

GRIP INSERTS - RANSOM GRIP INSERTS FOR 1911/KIMBER/PARA ORD/REM/SA/WILSON CMBT

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR 1911/KIMBER/PARA ORD/REM/SA/WILSON CMBT
- Manufacturer: RANSOM
- Product no.: 430119316
- Mfr. No.: 30-300-07-01
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132580314

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS

Einführung

Willkommen zu den Sicherheitshinweisen für die RANSOM GRIP INSERTS, die speziell für deine 1911/Kimber/Para Ord/Rem/SA/Wilson CMBT entwickelt wurden. Diese Anleitung gibt dir wichtige Informationen zur sicheren Verwendung, Installation und Entsorgung der Produkte, um mögliche Risiken zu minimieren.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die RANSOM GRIP INSERTS nur für die vorgesehenen Waffenmodelle verwendest.
- Achte darauf, dass die Inserts in einwandfreiem Zustand sind, bevor du sie verwendest. Überprüfe sie regelmäßig auf Risse oder Beschädigungen.
- Halte die Inserts von Kindern und unbefugten Personen fern.
- Verwende keine harten oder 3Dgedruckten GriffEinsätze, da diese deinem Gewehr schaden können.
- Informiere dich über Rückrufaktionen und Sicherheitswarnungen auf der EU Safety Gate Plattform.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Verwende die RANSOM GRIP INSERTS nur in Verbindung mit dem Ransom Rest.
- Achte darauf, dass die Inserts korrekt installiert sind, um eine sichere Nutzung zu gewährleisten.
- Vermeide es, die Inserts übermäßig zu belasten, um Beschädigungen zu vermeiden.
- Bei der Verwendung der Inserts solltest du immer Schutzbrillen tragen.
- Halte während des Schießens einen sicheren Abstand zu anderen Personen ein.

Anweisungen für Installation und Verwendung

1. Installation der RANSOM GRIP INSERTS:

- Stelle sicher, dass der Ransom Rest stabil und sicher aufgestellt ist.
- Entferne die alten GriffEinsätze, falls vorhanden.
- Setze die RANSOM GRIP INSERTS vorsichtig in die vorgesehenen Öffnungen ein.
- Stelle sicher, dass die Inserts fest sitzen und keine Spielräume vorhanden sind.

2. Verwendung der RANSOM GRIP INSERTS:

- Stelle sicher, dass die Waffe sicher und stabil im Ransom Rest fixiert ist.
- Führe deine Schießübungen wie gewohnt durch, während du darauf achtest, dass die Inserts ihre Funktion erfüllen.
- Überwache die Leistung der Inserts und achte auf Anzeichen von Verschleiß oder Beschädigung.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte RANSOM GRIP INSERTS gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Stelle sicher, dass die Inserts nicht in die Hände von Kindern gelangen, bevor du sie entsorgst.
- Bei Unsicherheiten über die Entsorgung kontaktiere deine lokale Entsorgungsstelle für weitere Informationen.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder weitere Informationen zu den RANSOM GRIP INSERTS, einschließlich Sicherheitsanfragen, wende dich bitte an den Hersteller oder den autorisierten Händler.

Diese Sicherheitshinweise sind wichtig, um die sichere Verwendung der RANSOM GRIP INSERTS zu gewährleisten und mögliche Risiken zu minimieren. Bitte befolge die Anweisungen sorgfältig und bleibe stets informiert über Sicherheitsupdates und Rückrufaktionen.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR 1911/KIMBER/PARA ORD/REM/SA/WILSON CMBT

Introduction

Thank you for choosing the Ransom International Grip Inserts. These inserts are designed to enhance your shooting experience by mimicking the natural feel of the human hand during recoil. To ensure safe and effective use, please read this safety instruction guide carefully before installation and usage.

General Safety Guidelines

- Ensure that the grip inserts are compatible with your firearm model.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts, as they can damage your firearm.
- Always handle firearms safely and responsibly, following all local laws and regulations.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the grip inserts for wear and tear.
- Report any unsafe product issues or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Hard grip inserts can generate destructive recoil energy that may damage your firearm. They do not replicate humanlike recoil accurately, leading to flawed test results.
- **Follow Proper Installation:** Ensure that the grip inserts are installed correctly to avoid any damage to the firearm or incorrect usage.
- **Monitor for Damage:** Inspect your firearm and the grip inserts after use. Look for signs of wear that may indicate potential issues.
- **Understand Recoil Dynamics:** Be aware that recoil and vibration are natural forces that must be managed. The inserts are designed to absorb these forces effectively.

Instructions for Installation and Usage

1. **Compatibility Check:** Confirm that the grip inserts are suitable for your firearm model (1911/Kimber/Para Ord/Rem/SA/Wilson CMBT).
2. **Installation:**
 - Remove any existing grip inserts or panels from your firearm.
 - Align the Ransom grip inserts with the grip frame of your firearm.
 - Securely attach the grip inserts according to the manufacturer's instructions.
3. **Testing:**
 - Conduct initial tests with caution, observing how the firearm behaves with the new inserts.
 - Ensure that the inserts absorb recoil effectively and do not transfer excessive vibration to the firearm.
4. **PostUsage Inspection:**
 - After each use, check both the grip inserts and the firearm for any signs of damage or wear.
 - Replace the grip inserts if they show significant wear or if you notice any performance issues.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local waste disposal regulations.
- Do not throw the inserts in regular household waste if they are made from materials that require special disposal.

Contact Information for Further Support

For any questions or concerns regarding the use of the Ransom Grip Inserts, please refer to the manufacturer's contact information provided with your product.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of your Ransom Grip Inserts. Remember that proper handling and maintenance of your firearm and accessories are crucial for your safety and the safety of others. Thank you for your attention to these important guidelines.

Istruzioni di Sicurezza per l'Utilizzo degli Inserti RANSOM GRIP

Introduzione

Grazie per aver scelto gli Inserti RANSOM GRIP per il tuo Master Series Ransom Rest. Questo prodotto è progettato per garantire la massima protezione e prestazione durante i test di sparo. È fondamentale seguire le istruzioni di sicurezza e utilizzo per garantire un'esperienza sicura e soddisfacente.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo gli inserti RANSOM progettati per il tuo Master Series Ransom Rest.
- Non utilizzare inserti rigidi o inserti in plastica stampati in 3D. Questi possono danneggiare l'arma e compromettere la sicurezza.
- Gli inserti RANSOM sono progettati per assorbire il rinculo e le vibrazioni, riducendo il rischio di danni all'arma.
- Controlla regolarmente il tuo equipaggiamento per eventuali segni di usura o danni.
- Segnala eventuali prodotti non sicuri o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare mai gli inserti RANSOM in combinazione con inserti rigidi o stampati in 3D.
- Durante il test di sparo, assicurati che l'arma sia in una posizione sicura e stabile.
- Non posizionare mai le mani o altre parti del corpo in prossimità della bocca di fuoco durante il test.
- Segui sempre le istruzioni del produttore per l'installazione e l'uso del Ransom Rest.
- Se noti un malfunzionamento o un comportamento anomalo durante l'uso, interrompi immediatamente il test e verifica l'equipaggiamento.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti RANSOM:

- Rimuovi eventuali inserti precedenti dal Ransom Rest.
- Posiziona gli inserti RANSOM nel Ransom Rest seguendo le indicazioni del produttore.
- Assicurati che gli inserti siano fissati saldamente e che non ci siano spazi vuoti.

2. Utilizzo del Ransom Rest:

- Posiziona l'arma nel Ransom Rest in modo che sia stabile e sicura.
- Assicurati che l'arma sia in posizione di batteria prima di iniziare il test.
- Inizia il test di sparo, osservando attentamente il comportamento dell'arma e del Ransom Rest.
- Dopo il test, controlla gli inserti e l'arma per eventuali danni o usura.

Istruzioni per lo Smaltimento

- Gli inserti RANSOM sono progettati per durare, ma quando non sono più utilizzabili, smaltiscili in conformità con le normative locali sullo smaltimento dei rifiuti.
- Non gettare gli inserti in plastica o materiali compositi nei normali rifiuti domestici. Contatta il tuo comune per le indicazioni sullo smaltimento corretto.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori informazioni o domande riguardanti la sicurezza e l'uso degli Inserti RANSOM GRIP, ti invitiamo a contattare il tuo rivenditore o a consultare il sito web ufficiale del produttore.

Ricorda: la sicurezza è la priorità assoluta. Segui sempre queste istruzioni per garantire un utilizzo sicuro e efficace del tuo Ransom Rest.
