

GRIP INSERTS - RANSOM GRIP INSERTS FOR BERETTA PX4

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR BERETTA PX4
- Manufacturer: RANSOM
- Product no.: 430119302
- Mfr. No.: 30-300-03-13
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132580369

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR BERETTA PX4

Einführung

Herzlichen Glückwunsch zu deinem Kauf der RANSOM GRIP INSERTS für die Beretta PX4! Diese Inserts sind speziell entwickelt worden, um die Leistung und Sicherheit deiner Waffe zu verbessern. Bitte lies die folgenden Sicherheitshinweise sorgfältig durch, um eine sichere und effektive Nutzung zu gewährleisten.

Allgemeine Sicherheitshinweise

- Die Verwendung von RANSOM GRIP INSERTS verringert das Risiko von Schäden an deiner Waffe.
- Vermeide die Verwendung von harten Grip Inserts oder 3Dgedruckten Inserts, da diese deine Waffe beschädigen können.
- Achte darauf, dass die Inserts für die menschliche Hand konzipiert sind und die Rückstoßkräfte absorbieren.
- Halte die Inserts und die Waffe sauber und in gutem Zustand, um eine optimale Leistung sicherzustellen.
- Wenn du unsicher bist, konsultiere einen Fachmann oder wende dich an den Hersteller.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Verwende die Inserts nur mit dem Master Series Ransom Rest.
- Stelle sicher, dass die Waffe vor der Installation der Inserts entladen ist.
- Überprüfe die Inserts regelmäßig auf Abnutzung oder Beschädigungen.
- Bei Anzeichen von Beschädigung oder Verschleiß, entferne die Inserts sofort und ersetze sie.
- Achte darauf, dass die Inserts korrekt installiert sind, um eine sichere Nutzung zu gewährleisten.

Anweisungen für Installation und Nutzung

1. Vorbereitung

- Stelle sicher, dass die Waffe entladen ist.
- Reinige den Bereich, in dem die Inserts installiert werden sollen, gründlich.

2. Installation der Inserts

- Setze die Grip Inserts vorsichtig in die vorgesehenen Bereiche ein.
- Achte darauf, dass sie fest sitzen, aber nicht übermäßig Druck ausüben.
- Überprüfe die Passform, um sicherzustellen, dass keine Lücken vorhanden sind.

3. Nutzung der Waffe

- Übe den Umgang mit der Waffe in einer sicheren Umgebung.
- Achte darauf, dass du die Rückstoßkräfte während des Schusses spürst und beobachte, wie die Inserts arbeiten.
- Halte die Waffe während des Schießens stabil, um die besten Ergebnisse zu erzielen.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoff und anderen Materialien.
- Achte darauf, dass alle Teile sicher und umweltgerecht entsorgt werden.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Unterstützung wende dich bitte an den Hersteller oder einen autorisierten Fachhändler. Achte darauf, dass du alle relevanten Informationen zu deinem Produkt bereithältst, um eine schnelle und effektive Hilfe zu erhalten.

Wichtige Hinweise

- Die Verwendung von harten oder 3Dgedruckten Inserts kann deine Waffe beschädigen und die Sicherheit gefährden.
- Diese Inserts sind speziell dafür ausgelegt, die Rückstoßkräfte zu absorbieren und nicht in die Waffe zu übertragen.
- Die Sicherheit deiner Waffe und deiner eigenen Sicherheit hängen von der richtigen Verwendung und Pflege der Inserts ab.

Bitte beachte diese Hinweise sorgfältig, um eine sichere und effektive Nutzung der RANSOM GRIP INSERTS für deine Beretta PX4 zu gewährleisten.

GRIP INSERTS RANSOM GRIP INSERTS FOR BERETTA PX4 Safety Instruction Guide

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Beretta PX4. These grip inserts are designed to enhance the performance of your Master Series Ransom Rest while ensuring the safety and longevity of your firearm. It is crucial to follow the safety instructions outlined in this guide to prevent any potential hazards associated with improper use.

General Safety Guidelines

- Always handle firearms with care and follow all safety protocols.
- Ensure that you are using the correct grip inserts for your specific firearm model.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts, as they can cause damage to your firearm.
- Be aware of the recoil and vibration generated during shooting, and understand how it affects both the firearm and the grip inserts.
- Regularly inspect your grip inserts for wear and tear, and replace them if necessary.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Hard grip inserts can generate destructive recoil energy, damaging the firearm. They do not replicate humanlike recoil, leading to invalid test data.
- **Proper Handling:** Always ensure that the firearm is unloaded before installing or adjusting the grip inserts.
- **Absorption of Recoil:** The grip inserts are designed to absorb recoil and vibration. Ensure they are correctly installed to maximize their effectiveness.
- **Monitor for Damage:** Inspect the grip inserts regularly for any signs of wear or damage. Replace them immediately if any issues are detected.
- **Potential Risks:** Using hard inserts may decrease the lifespan of the barrel and gun, and could potentially cause injury.

Instructions for Installation and Usage

1. **Unloading the Firearm:** Ensure that the Beretta PX4 is completely unloaded before proceeding with the installation of the grip inserts.
2. **Selecting the Correct Inserts:** Confirm that you have the correct Ransom grip inserts designed specifically for the Beretta PX4.
3. **Installation Steps:**
 - Remove any existing grip inserts from the Ransom Rest.
 - Align the new grip inserts with the designated slots in the Ransom Rest.
 - Firmly press the inserts into place until they are securely fitted.
4. **Testing the Setup:**
 - After installation, conduct a test to ensure that the grip inserts are functioning properly.
 - Observe the recoil and vibration during the test to confirm that the inserts are absorbing these forces effectively.
5. **PostUsage Care:**
 - After each use, clean the grip inserts and the Ransom Rest to maintain optimal performance.
 - Store the grip inserts in a dry and safe location when not in use.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not throw grip inserts in regular household waste if they are made of materials that require special disposal methods.
- Check with local waste management authorities for proper disposal guidelines.

Contact Information for Further Support

For any questions or concerns regarding the use of Ransom International Grip Inserts, please refer to the manufacturer's contact information provided in the product packaging or on the website.

Important Note: Always stay informed about safety recalls and updates regarding your product. You can check for any recall notices on the EU's Safety Gate platform. If you encounter any unsafe products or accidents, report them to the appropriate authorities.

By following these guidelines, you can ensure the safe and effective use of your Ransom International Grip Inserts, enhancing your shooting experience while protecting your firearm.

Istruzioni di Sicurezza per l'Utilizzo dei Grip Inserts Ransom per Beretta PX4

Introduzione

Grazie per aver scelto i Grip Inserts Ransom per il tuo Beretta PX4. Questo prodotto è progettato per migliorare la tua esperienza di tiro, garantendo al contempo la sicurezza. Si prega di leggere attentamente queste istruzioni di sicurezza e seguire tutte le linee guida per garantire un uso sicuro e efficace.

Linee Guida Generali di Sicurezza

- Assicurati che il prodotto sia utilizzato solo per l'arma specificata, il Beretta PX4.
- Non utilizzare grip inserts rigidi o stampati in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Segui sempre le istruzioni del produttore per l'installazione e l'uso.
- Non utilizzare il prodotto se presenta segni di danno o usura.
- Tenere il prodotto lontano dalla portata dei bambini e delle persone vulnerabili.
- Segnala eventuali prodotti non sicuri o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti sono progettati per assorbire le forze di vibrazione e rinculo. Non tentare di modificare o sostituire gli inserti con altri materiali.
- Durante l'uso, assicurati che l'arma sia sempre in una posizione sicura e controllata.
- Non lasciare mai l'arma incustodita mentre è equipaggiata con gli inserti.
- Utilizza sempre occhiali protettivi e altre attrezzature di sicurezza appropriate durante il tiro.

Istruzioni per l'Installazione e l'Uso

1. Installazione:

- Rimuovere eventuali inserti precedenti o accessori dall'arma.
- Pulire accuratamente l'area di contatto dell'arma e degli inserti.
- Posizionare gli inserti Ransom in modo che si adattino perfettamente al telaio del Beretta PX4.
- Assicurati che gli inserti siano ben fissati e non si muovano durante l'uso.

2. Uso:

- Prima di iniziare a sparare, controlla che l'arma sia in condizioni ottimali e che gli inserti siano correttamente installati.
- Durante il tiro, mantieni una presa sicura e controllata sull'arma.
- Monitora costantemente le prestazioni degli inserti e controlla eventuali segni di usura o danno.

Istruzioni per lo Smaltimento

- Gli inserti Ransom devono essere smaltiti in conformità con le normative locali sui rifiuti e sull'ambiente.
- Non gettare gli inserti nel normale sacco della spazzatura. Contatta un centro di raccolta rifiuti specializzato per il corretto smaltimento.

Informazioni di Contatto per Ulteriore Supporto

Per domande o ulteriori informazioni riguardanti la sicurezza e l'uso dei Grip Inserts Ransom, contatta il

supporto clienti del produttore.

Conclusione

Seguendo queste istruzioni di sicurezza e le linee guida fornite, potrai utilizzare i Grip Inserts Ransom in modo sicuro ed efficace, migliorando la tua esperienza di tiro con il Beretta PX4. La sicurezza è fondamentale; pertanto, non esitare a contattare le autorità o il supporto del produttore in caso di domande o preoccupazioni.
