

GRIP INSERTS - RANSOM GRIP INSERTS FOR HECKLER & KOCH P30

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR HECKLER & KOCH P30
- Manufacturer: RANSOM
- Product no.: 430119376
- Mfr. No.: 30-300-14-08
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132581359

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR HECKLER & KOCH P30

Einführung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM GRIP INSERTS, die speziell für die Heckler & Koch P30 entwickelt wurden. Diese Anleitung soll dir helfen, das Produkt sicher zu verwenden und mögliche Risiken zu minimieren. Bitte lies die folgenden Informationen sorgfältig durch.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die GRIP INSERTS nur mit dem dafür vorgesehenen Master Series Ransom Rest verwendest.
- Verwende keine harten Grip Inserts oder 3Dgedruckte KunststoffGrip Inserts, da diese deinem Gewehr schaden können.
- Überprüfe regelmäßig den Zustand der Inserts und des Gewehrs auf Anzeichen von Verschleiß oder Beschädigung.
- Halte das Produkt außerhalb der Reichweite von Kindern und anderen gefährdeten Personen.
- Informiere dich über Rückrufe und Sicherheitswarnungen über die EU Safety Gate Plattform.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Verwende die Grip Inserts nur für die vorgesehenen Zwecke und beachte die Anweisungen des Herstellers.
- Achte darauf, dass die Inserts richtig im Ransom Rest installiert sind.
- Vermeide es, das Gewehr mit einer falschen oder nicht kompatiblen Ausrüstung zu verwenden.
- Sei dir bewusst, dass harte Inserts die Lebensdauer deines Gewehrs verringern und Verletzungen verursachen können.
- Wenn du Anzeichen von Beschädigung oder Fehlfunktionen bemerkst, stoppe die Nutzung sofort und kontaktiere einen Fachmann.

Anweisungen für Installation und Verwendung

1. Installation der Grip Inserts:

- Stelle sicher, dass der Ransom Rest auf einer stabilen und sicheren Unterlage steht.
- Entferne alle alten oder beschädigten Inserts vor der Installation neuer Grip Inserts.
- Setze die neuen Grip Inserts gemäß den Herstelleranweisungen in den Ransom Rest ein.
- Überprüfe die Passform der Inserts, um sicherzustellen, dass sie fest sitzen.

2. Verwendung der Grip Inserts:

- Positioniere dein Gewehr korrekt im Ransom Rest, sodass die Inserts optimal wirken können.
- Achte darauf, dass du beim Schießen eine sichere Haltung einnimmst und die Vibrationen korrekt absorbiert werden.
- Nach jedem Schuss überprüfe die Inserts und das Gewehr auf mögliche Schäden oder Abnutzungserscheinungen.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Grip Inserts gemäß den örtlichen Vorschriften für Elektroschrott oder Kunststoffabfälle.
- Wenn du das Produkt nicht mehr benötigst, stelle sicher, dass es sicher und umweltgerecht entsorgt wird.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung wende dich bitte an den Hersteller oder einen autorisierten Fachhändler.

Schlusswort

Die Sicherheit beim Umgang mit den GRIP INSERTS RANSOM GRIP INSERTS ist von größter Bedeutung. Indem du diese Richtlinien befolgst, trägst du dazu bei, sowohl deine Sicherheit als auch die Langlebigkeit deines Gewehrs zu gewährleisten. Achte darauf, alle Anweisungen sorgfältig zu befolgen und bei Unsicherheiten einen Fachmann zu konsultieren.

GRIP INSERTS RANSOM GRIP INSERTS FOR HECKLER & KOCH P30 Safety Instruction Guide

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Heckler & Koch P30. These grip inserts are designed to enhance your shooting experience by closely mimicking the feel and response of the human hand during recoil. This guide provides essential safety instructions to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe use of all nonfood products, including the Ransom Grip Inserts.
- Be aware of risks associated with improper use or installation.
- Always follow the instructions provided in this guide to avoid injuries or damage to your firearm.
- Regularly check for recall updates on the EU's Safety Gate platform to stay informed about any safety issues related to this product.

Specific Safety Precautions for Use

- Do not use hard grip inserts or 3Dprinted plastic grip inserts with your Master Series Ransom Rest.
- Hard inserts can damage your firearm by generating destructive recoil energy.
- Ensure that the grip inserts you use are specifically designed to match the durometer of the human hand to absorb recoil effectively.
- Be cautious of the potential for injury or damage if hard or poorly engineered inserts are used.
- Understand that using hard inserts may not provide repeatable test results and can lead to flawed testing outcomes.

Instructions for Installation and Usage

1. Installation of Grip Inserts

- Ensure your firearm is unloaded before installation.
- Remove any existing grip inserts from the Ransom Rest.
- Carefully align the Ransom Grip Inserts with the designated slots in the Ransom Rest.
- Press the inserts firmly into place until they are secure.

2. Usage of Grip Inserts

- When using the Ransom Rest with the grip inserts, ensure that the firearm is properly secured.
- Observe the initial milliseconds of shot vibration and recoil, noting how the inserts absorb these forces.
- Do not attempt to modify or alter the grip inserts in any way.
- Regularly inspect the grip inserts for signs of wear or damage.

3. Testing and Maintenance

- For accuracy testing, ensure that the setup mimics the human hand's response to recoil.
- Avoid using hard or 3Dprinted inserts for any testing purposes.
- Monitor the performance of the grip inserts and replace them if they show signs of degradation.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not dispose of the grip inserts in regular household waste if they are made from materials that require special disposal methods.
- Check with local authorities for guidance on proper disposal practices.

Contact Information for Further Support

For any inquiries regarding the safety and use of the Ransom Grip Inserts, please refer to the manufacturer's website or contact your local distributor for assistance.

By following these guidelines, you can ensure a safe and effective experience with your Ransom International Grip Inserts. Thank you for your attention to safety, and enjoy your shooting experience!

Guida alla Sicurezza per gli Inserts Grip Ransom per Heckler & Koch P30

Introduzione

Grazie per aver scelto gli Inserts Grip Ransom per il tuo Heckler & Koch P30. Questa guida fornisce informazioni importanti sulla sicurezza, l'installazione e l'uso corretto del prodotto. Ti invitiamo a leggere attentamente queste istruzioni per garantire un utilizzo sicuro e ottimale.

Linee Guida Generali sulla Sicurezza

- Assicurati di utilizzare solo gli Inserts Grip Ransom progettati specificamente per il tuo Ransom Rest.
- Non utilizzare grip inserts rigidi o inserti in plastica stampati in 3D, poiché possono danneggiare la tua arma e compromettere la sicurezza.
- Segui sempre le istruzioni di installazione e utilizzo fornite in questo documento.
- Tieni gli inserts e la tua arma lontano dalla portata di bambini e gruppi vulnerabili.
- In caso di incidenti o malfunzionamenti, contatta immediatamente le autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare gli Inserts Grip Ransom se noti segni di usura o danni.
- Assicurati che l'arma sia scarica prima di installare o rimuovere gli inserts.
- Fai attenzione durante l'installazione per evitare di danneggiare l'arma o gli inserts stessi.
- Non utilizzare gli inserts in condizioni di umidità o con armi danneggiate.
- Segui le raccomandazioni del produttore per quanto riguarda la manutenzione e la pulizia degli inserts.

Istruzioni per l'Installazione e l'Uso

1. Preparazione:

- Assicurati che l'arma sia scarica.
- Trova un'area di lavoro pulita e ben illuminata.

2. Installazione:

- Rimuovi eventuali inserti esistenti dal Ransom Rest.
- Inserisci gli Inserts Grip Ransom nel Ransom Rest, seguendo le indicazioni di allineamento.
- Assicurati che gli inserts siano ben fissati e non si muovano.

3. Uso:

- Posiziona l'arma nel Ransom Rest con gli Inserts Grip Ransom installati.
- Esegui i tuoi test di tiro, prestando attenzione alle vibrazioni e al rinculo.
- Monitora le prestazioni degli inserts e dell'arma durante l'uso.

4. Rimozione:

- Quando hai finito di utilizzare gli inserts, rimuovili delicatamente dal Ransom Rest.
- Controlla gli inserts per eventuali segni di usura o danni.

Istruzioni per lo Smaltimento

- Gli Inserts Grip Ransom devono essere smaltiti in conformità con le normative locali sui rifiuti.

- Non gettare gli inserts nel normale pattume; verifica se esistono punti di raccolta specifici per materiali di questo tipo.
- Se gli inserts sono danneggiati, contatta il produttore per ulteriori istruzioni sullo smaltimento.

Informazioni di Contatto per Ulteriore Supporto

Per domande o preoccupazioni riguardanti gli Inserts Grip Ransom, ti invitiamo a contattare il servizio clienti del produttore. Assicurati di avere a disposizione il numero di modello e altre informazioni rilevanti per ricevere assistenza.

Questa guida è stata redatta per garantire la sicurezza e il corretto utilizzo degli Inserts Grip Ransom. Segui sempre le istruzioni e le linee guida di sicurezza per proteggere te stesso e il tuo equipaggiamento.
