

GRIP INSERTS - RANSOM GRIP INSERTS FOR GLOCK GEN 5 20,21

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR GLOCK GEN 5 20,21
- Manufacturer: RANSOM
- Product no.: 430119371
- Mfr. No.: 30-300-12-14
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132581076

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR GLOCK GEN 5 20,21

Einführung

Herzlich willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM GRIP INSERTS für Glock Gen 5. Diese Inserts sind speziell entwickelt, um die Leistung deines Ransom Rest zu verbessern und gleichzeitig die Sicherheit zu gewährleisten. Bitte lies die folgenden Anweisungen sorgfältig durch, um sicherzustellen, dass du das Produkt sicher und effektiv verwendest.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass die GRIP INSERTS nur mit dem vorgesehenen Glock Gen 5 Modell verwendet werden.
- Verwende die Inserts nicht, wenn sie beschädigt oder abgenutzt sind.
- Halte die Inserts außerhalb der Reichweite von Kindern und anderen unbefugten Personen.
- Beachte alle örtlichen Gesetze und Vorschriften zur Verwendung von Feuerwaffen und Zubehör.

Besondere Sicherheitsvorkehrungen für die Verwendung

- Vermeide die Verwendung von harten Grip Inserts oder 3Dgedruckten Kunststoffinserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass die Inserts korrekt im Ransom Rest installiert sind, um eine optimale Leistung zu gewährleisten.
- Führe regelmäßige Inspektionen der Inserts durch, um sicherzustellen, dass sie in gutem Zustand sind.
- Verwende die Inserts ausschließlich für Testzwecke und nicht für den tatsächlichen Einsatz mit der Waffe.

Anweisungen zur Installation und Nutzung

1. **Vorbereitung:** Stelle sicher, dass die Waffe entladen ist und sicher aufbewahrt wird, bevor du mit der Installation beginnst.
2. **Installation der Inserts:**
 - Entferne die alten Inserts, falls vorhanden.
 - Setze die neuen GRIP INSERTS vorsichtig in die vorgesehenen Halterungen des Ransom Rest ein.
 - Stelle sicher, dass die Inserts fest sitzen und keine Bewegungen aufweisen.
3. **Verwendung:**
 - Positioniere die Waffe sicher auf dem Ransom Rest.
 - Führe deine Tests durch und achte darauf, die Rückstoß und Vibrationseigenschaften zu beobachten.
 - Nach der Benutzung, entferne die Inserts und reinige sie gegebenenfalls.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Achte darauf, dass alle Teile sicher verpackt sind, um Verletzungen beim Entsorgen zu vermeiden.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder weitere Informationen zu den GRIP INSERTS wende dich bitte an den Hersteller oder deinen Händler. Es ist wichtig, dass du bei Unsicherheiten oder Problemen Unterstützung suchst.

Schlussfolgerung

Die GRIP INSERTS RANSOM GRIP INSERTS für Glock Gen 5 bieten zahlreiche Vorteile für deine Tests und helfen, die Sicherheit zu erhöhen. Befolge die oben genannten Sicherheitsrichtlinien und Anweisungen, um eine sichere und effektive Nutzung zu gewährleisten. Denke daran, dass die richtige Verwendung entscheidend für die Leistung und Langlebigkeit deines Ransom Rest ist.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR GLOCK GEN 5 20,21

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Glock Gen 5 20,21. These grip inserts are designed to enhance your shooting experience by mimicking the natural absorption of recoil and vibration similar to the human hand. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the grip inserts by following all instructions provided herein.
- **Hazard Awareness:** Be aware that using hard grip inserts or 3Dprinted plastic grip inserts can damage your firearm and lead to dangerous situations.
- **Online Shopping Protections:** If purchased online, ensure that the retailer complies with safety requirements similar to physical stores.
- **Consumer Reporting:** Report any unsafe products or accidents to the appropriate authorities.
- **Recall Information:** Stay updated on product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Do Not Use Hard Inserts:** Avoid using hard grip inserts or 3Dprinted plastic grip inserts, as they can generate destructive recoil energy that harms your firearm.
- **Understand Recoil Dynamics:** Familiarize yourself with the physics of recoil. Every action has an equal and opposite reaction; improper inserts can lead to unmanageable recoil.
- **Injury Risks:** Be aware that using inappropriate inserts may lead to injury or even death due to firearm malfunction.
- **Mimic Human Recoil:** Ensure that all testing mimics humanlike recoil for accurate results. Hard or poorly engineered inserts will produce flawed test data.

Instructions for Installation and Usage

1. Installation:

- Carefully remove any existing grip inserts from your firearm.
- Clean the grip area to ensure proper adhesion of the new inserts.
- Align the Ransom Grip Inserts with the grip area of your Glock Gen 5 20,21.
- Firmly press the inserts into place, ensuring they fit snugly and securely.

2. Usage:

- Always test the firearm in a safe environment.
- Monitor the performance of the grip inserts during use, ensuring they absorb recoil effectively.
- After each shooting session, inspect the inserts for signs of wear or damage.

Disposal Instructions

- Dispose of any damaged or worn grip inserts responsibly.
- Do not dispose of inserts in regular household waste if they are made from hazardous materials.
- Follow local regulations for the disposal of plastic and other materials.

Contact Information for Further Support

For any inquiries regarding the safety and use of the Ransom Grip Inserts, please consult the manufacturer or your point of purchase for further assistance.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your Ransom Grip Inserts. Always prioritize safety and be aware of the potential hazards associated with improper use. Thank you for your attention to these important guidelines.

Istruzioni di Sicurezza per gli INSERTI PER IMPUGNATURA RANSOM

Introduzione

Grazie per aver scelto gli INSERTI PER IMPUGNATURA RANSOM per il tuo Glock Gen 5. Questi inserti sono progettati per migliorare la tua esperienza di tiro e garantire la sicurezza durante l'uso. Si prega di leggere attentamente queste istruzioni di sicurezza per garantire un utilizzo corretto e sicuro del prodotto.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo gli inserti RANSOM progettati per il tuo modello di arma.
- Non utilizzare inserti rigidi o inserti in plastica stampati in 3D, poiché possono danneggiare l'arma.
- Verifica regolarmente lo stato degli inserti e sostituiscili se mostrano segni di usura o danni.
- Conserva gli inserti in un luogo sicuro, lontano dalla portata di bambini e animali.
- Segui sempre le istruzioni del produttore per l'uso e la manutenzione.

Precauzioni di Sicurezza Specifiche per l'Uso

- **Controllo delle forze:** Gli inserti sono progettati per assorbire le vibrazioni e il rinculo. Non utilizzare inserti che non siano specificamente progettati per l'uso con il tuo Ransom Rest.
- **Durabilità:** L'uso di inserti non conformi può ridurre la vita della canna e dell'arma. Assicurati di scegliere inserti di alta qualità.
- **Sicurezza:** Non tentare di modificare o riparare gli inserti. Se un inserto è danneggiato, sostituiscilo immediatamente.
- **Attenzione all'uso:** Non utilizzare gli inserti in condizioni di tiro estreme o in situazioni in cui potrebbero essere esposti a impatti eccessivi.

Istruzioni per l'Installazione e l'Uso

1. Installazione:

- Assicurati che l'arma sia scarica e in sicurezza prima di iniziare l'installazione.
- Rimuovi eventuali inserti precedenti dall'impugnatura.
- Posiziona gli inserti RANSOM nell'impugnatura seguendo le indicazioni specifiche per il tuo modello di Glock Gen 5.
- Verifica che gli inserti siano saldamente fissati e non si muovano.

2. Uso:

- Posiziona l'arma nel Ransom Rest con gli inserti installati.
- Assicurati che l'arma sia correttamente allineata e stabile prima di iniziare a tirare.
- Segui le pratiche di tiro sicure e mantieni sempre la sicurezza come priorità.

Istruzioni per lo Smaltimento

- Gli inserti RANSOM non devono essere smaltiti insieme ai rifiuti domestici. Segui le normative locali per lo smaltimento dei materiali plastici.
- Contatta il tuo comune per informazioni sui punti di raccolta o sui programmi di riciclaggio disponibili.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori informazioni, domande o per segnalare un prodotto non sicuro, consulta il sito web del produttore o contatta il punto di assistenza clienti locale.

Seguendo queste istruzioni di sicurezza e utilizzando gli INSERTI PER IMPUGNATURA RANSOM in modo responsabile, puoi garantire un'esperienza di tiro sicura e piacevole. Grazie per la tua attenzione alla sicurezza!
