

GRIP INSERTS - RANSOM GRIP INSERTS FOR GLOCK GEN 4 19,23,32

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR GLOCK GEN 4 19,23,32
- Manufacturer: RANSOM
- Product no.: 430119356
- Mfr. No.: 30-300-12-020
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132581045

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR GLOCK GEN 4 19,23,32

Einleitung

Herzlich willkommen! Die GRIP INSERTS RANSOM GRIP INSERTS sind speziell für deine Glock Gen 4 entwickelt worden. In diesem Dokument findest du wichtige Sicherheitshinweise, die dir helfen, das Produkt sicher und effektiv zu nutzen. Bitte lies die folgenden Informationen sorgfältig durch.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die GRIP INSERTS nur in der vorgesehenen Anwendung verwendest.
- Überprüfe regelmäßig den Zustand der Inserts. Bei sichtbaren Schäden oder Abnutzung solltest du sie sofort ersetzen.
- Bewahre die Inserts außerhalb der Reichweite von Kindern auf.
- Halte dich an die Anweisungen des Herstellers und an alle geltenden Gesetze und Vorschriften.

Besondere Sicherheitsvorkehrungen für die Nutzung

- Verwende keine harten Grip Inserts oder 3Dgedruckten Kunststoff Inserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass die Inserts dem Durometer der menschlichen Hand entsprechen, um optimale Testergebnisse zu erzielen.
- Vermeide die Verwendung des Produkts, wenn du Anzeichen von Beschädigung oder Fehlfunktionen bemerkst.
- Beachte, dass harte Inserts destruktive Rückstoßenergie erzeugen können, die die Sicherheit beeinträchtigt.

Anweisungen für Installation und Nutzung

- Stelle sicher, dass das Gewehr in einem sicheren Zustand ist, bevor du die Inserts installierst.
- Entferne die alten Inserts, falls vorhanden, und reinige den Bereich, um sicherzustellen, dass keine Rückstände vorhanden sind.
- Setze die neuen RANSOM GRIP INSERTS vorsichtig ein und achte darauf, dass sie korrekt sitzen.
- Teste die Inserts in einer kontrollierten Umgebung, um sicherzustellen, dass sie ordnungsgemäß funktionieren.
- Dokumentiere alle Testergebnisse, um die Leistung der Inserts zu bewerten.

Entsorgungsanweisungen

- Entsorge defekte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoff und anderen Materialien.
- Achte darauf, dass die Inserts nicht in die Hände von Kindern gelangen, wenn du sie entsorgst.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Unterstützung zu den GRIP INSERTS wende dich bitte an den Hersteller oder den Händler, bei dem du das Produkt erworben hast. Es ist wichtig, dass du bei Unsicherheiten oder Problemen professionelle Unterstützung in Anspruch nimmst.

Schlussfolgerung

Die Sicherheit steht an erster Stelle. Indem du die oben genannten Richtlinien und Anweisungen befolgst, kannst du sicherstellen, dass du die RANSOM GRIP INSERTS für deine Glock Gen 4 sicher und effektiv verwendest. Achte darauf, regelmäßig Informationen über Rückrufe und Sicherheitsupdates zu überprüfen, um immer auf dem neuesten Stand zu bleiben.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR GLOCK GEN 4

19,23,32

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Glock Gen 4 (Models 19, 23, 32). This guide provides essential safety information to ensure the safe use and maintenance of your product. Please read this document carefully before using the grip inserts.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the grip inserts by following all instructions. This product is designed to minimize risks associated with recoil and vibration during shooting.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. If a recall occurs, follow the instructions provided for safe return or remedy.
- **Online Shopping:** If purchased online, ensure that the retailer meets safety requirements outlined by the EU General Product Safety Regulation.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that all users are adults and have the necessary training to handle firearms safely.
- **EU Contact Point:** For any safety inquiries, please refer to the appropriate EU contact point.
- **Rapid Alerts:** Monitor updates regarding product safety through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic inserts. These can damage your firearm and produce unreliable test results.
- **Understand Recoil Dynamics:** Be aware that vibration and recoil cannot be eliminated but can be controlled. The inserts are designed to absorb these forces effectively.
- **Inspect for Damage:** Regularly check the grip inserts for wear or damage. Replace them if any issues are detected.
- **Proper Handling:** Always handle firearms with care. Ensure that the grip inserts are correctly installed to avoid accidents.
- **Training:** Ensure that all users are familiar with safe firearm handling practices.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before installation.
- Remove any existing grip inserts if applicable.
- Align the Ransom grip inserts with the grip of the firearm.
- Firmly press the inserts into place until they are secure.
- Doublecheck that the inserts are properly installed and do not move.

2. Usage:

- When using the Ransom Rest with the grip inserts, ensure that the setup is stable.
- Be mindful of the recoil dynamics when testing for accuracy or conducting destructive testing.
- Always monitor the condition of the grip inserts during use.

3. PostUsage Care:

- After use, inspect the grip inserts for any signs of wear or damage.
- Clean the inserts as recommended to maintain their integrity and performance.

Disposal Instructions

- Dispose of damaged or worn grip inserts in accordance with local regulations.
- Do not dispose of inserts in regular household waste if they are made of materials that require special handling.
- If unsure about disposal methods, contact local waste management authorities for guidance.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of the Ransom Grip Inserts, please refer to the appropriate contact points available in your region. Always prioritize safety and comply with local regulations when handling firearms and accessories.

By following these guidelines, you can ensure the safe and effective use of the Ransom International Grip Inserts for your Glock Gen 4. Thank you for your attention to safety.

Istruzioni di Sicurezza per GRIP INSERTS RANSOM per GLOCK GEN 4

Introduzione

Le GRIP INSERTS RANSOM sono progettate per migliorare la precisione e la sicurezza durante l'uso del tuo GLOCK GEN 4 (modelli 19, 23, 32). Questo documento fornisce linee guida di sicurezza essenziali, istruzioni per l'installazione e l'uso, e informazioni per il corretto smaltimento del prodotto. È fondamentale seguire queste istruzioni per garantire un utilizzo sicuro e conforme alle normative vigenti.

Linee Guida Generali di Sicurezza

- Assicurati che le GRIP INSERTS siano utilizzate esclusivamente con i modelli GLOCK GEN 4 specificati.
- Non utilizzare inserti rigidi o inserti in plastica stampati in 3D, in quanto possono danneggiare l'arma.
- Controlla regolarmente le GRIP INSERTS per segni di usura o danni.
- Conserva le GRIP INSERTS in un luogo asciutto e sicuro, lontano dalla portata di bambini e animali.
- In caso di incidenti o malfunzionamenti, interrompi immediatamente l'uso e contatta un professionista.

Precauzioni di Sicurezza Specifiche per l'Uso

- **Assorbimento delle vibrazioni:** Le GRIP INSERTS sono progettate per assorbire le vibrazioni, riducendo il rischio di danni all'arma e migliorando la precisione.
- **Controllo del rinculo:** Utilizza le GRIP INSERTS per controllare le forze di vibrazione e rinculo, evitando danni all'arma.
- **Attenzione ai danni:** Un inserto rigido può compromettere la vita della canna e dell'arma. Potrebbe causare infortuni gravi.
- **Uso responsabile:** Non utilizzare le GRIP INSERTS per scopi diversi da quelli previsti. Segui sempre le normative locali relative all'uso delle armi.

Istruzioni per l'Installazione e l'Uso

1. **Controllo del contenuto:** Assicurati che il pacco contenga tutte le parti necessarie per l'installazione delle GRIP INSERTS.
2. **Installazione:**
 - Rimuovi il carrello e assicurati che l'arma sia scarica.
 - Segui le istruzioni specifiche per il tuo modello GLOCK GEN 4 per installare correttamente le GRIP INSERTS.
 - Verifica che gli inserti siano ben fissati e che non ci siano movimenti o giochi.
3. **Uso:**
 - Posiziona l'arma in modo sicuro e stabile durante l'uso.
 - Monitora le prestazioni delle GRIP INSERTS durante il tiro e controlla eventuali segni di usura.
 - Dopo l'uso, pulisci e controlla le GRIP INSERTS per eventuali danni.

Istruzioni per lo Smaltimento

- Le GRIP INSERTS devono essere smaltite in conformità con le normative locali sui rifiuti.
- Non gettare le GRIP INSERTS nell'ambiente. Contatta il tuo comune per informazioni su come smaltire correttamente i materiali.
- Se le GRIP INSERTS sono danneggiate o non più utilizzabili, segui le linee guida locali per il loro smaltimento.

Informazioni per Ulteriore Supporto

Per ulteriori informazioni sulla sicurezza del prodotto, puoi contattare il tuo rivenditore o un esperto di armi. È importante segnalare eventuali prodotti non sicuri o incidenti alle autorità competenti. Controlla regolarmente le aggiornamenti sui richiami tramite la piattaforma Safety Gate dell'Unione Europea.

Seguendo queste istruzioni di sicurezza, puoi garantire un uso sicuro e responsabile delle GRIP INSERTS RANSOM per il tuo GLOCK GEN 4.
