

GRIP INSERTS - RANSOM GRIP INSERTS FOR COLT 1911 CRIMSON

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR COLT 1911 CRIMSON
- Manufacturer: RANSOM
- Product no.: 430119332
- Mfr. No.: 30-300-07-17
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132580703

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR COLT 1911 CRIMSON

Einführung

Herzlichen Glückwunsch zu deinem Kauf der RANSOM GRIP INSERTS für deinen Colt 1911. Diese Inserts sind speziell entwickelt, um die Leistung deines Master Series Ransom Rest zu maximieren und dir ein sicheres Schießerlebnis zu bieten. Bitte lies diese Sicherheitshinweise sorgfältig, um die sichere Verwendung des Produkts zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Inserts nur mit dem vorgesehenen Gewehrmodell verwendest.
- Vermeide die Verwendung von harten Grip Inserts oder 3Dgedruckten Kunststoffinserts, da diese dem Gewehr schaden können.
- Achte darauf, dass das Produkt in einem trockenen und kühlen Bereich gelagert wird, um seine Integrität zu bewahren.
- Halte das Produkt außerhalb der Reichweite von Kindern und schütze es vor unsachgemäßer Handhabung.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Harte Inserts können destruktive Rückstoßenergie erzeugen, die deinem Gewehr schaden kann. Verwende daher nur die RANSOM GRIP INSERTS.
- Die Inserts sind so konzipiert, dass sie die Rückstoßkräfte absorbieren und nicht ins Gewehr übertragen. Dies schützt sowohl das Gewehr als auch den Benutzer.
- Achte darauf, dass du beim Schießen immer die richtige Schutzausrüstung trägst (z.B. Gehörschutz und Schutzbrille).
- Überprüfe vor jedem Gebrauch die Inserts auf Beschädigungen oder Abnutzung. Verwende sie nicht, wenn sie beschädigt sind.

Anweisungen für Installation und Verwendung

1. Installation der Grip Inserts:

- Entferne die alten Inserts gemäß den Anweisungen des Herstellers.
- Setze die RANSOM GRIP INSERTS in die vorgesehenen Halterungen ein und stelle sicher, dass sie fest und sicher sitzen.
- Überprüfe die Inserts auf korrekten Sitz, bevor du das Gewehr verwendest.

2. Verwendung:

- Stelle sicher, dass das Gewehr korrekt geladen und gesichert ist, bevor du mit dem Schießen beginnst.
- Schieße in einer kontrollierten Umgebung und achte darauf, dass keine unbefugten Personen in der Nähe sind.
- Nach dem Schießen solltest du das Gewehr und die Inserts auf Verschleiß oder Beschädigungen überprüfen.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffabfällen.

- Achte darauf, dass du die Inserts so entsorgst, dass sie nicht in die Hände von Kindern oder unbefugten Personen gelangen.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder bei Fragen zu diesem Produkt, wende dich bitte an den Hersteller oder den Händler, bei dem du das Produkt gekauft hast. Achte darauf, dass alle Anfragen über die in der EU geltenden Kontaktstellen erfolgen.

Bitte beachte, dass diese Sicherheitshinweise nicht alle möglichen Gefahren abdecken können. Du bist dafür verantwortlich, sicherzustellen, dass du alle notwendigen Sicherheitsvorkehrungen triffst und die geltenden Gesetze und Vorschriften einhältst.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR COLT 1911 CRIMSON

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Colt 1911. These inserts are designed to improve the performance and safety of your shooting experience. It is crucial to follow the safety guidelines and instructions provided in this manual to ensure safe usage and to avoid potential hazards.

General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or removing the grip inserts.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts with your Master Series Ransom Rest, as they can damage your firearm and produce inaccurate test results.
- Be aware that improper usage of grip inserts may result in injury or damage to your gun.
- Regularly check for updates on product safety and recalls through the EU's Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities immediately.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard or 3Dprinted grip inserts. They can generate destructive recoil energy that travels through the frame and barrel, potentially causing damage.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be eliminated but can be controlled. The grip inserts are designed to mimic the human hand to absorb these forces.
- **Monitor for Damage:** Inspect your firearm regularly for signs of wear or damage due to improper use of grip inserts.
- **Educate Yourself:** Familiarize yourself with the mechanics of your firearm and the importance of using the correct grip inserts for accurate testing.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is completely unloaded.
- Remove any existing grip inserts from the firearm.
- Carefully install the Ransom grip inserts, ensuring they fit securely and properly.
- Doublecheck the installation to confirm that the inserts are correctly positioned.

2. Usage:

- When conducting tests, ensure the Ransom Rest is properly set up and that the grip inserts are in place.
- Monitor the machine's response during tests, ensuring that the recoil is absorbed by the inserts.
- Do not exceed recommended limits for testing, as excessive force may lead to inaccuracies or damage.

Disposal Instructions

- Dispose of any damaged or worn grip inserts responsibly. Do not throw them in regular waste.
- Check local regulations for proper disposal methods of plastic or composite materials.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please reach out to the designated support channels provided by the manufacturer. Ensure that you have all relevant product information available for assistance.

By adhering to these guidelines and instructions, you can ensure that your experience with the Ransom International Grip Inserts is safe and effective. Thank you for your attention to these important safety measures.

Istruzioni di Sicurezza per l'Utilizzo degli Inserti per Impugnatura Ransom per Colt 1911 Crimson

Introduzione

Benvenuto nella guida di sicurezza per gli Inserti per Impugnatura Ransom progettati per il Colt 1911 Crimson. Questa guida è stata creata per garantire un utilizzo sicuro e responsabile del prodotto, seguendo le normative di sicurezza generali dell'Unione Europea (GPSR). È fondamentale leggere attentamente queste istruzioni e seguire tutte le precauzioni di sicurezza.

Linee Guida Generali di Sicurezza

- Assicurati che gli inserti siano utilizzati solo con il Master Series Ransom Rest.
- Non utilizzare inserti rigidi o stampati in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Controlla regolarmente gli inserti per segni di usura o danni.
- Non utilizzare il prodotto se noti anomalie o danni visibili.
- Segui sempre le istruzioni di installazione e utilizzo fornite in questo manuale.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti sono progettati per assorbire le forze di rinculo e vibrazione. Non utilizzare inserti che non siano progettati specificamente per il tuo modello di arma.
- Non tentare di modificare o riparare gli inserti. Qualsiasi modifica può compromettere la loro funzionalità e sicurezza.
- Assicurati che l'arma sia scarica prima di installare o rimuovere gli inserti.
- Non lasciare mai l'arma incustodita con inserti installati.
- Utilizza sempre occhiali protettivi e protezioni per le orecchie durante l'uso dell'arma.

Istruzioni per l'Installazione e l'Uso

• Installazione degli Inserti:

1. Assicurati che l'arma sia completamente scarica.
2. Rimuovi gli inserti esistenti, se presenti.
3. Posiziona gli inserti Ransom sulla maniglia dell'arma, assicurandoti che siano allineati correttamente.
4. Fissa gli inserti seguendo le istruzioni specifiche fornite dal produttore.
5. Controlla che gli inserti siano saldamente in posizione prima di utilizzare l'arma.

• Utilizzo degli Inserti:

1. Utilizza gli inserti solo con il Master Series Ransom Rest.
2. Durante il tiro, monitora le prestazioni degli inserti e l'arma.
3. Se noti vibrazioni eccessive o altre anomalie, interrompi immediatamente l'uso e verifica gli inserti e l'arma.

Istruzioni per lo Smaltimento

- Gli inserti per impugnatura Ransom non devono essere smaltiti insieme ai rifiuti domestici.
- Contatta il tuo comune o un centro di raccolta autorizzato per informazioni sullo smaltimento corretto degli inserti.
- Assicurati di smaltire gli inserti in modo da non causare danni all'ambiente.

Informazioni di Contatto per Ulteriori Supporto

Per domande o dubbi riguardanti la sicurezza del prodotto, ti invitiamo a contattare il tuo rivenditore o il produttore. Assicurati di avere a disposizione il numero di modello e altre informazioni pertinenti relative al prodotto.

Conclusione

La sicurezza è la nostra priorità. Seguendo queste istruzioni e linee guida, puoi utilizzare gli Inserti per Impugnatura Ransom in modo sicuro e responsabile. Ricorda sempre di prestare attenzione e di rispettare le norme di sicurezza quando maneggi armi da fuoco.
