

GRIP INSERTS - RANSOM GRIP INSERTS FOR HAMMERLI 208,208S,211,212,215

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR HAMMERLI 208,208S,211,212,215
- Manufacturer: RANSOM
- Product no.: 430119366
- Mfr. No.: 30-300-13-02
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132581229

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS von RANSOM

Einleitung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS von RANSOM, die speziell für die Hammerli Modelle 208, 208S, 211, 212 und 215 entwickelt wurden. Diese Anleitung soll dir helfen, das Produkt sicher und effektiv zu nutzen, um dein Schießerlebnis zu optimieren.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die GRIP INSERTS nur für die vorgesehenen Modelle verwendest.
- Überprüfe die Inserts regelmäßig auf Beschädigungen oder Abnutzung.
- Verwende die Inserts nicht, wenn sie beschädigt sind.
- Halte die Inserts und das Gewehr außerhalb der Reichweite von Kindern und unbefugten Personen.
- Achte darauf, dass du dich an alle örtlichen Gesetze und Vorschriften zum Umgang mit Feuerwaffen hältst.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Vermeide die Verwendung harter Griffeneinsätze oder 3Dgedruckter Kunststoffgriffeinsätze, da diese deinem Gewehr schaden können.
- Achte darauf, dass die GRIP INSERTS korrekt installiert sind, um Verletzungen zu vermeiden.
- Halte die Hände und andere Körperteile während des Schusses von der Mündung des Gewehrs fern.
- Teste die Inserts immer in einer kontrollierten Umgebung, bevor du sie bei Wettkämpfen oder im Freien verwendest.

Anweisungen zur Installation und Nutzung

1. Installation der GRIP INSERTS

- Entferne die vorhandenen Griffeneinsätze, falls vorhanden.
- Reinige die Kontaktflächen gründlich, um sicherzustellen, dass keine Rückstände die Installation beeinträchtigen.
- Setze die GRIP INSERTS vorsichtig ein und stelle sicher, dass sie fest sitzen.
- Überprüfe die Passform, um sicherzustellen, dass keine Lücken oder Bewegungen vorhanden sind.

2. Nutzung der GRIP INSERTS

- Halte das Gewehr mit beiden Händen fest, um den Rückstoß effektiv zu kontrollieren.
- Achte darauf, dass du beim Schießen eine stabile Position einnimmst.
- Lass die Inserts die ersten Millisekunden des Schusses absorbieren, bevor du den Rückstoß spürst.
- Überprüfe nach jedem Schuss die Inserts auf Beschädigungen oder Abnutzung.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte GRIP INSERTS gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Stelle sicher, dass alle Teile sicher verpackt sind, um Verletzungen während der Entsorgung zu vermeiden.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder weitere Informationen zu den GRIP INSERTS von RANSOM, wende dich bitte an den Hersteller oder deinen Händler.

Schlussfolgerung

Die GRIP INSERTS von RANSOM sind eine wertvolle Ergänzung für dein Schießerlebnis. Durch die Beachtung dieser Sicherheitshinweise kannst du sicherstellen, dass du die Inserts effektiv und ohne Risiko nutzen kannst. Achte darauf, alle Anweisungen sorgfältig zu befolgen, um die Sicherheit für dich und andere zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR HAMMERLI 208, 208S, 211, 212, 215

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Hammerli firearms. This guide provides important safety information to ensure the proper use and maintenance of the product. Please read this document carefully to understand how to use the grip inserts safely and effectively.

General Safety Guidelines

- **Product Safety:** The grip inserts are designed to ensure safe use and minimize risks associated with firearm testing.
- **Enhanced Recalls:** In the event of any safety concerns, recall notices will be issued, and remedies will be provided free of charge.
- **Online Shopping:** When purchasing online, ensure that you are buying from authorized retailers that comply with safety standards.
- **Special Consumer Focus:** Extra care must be taken when using this product around vulnerable groups, including children.
- **EU Contact Point:** For any safety inquiries, please refer to the EU-based contact point provided by your retailer.
- **Rapid Alerts:** Stay informed about product safety updates through the Safety Gate system.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can damage your firearm and produce inaccurate test results.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be eliminated; they must be controlled. The grip inserts are engineered to absorb these forces.
- **Check for Damage:** Regularly inspect your grip inserts for wear and tear. Replace them if you notice any damage.
- **Follow Proper Procedures:** Ensure you mimic humanlike recoil during testing to achieve valid results.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded before installation.
- Remove any existing grip inserts from the firearm.
- Align the Ransom Grip Inserts with the grip area of your Hammerli firearm.
- Press the inserts firmly into place until they fit snugly and securely.

2. Usage:

- Before conducting tests, ensure that the grip inserts are properly installed and secure.
- Always conduct tests in a controlled environment, adhering to all safety protocols related to firearms.
- Monitor the performance of the grip inserts during use. If you notice any irregularities, cease use immediately.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations regarding plastic waste.
- Do not throw grip inserts in regular household waste. Check for recycling options in your area.

Contact Information for Further Support

For any additional questions or concerns regarding the safety and usage of the GRIP INSERTS RANSOM GRIP INSERTS, please refer to the contact information provided by your retailer or manufacturer.

By following these guidelines, you can help ensure a safe and effective experience with your Ransom Grip Inserts. Thank you for your attention to safety.

Istruzioni di Sicurezza per l'Utilizzo degli Inserti Ransom Grip per Hammerli 208, 208S, 211, 212, 215

Introduzione

Grazie per aver scelto gli Inserti Ransom Grip per la tua arma Hammerli. Questo prodotto è progettato per garantire il massimo controllo e precisione durante l'uso. È fondamentale seguire queste istruzioni di sicurezza per garantire un utilizzo sicuro e efficace del prodotto.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo gli Inserti Ransom Grip progettati specificamente per la tua arma.
- Non utilizzare inserti rigidi o inserti in plastica stampati in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Controlla regolarmente gli inserti per segni di usura o danni.
- Segui tutte le normative locali e nazionali relative all'uso delle armi da fuoco.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare gli inserti se noti che sono danneggiati o usurati.
- Assicurati che l'arma sia scarica prima di installare o rimuovere gli inserti.
- Quando utilizzi l'arma, mantieni sempre una postura sicura e controllata.
- Evita di utilizzare l'arma in condizioni meteorologiche avverse che potrebbero influenzare il tuo controllo.

Istruzioni per l'Installazione e l'Uso

1. Preparazione:

- Assicurati che l'arma sia completamente scarica.
- Rimuovi eventuali accessori o componenti che potrebbero ostacolare l'installazione degli inserti.

2. Installazione:

- Inserisci gli Inserti Ransom Grip nella tua arma seguendo le istruzioni del produttore.
- Assicurati che gli inserti siano saldamente posizionati e non si muovano.

3. Uso:

- Quando utilizzi l'arma, mantieni una presa ferma e controllata sugli inserti.
- Osserva attentamente il comportamento dell'arma durante il tiro per assicurarti che gli inserti stiano funzionando correttamente.
- Se noti vibrazioni eccessive o comportamenti anomali, interrompi immediatamente l'uso e verifica gli inserti.

Istruzioni per lo Smaltimento

- Gli inserti devono essere smaltiti in conformità con le normative locali riguardanti i rifiuti di prodotti non più utilizzabili.
- Non gettare gli inserti nella spazzatura domestica. Contatta il tuo comune per informazioni sui punti di raccolta adeguati.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori informazioni sulla sicurezza del prodotto e sulle procedure di richiamo, si prega di contattare il produttore o visitare il sito web ufficiale. Assicurati di avere il numero di modello e altre informazioni pertinenti a portata di mano quando richiedi assistenza.

Avvertenze Finali

- Non utilizzare mai inserti rigidi o stampati in 3D. Questi possono compromettere la sicurezza della tua arma e della tua persona.
- Ricorda che ogni azione ha una reazione; quindi, il controllo del rinculo è fondamentale per la sicurezza e la precisione.
- La tua sicurezza e quella degli altri è la priorità principale. Segui queste istruzioni attentamente e fai attenzione durante l'uso della tua arma.
