

GRIP INSERTS - RANSOM GRIP INSERTS FOR GLOCK 42

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR GLOCK 42
- Manufacturer: RANSOM
- Product no.: 430119359
- Mfr. No.: 30-300-12-08
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132581137

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM GRIP INSERTS FÜR GLOCK 42

Einführung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM GRIP INSERTS FÜR GLOCK 42. Diese Inserts sind speziell entwickelt, um die Leistung deines Master Series Ransom Rest zu optimieren. Bitte beachte die folgenden Sicherheitsrichtlinien, um eine sichere und effektive Nutzung zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Inserts nur in der vorgesehenen Anwendung verwendest.
- Halte die Inserts außerhalb der Reichweite von Kindern.
- Überprüfe regelmäßig die Inserts auf Beschädigungen oder Abnutzung.
- Verwende keine harten Grip Inserts oder 3Dgedruckte Kunststoffgriffe, da diese das Gewehr schädigen können.
- Achte darauf, dass alle Teile des Ransom Rest gut montiert und in einwandfreiem Zustand sind.

Spezifische Sicherheitsvorkehrungen für die Anwendung

- Vermeide es, die Inserts zu verwenden, wenn du Anzeichen von Beschädigungen oder Rissen entdeckst.
- Stelle sicher, dass die Inserts korrekt installiert sind, um eine optimale Leistung zu gewährleisten.
- Achte darauf, dass du die Inserts nur mit der Glock 42 verwendest.
- Beachte, dass harte Inserts destruktive Rückstoßenergie erzeugen können, die gefährlich ist.
- Halte dich an alle gesetzlichen Bestimmungen und Vorschriften für den Umgang mit Feuerwaffen.

Anweisungen für Installation und Nutzung

1. Installation der Inserts:

- Entferne die vorhandenen Inserts oder Griffe von deinem Ransom Rest.
- Reinige die Oberfläche, um sicherzustellen, dass keine Rückstände vorhanden sind.
- Setze die GRIP INSERTS RANSOM GRIP INSERTS FÜR GLOCK 42 an der vorgesehenen Stelle ein.
- Stelle sicher, dass die Inserts fest sitzen und keine Bewegungen zulassen.

2. Nutzung der Inserts:

- Stelle sicher, dass der Ransom Rest stabil und sicher aufgestellt ist.
- Führe deine Tests unter kontrollierten Bedingungen durch.
- Achte darauf, die ersten Millisekunden des Schusses zu beobachten, um die Leistung der Inserts zu beurteilen.
- Vermeide übermäßige Vibrationen und Rückstoß, indem du die Inserts regelmäßig überprüfst.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Stelle sicher, dass alle Teile sicher verpackt sind, um Verletzungen während der Entsorgung zu vermeiden.
- Informiere dich über die Recyclingmöglichkeiten in deiner Region, um umweltfreundlich zu handeln.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung wende dich bitte an den Hersteller oder einen autorisierten Händler. Achte darauf, alle Sicherheitsrichtlinien zu befolgen und deine Sicherheit sowie die Sicherheit anderer zu priorisieren.

Bitte beachte, dass diese Sicherheitshinweise gemäß den EUVorgaben erstellt wurden. Halte dich an die Anweisungen, um ein sicheres und effektives Nutzungserlebnis zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR GLOCK 42

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Glock 42. These inserts are designed to enhance your shooting experience while ensuring safety and accuracy. This guide provides essential safety instructions and precautions to ensure the safe use of this product.

General Safety Guidelines

- **Product Safety:** Use the grip inserts only as intended. Follow all safety guidelines to prevent accidents and injuries.
- **Enhanced Recalls:** Stay informed about product recalls. If a recall occurs, follow the instructions provided for returning or replacing the product.
- **Online Shopping:** Ensure that you purchase the grip inserts from authorized dealers or platforms that comply with safety regulations.
- **Special Consumer Focus:** Keep the grip inserts out of reach of children and ensure that they are used only by individuals who understand their operation.
- **EU Contact Point:** For any safety inquiries, refer to the contact point provided by your supplier or manufacturer.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for any updates regarding unsafe products.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can damage your firearm and produce inaccurate test results.
- **Understand Recoil Dynamics:** Recognize that all firearms generate recoil. The grip inserts are designed to absorb this recoil, mimicking the human hand's response.
- **Regular Inspections:** Frequently check the grip inserts for wear and tear. Replace them if they show signs of damage.
- **Proper Handling:** Always handle firearms safely and responsibly. Ensure the firearm is unloaded when installing or adjusting the grip inserts.
- **Follow Manufacturer Instructions:** Adhere strictly to the installation and usage instructions provided by the manufacturer to ensure optimal performance and safety.

Instructions for Installation and Usage

1. Installation:

- Ensure that your Glock 42 is unloaded and pointed in a safe direction.
- Remove any existing grip inserts from the firearm.
- Align the Ransom grip inserts with the grip area of the Glock 42.
- Firmly press the inserts into place until they are securely fitted.

2. Usage:

- Once installed, hold the firearm as you normally would.
- Take note of how the grip inserts absorb recoil during shooting.
- Monitor your shooting performance and adjust your grip technique as necessary.

3. PostUsage:

- After each use, inspect the grip inserts for any signs of damage.
- Clean the grip area of the firearm to maintain optimal conditions.

Disposal Instructions

- Dispose of any damaged grip inserts in accordance with local regulations.
- Do not throw grip inserts in regular household waste. Instead, check for recycling options or designated disposal sites.

Contact Information for Further Support

For any questions or concerns regarding the Ransom Grip Inserts, please consult the retailer or manufacturer from whom you purchased the product. They will provide you with the necessary support and information.

By following these guidelines and instructions, you can ensure a safe and enjoyable shooting experience with your Ransom Grip Inserts for Glock 42. Thank you for prioritizing safety and responsible usage.

Guida alla Sicurezza per gli Grip Inserts Ransom per GLOCK 42

Introduzione

Benvenuto nella guida alla sicurezza per gli Grip Inserts Ransom progettati per il GLOCK 42. Questa guida fornisce informazioni importanti per garantire un uso sicuro e corretto del prodotto. Ti invitiamo a leggere attentamente queste istruzioni prima dell'uso.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo grip inserts Ransom progettati specificamente per il tuo Master Series Ransom Rest.
- Non utilizzare grip insert rigidi o insert in plastica stampati in 3D, poiché possono danneggiare l'arma e mettere a rischio la sicurezza.
- Controlla regolarmente il tuo equipaggiamento per eventuali segni di usura o danni.
- Segnala eventuali prodotti non sicuri o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli insert sono progettati per assorbire le forze di rinculo e vibrazione. Non utilizzare insert rigidi che non possono replicare il comportamento della mano umana.
- Evita di utilizzare l'arma in condizioni di umidità eccessiva o temperature estreme che potrebbero compromettere l'integrità del grip insert.
- Non tentare di modificare o riparare gli insert. Utilizza solo componenti originali forniti dal produttore.
- In caso di malfunzionamenti o problemi durante l'uso, interrompi immediatamente l'uso e contatta un esperto.

Istruzioni per l'Installazione e l'Uso

1. Installazione:

- Rimuovi il grip insert esistente se presente.
- Pulisci l'area di installazione per rimuovere polvere e detriti.
- Inserisci il grip insert Ransom seguendo le istruzioni specifiche fornite con il prodotto.
- Assicurati che l'insert sia ben fissato e non si muova.

2. Uso:

- Prima di utilizzare l'arma, controlla che il grip insert sia correttamente installato.
- Durante il tiro, mantieni una presa salda e controllata sull'arma.
- Monitora le prestazioni dell'arma e dell'insert durante l'uso. Se noti vibrazioni eccessive o altri problemi, interrompi l'uso.

Istruzioni per lo Smaltimento

- Gli grip inserts Ransom devono essere smaltiti in conformità con le normative locali sui rifiuti.
- Non gettare il prodotto negli scarichi o nei rifiuti domestici.
- Contatta le autorità locali per informazioni sullo smaltimento corretto dei materiali.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori informazioni sulla sicurezza o per domande relative al prodotto, contatta il tuo rivenditore Ransom o visita il sito ufficiale dell'azienda. Assicurati di avere a disposizione il numero di modello e altre informazioni pertinenti.

Nota Finale

Ricorda che la sicurezza è fondamentale quando si utilizza un'arma. Segui sempre queste linee guida per garantire un'esperienza di tiro sicura e piacevole.
