

GRIP INSERTS - RANSOM GRIP INSERTS FOR BERETTA APX A1

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR BERETTA APX A1
- Manufacturer: RANSOM
- Product no.: 430119303
- Mfr. No.: 30-300-03-11
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132580291

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für die RANSOM GRIP INSERTS für Beretta APX A1

Einleitung

Herzlichen Glückwunsch zu deinem Kauf der RANSOM GRIP INSERTS für die Beretta APX A1! Diese Griffereinlagen sind speziell entwickelt worden, um dein Schießerlebnis zu verbessern. Bitte lies die folgenden Sicherheitshinweise sorgfältig durch, um sicherzustellen, dass du die Inserts sicher und effektiv verwendest.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die RANSOM GRIP INSERTS nur in Verbindung mit dem Master Series Ransom Rest verwendest.
- Verwende keine harten Griffereinlagen oder 3Dgedruckte Kunststoffgriffeinlagen, da diese die Waffe beschädigen können.
- Halte die Inserts und die Waffe außerhalb der Reichweite von Kindern und anderen unbefugten Personen.
- Achte darauf, dass du die Inserts regelmäßig auf Beschädigungen überprüfst.

Spezifische Sicherheitsvorkehrungen für die Benutzung

- Vermeide es, die RANSOM GRIP INSERTS zu verwenden, wenn sie sichtbar beschädigt sind.
- Verwende die Inserts nur gemäß den Anweisungen in dieser Anleitung.
- Achte darauf, dass die Inserts korrekt installiert sind, um ein sicheres Schießen zu gewährleisten.
- Wenn du beim Schießen ungewöhnliche Geräusche oder Vibrationen bemerkst, stoppe sofort den Gebrauch und überprüfe die Inserts.

Anweisungen zur Installation und Benutzung

1. Installation der RANSOM GRIP INSERTS:

- Stelle sicher, dass die Waffe entladen ist.
- Entferne die alte Griffereinlage, falls vorhanden.
- Setze die RANSOM GRIP INSERTS sicher in den vorgesehenen Bereich ein.
- Stelle sicher, dass die Inserts fest sitzen und keine Bewegungen aufweisen.

2. Benutzung:

- Positioniere die Waffe sicher auf dem Ransom Rest.
- Achte darauf, dass die RANSOM GRIP INSERTS korrekt mit der Waffe verbunden sind.
- Beginne mit dem Schießen und beobachte die Leistung der Inserts.
- Nach jedem Schuss überprüfe die Inserts auf mögliche Schäden oder Abnutzung.

Entsorgungsanweisungen

- Entsorge beschädigte RANSOM GRIP INSERTS gemäß den örtlichen Vorschriften für Elektroschrott oder Kunststoffe.
- Stelle sicher, dass alle Teile der Inserts sicher und umweltgerecht entsorgt werden.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung wende dich bitte an den Hersteller oder den Verkäufer des Produkts. Es ist wichtig, bei Fragen oder Bedenken zur Sicherheit nicht zu zögern, Hilfe zu suchen.

Schlussfolgerung

Die RANSOM GRIP INSERTS für die Beretta APX A1 sind ein wertvolles Hilfsmittel für Schützen, die eine präzise und kontrollierte Schießumgebung suchen. Durch die Beachtung dieser Sicherheitshinweise kannst du sicherstellen, dass du das Beste aus deinem Produkt herausholen kannst, während du gleichzeitig die Sicherheit für dich und andere gewährleistest.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR BERETTA APX A1

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Beretta APX A1. These inserts are designed to enhance your shooting experience by mimicking the natural recoil absorption of the human hand. To ensure your safety and the longevity of your firearm, please read this safety instruction guide carefully.

General Safety Guidelines

- Always prioritize safety when handling firearms and related accessories.
- Ensure that you are familiar with the operation of your firearm before using the grip inserts.
- Never use hard grip inserts or 3Dprinted plastic grip inserts with your Ransom Rest, as they can damage your firearm and produce unreliable test results.
- Check for any recalls or safety alerts related to the product on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not use hard or 3Dprinted inserts, as they can generate destructive recoil energy that may harm your firearm.
- Ensure that the grip inserts are properly installed before use to avoid any potential hazards.
- Always wear appropriate safety gear when using firearms, including eye and ear protection.
- Keep the area around you clear of unauthorized personnel, especially children, during use.
- Regularly inspect the grip inserts for wear and tear, and replace them if damaged.

Instructions for Installation and Usage

1. Installation of Grip Inserts:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Remove any existing grip inserts from your firearm.
- Carefully insert the Ransom Grip Inserts into the designated slots of your firearm's grip, ensuring a snug fit.
- Confirm that the inserts are securely in place before proceeding.

2. Usage of Grip Inserts:

- When using the Ransom Rest, ensure that the machine is properly positioned and secured.
- Observe the initial few milliseconds of shot vibration and recoil; the inserts are designed to absorb these forces.
- Do not attempt to modify or alter the grip inserts in any way, as this may compromise their effectiveness and safety.

Disposal Instructions

- Dispose of any damaged or worn grip inserts responsibly.
- Follow local regulations for the disposal of plastic materials.
- Do not throw grip inserts in regular household waste; consider recycling options if available.

Contact Information for Further Support

For any questions or concerns regarding the Ransom International Grip Inserts for Beretta APX A1, please refer to the manufacturer's contact information provided with your product packaging.

Please keep this safety instruction guide for future reference. Your safety and satisfaction are our top priorities. Enjoy your shooting experience with the Ransom Grip Inserts!

Istruzioni di Sicurezza per gli Inserti Grip RANSOM per Beretta APX A1

Introduzione

Benvenuti nel manuale di istruzioni per gli Inserti Grip RANSOM per Beretta APX A1. Questo prodotto è progettato per migliorare le prestazioni del tuo Master Series Ransom Rest. È importante seguire queste istruzioni di sicurezza per garantire un uso sicuro e efficace.

Linee Guida Generali di Sicurezza

- Assicurati che il prodotto sia utilizzato solo per lo scopo previsto.
- Non utilizzare inserti rigidi o stampati in 3D, poiché possono danneggiare l'arma.
- Controlla regolarmente il prodotto per eventuali segni di usura o danni.
- Evita di utilizzare il prodotto in condizioni di umidità o esposizione a sostanze chimiche aggressive.
- Conserva il prodotto in un luogo asciutto e sicuro, lontano dalla portata di bambini e animali.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti sono progettati per assorbire il rinculo e le vibrazioni. Non utilizzare grip inserts non conformi.
- Non utilizzare il prodotto se noti segni di danno o usura.
- Segui le istruzioni di installazione e utilizzo per evitare incidenti.
- Non tentare di modificare o riparare il prodotto in modo non autorizzato.
- In caso di incidenti o problemi, contatta un professionista qualificato.

Istruzioni per l'Installazione e l'Uso

1. Installazione:

- Assicurati che l'arma sia scarica e in una posizione sicura prima di iniziare l'installazione.
- Posiziona l'inserto RANSOM sul Master Series Ransom Rest seguendo le indicazioni del produttore.
- Fissa l'inserto in modo sicuro per garantire che non si muova durante l'uso.

2. Uso:

- Utilizza il Ransom Rest in un ambiente controllato e sicuro.
- Monitora attentamente il comportamento dell'arma durante l'uso.
- Non superare le specifiche di carico consigliate per il tuo Ransom Rest.
- Dopo ogni utilizzo, controlla l'integrità dell'inserto e del Ransom Rest.

Istruzioni per lo Smaltimento

- Gli inserti Grip RANSOM devono essere smaltiti secondo le normative locali sui rifiuti.
- Non gettare il prodotto nell'ambiente. Segui le linee guida per lo smaltimento di materiali potenzialmente pericolosi.
- Contatta il tuo comune per informazioni sul corretto smaltimento degli articoli di plastica.

Informazioni di Contatto per Ulteriori Supporto

Per domande o ulteriori informazioni sulla sicurezza del prodotto, si prega di contattare un professionista qualificato o consultare il sito web ufficiale del produttore.

Conclusione

Seguire queste istruzioni di sicurezza ti aiuterà a garantire un uso sicuro e efficace degli Inserti Grip RANSOM per Beretta APX A1. La sicurezza è la nostra priorità e ci impegniamo a fornire prodotti che rispettino le normative vigenti.
