

GRIP INSERTS - RANSOM GRIP INSERTS FOR BROWNING BDM 9MM

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR BROWNING BDM 9MM
- Manufacturer: RANSOM
- Product no.: 430119313
- Mfr. No.: 30-300-05-03
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132583506

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR BROWNING BDM 9MM

Einleitung

Willkommen zu den Sicherheitshinweisen für die RANSOM GRIP INSERTS, die speziell für deine Browning BDM 9mm entwickelt wurden. Diese Anleitung soll dir helfen, die Sicherheit und Leistung deiner Ausrüstung zu maximieren und potenzielle Risiken zu minimieren. Bitte lies die folgenden Informationen sorgfältig durch.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass die Grip Inserts immer in gutem Zustand sind, bevor du sie verwendest.
- Verwende die Inserts nur für den vorgesehenen Zweck, um Verletzungen oder Schäden zu vermeiden.
- Halte dich an alle Anweisungen zur Installation und Nutzung, um die Sicherheit zu gewährleisten.
- Achte darauf, dass die Inserts nicht beschädigt sind, bevor du sie anbringst.
- Informiere dich regelmäßig über Rückrufaktionen und Sicherheitswarnungen über die EU Safety Gate Plattform.

Spezifische Sicherheitsvorkehrungen bei der Nutzung

- Vermeide die Verwendung von harten Grip Inserts oder 3Dgedruckten Kunststoffinserts, da diese deinem Gewehr schaden können.
- Harte Inserts können zerstörerische Rückstoßenergien erzeugen, die das Gewehr beschädigen können.
- Achte darauf, dass du die menschliche Reaktion beim Testen nachahmst, um fehlerhafte Testergebnisse zu vermeiden.
- Wenn du Anzeichen von Beschädigungen oder ungewöhnlichem Verhalten bemerkst, benutze die Inserts nicht weiter und kontaktiere einen Fachmann.

Anweisungen zur Installation und Nutzung

• Installation:

1. Entferne die alten Inserts vorsichtig aus deinem Ransom Rest.
2. Reinige die Oberfläche, auf der die neuen Inserts installiert werden.
3. Setze die RANSOM GRIP INSERTS gemäß den Anweisungen des Herstellers ein.
4. Stelle sicher, dass die Inserts fest und sicher sitzen.

• Nutzung:

- Verwende die Inserts ausschließlich mit der Browning BDM 9mm.
- Achte darauf, dass die Inserts die Durometrie der menschlichen Hand nachahmen, um eine optimale Leistung zu gewährleisten.
- Überprüfe regelmäßig den Zustand der Inserts und tausche sie bei Bedarf aus.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Achte darauf, dass die Entsorgung umweltfreundlich erfolgt und keine schädlichen Materialien in die Umwelt gelangen.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder bei Fragen zu den RANSOM GRIP INSERTS wende dich bitte an den Hersteller oder einen qualifizierten Fachmann. Stelle sicher, dass du alle Sicherheitsrichtlinien befolgst, um die bestmögliche Leistung und Sicherheit zu gewährleisten.

Bitte beachte, dass diese Sicherheitshinweise nicht alle möglichen Gefahren abdecken können. Es liegt in deiner Verantwortung, sicherzustellen, dass du die Produkte sicher und gemäß den Anweisungen verwendest. Bleibe informiert über Rückrufaktionen und Sicherheitswarnungen, um deine Sicherheit und die anderer zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR BROWNING BDM 9MM

Introduction

Thank you for purchasing the Ransom International Grip Inserts for your Browning BDM 9MM. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure safe use of the grip inserts by following the instructions provided in this guide.
- The grip inserts are designed to absorb recoil and vibration, simulating the human hand's response.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts as they may damage your firearm and produce inaccurate test results.
- Always inspect the grip inserts for any signs of wear or damage before each use.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard or 3Dprinted inserts. These can generate destructive recoil energy that may harm your firearm.
- **Understand Recoil Dynamics:** Be aware that every action has an equal and opposite reaction. Vibration and recoil cannot be stopped; they must be controlled.
- **Monitor for Damage:** Regularly check your firearm for any signs of damage that may result from improper use of grip inserts.
- **Use Correctly:** Ensure that the grip inserts are installed and used as directed to avoid potential hazards.
- **Report Unsafe Conditions:** If you notice any unsafe conditions or product malfunctions, report them immediately to the relevant authorities.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction before installation.
- Remove any existing grip inserts from your firearm.
- Carefully align the Ransom grip inserts with the grip area of your firearm.
- Press the inserts firmly into place until they are securely fitted.

2. Usage:

- Once installed, test the grip inserts by firing a few rounds in a controlled environment.
- Monitor the firearm's performance and ensure that the inserts absorb recoil as intended.
- If you experience any unusual vibrations or recoil, stop using the inserts and inspect them for damage.

3. PostUse Inspection:

- After each use, inspect the grip inserts for wear or damage.
- If any signs of damage are present, discontinue use and replace the inserts.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not dispose of the grip inserts in regular household waste. Check for local recycling programs that accept plastic materials.

Contact Information for Further Support

For any questions or concerns regarding the Ransom International Grip Inserts, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website for support.

Thank you for choosing Ransom International Grip Inserts. Your safety and satisfaction are our top priorities. Please follow these guidelines to ensure a safe and effective experience.

Istruzioni di Sicurezza per il Prodotto: GRIP INSERTS RANSOM PER BROWNING BDM 9MM

Introduzione

Grazie per aver scelto i GRIP INSERTS RANSOM per il tuo Ransom Rest. Questo prodotto è progettato per migliorare le prestazioni durante i test di tiro e garantire la sicurezza dell'arma. È fondamentale seguire attentamente queste istruzioni per garantire un utilizzo corretto e sicuro.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo GRIP INSERTS RANSOM progettati specificamente per il tuo modello di arma.
- Non utilizzare inserti grip rigidi o stampati in 3D, poiché possono danneggiare l'arma.
- Controlla regolarmente l'integrità degli inserti grip prima di ogni utilizzo.
- Segui le istruzioni di installazione e utilizzo fornite per evitare incidenti.
- Tieni il prodotto lontano dalla portata di bambini e gruppi vulnerabili.

Precauzioni di Sicurezza Specifiche per l'Uso

- Utilizza il Ransom Rest in un ambiente controllato e sicuro.
- Indossa sempre occhiali protettivi durante le sessioni di tiro.
- Assicurati che l'arma sia scarica prima di installare o rimuovere gli inserti grip.
- Non tentare mai di riparare o modificare gli inserti grip; contatta un professionista se necessario.
- Evita di utilizzare l'arma in condizioni meteorologiche avverse, come pioggia o neve.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti Grip:

- Assicurati che il Ransom Rest sia posizionato su una superficie piana e stabile.
- Rimuovi eventuali inserti precedenti seguendo le istruzioni specifiche del produttore.
- Inserisci gli inserti grip RANSOM nel supporto, assicurandoti che siano ben fissati.
- Controlla che gli inserti siano allineati correttamente e che non ci siano spazi vuoti.

2. Utilizzo del Ransom Rest:

- Posiziona l'arma nel Ransom Rest, assicurandoti che sia stabile.
- Regola il supporto in base alle tue esigenze di tiro, mantenendo sempre la sicurezza al primo posto.
- Durante il tiro, osserva attentamente il comportamento dell'arma e dell'inserto grip.
- Dopo ogni sessione di tiro, verifica lo stato degli inserti grip e dell'arma.

Istruzioni per lo Smaltimento

- Gli inserti grip RANSOM non devono essere smaltiti insieme ai rifiuti domestici.
- Segui le normative locali per lo smaltimento dei materiali di plastica e gomma.
- Se gli inserti grip sono danneggiati o non più utilizzabili, contatta un centro di raccolta autorizzato per il corretto smaltimento.

Informazioni per Ulteriori Supporto

Per eventuali domande o chiarimenti riguardo all'uso e alla sicurezza del prodotto, ti invitiamo a contattare il tuo

rivenditore o un professionista del settore. È importante avere sempre accesso a informazioni sicure e affidabili.

Conclusione

Utilizzare i GRIP INSERTS RANSOM in modo responsabile è fondamentale per la tua sicurezza e la longevità della tua arma. Segui queste istruzioni e linee guida per garantire un'esperienza di tiro sicura e soddisfacente.
