

GRIP INSERTS - RANSOM GRIP INSERTS DAN WESSON 375 SUPERMAG,40,41,44,45,445,740,741

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS DAN WESSON 375 SUPERMAG,40,41,44,45,445,740,741
- Manufacturer: RANSOM
- Product no.: 430119340
- Mfr. No.: 30-300-09-01
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132580840

Sicherheitshinweise für GRIP INSERTS RANSOM GRIP INSERTS DAN WESSON 375 SUPERMAG

Einleitung

Herzlich willkommen! In diesem Dokument findest du wichtige Sicherheitshinweise und Anweisungen zur Verwendung der GRIP INSERTS RANSOM GRIP INSERTS DAN WESSON 375 SUPERMAG. Diese Inserts sind speziell für deinen Master Series Ransom Rest entwickelt und bieten eine sichere und effektive Lösung für deine Schießbedürfnisse. Bitte lies diese Hinweise sorgfältig, um sicherzustellen, dass du die Inserts sicher und korrekt verwendest.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Inserts nur mit kompatiblen Waffen verwendest.
- Überprüfe die Inserts regelmäßig auf Abnutzung oder Beschädigungen.
- Verwende die Inserts nicht, wenn sie beschädigt sind.
- Halte die Inserts und die Waffe außerhalb der Reichweite von Kindern.
- Informiere dich über die gesetzlichen Bestimmungen in deinem Land bezüglich der Verwendung von Schusswaffen und Zubehör.

Besondere Sicherheitsvorkehrungen bei der Nutzung

- **Vermeide harte Inserts:** Harte oder 3Dgedruckte Inserts können gefährlich sein und deiner Waffe schaden. Sie erzeugen Rückstoßenergie, die die Waffe beeinträchtigen kann.
- **Achte auf die Vibration:** Die Inserts sollen die Vibrationen und den Rückstoß absorbieren. Achte darauf, dass die Inserts richtig installiert sind, um ihre Funktion zu gewährleisten.
- **Langfristige Schäden:** Schäden durch harte Inserts sind möglicherweise nicht sofort sichtbar, können sich jedoch über die Zeit ansammeln und die Lebensdauer deiner Waffe verringern.

Anweisungen zur Installation und Nutzung

1. **Vorbereitung:** Stelle sicher, dass die Waffe entladen ist, bevor du mit der Installation der Inserts beginnst.
2. **Installation:**
 - Entferne das bestehende Insert, falls vorhanden.
 - Setze das neue GRIP INSERT vorsichtig ein, bis es fest sitzt.
 - Überprüfe die Passform, um sicherzustellen, dass das Insert korrekt installiert ist.
3. **Nutzung:**
 - Verwende die Waffe nur mit den installierten Inserts.
 - Achte darauf, dass du die Inserts nach jedem Schießen auf Beschädigungen überprüfst.
 - Bei Anzeichen von Abnutzung oder Beschädigung, ersetze die Inserts sofort.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffabfällen.
- Stelle sicher, dass die Inserts nicht in die Hände von Kindern gelangen, bevor du sie entsorgst.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder weitere Informationen zu den GRIP INSERTS RANSOM GRIP INSERTS DAN WESSON 375 SUPERMAG wende dich bitte an den Hersteller oder den Händler, bei dem du das Produkt erworben hast. Achte darauf, dass du alle Sicherheitsrichtlinien und Anweisungen befolgst.

Schlussfolgerung

Die Sicherheit hat oberste Priorität. Durch die Beachtung dieser Sicherheitshinweise kannst du sicherstellen, dass du die GRIP INSERTS RANSOM GRIP INSERTS DAN WESSON 375 SUPERMAG sicher und effektiv nutzt. Denke daran, dass die Verwendung von qualitativ hochwertigen Inserts entscheidend für die Leistung und Sicherheit deiner Waffe ist.

Safety Instruction Guide for GRIP INSERTS RANSOM GRIP INSERTS DAN WESSON 375 SUPERMAG

Introduction

Thank you for choosing the GRIP INSERTS RANSOM GRIP INSERTS DAN WESSON 375 SUPERMAG. This product is designed to enhance your shooting experience by providing a safe and effective way to absorb recoil. Please read this safety instruction guide carefully to ensure safe use and compliance with all relevant safety regulations.

General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before using this product.
- Always handle firearms with care and follow all safety protocols.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts with your Master Series Ransom Rest.
- Be aware that improper use of grip inserts can lead to damage to your firearm and may pose safety risks.
- Regularly inspect the grip inserts for wear and tear, and replace them as necessary.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Hard grip inserts can generate destructive recoil energy that may damage your firearm. Use only the specifically designed Ransom grip inserts.
- **Absorption of Recoil:** The grip inserts are engineered to match the durometer of the human hand, effectively absorbing recoil and vibration.
- **Testing Validity:** Using hard or poorly engineered inserts will invalidate your test data. Always use inserts designed to mimic humanlike recoil.
- **Potential Damage:** A hard insert can decrease the life of your barrel and firearm, and may lead to injury or death.
- **Flawed Testing:** If your testing does not mimic human handling, the results may be compromised. Ensure you are using appropriate inserts for accurate testing.

Instructions for Installation and Usage

1. Installation:

- Remove any existing grip inserts from the Ransom Rest.
- Clean the grip area to ensure a proper fit for the new inserts.
- Carefully insert the GRIP INSERTS RANSOM GRIP INSERTS into the designated area of the Ransom Rest.
- Ensure that the inserts are securely in place and do not move during operation.

2. Usage:

- Place your firearm into the Ransom Rest according to the manufacturer's instructions.
- Ensure that the firearm is secured and stable before firing.
- Monitor the performance of the grip inserts during use to ensure they are functioning as intended.
- After use, inspect the grip inserts for any signs of damage or wear.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not throw grip inserts into regular waste. Check for recycling options or designated disposal sites in your area.

Contact Information for Further Support

For safety inquiries or further support regarding the GRIP INSERTS RANSOM GRIP INSERTS DAN WESSON 375 SUPERMAG, please refer to the manufacturer's website or contact their customer service directly.

By following these safety instructions, you can help ensure a safe and effective shooting experience with your GRIP INSERTS RANSOM GRIP INSERTS DAN WESSON 375 SUPERMAG. Always prioritize safety and proper handling of firearms. Thank you for your attention to these important guidelines.

Guida alle Istruzioni di Sicurezza per GRIP INSERTS RANSOM GRIP INSERTS DAN WESSON 375 SUPERMAG

Introduzione

Benvenuto nella guida alle istruzioni di sicurezza per gli inserti grip RANSOM. Questo documento fornisce informazioni importanti per garantire un uso sicuro e corretto del prodotto. Si prega di leggere attentamente queste istruzioni per evitare incidenti e garantire prestazioni ottimali durante l'uso.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo gli inserti grip RANSOM progettati per il tuo Master Series Ransom Rest.
- Evita l'uso di inserti grip rigidi o in plastica stampati in 3D, poiché possono danneggiare l'arma.
- Non utilizzare il prodotto in condizioni di stress eccessivo o in situazioni pericolose.
- Conserva il prodotto in un luogo sicuro e fuori dalla portata di bambini e animali.
- Segnala eventuali prodotti difettosi o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti grip sono progettati per assorbire il rinculo e le vibrazioni. Assicurati che siano installati correttamente per massimizzare la loro efficacia.
- Non tentare di modificare o riparare gli inserti grip. Utilizza solo ricambi originali forniti dal produttore.
- Prima di ogni utilizzo, controlla gli inserti per eventuali segni di usura o danni. Se noti anomalie, non utilizzare il prodotto.
- Segui sempre le istruzioni del produttore relative all'installazione e all'uso.

Istruzioni per l'Installazione e l'Uso

1. Installazione:

- Rimuovi gli inserti esistenti dal tuo Ransom Rest.
- Pulisci l'area di installazione per garantire una buona adesione.
- Inserisci gli inserti grip RANSOM seguendo le istruzioni specifiche fornite con il prodotto.
- Assicurati che gli inserti siano saldamente fissati e privi di movimenti.

2. Uso:

- Posiziona l'arma sul Ransom Rest con gli inserti grip installati.
- Esegui un test di tiro per valutare le prestazioni. Monitora attentamente il comportamento dell'arma.
- Dopo ogni sessione di tiro, controlla gli inserti per segni di usura.

Istruzioni per lo Smaltimento

- Quando gli inserti grip raggiungono la fine della loro vita utile, smaltiscili in conformità con le normative locali sui rifiuti.
- Non gettare gli inserti grip nel normale sacco della spazzatura. Controlla se esistono programmi di riciclaggio nella tua area.

Informazioni di Contatto per Ulteriore Supporto

Per domande o per segnalare prodotti difettosi, ti invitiamo a contattare il tuo rivenditore o il produttore. Assicurati di avere a disposizione il numero di lotto e altre informazioni pertinenti relative al prodotto.

Conclusione

Utilizzare gli inserti grip RANSOM in modo sicuro e responsabile è fondamentale per garantire la sicurezza dell'utente e delle persone circostanti. Seguendo queste linee guida, puoi contribuire a un'esperienza di tiro più sicura e soddisfacente.
