

GRIP INSERTS - RANSOM GRIP INSERTS FOR COLT A/E/J/V/TROOPER MARK III

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR COLT A/E/J/V/TROOPER MARK III
- Manufacturer: RANSOM
- Product no.: 430119319
- Mfr. No.: 30-300-07-03
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132580642

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für die GRIP INSERTS RANSOM GRIP INSERTS FÜR COLT A/E/J/V/TROOPER MARK III

Einleitung

Herzlichen Glückwunsch zu deinem Kauf der GRIP INSERTS RANSOM GRIP INSERTS für Colt A/E/J/V/Trooper Mark III! Diese Inserts sind speziell entwickelt worden, um die Durometrie der menschlichen Hand nachzuahmen und eine sichere und präzise Nutzung deines Gewehrs zu gewährleisten. Bitte beachte die folgenden Sicherheitshinweise, um eine sichere Verwendung zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Achte darauf, dass alle Produkte sicher und für den vorgesehenen Gebrauch geeignet sind.
- Informiere dich über mögliche Risiken, die mit der Verwendung von Grip Inserts verbunden sind.
- Halte dich an die Anweisungen zur Installation und Nutzung, um Gefahren zu vermeiden.
- Überprüfe regelmäßig, ob es Rückrufaktionen für das Produkt gibt.
- Berichte unsichere Produkte oder Unfälle den zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Verwende keine harten Grip Inserts oder 3Dgedruckten Kunststoff Inserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass die Inserts korrekt installiert sind, um eine sichere Nutzung zu gewährleisten.
- Teste dein Gewehr nur mit den empfohlenen Inserts, um reproduzierbare Ergebnisse zu erzielen.
- Sei vorsichtig bei der Handhabung des Gewehrs und der Inserts, um Verletzungen zu vermeiden.

Anweisungen zur Installation und Nutzung

1. Vorbereitung:

- Stelle sicher, dass das Gewehr entladen ist, bevor du mit der Installation beginnst.
- Reinige die Griffoberfläche, um eine optimale Haftung zu gewährleisten.

2. Installation der Grip Inserts:

- Entferne die alten Inserts, falls vorhanden.
- Setze die neuen RANSOM Grip Inserts vorsichtig in die vorgesehenen Halterungen ein.
- Achte darauf, dass die Inserts fest und sicher sitzen.

3. Nutzung:

- Halte das Gewehr immer mit beiden Händen und achte darauf, dass deine Finger nicht am Abzug sind, bis du bereit bist zu schießen.
- Achte darauf, dass die Inserts die Rückstoßenergie korrekt absorbieren, um eine präzise Schussabgabe zu gewährleisten.

Entsorgungsanweisungen

- Entsorge alte oder beschädigte Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffabfällen.
- Informiere dich über die umweltgerechte Entsorgung von Gewehrzubehör in deiner Region.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder bei Fragen zur Sicherheit der GRIP INSERTS, wende dich bitte an den Hersteller oder die Verkaufsstelle, bei der du das Produkt erworben hast.

Bitte beachte, dass die Sicherheit deines Gewehrs und deiner eigenen Sicherheit von der richtigen Verwendung und Pflege der Grip Inserts abhängt. Halte dich an die oben genannten Richtlinien und genieße die Nutzung deines Gewehrs!

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR COLT

A/E/J/V/TROOPER MARK III

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Colt A/E/J/V/Trooper Mark III. This guide provides essential safety information and instructions to ensure safe and effective use of the product. Please read this guide carefully before installation and use.

General Safety Guidelines

- **Product Safety:** Always ensure that the grip inserts are suitable for your firearm model. Use only Ransom grip inserts designed for your specific firearm to avoid damage.
- **Enhanced Recalls:** Stay informed about any product recalls. If you receive a notice or find information about a recall, follow the instructions provided immediately.
- **Online Shopping:** Ensure you purchase from authorized retailers who comply with safety regulations.
- **Special Consumer Focus:** Keep grip inserts out of reach of children. These products are not toys and should only be used by responsible adults.
- **EU Contact Point:** For any safety inquiries, refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Keep updated on product safety alerts via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can damage your firearm and may lead to injury.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil are natural forces that must be managed. Using the correct inserts helps absorb these forces safely.
- **Check for Damage:** Regularly inspect your grip inserts for signs of wear or damage. Replace them if they show any signs of deterioration.
- **Follow Installation Instructions:** Ensure that the grip inserts are installed correctly to maximize safety and functionality.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and in a safe condition before installation.
- Remove any existing grip inserts as per the firearm's manual.
- Align the Ransom grip inserts with the grip frame of your firearm.
- Secure the inserts as per the manufacturer's guidelines, ensuring they fit snugly and do not move.

2. Usage:

- Use the Ransom Rest with the installed grip inserts for testing accuracy or destructive testing.
- Ensure that the machine is properly calibrated and that the firearm is securely positioned in the rest.
- Monitor the performance of the inserts during use. If you notice any unusual vibrations or movements, stop using the product immediately and inspect it.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local waste disposal regulations. Do not throw them in regular household waste.
- For large quantities of inserts or specific disposal concerns, contact local waste management authorities for guidance.

Contact Information for Further Support

For any questions or concerns regarding the Ransom International Grip Inserts, please reach out to the retailer or manufacturer from whom you purchased the product. They will provide the appropriate support and information you need.

By following these guidelines, you can ensure a safe and effective experience with your Ransom grip inserts. Thank you for your attention to safety.

Istruzioni di Sicurezza per gli Grip Inserts RANSOM

Introduzione

Grazie per aver scelto i grip inserts RANSOM per la tua arma. Questo prodotto è progettato per migliorare la tua esperienza di tiro, garantendo prestazioni superiori e sicurezza. È fondamentale seguire attentamente le istruzioni di sicurezza fornite in questo documento per garantire un uso corretto e sicuro.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo grip inserts RANSOM con il tuo Master Series Ransom Rest.
- Non utilizzare grip inserts rigidi o stampati in 3D, poiché possono danneggiare l'arma e compromettere la tua sicurezza.
- Tieni i grip inserts lontano dalla portata di bambini e animali domestici.
- Controlla regolarmente il prodotto per eventuali segni di usura o danni.

Precauzioni di Sicurezza Specifiche per l'Uso

- **Assorbimento del Rinculo:** Gli inserti sono progettati per assorbire il rinculo, riducendo il rischio di infortuni. Assicurati che siano installati correttamente.
- **Controllo delle Forze:** Gli inserti RANSOM controllano le vibrazioni e il rinculo. Non tentare di modificare o rimuovere gli inserti durante l'uso.
- **Durata e Sicurezza:** L'uso di inserti non raccomandati può ridurre la vita della tua arma e causare infortuni. Non sottovalutare i rischi associati all'uso di grip inserts inappropriati.
- **Comportamento Umano:** Per test di distruzione o di accuratezza, è fondamentale imitare il comportamento umano. Non utilizzare metodi di test che non replicano il rinculo umano.

Istruzioni per l'Installazione e l'Uso

1. Installazione:

- Rimuovi eventuali grip inserts esistenti dalla tua arma.
- Pulisci la superficie di contatto per garantire una buona aderenza.
- Posiziona i grip inserts RANSOM in modo che siano ben allineati e fissi.
- Assicurati che non ci siano spazi vuoti tra l'inserto e l'arma.

2. Uso:

- Utilizza l'arma solo con i grip inserts RANSOM installati.
- Segui sempre le procedure di sicurezza standard quando maneggi l'arma.
- Non utilizzare mai l'arma in condizioni che potrebbero compromettere la tua sicurezza o quella degli altri.

Istruzioni per lo Smaltimento

- Gli inserti RANSOM non sono biodegradabili. Smaltiscili in conformità con le normative locali per i rifiuti di plastica.
- Non gettare gli inserti nel fuoco o in altre fonti di calore, in quanto potrebbero liberare sostanze tossiche.

Informazioni di Contatto per Ulteriori Supporto

Per qualsiasi domanda o preoccupazione riguardante la sicurezza o l'uso dei grip inserts RANSOM, ti invitiamo a contattare il nostro servizio clienti. Assicurati di avere a disposizione il numero di modello e la data di acquisto per una rapida assistenza.

Conclusione

Seguendo queste istruzioni e linee guida di sicurezza, potrai utilizzare i grip inserts RANSOM in modo sicuro ed efficace. La tua sicurezza e quella degli altri è la nostra priorità. Grazie per aver scelto i nostri prodotti.
