

GRIP INSERTS - RANSOM GRIP INSERTS FOR FREEDOM ARMS 97

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR FREEDOM ARMS 97
- Manufacturer: RANSOM
- Product no.: 430119350
- Mfr. No.: 30-300-11-1
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132581014

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM GRIP INSERTS FÜR FREEDOM ARMS 97

Einleitung

Herzlich willkommen! Diese Anleitung bietet wichtige Sicherheitsinformationen für die Verwendung der GRIP INSERTS RANSOM GRIP INSERTS, die speziell für die Freedom Arms 97 entwickelt wurden. Bitte lies die folgenden Hinweise sorgfältig durch, um sicherzustellen, dass du die Inserts sicher und effektiv verwendest.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass die Grip Inserts nur mit der Freedom Arms 97 verwendet werden.
- Verwende keine harten Grip Inserts oder 3Dgedruckte KunststoffGrip Inserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass die Inserts korrekt installiert sind, um potenzielle Gefahren zu vermeiden.
- Halte die Inserts von Kindern fern, um Verletzungen zu vermeiden.

Besondere Sicherheitsvorkehrungen bei der Verwendung

- Die Grip Inserts sind so konzipiert, dass sie die Rückstoßenergie absorbieren. Stelle sicher, dass du die richtige Technik beim Schießen anwendest.
- Achte darauf, dass die Inserts regelmäßig auf Verschleiß oder Beschädigungen überprüft werden.
- Bei Anzeichen von Beschädigungen oder übermäßigem Verschleiß, verwende die Inserts nicht weiter und ersetze sie umgehend.
- Halte dich an die Anweisungen des Herstellers zur Verwendung und Pflege der Inserts.

Anweisungen zur Installation und Nutzung

1. Installation:

- Stelle sicher, dass das Gewehr sicher und stabil auf einer geeigneten Unterlage positioniert ist.
- Entferne die alten Inserts, falls vorhanden, und reinige den Bereich gründlich.
- Setze die neuen RANSOM GRIP INSERTS vorsichtig ein, bis sie fest sitzen.
- Überprüfe die korrekte Positionierung der Inserts, bevor du das Gewehr benutzt.

2. Nutzung:

- Halte das Gewehr mit beiden Händen fest, um eine stabile Schussposition zu gewährleisten.
- Feuere nur, wenn du sicher bist, dass alle Sicherheitsvorkehrungen getroffen wurden.
- Achte darauf, dass die Rückstoßenergie durch die Inserts absorbiert wird, um deine Hand und das Gewehr zu schützen.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Grip Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffmaterialien.
- Stelle sicher, dass die Inserts nicht in die Hände von Kindern gelangen, wenn du sie entsorgst.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Unterstützung zu den GRIP INSERTS RANSOM GRIP INSERTS wende dich bitte an den Hersteller oder den Verkäufer, bei dem du das Produkt erworben hast. Achte darauf, dass du alle relevanten Informationen

bereit hast, um eine schnelle und effektive Unterstützung zu erhalten.

Wir hoffen, dass diese Anleitung dir hilft, die GRIP INSERTS sicher zu verwenden. Deine Sicherheit hat oberste Priorität!

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR FREEDOM ARMS 97

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Freedom Arms 97. This guide provides essential safety instructions to ensure the safe use and maintenance of the product. Please read this guide carefully before using the grip inserts.

General Safety Guidelines

- Ensure safe use of the grip inserts by following these guidelines:
 - Always use the grip inserts as intended and according to the manufacturer's instructions.
 - Be cautious of potential hazards associated with improper use.
 - Regularly inspect the grip inserts for any signs of wear or damage before each use.
 - If you encounter any issues with the grip inserts, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- To ensure your safety and the safety of others while using the grip inserts, observe the following precautions:
 - **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can damage your firearm and compromise safety.
 - **Understand Recoil Dynamics:** Recognize that improper inserts can generate destructive recoil energy that may harm the gun and the shooter.
 - **Test Data Validity:** Be aware that using hard or poorly engineered inserts can invalidate test data, leading to unreliable results.
 - **Humanlike Recoil Simulation:** Use grip inserts designed to mimic the durometer of the human hand to absorb recoil effectively.
 - **Monitor for Damage:** Regularly check for any signs of damage to the firearm and grip inserts, as damage may not be immediately visible.
 - **Injury Risks:** Understand that using inappropriate inserts may lead to injury or even death due to firearm malfunction.

Instructions for Installation and Usage

- Follow these steps to properly install and use the grip inserts:
 1. **Prepare the Firearm:** Ensure that the firearm is unloaded and in a safe condition before installing the grip inserts.
 2. **Install the Grip Inserts:**
 - Carefully remove any existing grip inserts from the firearm.
 - Align the new grip inserts with the designated areas on the firearm.
 - Secure the grip inserts in place, ensuring a snug fit.
 3. **Testing:**
 - Conduct initial tests with the firearm to ensure proper function and that the grip inserts are absorbing recoil as intended.
 - Observe the behavior of the firearm during testing to ensure no unusual vibrations or recoil patterns occur.
 4. **Regular Maintenance:**
 - After each use, inspect the grip inserts for wear and tear.
 - Clean the grip inserts as needed to maintain optimal performance.

Disposal Instructions

- When disposing of the grip inserts, follow these guidelines:
 - Do not dispose of the grip inserts in regular household waste.
 - Check local regulations for proper disposal methods for plastic and other materials.
 - If the grip inserts are damaged or no longer usable, consider recycling options where available.

Contact Information for Further Support

- For any safety inquiries or support regarding the grip inserts, please refer to the manufacturer's contact details provided with your product packaging.

By adhering to these safety instructions, you can ensure a safer and more effective experience with your Ransom International Grip Inserts. Always prioritize safety and consult a professional if you have any doubts or concerns regarding the use of this product.

Guida alle Istruzioni di Sicurezza per Grip Inserts Ransom per Freedom Arms 97

Introduzione

Grazie per aver scelto i Grip Inserts Ransom per il tuo Freedom Arms 97. Questo prodotto è progettato per migliorare la precisione e la sicurezza durante l'uso. È fondamentale seguire attentamente le istruzioni di sicurezza per garantire un utilizzo corretto e prevenire danni all'arma o infortuni.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo Grip Inserts Ransom, progettati specificamente per il Master Series Ransom Rest.
- Non utilizzare grip inserts rigidi o in plastica stampata in 3D, poiché possono danneggiare l'arma.
- Fai attenzione a non sovraccaricare l'arma durante l'uso.
- Mantieni il prodotto lontano dalla portata di bambini e gruppi vulnerabili.
- Segnala eventuali prodotti non sicuri o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti sono progettati per assorbire il rinculo e la vibrazione. Non utilizzare inserti rigidi, poiché potrebbero causare danni.
- Controlla regolarmente l'integrità degli inserti prima dell'uso.
- Assicurati che l'arma sia in condizioni ottimali prima di utilizzare i Grip Inserts.
- Non tentare di modificare o riparare gli inserti. Utilizza solo componenti originali Ransom.
- Segui le istruzioni di installazione e utilizzo per evitare infortuni.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti

- Rimuovi eventuali inserti precedenti dall'arma.
- Pulisci l'area di installazione per garantire un contatto ottimale.
- Inserisci i Grip Inserts Ransom seguendo le istruzioni specifiche fornite con il prodotto.
- Assicurati che gli inserti siano saldamente fissati prima di utilizzare l'arma.

2. Uso degli Inserti

- Posiziona l'arma in modo sicuro e stabile.
- Utilizza una presa corretta sull'arma per massimizzare l'efficacia degli inserti.
- Esegui i colpi in modo controllato, prestando attenzione alle vibrazioni e al rinculo.
- Monitora le prestazioni dell'arma e degli inserti durante l'uso.

Istruzioni per lo Smaltimento

- Gli inserti Ransom non devono essere smaltiti insieme ai rifiuti domestici.
- Segui le normative locali per lo smaltimento di prodotti in plastica e materiali compositi.
- Contatta il tuo comune per informazioni su come smaltire in modo responsabile i Grip Inserts.

Informazioni di Contatto per Ulteriori Supporto

Per domande o ulteriori informazioni sulla sicurezza del prodotto, ti invitiamo a contattare il rivenditore presso

cui hai acquistato il prodotto. Assicurati di avere il numero di modello e la data di acquisto a portata di mano per facilitare la tua richiesta.

Conclusione

Seguendo queste istruzioni di sicurezza, puoi garantire un utilizzo sicuro e efficace dei Grip Inserts Ransom per il tuo Freedom Arms 97. La sicurezza è la nostra priorità, e il tuo benessere è fondamentale. Grazie per aver scelto Ransom.
