

GRIP INSERTS - RANSOM GRIP INSERTS FOR GLOCK GEN 5 26

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR GLOCK GEN 5 26
- Manufacturer: RANSOM
- Product no.: 430119353
- Mfr. No.: 30-300-12-041
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132581106

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR GLOCK GEN 5 26

Einleitung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM GRIP INSERTS, die speziell für die Glock Gen 5 26 entwickelt wurden. Diese Anleitung soll dir helfen, die Produkte sicher und effektiv zu verwenden und potenzielle Gefahren zu vermeiden.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die GRIP INSERTS nur gemäß den Anweisungen verwendest.
- Halte dich an alle Sicherheitsvorschriften und richtlinien, die für den Umgang mit Feuerwaffen gelten.
- Überprüfe regelmäßig den Zustand der Inserts und der Waffe, um sicherzustellen, dass sie in einwandfreiem Zustand sind.
- Bewahre die Inserts außerhalb der Reichweite von Kindern auf.
- Melde unsichere Produkte oder Unfälle umgehend den zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- Verwende keine harten oder 3Dgedruckten Einsätze, da diese deinem Gewehr schaden können.
- Achte darauf, dass die Inserts gut in die Waffe eingesetzt sind, um eine ordnungsgemäße Funktion zu gewährleisten.
- Lass die Inserts nur von qualifiziertem Personal installieren oder überprüfen, wenn du dir unsicher bist.
- Vermeide es, die Inserts unter extremen Bedingungen oder in unsicheren Umgebungen zu verwenden.
- Sei dir bewusst, dass harte Einsätze die Lebensdauer deiner Waffe verringern und Verletzungen verursachen können.

Anweisungen für Installation und Nutzung

• Installation der Grip Inserts:

1. Stelle sicher, dass die Waffe entladen ist und sich in einem sicheren Zustand befindet.
2. Entferne die alten Inserts, falls vorhanden.
3. Setze die neuen GRIP INSERTS vorsichtig in die vorgesehenen Bereiche ein, bis sie richtig sitzen.
4. Überprüfe, ob die Inserts fest und sicher installiert sind.

• Nutzung der Grip Inserts:

1. Halte die Waffe sicher und stabil, während du schießt.
2. Achte darauf, dass die Inserts die Rückstoßkräfte effektiv absorbieren.
3. Überwache das Verhalten der Waffe während des Schießens und achte auf ungewöhnliche Vibrationen oder Geräusche.
4. Bei Anzeichen von Beschädigungen oder bei unsicherem Verhalten der Waffe, stoppe die Nutzung sofort und lasse sie von einem Fachmann überprüfen.

Entsorgungsanweisungen

- Entsorge alte oder beschädigte Grip Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffabfällen.
- Stelle sicher, dass die Inserts nicht in die Hände von Kindern gelangen, während du sie entsorgst.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen und Unterstützung zu den GRIP INSERTS RANSOM GRIP INSERTS, konsultiere bitte die Website des Herstellers oder wende dich an den Fachhändler, bei dem du das Produkt erworben hast.

Diese Sicherheitshinweise sind gemäß den EUVerordnungen zur Produktsicherheit erstellt worden. Halte dich an alle Anweisungen und Richtlinien, um die Sicherheit und Funktionalität deiner GRIP INSERTS zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR GLOCK GEN 5 26

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Glock Gen 5 26. These grip inserts are specifically designed to enhance your shooting experience while ensuring safety and performance. This guide provides essential safety instructions, usage precautions, and installation details to help you use the product effectively.

General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's instructions.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts, as they can damage your firearm and render test data invalid.
- Always handle firearms with care and in a safe manner.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the grip inserts for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard or 3Dprinted grip inserts. They generate destructive recoil energy that can damage your firearm over time.
- **Absorption of Recoil:** The grip inserts are designed to mimic the human hand, absorbing recoil forces effectively. Ensure that you use these inserts to maintain the integrity of your firearm.
- **Testing Conditions:** When performing destructive or accuracy testing, always use the grip inserts to replicate humanlike recoil. This ensures valid test results.
- **Regular Maintenance:** Inspect the grip inserts regularly for any signs of damage or wear. Replace any inserts that show signs of deterioration.
- **Potential Hazards:** Be aware that using inappropriate inserts can lead to decreased firearm life and potential injury.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and in a safe condition before handling.
- Gather all necessary tools for installation.

2. Installation of Grip Inserts:

- Remove the existing grip from the firearm if necessary.
- Align the grip insert with the firearm's grip area.
- Firmly press the grip insert into place, ensuring a snug fit without forcing it.

3. Usage:

- Place the firearm securely in the Ransom Rest.
- Ensure the grip insert is properly seated and functioning as intended.
- Perform shooting tests while monitoring the performance of the grip inserts.

4. PostUse:

- After use, inspect the grip inserts for any signs of wear or damage.
- Clean the grip inserts as needed to maintain their performance.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not dispose of the product in regular household waste if it is deemed unsafe.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use of the Ransom International Grip Inserts, please consult the manufacturer's website or customer service for further assistance.

Thank you for your attention to these safety guidelines. Your safety and the proper functioning of your firearm are of utmost importance. Always prioritize safety and responsible usage.

Istruzioni di Sicurezza per l'Uso degli Inserti per Impugnatura Ransom per GLOCK Gen 5 26

Introduzione

Benvenuto nel manuale di sicurezza per gli Inserti per Impugnatura Ransom progettati specificamente per il GLOCK Gen 5 26. Questo documento fornisce linee guida essenziali per garantire un uso sicuro e responsabile del prodotto, in conformità con il Regolamento Generale sulla Sicurezza dei Prodotti (GPSR) dell'UE.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo prodotti originali Ransom per evitare danni all'arma e garantire risultati accurati.
- Non utilizzare inserti rigidi o inserti stampati in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Segui sempre le istruzioni di installazione e utilizzo fornite nel manuale.
- Tieni gli inserti e tutti i materiali associati lontani dalla portata di bambini e gruppi vulnerabili.
- In caso di incidenti o prodotti difettosi, contatta le autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- **Controllo del Prodotto:**
 - Verifica che gli inserti non presentino segni di usura o danni prima dell'uso.
- **Installazione:**
 - Assicurati che gli inserti siano installati correttamente secondo le istruzioni fornite.
- **Uso:**
 - Utilizza gli inserti solo con il GLOCK Gen 5 26 e non con altri modelli o marche.
- **Manutenzione:**
 - Controlla regolarmente gli inserti per eventuali segni di danno e sostituiscili se necessario.

Istruzioni per l'Installazione e l'Uso

1. Installazione:

- Rimuovi il caricatore e assicurati che l'arma sia scarica.
- Segui le istruzioni specifiche per l'installazione degli inserti per impugnatura, assicurandoti che siano fissati saldamente.
- Controlla che gli inserti siano allineati correttamente e non ostacolino il funzionamento dell'arma.

2. Uso:

- Durante l'uso, mantieni sempre una presa sicura sull'arma.
- Presta attenzione al comportamento dell'arma durante il tiro e verifica che gli inserti stiano assorbendo il rinculo in modo efficace.
- Non superare le capacità dell'arma e degli inserti; segui le raccomandazioni del produttore per il caricamento e l'uso.

Istruzioni per lo Smaltimento

- Gli inserti per impugnatura Ransom devono essere smaltiti in conformità con le normative locali sui rifiuti.
- Non gettare gli inserti nell'ambiente; assicurati di portarli a un centro di raccolta autorizzato per il corretto smaltimento.

Informazioni di Contatto per Ulteriore Supporto

Per domande o ulteriori informazioni sulla sicurezza del prodotto, contatta il tuo rivenditore autorizzato Ransom o visita il sito web ufficiale di Ransom.

Avvertenze Finali

- L'uso di inserti non conformi o non autorizzati può causare danni all'arma e compromettere la tua sicurezza.
- Ricorda che ogni azione ha una reazione; il controllo del rinculo è fondamentale per la sicurezza e l'efficacia del tiro.
- Mantieni sempre una pratica di tiro sicura e responsabile.

Grazie per aver scelto gli Inserti per Impugnatura Ransom. La tua sicurezza è la nostra priorità.
