

GRIP INSERTS - RANSOM GRIPS INSERTS FOR BROWNING 1911-380

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIPS INSERTS FOR BROWNING 1911-380
- Manufacturer: RANSOM
- Product no.: 430119309
- Mfr. No.: 30-300-05-06
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132580420

Sicherheitshinweise für GRIP INSERTS RANSOM GRIPS INSERTS FÜR BROWNING 1911380

Einleitung

Herzlichen Glückwunsch zu deinem Kauf der GRIP INSERTS RANSOM GRIPS INSERTS für die Browning 1911380! Diese GriffEinsätze sind speziell dafür entwickelt worden, um die Leistung und Sicherheit deines Gewehrs zu optimieren. Bitte lies die folgenden Sicherheitshinweise sorgfältig durch, um sicherzustellen, dass du die Produkte sicher und effektiv verwendest.

Allgemeine Sicherheitshinweise

- Stelle sicher, dass du die GriffEinsätze nur mit kompatiblen Gewehren verwendest.
- Überprüfe die GriffEinsätze regelmäßig auf Abnutzung oder Beschädigungen.
- Bewahre die GriffEinsätze außerhalb der Reichweite von Kindern auf.
- Verwende die GriffEinsätze nur für den vorgesehenen Zweck.
- Achte darauf, dass du die richtigen Werkzeuge und Techniken für die Installation verwendest.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Verwende keine harten GriffEinsätze oder 3Dgedruckte KunststoffgriffEinsätze, da diese deinem Gewehr schaden können.
- Achte darauf, dass die GriffEinsätze dem Durometer der menschlichen Hand entsprechen, um Rückstoß und Vibrationen zu absorbieren.
- Vermeide es, die GriffEinsätze bei extremen Temperaturen oder Feuchtigkeit zu lagern.
- Halte dich an die Anweisungen des Herstellers zur Verwendung und Pflege der GriffEinsätze.
- Bei Anzeichen von Beschädigungen oder einer nicht ordnungsgemäßen Funktion, benutze die GriffEinsätze nicht weiter und kontaktiere den Hersteller.

Anweisungen zur Installation und Nutzung

1. Vorbereitung:

- Stelle sicher, dass dein Gewehr sicher und entladen ist, bevor du mit der Installation beginnst.
- Reinige die Griffpartie des Gewehrs gründlich, um Schmutz und Ablagerungen zu entfernen.

2. Installation:

- Entferne die alten GriffEinsätze, falls vorhanden.
- Setze die neuen RANSOM GRIP INSERTS vorsichtig in die vorgesehenen Bereiche ein.
- Achte darauf, dass die Einsätze fest sitzen und keine Lücken aufweisen.

3. Verwendung:

- Halte das Gewehr mit einem stabilen Griff, um die Kontrolle zu maximieren.
- Achte während des Schießens auf die Vibrationen und Rückstöße, um sicherzustellen, dass die Einsätze ordnungsgemäß funktionieren.
- Nach dem Schießen, überprüfe die GriffEinsätze auf Anzeichen von Abnutzung oder Beschädigung.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte GriffEinsätze gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoff und anderen Materialien.

- Halte dich an die gesetzlichen Bestimmungen für die Entsorgung von WaffenZubehörteilen.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Unterstützung bezüglich der GRIP INSERTS RANSOM GRIPS INSERTS wende dich bitte an den Hersteller oder den Händler, bei dem du das Produkt gekauft hast.

Bitte beachte, dass die Sicherheit deines Gewehrs und deiner eigenen Sicherheit von der korrekten Verwendung und Wartung der GriffEinsätze abhängt. Halte dich an die oben genannten Hinweise, um sicherzustellen, dass du die bestmögliche Leistung und Sicherheit aus deinem Produkt herausholst.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIPS INSERTS FOR BROWNING

1911380

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Browning 1911380. These grip inserts are designed to enhance your shooting experience by closely mimicking the human hand's ability to absorb recoil and vibration. It is crucial to follow the safety guidelines outlined in this document to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that all products are used in accordance with the manufacturer's instructions.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts, as they may damage your firearm.
- Always perform regular inspections of your equipment to identify any signs of wear or damage.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted inserts. These can generate destructive recoil energy that may harm your firearm.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be eliminated but can be controlled. Using the correct inserts helps manage these forces effectively.
- **Monitor for Damage:** Hard inserts can lead to increased wear on your firearm, potentially causing injury or malfunction over time.
- **Follow Testing Protocols:** If conducting accuracy or destructive testing, ensure that the setup mimics human handling to avoid flawed results.

Instructions for Installation and Usage

1. Installation of Grip Inserts:

- Ensure that your firearm is unloaded and pointed in a safe direction before handling.
- Remove any existing grip inserts from your firearm.
- Carefully position the Ransom grip inserts into the grip area, ensuring a snug fit.
- Make sure the inserts are securely in place before proceeding to use the firearm.

2. Usage Guidelines:

- When using the Ransom Rest with grip inserts, ensure the setup is stable and secure.
- Pay attention to the first few milliseconds of shot impact; the inserts should absorb recoil effectively.
- Regularly inspect the grip inserts for signs of wear and replace as necessary.

Disposal Instructions

- Dispose of any worn or damaged grip inserts in accordance with local waste disposal regulations.
- Do not dispose of inserts in a manner that may pose a risk to the environment or public safety.

Contact Information for Further Support

For any questions or concerns regarding the use of Ransom Grip Inserts, please refer to the provided contact details from the manufacturer. Ensure you have your product information available for efficient assistance.

By adhering to these safety guidelines and instructions, you can maximize the performance of your Ransom Grip Inserts while ensuring your safety and the longevity of your firearm. Thank you for your attention to these important safety measures.

Guida alla Sicurezza per gli Inserti RANSOM per Browning 1911380

Introduzione

Grazie per aver scelto gli Inserti RANSOM per il tuo Browning 1911380. Questa guida fornisce informazioni importanti sulla sicurezza, sull'installazione e sull'uso degli inserti. È fondamentale seguire queste istruzioni per garantire un utilizzo sicuro e ottimale del prodotto.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare gli inserti RANSOM esclusivamente con il Browning 1911380.
- Non utilizzare inserti rigidi o stampati in 3D, poiché possono danneggiare l'arma e causare infortuni.
- Verifica regolarmente lo stato degli inserti per garantire che non presentino segni di usura o danni.
- Conserva gli inserti in un luogo asciutto e sicuro, lontano da fonti di calore e umidità.
- Segui sempre le istruzioni del produttore per l'uso e la manutenzione del tuo arma.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti RANSOM sono progettati per assorbire il rinculo e le vibrazioni. Non utilizzare altri tipi di inserti che non siano quelli RANSOM.
- Quando installi o rimuovi gli inserti, assicurati che l'arma sia scarica e in sicurezza.
- Non utilizzare gli inserti con munizioni difettose o in condizioni di scarsa visibilità.
- Fai attenzione durante l'installazione per evitare di danneggiare il telaio o la canna dell'arma.
- Se noti vibrazioni eccessive o altri problemi durante l'uso, interrompi immediatamente l'uso e controlla gli inserti.

Istruzioni per l'Installazione e l'Uso

1. Preparazione dell'Arma

- Assicurati che il Browning 1911380 sia scarico.
- Controlla che non ci siano munizioni nella camera o nel caricatore.

2. Installazione degli Inserti

- Rimuovi eventuali inserti esistenti, se presenti.
- Posiziona gli inserti RANSOM nel telaio dell'arma, assicurandoti che siano allineati correttamente.
- Fissa gli inserti seguendo le istruzioni specifiche fornite con il prodotto.

3. Uso degli Inserti

- Utilizza il Browning 1911380 come di consueto, facendo attenzione a mantenere un buon controllo dell'arma.
- Monitora le prestazioni e il comportamento dell'arma durante l'uso.

Istruzioni per lo Smaltimento

- Gli inserti RANSOM non devono essere smaltiti insieme ai rifiuti domestici. Segui le normative locali per il riciclo e lo smaltimento dei materiali.
- Contatta le autorità locali per informazioni sui punti di raccolta per prodotti di questo tipo.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori informazioni o domande riguardanti la sicurezza e l'uso degli Inserti RANSOM, ti invitiamo a contattare il tuo rivenditore o il produttore.

Seguendo queste linee guida, puoi garantire un utilizzo sicuro e efficace degli Inserti RANSOM per il tuo Browning 1911380. La sicurezza è la nostra priorità.
