

GRIP INSERTS - RANSOM GRIP INSERTS FOR COLT 1991-A1/KIMBER CDP2/SA COMPACT GOV

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR COLT 1991-A1/KIMBER CDP2/SA COMPACT GOV
- Manufacturer: RANSOM
- Product no.: 430119328
- Mfr. No.: 30-300-07-14
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132580628

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

Einführung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM, die speziell für den Colt 1991A1, Kimber CDP2 und SA Compact Gov entwickelt wurden. Diese Anleitung bietet dir wichtige Informationen zur sicheren Verwendung und Handhabung des Produkts, um die Leistung zu maximieren und potenzielle Risiken zu minimieren.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass die GRIP INSERTS nur mit kompatiblen Schießgeräten verwendet werden.
- Verwende die Inserts nur wie vorgesehen und halte dich an die Anweisungen in dieser Anleitung.
- Überprüfe die Inserts regelmäßig auf Beschädigungen oder Abnutzung.
- Lagere die Inserts an einem trockenen, sicheren Ort, fern von Kindern und Haustieren.
- Melde unsichere Produkte oder Unfälle den zuständigen Behörden.

Besondere Sicherheitsvorkehrungen bei der Verwendung

- Vermeide die Verwendung von harten Grip Inserts oder 3Dgedruckten KunststoffGrip Inserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass die Inserts ordnungsgemäß installiert sind, um eine sichere Funktion zu gewährleisten.
- Achte auf Anzeichen von Schäden an der Waffe, die durch falsche Inserts verursacht werden könnten.
- Verwende die Inserts nur, wenn du mit der Handhabung von Schusswaffen vertraut bist.
- Halte dich an die örtlichen Gesetze und Vorschriften zur Verwendung von Schusswaffen.

Anweisungen zur Installation und Verwendung

1. Installation der GRIP INSERTS

- Entferne das bestehende Griffstück des Schießgeräts gemäß den Herstellervorgaben.
- Setze die GRIP INSERTS an der vorgesehenen Stelle ein und achte darauf, dass sie sicher und fest sitzen.
- Überprüfe die Installation, indem du die Inserts leicht drückst, um sicherzustellen, dass sie nicht wackeln oder sich lösen.

2. Verwendung der GRIP INSERTS

- Stelle sicher, dass das Schießgerät in einem stabilen Zustand ist, bevor du mit dem Schießen beginnst.
- Achte beim Schießen darauf, dass die Inserts die Rückstoßenergie absorbieren, um die Waffe zu schützen.
- Überwache die Leistung der Inserts während des Schießens und achte auf Veränderungen oder Anzeichen von Beschädigung.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte GRIP INSERTS gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoff und Metallabfällen.
- Vermeide die Entsorgung in der Natur oder in nicht dafür vorgesehenen Abfallbehältern.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung zu den GRIP INSERTS RANSOM wende dich bitte an den Hersteller oder den Händler, bei dem du das Produkt erworben hast. Achte darauf, dass du alle relevanten Informationen über das Produkt bereithältst, um eine schnelle und effektive Unterstützung zu erhalten.

Schlussfolgerung

Die GRIP INSERTS RANSOM bieten eine sichere und effektive Möglichkeit, dein Schießvergnügen zu verbessern. Durch die Beachtung dieser Sicherheitshinweise kannst du potenzielle Risiken minimieren und die Lebensdauer deiner Waffe schützen. Schieße verantwortungsbewusst und genieße die Vorteile der GRIP INSERTS!

GRIP INSERTS RANSOM GRIP INSERTS FOR COLT 1991A1/KIMBER CDP2/SA COMPACT GOV

Introduction

Thank you for choosing Ransom International Grip Inserts. These inserts are designed to enhance the performance of your Master Series Ransom Rest while ensuring the safety and longevity of your firearm. This guide provides essential safety instructions and guidelines for the proper use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** Ensure safe use of Ransom Grip Inserts by following all instructions carefully. These inserts are intended for nonfood products and should be used only as specified.
- **Enhanced Recalls:** Be aware of the product recall system. In case of any safety issues, recall notices will be standardized, and remedies will be provided free of charge.
- **Online Shopping:** When purchasing online, ensure that the platform complies with safety requirements similar to physical stores.
- **Special Consumer Focus:** Extra care should be taken when the product is used by vulnerable groups, including children.
- **EU Contact Point:** For any safety inquiries, ensure there is an available contact point within the EU.
- **Rapid Alerts:** Stay informed about unsafe products through the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Do Not Use Hard Grip Inserts:** Avoid using hard grip inserts or 3Dprinted plastic grip inserts with your Ransom Rest. These can cause damage to your firearm due to destructive recoil energy.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be stopped but can be controlled. Using the appropriate inserts helps manage these forces.
- **Monitor for Damage:** While damage from improper inserts may not be immediately visible, it can accumulate over time, potentially affecting the barrel and overall firearm integrity.
- **Avoid Testing with Hard Inserts:** If you are conducting destructive or accuracy testing, do not use hard or 3Dprinted inserts, as they will not provide valid results.
- **Caution with Usage:** Be aware that improper use of grip inserts can lead to injury or even death. Always prioritize safety when handling firearms.

Instructions for Installation and Usage

1. Installation:

- Ensure that your Ransom Rest is clean and free from any debris before installing the grip inserts.
- Align the grip insert with the designated slots on the Ransom Rest.
- Firmly press the insert into place until it is securely fitted.

2. Usage:

- Set up your Ransom Rest on a stable surface to minimize movement during testing.
- Place your firearm in the Ransom Rest, ensuring it is properly secured.
- Take care to observe the recoil and vibration during test firing. The grip inserts should absorb these forces effectively, mimicking the human hand.
- After each use, inspect the grip inserts for any signs of wear or damage.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not dispose of the inserts in regular household waste if they are made from materials that require special handling.

Contact Information for Further Support

For any questions or concerns regarding the use of Ransom Grip Inserts, please refer to the manufacturer's contact point as provided with your product.

By following these guidelines, you can ensure the safe and effective use of Ransom Grip Inserts, enhancing your shooting experience while protecting both your firearm and yourself.

Istruzioni di Sicurezza per gli Inserti GRIP RANSOM

Introduzione

Grazie per aver scelto gli Inserti GRIP RANSOM per il tuo Ransom Rest. Questo prodotto è progettato per migliorare la precisione e la sicurezza durante l'uso della tua arma. È importante seguire attentamente le istruzioni di sicurezza e utilizzo per garantire un'esperienza sicura ed efficace.

Linee Guida Generali di Sicurezza

- Utilizzare solo gli inserti GRIP RANSOM specificamente progettati per il tuo Ransom Rest.
- Non utilizzare inserti rigidi o stampati in 3D, in quanto possono danneggiare l'arma e compromettere la sicurezza.
- Seguire sempre le istruzioni del produttore per l'installazione e l'uso.
- Tenere gli inserti e le armi fuori dalla portata di bambini e gruppi vulnerabili.
- Segnalare eventuali prodotti non sicuri o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare gli inserti in situazioni che richiedono un alto livello di precisione senza un adeguato test preliminare.
- Assicurati che l'arma sia in buone condizioni prima di utilizzarla con gli inserti RANSOM.
- Controlla regolarmente gli inserti per eventuali segni di usura o danni.
- Non tentare di modificare gli inserti o l'arma in alcun modo.
- Utilizzare sempre occhiali protettivi e altre attrezzature di sicurezza appropriate durante l'uso dell'arma.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti:

- Rimuovere eventuali inserti esistenti dal Ransom Rest.
- Pulire accuratamente l'area di installazione per garantire una buona adesione.
- Inserire gli inserti GRIP RANSOM seguendo le istruzioni specifiche fornite con il prodotto.
- Assicurarsi che gli inserti siano saldamente in posizione prima di procedere all'uso.

2. Utilizzo degli Inserti:

- Posizionare l'arma nel Ransom Rest come indicato nel manuale di istruzioni.
- Assicurarsi che l'arma sia sicura e che il carrello sia in posizione di blocco prima di iniziare il tiro.
- Monitorare costantemente l'arma e gli inserti durante l'uso per rilevare eventuali anomalie.
- Dopo l'uso, rimuovere l'arma dal Ransom Rest e controllare gli inserti per eventuali danni.

Istruzioni per lo Smaltimento

- Gli inserti GRIP RANSOM devono essere smaltiti in conformità con le normative locali sui rifiuti.
- Non gettare gli inserti nel normale pattume. Contattare il proprio comune per informazioni sullo smaltimento corretto.
- Se gli inserti sono danneggiati, seguire le stesse procedure di smaltimento per materiali pericolosi.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori informazioni sulla sicurezza del prodotto o per segnalare problemi, si prega di contattare il produttore o il rivenditore presso cui è stato acquistato il prodotto.

Nota Finale

La sicurezza è la priorità principale quando si utilizza un'arma da fuoco e accessori. Seguendo queste istruzioni e linee guida, puoi garantire un utilizzo sicuro e responsabile degli Inserti GRIP RANSOM.
