

GRIP INSERTS - RANSOM GRIP INSERTS FOR CZ 75 SP-01

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR CZ 75 SP-01
- Manufacturer: RANSOM
- Product no.: 430119345
- Mfr. No.: 30-300-08-10
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132580802

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR CZ 75 SP01

Einleitung

Herzlichen Glückwunsch zu deinem Kauf der GRIP INSERTS von RANSOM für die CZ 75 SP01! Diese Griffeinsätze sind speziell entwickelt worden, um dir eine sichere und effektive Nutzung deines Master Series Ransom Rest zu ermöglichen. Bitte lies die folgenden Sicherheitshinweise sorgfältig durch, um sicherzustellen, dass du die Produkte sicher und verantwortungsbewusst verwendest.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die GRIP INSERTS nur in Verbindung mit der CZ 75 SP01 und dem Master Series Ransom Rest verwendest.
- Überprüfe regelmäßig die Griffeinsätze auf Beschädigungen oder Abnutzung.
- Bewahre die Griffeinsätze außerhalb der Reichweite von Kindern auf.
- Melde unsichere Produkte oder Vorfälle den zuständigen Behörden.
- Halte dich über Rückrufupdates auf der EU Safety Gate-Plattform informiert.

Spezifische Sicherheitsvorkehrungen

- Verwende keine harten oder 3Dgedruckten Einsätze, da diese deinem Gewehr schaden können.
- Achte darauf, dass die GRIP INSERTS korrekt installiert sind, um eine optimale Leistung zu gewährleisten.
- Vermeide es, die Griffeinsätze mit übermäßiger Kraft zu belasten.
- Beachte, dass die Einsätze speziell so konzipiert sind, dass sie die Rückstoßenergie absorbieren. Verwende sie nur wie vorgesehen.

Anweisungen zur Installation und Nutzung

1. Vorbereitung

- Stelle sicher, dass die Waffe entladen ist, bevor du die Griffeinsätze installierst.
- Reinige die Kontaktflächen der Waffe und der Griffeinsätze gründlich.

2. Installation der GRIP INSERTS

- Setze die Griffeinsätze vorsichtig in die vorgesehenen Halterungen des Ransom Rest ein.
- Überprüfe, ob die Einsätze fest sitzen und keine Bewegungen aufweisen.

3. Nutzung

- Verwende die GRIP INSERTS nur in Verbindung mit dem Ransom Rest.
- Achte darauf, dass die Maschine während des Schießens stabil bleibt.
- Beobachte die Rückstoßbewegungen und stelle sicher, dass diese gleichmäßig und kontrolliert sind.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte GRIP INSERTS gemäß den örtlichen Vorschriften für Elektro und Elektronikgeräte.
- Achte darauf, dass die Einsätze nicht in den normalen Haushaltsmüll gelangen.

Kontaktinformationen für weitere Unterstützung

Für alle sicherheitsrelevanten Anfragen oder Unterstützung wende dich bitte an den Hersteller oder den Verkaufsort, bei dem du die GRIP INSERTS erworben hast.

Bitte beachte, dass die Sicherheit bei der Nutzung von Feuerwaffen und Zubehör von größter Bedeutung ist. Halte dich stets an diese Richtlinien, um Unfälle und Schäden zu vermeiden.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR CZ 75 SP01

Introduction

Thank you for choosing Ransom International Grip Inserts for your CZ 75 SP01. This guide provides essential safety information and instructions to ensure the safe and effective use of your product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure safe use of the grip inserts by following these guidelines:
 - Always use the grip inserts specifically designed for your firearm model.
 - Avoid using hard grip inserts or 3Dprinted plastic grip inserts, as they may damage your firearm.
 - Understand that vibration and recoil cannot be stopped; they can only be controlled.
 - Be aware that improper use of grip inserts can lead to decreased firearm performance and potential injury.

Specific Safety Precautions for Use

- Follow these precautions to ensure safe operation:
 - Do not use hard or 3Dprinted inserts, as they may generate destructive recoil energy.
 - Ensure the inserts are properly installed to absorb recoil and vibration effectively.
 - Regularly inspect the grip inserts for wear and tear, replacing them if necessary.
 - Use the grip inserts in accordance with the manufacturer's guidelines to maintain safety and effectiveness.
 - Be cautious of any unusual behavior during testing; stop using the product if you notice any irregularities.

Instructions for Installation and Usage

- Proper installation and usage are crucial for safety and performance:
 - **Installation:**
 1. Ensure the firearm is unloaded and in a safe condition before installation.
 2. Carefully remove any existing grip inserts that you may be using.
 3. Align the Ransom grip inserts with the designated slots on your firearm.
 4. Securely fasten the inserts according to the manufacturer's instructions.
 5. Confirm that the inserts are firmly in place and do not shift during use.
 - **Usage:**
 1. Use the grip inserts in a controlled environment where you can focus on the testing process.
 2. Allow the inserts to absorb the initial recoil and vibration during each shot.
 3. Monitor the performance of your firearm and the condition of the grip inserts regularly.
 4. If you experience excessive vibrations or recoil, discontinue use and consult with a professional.

Disposal Instructions

- Dispose of the grip inserts responsibly:
 - Follow local regulations for disposing of nonhazardous materials.
 - Do not dispose of the grip inserts in regular household waste if they are damaged or worn out.
 - Consider recycling options if available in your area.

Contact Information for Further Support

- For any safety inquiries or support regarding the Ransom grip inserts, please refer to the manufacturer's contact information provided with your product.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure a safe and effective experience with your Ransom International Grip Inserts for CZ 75 SP01. Always prioritize safety and make informed decisions while using your firearm.

Guida alle Istruzioni di Sicurezza per gli Inserti Grip RANSOM per CZ 75 SP01

Introduzione

Grazie per aver scelto gli inserti grip RANSOM per la tua pistola CZ 75 SP01. Questa guida fornisce informazioni importanti sulla sicurezza e sull'uso corretto del prodotto, in conformità con il Regolamento Generale sulla Sicurezza dei Prodotti dell'Unione Europea (GPSR). Assicurati di leggere attentamente queste istruzioni per garantire un utilizzo sicuro e efficace.

Linee Guida Generali di Sicurezza

- Gli inserti grip RANSOM sono progettati per migliorare la tua esperienza di tiro, ma è fondamentale seguirne le istruzioni di utilizzo per evitare danni all'arma e garantire la tua sicurezza.
- Non utilizzare inserti grip rigidi o stampati in 3D, poiché possono danneggiare l'arma e compromettere la precisione.
- Controlla regolarmente il tuo Ransom Rest per eventuali segni di usura o danni.
- Segnala eventuali prodotti non sicuri o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Assicurati che il Ransom Rest sia utilizzato su una superficie stabile e piana.
- Non utilizzare gli inserti grip RANSOM se presentano segni di usura o danni.
- Non lasciare mai la tua arma incustodita quando è montata sul Ransom Rest.
- Utilizza solo gli inserti grip progettati specificamente per il tuo modello di pistola CZ 75 SP01.
- Segui sempre le linee guida del produttore per l'uso della pistola e del Ransom Rest.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti Grip RANSOM:

- Rimuovi eventuali inserti grip esistenti dal tuo Ransom Rest.
- Pulisci la superficie di contatto per garantire una buona aderenza.
- Posiziona gli inserti grip RANSOM nella posizione designata e assicurati che siano ben fissati.

2. Utilizzo del Ransom Rest:

- Posiziona la pistola nel Ransom Rest, assicurandoti che sia ben allineata.
- Controlla che il caricatore sia rimosso e che l'arma sia scarica prima di procedere.
- Esegui i tuoi colpi come indicato, monitorando attentamente la reazione dell'arma.
- Dopo ogni sessione di tiro, rimuovi gli inserti grip e controlla eventuali segni di usura.

Istruzioni per lo Smaltimento

- Gli inserti grip RANSOM non devono essere smaltiti con i rifiuti domestici.
- Segui le normative locali per lo smaltimento dei materiali in plastica e dei componenti del prodotto.
- Se non sei sicuro su come smaltire il prodotto, contatta le autorità locali per ricevere indicazioni appropriate.

Informazioni di Contatto per Ulteriore Supporto

Per domande o ulteriori informazioni sulla sicurezza e sull'uso degli inserti grip RANSOM, ti invitiamo a

contattare il tuo rivenditore o il produttore. Assicurati di avere a disposizione il numero di modello e la data di acquisto per ricevere assistenza più rapida.

Seguendo queste istruzioni, potrai utilizzare gli inserti grip RANSOM in modo sicuro e efficace, migliorando la tua esperienza di tiro con la CZ 75 SP01. La tua sicurezza è la nostra priorità.
