

GRIP INSERTS - RANSOM GRIP INSERTS FOR HECKLER & KOCH

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR HECKLER & KOCH
- Manufacturer: RANSOM
- Product no.: 430119370
- Mfr. No.: 30-300-14-01
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132581328

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für die GRIP INSERTS RANSOM GRIP INSERTS für HECKLER & KOCH

Einführung

Herzlich willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM GRIP INSERTS für Heckler & Koch. Diese Anleitung soll dir helfen, die Produkte sicher und effektiv zu nutzen, um die bestmögliche Leistung zu erzielen und mögliche Risiken zu vermeiden.

Allgemeine Sicherheitsrichtlinien

- Achte darauf, dass du die GRIP INSERTS nur gemäß den Anweisungen verwendest.
- Überprüfe regelmäßig den Zustand der Inserts, um sicherzustellen, dass sie keine Schäden aufweisen.
- Halte die Inserts und alle Zubehörteile von Kindern fern.
- Melde unsichere Produkte oder Unfälle sofort den zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Verwende keine harten Grip Inserts oder 3Dgedruckte KunststoffGrip Inserts. Diese können deinem Gewehr schaden.
- Achte darauf, dass die Inserts korrekt im Ransom Rest installiert sind, um eine optimale Leistung zu gewährleisten.
- Vermeide es, die Inserts zu verwenden, wenn sie Anzeichen von Verschleiß oder Beschädigung aufweisen.
- Beachte, dass harte Inserts destruktive Rückstoßenergie erzeugen können, die die Waffe schädigen könnte.

Anweisungen für Installation und Verwendung

• Installation der Grip Inserts:

1. Stelle sicher, dass der Ransom Rest sauber und frei von Schmutz ist.
2. Setze die Grip Inserts in die vorgesehenen Halterungen ein, bis sie fest sitzen.
3. Überprüfe die Inserts auf korrekten Sitz, bevor du mit dem Schießen beginnst.

• Verwendung der Grip Inserts:

1. Stelle sicher, dass die Waffe sicher und stabil auf dem Ransom Rest platziert ist.
2. Führe die Schüsse wie gewohnt durch, während du die Leistung der Inserts beobachtest.
3. Achte auf Anzeichen von übermäßiger Vibration oder Rückstoß, und überprüfe die Inserts nach jedem Schuss.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Grip Inserts gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Achte darauf, dass die Inserts nicht in die Umwelt gelangen, und recycle sie, wenn möglich.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung zu den GRIP INSERTS RANSOM GRIP INSERTS für Heckler & Koch, wende dich bitte an den Hersteller oder deinen Fachhändler. Achte darauf, dass du alle relevanten

Informationen bereithältst, um eine schnelle und effektive Unterstützung zu erhalten.

Diese Sicherheitshinweise sind wichtig, um die sichere Nutzung der GRIP INSERTS zu gewährleisten und mögliche Gefahren zu vermeiden. Achte stets auf die Sicherheit und die ordnungsgemäße Verwendung deiner Produkte!

Safety Instruction Guide for GRIP INSERTS RANSOM GRIP INSERTS FOR HECKLER & KOCH

Introduction

Thank you for choosing the Ransom International Grip Inserts. These inserts are designed to enhance the performance of your Master Series Ransom Rest while ensuring the safety of both the user and the firearm. It is essential to follow these safety instructions to prevent damage to your equipment and ensure safe operation.

General Safety Guidelines

- Ensure that all nonfood products, including the Ransom Grip Inserts, are used safely and in accordance with the instructions provided.
- Be aware of risks that may not be addressed by other regulations.
- If you purchase this product online, ensure that the seller complies with safety requirements similar to those of physical stores.
- Extra precautions should be taken if the product is used by vulnerable groups, including children.
- Always report unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Hard Grip Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can damage your firearm by generating destructive recoil energy.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be completely stopped; they must be controlled. Hard inserts cannot replicate humanlike recoil, leading to flawed testing and potential damage.
- **Monitor for Damage:** Damage from hard inserts may not be immediately visible but can accumulate over time with repeated use.
- **Use Proper Inserts:** Only use grip inserts specifically designed for your firearm to ensure safety and accuracy.
- **Be Cautious:** Many users have experienced issues when using improper inserts. Take caution and follow the guidelines.

Instructions for Installation and Usage

1. Installation:

- Ensure that your firearm is unloaded and in a safe condition before starting the installation.
- Carefully remove any existing grip inserts from the Ransom Rest.
- Align the Ransom Grip Inserts with the designated slots on the Ransom Rest.
- Firmly press the inserts into place until they are securely fitted.

2. Usage:

- Place the firearm in the Ransom Rest according to the manufacturer's instructions.
- Ensure that the grip inserts are aligned with the firearm's grip for optimal performance.
- Conduct your tests following standard shooting practices, ensuring the firearm is stable and secure.
- Monitor the firearm and Ransom Rest for any unusual vibrations or movements during use.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not dispose of grip inserts in regular household waste if they contain materials that may be harmful to the environment.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, usage, or installation, please consult the manufacturer's website or customer support resources. Ensure that you have the product details on hand for a more efficient response.

By following these guidelines, you can ensure the safe operation of your Ransom Grip Inserts and protect both your firearm and yourself. Thank you for your attention to safety!

Istruzioni di Sicurezza per gli Inserti Grip RANSOM

Introduzione

Grazie per aver scelto gli Inserti Grip RANSOM per il tuo Ransom Rest della Master Series. Questo prodotto è progettato per migliorare le prestazioni della tua arma da fuoco e garantire la tua sicurezza. È fondamentale seguire le istruzioni di sicurezza e di utilizzo per prevenire incidenti e garantire un uso corretto.

Linee Guida Generali di Sicurezza

- **Sicurezza del Prodotto:** Assicurati che gli inserti siano utilizzati in conformità con le istruzioni fornite. L'uso improprio può causare danni all'arma o infortuni.
- **Controllo dei Danni:** Controlla regolarmente gli inserti per segni di usura o danni. Sostituisci immediatamente gli inserti danneggiati.
- **Uso Adeguato:** Utilizza solo gli inserti RANSOM con il tuo Ransom Rest della Master Series. Non utilizzare inserti rigidi o in plastica stampati in 3D.
- **Protezione per Gruppi Vulnerabili:** Tieni gli inserti e l'arma lontano dalla portata di bambini e persone non autorizzate.

Precauzioni di Sicurezza Specifiche per l'Uso

- **Assorbimento degli Urti:** Gli inserti RANSOM sono progettati per assorbire le vibrazioni e il rinculo. Assicurati che siano installati correttamente per massimizzare questo beneficio.
- **Controllo delle Forze:** Gli inserti RANSOM controllano le vibrazioni e il rinculo, evitando di trasferirli all'arma. Assicurati che siano sempre in buone condizioni.
- **Attenzione ai Malfunzionamenti:** In caso di malfunzionamenti, interrompi immediatamente l'uso e verifica la presenza di danni agli inserti o all'arma.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti:

- Assicurati che la tua arma sia scarica e sicura prima di procedere.
- Rimuovi eventuali inserti precedenti dal Ransom Rest.
- Inserisci gli inserti Grip RANSOM seguendo le istruzioni specifiche fornite nella confezione.
- Verifica che gli inserti siano saldamente fissati e che non ci siano spazi vuoti.

2. Uso degli Inserti:

- Posiziona l'arma sul Ransom Rest con gli inserti installati.
- Esegui un controllo visivo per assicurarti che l'arma sia correttamente allineata e stabile.
- Durante l'uso, monitora le prestazioni degli inserti e l'arma. Se noti vibrazioni eccessive o comportamenti anomali, interrompi l'uso e controlla gli inserti.

Istruzioni per lo Smaltimento

- Gli inserti Grip RANSOM devono essere smaltiti in conformità con le normative locali sui rifiuti. Non gettarli nell'ambiente.
- Controlla le linee guida locali per il riciclaggio di materiali plastici e altri componenti.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori informazioni o domande sulla sicurezza, ti invitiamo a contattare il produttore o il rivenditore presso cui hai acquistato il prodotto.

Ricorda sempre di utilizzare gli inserti Grip RANSOM in modo responsabile e sicuro. La tua sicurezza e quella della tua arma sono la nostra massima priorità.
