

GRIP INSERTS - RANSOM GRIP INSERTS FOR BERETTA 92 VERTEC/92X/M9A3

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR BERETTA 92 VERTEC/92X/M9A3
- Manufacturer: RANSOM
- Product no.: 430119301
- Mfr. No.: 30-300-03-10
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132580284

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR BERETTA 92 VERTEC/92X/M9A3

Einführung

Herzlichen Glückwunsch zu deinem Kauf der RANSOM GRIP INSERTS für die Beretta 92 Vertec/92X/M9A3! Diese GriffEinsätze sind speziell dafür entwickelt, die Leistung deiner Waffe zu verbessern und gleichzeitig die Sicherheit zu gewährleisten. Bitte lies diese Sicherheitshinweise sorgfältig durch, um sicherzustellen, dass du die Einsätze sicher und effektiv verwendest.

Allgemeine Sicherheitsrichtlinien

- Achte darauf, dass alle Teile der Waffe und der Einsätze in einwandfreiem Zustand sind, bevor du sie verwendest.
- Halte dich an die allgemeinen Sicherheitsstandards für den Umgang mit Feuerwaffen.
- Verwende die RANSOM Grip Inserts nur mit den dafür vorgesehenen Waffenmodellen.
- Informiere dich über die gesetzlichen Bestimmungen in deinem Land bezüglich des Besitzes und der Verwendung von Feuerwaffen und Zubehör.
- Berichte gefährliche Produkte oder Vorfälle umgehend den zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Verwende keine harten oder 3Dgedruckten GriffEinsätze, da sie Schäden an deiner Waffe verursachen können.
- Achte darauf, die Einsätze regelmäßig auf Abnutzung oder Beschädigungen zu überprüfen.
- Halte die Einsätze sauber und frei von Schmutz oder Ablagerungen, um eine optimale Leistung zu gewährleisten.
- Stelle sicher, dass die Einsätze korrekt installiert sind, bevor du die Waffe benutzt.
- Vermeide es, die Einsätze zu verwenden, wenn du Anzeichen von Beschädigungen oder Verschleiß bemerkst.

Anweisungen zur Installation und Nutzung

1. Installation der RANSOM Grip Inserts:

- Entferne die bestehenden GriffEinsätze deiner Beretta 92 Vertec/92X/M9A3.
- Setze die RANSOM Grip Inserts vorsichtig in die vorgesehenen Halterungen ein.
- Stelle sicher, dass die Einsätze fest sitzen und keine Lücken bestehen.
- Überprüfe die Installation, indem du die Waffe leicht schüttelst und sicherstellst, dass die Einsätze an ihrem Platz bleiben.

2. Nutzung der RANSOM Grip Inserts:

- Halte die Waffe immer mit beiden Händen fest, um die Stabilität zu gewährleisten.
- Achte darauf, dass du beim Schießen eine optimale Körperhaltung einhältst.
- Nutze die Vorteile der RANSOM Grip Inserts, um die Rückstoßenergie besser zu absorbieren und präzisere Schüsse abzugeben.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte RANSOM Grip Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoff und Metallabfällen.
- Stelle sicher, dass die Einsätze sicher verpackt sind, um Verletzungen während der Entsorgung zu vermeiden.

vermeiden.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder bei Fragen zu den RANSOM Grip Inserts wende dich bitte an den Hersteller oder deinen Händler. Sie stehen dir gerne zur Verfügung, um dir bei deinen Anliegen zu helfen.

Bitte beachte, dass diese Sicherheitshinweise nicht alle möglichen Risiken abdecken können. Verwende immer gesunden Menschenverstand und befolge die besten Praktiken für die Sicherheit im Umgang mit Feuerwaffen.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR BERETTA 92

VERTEC/92X/M9A3

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Beretta 92 Vertec/92X/M9A3. These grip inserts are designed to enhance the performance of your Master Series Ransom Rest while ensuring safety and accuracy. This guide provides essential safety information and usage instructions to promote safe practices and effective operation.

General Safety Guidelines

- Ensure that the grip inserts are compatible with your firearm model before use.
- Always handle firearms responsibly and follow all local laws and regulations.
- Keep the grip inserts out of reach of children and vulnerable individuals.
- Regularly inspect the grip inserts for any signs of wear or damage before each use.
- If you experience any unusual behavior from your firearm during testing, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can damage your firearm and compromise safety.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be stopped; they must be controlled. The grip inserts are designed to absorb these forces.
- **Monitor for Damage:** A hard insert may not show immediate damage, but it can lead to barrel wear and potential injury over time.
- **Follow Testing Protocols:** Whether conducting destructive testing or accuracy testing, always mimic humanlike recoil to ensure valid results.

Instructions for Installation and Usage

1. Installation:

- Ensure that your Master Series Ransom Rest is on a stable surface.
- Remove any existing grip inserts from the rest.
- Carefully insert the Ransom Grip Inserts, ensuring a snug fit.
- Confirm that the inserts are properly aligned and secure.

2. Usage:

- Place your firearm in the Ransom Rest with the grip inserts installed.
- Conduct your testing as per standard procedures, ensuring that you are monitoring for any unusual vibrations or movements.
- After use, remove the firearm and inspect the grip inserts for any signs of wear or damage.

Disposal Instructions

- Dispose of any damaged or worn grip inserts responsibly.
- Follow local regulations for the disposal of nonhazardous materials.
- Do not attempt to recycle grip inserts that are made of hard materials or plastics, as they may not be

suitable for standard recycling processes.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of the Ransom Grip Inserts, please refer to your local dealer or manufacturer's website for further assistance and support.

By following these guidelines, you can ensure a safer and more effective experience with your Ransom Grip Inserts. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important safety instructions.

Guida alla Sicurezza per Grip Inserts RANSOM per Beretta 92 Vertec/92X/M9A3

Introduzione

Grazie per aver scelto i Grip Inserts RANSOM per il tuo Beretta 92 Vertec/92X/M9A3. Questa guida fornisce informazioni importanti sulla sicurezza, l'uso e la manutenzione del prodotto. Si prega di leggere attentamente queste istruzioni per garantire un utilizzo sicuro e efficace.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo i Grip Inserts RANSOM progettati specificamente per il Master Series Ransom Rest.
- Non utilizzare grip inserts rigidi o inserti in plastica stampati in 3D, poiché possono danneggiare l'arma.
- Segui tutte le istruzioni per l'installazione e l'uso per evitare incidenti.
- In caso di problemi o dubbi, contatta un esperto prima di procedere.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti sono progettati per assorbire il rinculo e le vibrazioni. Non utilizzare inserti che non rispettano questa funzione.
- Non utilizzare l'arma in modo improprio o al di fuori delle specifiche di utilizzo.
- Fai attenzione quando maneggi l'arma. Segui sempre le pratiche di sicurezza standard per le armi da fuoco.
- Non eseguire test di precisione con grip inserts non conformi, poiché i dati potrebbero essere compromessi.

Istruzioni per l'Installazione e l'Uso

1. Installazione:

- Rimuovere eventuali grip inserts esistenti dall'arma.
- Pulire l'area di contatto dell'arma per garantire una corretta adesione.
- Inserire i Grip Inserts RANSOM nel Master Series Ransom Rest seguendo le istruzioni specifiche fornite con il prodotto.
- Assicurarsi che gli inserti siano ben fissati e non si muovano durante l'uso.

2. Uso:

- Posizionare l'arma nel Ransom Rest con i grip inserts installati.
- Assicurarsi che l'arma sia in posizione di batteria corretta prima di sparare.
- Monitorare il comportamento dell'arma durante il tiro per assicurarsi che gli inserti stiano assorbendo correttamente il rinculo e le vibrazioni.

3. Controllo:

- Dopo un utilizzo prolungato, controllare gli inserti per eventuali segni di usura o danni.
- Sostituire gli inserti se si notano segni di deterioramento.

Istruzioni per lo Smaltimento

- Gli inserti usati devono essere smaltiti in conformità con le normative locali sui rifiuti.
- Non gettare gli inserti nella spazzatura domestica. Contattare il servizio di smaltimento dei rifiuti locali

per informazioni su come smaltire correttamente i materiali.

Informazioni di Contatto per Ulteriori Supporto

Per domande o ulteriori informazioni riguardanti i Grip Inserts RANSOM, si prega di contattare il rivenditore autorizzato o un esperto nel settore delle armi da fuoco.

Avvertenze Finali

- Non utilizzare grip inserts non autorizzati o progettati in modo inadeguato.
- Ricorda che la sicurezza è fondamentale. Segui sempre le pratiche di sicurezza standard e fai attenzione quando maneggi armi da fuoco.

Grazie per aver scelto i Grip Inserts RANSOM. Utilizzando correttamente questo prodotto, contribuirai a garantire un'esperienza di tiro sicura e precisa.
