbieter die Sicherheitsanforderungen erfüllt.
- **Besondere Verbrauchergruppen:** Achte darauf, dass Kinder nicht mit den Inserts spielen oder Zugang dazu haben.
- **Schnelle Warnungen:** Informiere dich über unsichere Produkte über die Safety Gate Plattform der EU.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- **Vermeide harte oder 3Dgedruckte Inserts:** Diese können deiner Waffe schaden und die Testergebnisse verfälschen.
- **Achte auf die Absorption von Rückstoß:** Die Inserts sind so konzipiert, dass sie Rückstoß und Vibrationen absorbieren. Stelle sicher, dass sie richtig installiert sind, um ihre Funktion zu gewährleisten.
- **Überprüfe die Inserts regelmäßig:** Achte darauf, dass die Inserts keine sichtbaren Schäden aufweisen, bevor du sie verwendest.
- **Verwende die Inserts nur mit kompatiblen Waffen:** Stelle sicher, dass die Inserts für deine spezifische Waffe geeignet sind.

Anweisungen für Installation und Nutzung

1. Installation:

- Stelle sicher, dass die Waffe entladen ist, bevor du die Inserts installierst.
- Befolge die spezifischen Anweisungen des Herstellers zur Installation der Inserts.
- Überprüfe, ob die Inserts fest und sicher sitzen, bevor du die Waffe verwendest.

2. Nutzung:

- Verwende die Inserts nur in der vorgesehenen Weise.
- Achte darauf, dass du beim Schießen eine sichere Haltung einnimmst.
- Halte die Waffe immer in einem sicheren Bereich, wenn sie nicht in Gebrauch ist.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgelaufene Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffen.
- Achte darauf, dass die Inserts nicht im normalen Hausmüll entsorgt werden, wenn sie gefährliche Stoffe enthalten.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung wende dich bitte an den Hersteller oder den Händler, bei dem du die GRIP INSERTS erworben hast.

Diese Sicherheitsanleitung ist wichtig, um die sichere Nutzung der GRIP INSERTS RANSOM zu gewährleisten. Halte dich an die Anweisungen und achte auf die Sicherheit, um das beste Erlebnis mit deinem Produkt zu haben.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS BERETTA

92D,F,FS,G,SB,96,M9/TAURUS 92,100,101

Introduction

Thank you for choosing the Ransom International Grip Inserts. These inserts are designed to enhance your shooting experience by mimicking the human hand's natural recoil absorption. It is essential to follow all safety guidelines to ensure the safe and effective use of this product. This guide provides comprehensive safety instructions and precautions to help you use the grip inserts safely and effectively.

General Safety Guidelines

- Always use the grip inserts as intended and according to the manufacturer's instructions.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can damage your firearm and compromise safety.
- Ensure that the grip inserts match the durometer of the human hand to absorb recoil effectively.
- Regularly inspect your grip inserts for any signs of wear or damage before each use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Hard grip inserts can generate destructive recoil energy that damages the gun. They do not replicate humanlike recoil, leading to invalid test data and potential injury.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be stopped; they can only be controlled. The grip inserts are designed to absorb these forces.
- **Monitor for Damage:** Damage from hard inserts may not be immediately visible. Regularly check for any wear that could affect performance and safety.
- **Use with Caution:** If using the grip inserts for destructive testing or accuracy testing, ensure that the setup mimics human handling to avoid flawed results.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and in a safe condition before installation.
- Remove any existing grip inserts or components as per the manufacturer's guidelines.
- Carefully place the Ransom grip inserts into the designated areas, ensuring a snug fit.
- Confirm that the inserts are securely in place before proceeding.

2. Usage:

- Position the firearm in the Ransom Rest according to the manufacturer's instructions.
- Ensure that the grip inserts are properly aligned with the firearm's grip.
- Conduct test firings while monitoring the performance of the grip inserts. Look for any unusual vibrations or movement.
- After use, inspect the grip inserts for any signs of wear or damage.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not throw grip inserts in regular household waste. Check for recycling programs that accept plastic materials.
- Ensure that all components are disposed of safely to prevent environmental harm.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please reach out to the manufacturer or authorized dealer for assistance. Always ensure that you have the latest information and support related to your product.

By following these guidelines, you can ensure the safe and effective use of the Ransom Grip Inserts. Thank you for your attention to safety, and enjoy your shooting experience!

Guida alle Istruzioni di Sicurezza per gli Inserti GRIP RANSOM

Introduzione

Grazie per aver scelto gli Inserti GRIP RANSOM per il tuo Master Series Ransom Rest. Questa guida fornisce informazioni importanti per garantire un uso sicuro e efficace del prodotto. Ti invitiamo a seguire attentamente tutte le istruzioni e i consigli di sicurezza.

Linee Guida Generali di Sicurezza

- Assicurati che il prodotto sia utilizzato solo per scopi previsti.
- Non utilizzare inserti rigidi o stampati in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Controlla regolarmente il prodotto per eventuali segni di usura o danni.
- Conserva il prodotto in un luogo sicuro, lontano dalla portata dei bambini e di persone non autorizzate.
- Segnala eventuali incidenti o prodotti non sicuri alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Utilizza solo gli inserti GRIP RANSOM progettati per il tuo modello di arma.
- Non tentare di modificare o adattare gli inserti in alcun modo.
- Segui le istruzioni di installazione e utilizzo fornite per garantire prestazioni ottimali.
- Non utilizzare il Ransom Rest in condizioni meteorologiche avverse o in ambienti non sicuri.
- Assicurati che l'arma sia scarica e in condizioni di sicurezza prima di installare o rimuovere gli inserti.

Istruzioni per l'Installazione e l'Uso

1. Preparazione dell'Arma

- Controlla che l'arma sia scarica.
- Rimuovi eventuali accessori o attrezzature che potrebbero interferire con l'installazione.

2. Installazione degli Inserti

- Seleziona l'inserto appropriato per il tuo modello di arma.
- Inserisci l'inserto nel Ransom Rest seguendo le istruzioni specifiche del prodotto.
- Assicurati che l'inserto sia fissato saldamente e non si muova.

3. Utilizzo del Ransom Rest

- Posiziona l'arma nel Ransom Rest in modo che sia stabile.
- Effettua i test di tiro secondo le procedure standard, assicurandoti di monitorare le prestazioni dell'arma e del Ransom Rest.
- Dopo l'uso, rimuovi l'arma e controlla gli inserti per eventuali segni di usura.

Istruzioni per lo Smaltimento

- Gli inserti GRIP RANSOM non sono progettati per essere smaltiti in modo tradizionale.
- Segui le normative locali per il corretto smaltimento di materiali in plastica e metallo.
- Non gettare gli inserti nel normale rifiuto domestico; consulta il tuo comune per le procedure di smaltimento corrette.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori informazioni o domande sulla sicurezza del prodotto, ti invitiamo a contattare il tuo rivenditore autorizzato o il servizio clienti del produttore.

Conclusione

La sicurezza è fondamentale quando si utilizzano prodotti come gli Inserti GRIP RANSOM. Seguendo queste linee guida e istruzioni, puoi garantire un'esperienza di utilizzo sicura e soddisfacente. Grazie per aver scelto RANSOM INTERNATIONAL.
