

GRIP INSERTS - RANSOM GRIP INSERTS FOR HECKLER & KOCH P9S

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR HECKLER & KOCH P9S
- Manufacturer: RANSOM
- Product no.: 430119373
- Mfr. No.: 30-300-14-03
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132581311

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für RANSOM GRIP INSERTS für Heckler & Koch P9S

Einleitung

Willkommen zu den Sicherheitshinweisen für die RANSOM GRIP INSERTS, die speziell für deinen Heckler & Koch P9S entwickelt wurden. Diese Anleitung soll dir helfen, das Produkt sicher und effektiv zu nutzen. Bitte beachte die folgenden Informationen sorgfältig, um mögliche Gefahren zu vermeiden und die Lebensdauer deines Gewehrs zu verlängern.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die RANSOM GRIP INSERTS nur für den vorgesehenen Zweck verwendest.
- Bewahre die Inserts außerhalb der Reichweite von Kindern auf.
- Überprüfe die Inserts regelmäßig auf Beschädigungen oder Abnutzungserscheinungen.
- Verwende die Inserts nicht, wenn sie beschädigt sind.
- Informiere dich über die Rückrufupdates über die EU Safety Gate Plattform.

Besondere Sicherheitsvorkehrungen für die Verwendung

- Vermeide die Verwendung von harten Grip Inserts oder 3Dgedruckten Kunststoffgriffstücken, da diese deinem Gewehr schaden können.
- Harte Inserts können destruktive Rückstoßenergie erzeugen, die den Rahmen und den Lauf deines Gewehrs schädigt.
- Achte darauf, dass die Inserts dem Durometer der menschlichen Hand entsprechen, um die Rückstoßbewegung realistisch zu simulieren.
- Bei der Verwendung der Inserts ist es wichtig, die ersten Millisekunden des Schusses zu berücksichtigen, da die Inserts Vibrationen und Rückstoß absorbieren.

Anweisungen für Installation und Nutzung

1. Installation der RANSOM GRIP INSERTS:

- Entferne das vorhandene Griffstück von deinem Heckler & Koch P9S.
- Setze die RANSOM GRIP INSERTS gemäß den Anweisungen des Herstellers ein.
- Stelle sicher, dass die Inserts fest und sicher sitzen, bevor du das Gewehr wieder zusammenbaust.

2. Verwendung der RANSOM GRIP INSERTS:

- Halte das Gewehr immer in einer sicheren Position.
- Achte darauf, dass die Inserts korrekt installiert sind, bevor du mit dem Schießen beginnst.
- Überwache während des Schießens die Leistung der Inserts und achte auf mögliche Anzeichen von Beschädigungen.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte RANSOM GRIP INSERTS gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffabfällen.
- Stelle sicher, dass die Inserts nicht in die Umwelt gelangen, um mögliche Schäden zu vermeiden.

Kontaktinformationen für weitere Unterstützung

- Bitte wende dich bei Fragen oder Sicherheitsanliegen an den zuständigen Ansprechpartner in deinem Land oder an die EU Safety Gate Plattform.

Schlussfolgerung

Die RANSOM GRIP INSERTS bieten zahlreiche Vorteile und verbessern die Leistung deines Heckler & Koch P9S. Achte darauf, die oben genannten Sicherheitsrichtlinien und Vorkehrungen zu befolgen, um die Sicherheit und Effizienz deines Gewehrs zu gewährleisten. Denke daran, dass die richtige Nutzung und Pflege der Inserts entscheidend für die Vermeidung von Schäden und Verletzungen ist.

GRIP INSERTS RANSOM GRIP INSERTS FOR HECKLER & KOCH P9S Safety Instruction Guide

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Heckler & Koch P9S. These grip inserts are designed to enhance the performance of your Master Series Ransom Rest by mimicking the human hand's ability to absorb recoil and vibration. This guide provides essential safety instructions to ensure the safe use and maintenance of the product.

General Safety Guidelines

- **Product Safety:** Always ensure safe usage of the grip inserts to prevent damage to your firearm and avoid personal injury.
- **Enhanced Recalls:** Be aware that if any issues arise with the product, standardized recall notices will be provided, and remedies will be available at no cost.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements equivalent to those of physical stores.
- **Special Consumer Focus:** Extra care should be taken when the product is used by vulnerable groups, such as children.
- **EU Contact Point:** For safety inquiries, ensure that you have access to a contact point within the EU.
- **Rapid Alerts:** Stay informed about any unsafe products through the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts, as they can damage your firearm and produce inaccurate test results.
- **Understand Recoil Dynamics:** Recognize that every action has an equal and opposite reaction. Hard inserts do not absorb recoil effectively, leading to potential damage.
- **Monitor for Damage:** Regularly inspect your firearm for any signs of wear or damage that may result from using inappropriate grip inserts.
- **Follow Manufacturer Recommendations:** Always use grip inserts that are specifically designed to match the durometer of the human hand.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and safe before installation.
- Carefully remove any existing grip inserts from the Ransom Rest.
- Align the Ransom International Grip Inserts with the designated slots.
- Firmly press the inserts into place until they fit securely.

2. Usage:

- Place your firearm in the Ransom Rest with the grip inserts properly installed.
- Conduct tests in a controlled environment to ensure accurate results.
- Avoid using hard or 3Dprinted inserts during testing to maintain the integrity of your data.

3. PostUse Care:

- After use, inspect the grip inserts for any signs of wear or damage.
- Clean the inserts as necessary to ensure optimal performance during future use.

Disposal Instructions

- Dispose of any damaged or worn grip inserts responsibly. Follow local regulations regarding the disposal of plastic materials.
- Do not throw grip inserts in regular household waste if they are still functional; consider recycling options if available.

Contact Information for Further Support

For any inquiries or concerns regarding the Ransom International Grip Inserts, please reach out to your local distributor or refer to the manufacturer's website for additional support.

By adhering to these safety instructions, you can ensure a safe and effective experience with your Ransom International Grip Inserts. Always prioritize safety and proper usage to protect both yourself and your firearm.

Guida alla Sicurezza per i Grip Inserts RANSOM per Heckler & Koch P9S

Introduzione

Grazie per aver scelto i Grip Inserts RANSOM per il tuo Heckler & Koch P9S. Questa guida fornisce istruzioni di sicurezza e utilizzo per garantire un'esperienza di tiro sicura e piacevole. È importante seguire queste linee guida per proteggere te stesso e il tuo equipaggiamento.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare i Grip Inserts RANSOM solo con armi compatibili, come il Heckler & Koch P9S.
- Non utilizzare inserti rigidi o stampati in 3D, in quanto possono causare danni all'arma e compromettere la tua sicurezza.
- Segnala qualsiasi prodotto non sicuro o incidente alle autorità competenti.
- Controlla regolarmente gli aggiornamenti sui richiami sulla piattaforma Safety Gate dell'UE.

Precauzioni di Sicurezza Specifiche per l'Utilizzo

- **Controllo delle forze:** I Grip Inserts RANSOM sono progettati per assorbire le vibrazioni e il rinculo. Assicurati che siano installati correttamente per massimizzare questo effetto.
- **Durata e sicurezza:** Utilizzare solo i Grip Inserts RANSOM per evitare usura prematura della canna e dell'arma.
- **Attenzione agli infortuni:** Non utilizzare inserti rigidi, poiché possono causare infortuni a te o ad altri.
- **Controllo della temperatura:** Non esporre i Grip Inserts a temperature estreme, poiché ciò potrebbe comprometterne l'integrità.

Istruzioni per l'Installazione e l'Uso

1. Preparazione:

- Assicurati che l'arma sia scarica e in sicurezza prima di iniziare l'installazione.
- Raccogli gli strumenti necessari per l'installazione, se richiesti.

2. Installazione:

- Rimuovi eventuali inserti esistenti dall'arma.
- Posiziona i Grip Inserts RANSOM nei punti designati, assicurandoti che siano allineati correttamente.
- Fissa gli inserti secondo le istruzioni del produttore, se necessario.

3. Utilizzo:

- Una volta installati, verifica che i Grip Inserts siano saldamente in posizione.
- Durante l'uso, monitora eventuali segni di usura o danni agli inserti e sostituiscili se necessario.
- Pratica sempre una buona tecnica di tiro e segui le normative locali sulle armi.

Istruzioni per lo Smaltimento

- Non gettare i Grip Inserts RANSOM nell'ambiente. Segui le normative locali per lo smaltimento dei prodotti in plastica o materiali simili.
- Se i Grip Inserts sono danneggiati, smaltiscili in modo sicuro e sostituiscili con nuovi inserti RANSOM.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori informazioni sulla sicurezza e sull'uso dei Grip Inserts RANSOM, consulta il manuale del prodotto o visita il sito web del produttore. Assicurati di avere a disposizione il numero di modello e altre informazioni pertinenti quando richiedi assistenza.

Seguendo queste linee guida, puoi garantire un utilizzo sicuro e efficace dei Grip Inserts RANSOM per il tuo Heckler & Koch P9S. La tua sicurezza è la priorità principale.
