

GRIP INSERTS - RANSOM GRIP INSERTS FOR COLT ALL AMERICAN 2000

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR COLT ALL AMERICAN 2000
- Manufacturer: RANSOM
- Product no.: 430119326
- Mfr. No.: 30-300-07-13
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132580567

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für die Verwendung der RANSOM Grip Inserts für Colt All American 2000

Einleitung

Willkommen zu den Sicherheitshinweisen für die RANSOM Grip Inserts. Diese Inserts sind speziell für den Colt All American 2000 entwickelt worden und bieten zahlreiche Vorteile im Vergleich zu herkömmlichen harten GripInserts. Es ist wichtig, die Sicherheitshinweise zu befolgen, um eine sichere Nutzung und optimale Leistung zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die RANSOM Grip Inserts gemäß den Anweisungen verwendest.
- Halte die Inserts von Kindern und anderen gefährdeten Gruppen fern.
- Überprüfe regelmäßig die Inserts auf Abnutzung oder Beschädigung.
- Melde unsichere Produkte oder Unfälle den zuständigen Behörden.
- Informiere dich über Rückrufe auf der EU Safety Gate Plattform.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Verwende keine harten oder 3Dgedruckten Inserts, da diese die Waffe beschädigen können.
- Achte darauf, dass die Inserts korrekt installiert sind, um eine optimale Leistung zu gewährleisten.
- Vermeide es, die Inserts über ihre Lebensdauer hinaus zu verwenden, um Schäden zu vermeiden.
- Beachte, dass die Inserts Vibrationen und Rückstoß absorbieren, um die Waffe und den Benutzer zu schützen.

Anweisungen zur Installation und Verwendung

1. Vorbereitung:

- Stelle sicher, dass die Waffe entladen ist, bevor du die Inserts installierst.
- Reinige den Bereich, in dem die Inserts installiert werden sollen.

2. Installation der Inserts:

- Setze die RANSOM Grip Inserts vorsichtig in die vorgesehenen Halterungen ein.
- Stelle sicher, dass die Inserts fest sitzen und keine Lücken aufweisen.

3. Verwendung:

- Verwende die Waffe wie gewohnt, während die Inserts installiert sind.
- Achte darauf, die Waffe nach jedem Schuss zu überprüfen, um sicherzustellen, dass die Inserts intakt sind.

4. Nach der Verwendung:

- Überprüfe die Inserts auf Abnutzung oder Beschädigung.
- Lagere die Inserts an einem trockenen und sicheren Ort.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für Elektroschrott.
- Halte die Inserts von Kindern fern, um das Risiko von Verletzungen zu vermeiden.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung wende dich an den Hersteller oder den Händler, bei dem du das Produkt erworben hast. Stelle sicher, dass du alle Sicherheitsrichtlinien befolgst, um eine sichere und effektive Nutzung der RANSOM Grip Inserts zu gewährleisten.

GRIP INSERTS RANSOM GRIP INSERTS FOR COLT ALL AMERICAN 2000 Safety Instruction Guide

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Colt All American 2000. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read and follow these guidelines carefully to avoid potential hazards and to maximize the performance of your shooting rest.

General Safety Guidelines

- Ensure that all users of the product are aware of these safety guidelines.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts with your Master Series Ransom Rest. These materials can damage your firearm and compromise test accuracy.
- Be cautious of the recoil generated during shooting. Proper use of grip inserts can help manage this recoil effectively.
- Regularly inspect the grip inserts for wear and tear. Replace them if they show signs of damage.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Hard grip inserts can generate destructive recoil energy that damages the frame and barrel of your firearm.
- **Understand Recoil Dynamics:** The inserts are designed to absorb the initial vibrations and recoil forces, mimicking the human hand's response. This is crucial for accurate testing.
- **Inspection Before Use:** Always inspect the grip inserts before each use. Look for cracks, warping, or any signs of wear.
- **User Awareness:** Ensure that all users are trained in safe firearm handling and are familiar with the operation of the Ransom Rest.
- **Caution with Testing:** When conducting destructive or accuracy testing, ensure that the grip inserts are functioning properly to avoid flawed results.

Instructions for Installation and Usage

1. Installation:

- Remove any existing grip inserts from the Ransom Rest.
- Carefully align the Ransom International Grip Inserts with the designated slots on the rest.
- Ensure that the inserts fit snugly and are securely in place before proceeding.

2. Usage:

- Place your firearm in the Ransom Rest, ensuring it is properly secured.
- Check that the grip inserts are absorbing the initial recoil and vibrations during firing.
- Monitor the performance of the inserts during use. If you notice any unusual behavior, stop using the inserts immediately and inspect them.

3. PostUse Care:

- After each use, clean the grip inserts with a soft cloth to remove debris and moisture.
- Store the inserts in a cool, dry place to prolong their lifespan.

Disposal Instructions

- Dispose of damaged or worn grip inserts in accordance with local regulations for waste disposal.
- Do not incinerate the inserts, as they may release harmful substances when burned.
- If you are unsure how to dispose of the inserts, contact your local waste management authority for guidance.

Contact Information for Further Support

For any safety inquiries or additional support regarding the Ransom International Grip Inserts, please reach out to your local distributor or authorized dealer. They can provide you with the information you need to ensure safe and effective use of this product.

By adhering to these safety instructions, you can help ensure a safe and enjoyable shooting experience. Thank you for your attention to these important guidelines.

Guida alle Istruzioni di Sicurezza per i Grip Inserts RANSOM per Colt All American 2000

Introduzione

Benvenuto nella guida alle istruzioni di sicurezza per i Grip Inserts RANSOM per Colt All American 2000. Questa guida è progettata per garantire un uso sicuro e responsabile del prodotto, in conformità con il Regolamento Generale sulla Sicurezza dei Prodotti (GPSR) dell'UE. Ti preghiamo di leggere attentamente queste istruzioni prima di utilizzare i Grip Inserts.

Linee Guida Generali di Sicurezza

- Assicurati che il prodotto sia utilizzato solo per l'uso previsto.
- Non utilizzare grip inserts rigidi o stampati in 3D, poiché possono causare danni all'arma e potenziali infortuni.
- Controlla regolarmente il prodotto per segni di usura o danni.
- Segui tutte le istruzioni fornite dal produttore per garantire un utilizzo sicuro.
- In caso di malfunzionamento, interrompi immediatamente l'uso e contatta un professionista.

Precauzioni di Sicurezza Specifiche per l'Uso

- **Design Specifico:** Gli inserti sono progettati per abbinarsi al durometro della mano umana, assicurando un assorbimento ottimale del rinculo.
- **Assorbimento del Rinculo:** Gli inserti assorbono i primi millisecondi di colpo, riducendo il rischio di danni all'arma.
- **Controllo delle Forze:** Gli inserti agiscono come la mano umana, assorbendo le forze e non trasferendole all'arma.
- **Attenzione ai Grip Inserts Rigidi:** Un inserto rigido può diminuire la vita della canna e dell'arma, e potrebbe causare infortuni o addirittura la morte in caso di malfunzionamenti.

Istruzioni per l'Installazione e l'Uso

1. **Preparazione:** Prima di installare i grip inserts, assicurati che l'arma sia scarica e in sicurezza.
2. **Installazione:**
 - Rimuovi eventuali grip inserts precedenti, se presenti.
 - Posiziona i Grip Inserts RANSOM nell'area designata dell'arma, assicurandoti che siano ben fissati.
 - Controlla che non ci siano spazi vuoti o movimenti eccessivi.
3. **Uso:**
 - Utilizza i grip inserts solo con il tuo Master Series Ransom Rest.
 - Segui le indicazioni specifiche per il tuo modello di arma per garantire un uso corretto.
 - Evita di utilizzare l'arma in condizioni estreme o non raccomandate dal produttore.

Istruzioni per lo Smaltimento

- Quando i Grip Inserts RANSOM non sono più utilizzabili, smaltiscili in conformità con le normative locali sui rifiuti.
- Non gettare i grip inserts nel normale cestino; verifica se ci sono punti di raccolta per materiali speciali o pericolosi nella tua area.

Informazioni per Ulteriori Supporto

Per domande o preoccupazioni relative alla sicurezza, ti invitiamo a contattare un professionista qualificato o a consultare le risorse disponibili sul sito web del produttore. È importante rimanere informati sulle eventuali

avvertenze e aggiornamenti riguardanti il prodotto.

Conclusione

La sicurezza è la nostra priorità. Utilizzando i Grip Inserts RANSOM per Colt All American 2000 secondo queste istruzioni, contribuirai a garantire un'esperienza di tiro sicura e soddisfacente. Ricorda di seguire sempre le linee guida di sicurezza e di rimanere informato sulle migliori pratiche per l'uso delle armi.
