

GRIP INSERTS - RANSOM GRIP INSERTS FOR HECKLER & KOCH 45C

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR HECKLER & KOCH 45C
- Manufacturer: RANSOM
- Product no.: 430119381
- Mfr. No.: 30-300-14-06-C
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132581342

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR HECKLER & KOCH 45C

Einleitung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM GRIP INSERTS für deinen Heckler & Koch 45C. Diese Anleitung bietet wichtige Informationen zur sicheren Verwendung des Produkts, um sicherzustellen, dass du die bestmögliche Leistung erzielst und gleichzeitig mögliche Risiken vermeidest.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die GRIP INSERTS nur mit dem vorgesehenen Gewehrmodell verwendest.
- Lagere die Inserts an einem trockenen und sicheren Ort, fern von Kindern.
- Überprüfe regelmäßig die Inserts auf Beschädigungen oder Abnutzung.
- Halte dich an alle lokalen Gesetze und Vorschriften bezüglich des Besitzes und der Verwendung von Feuerwaffen.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Verwende niemals harte Grip Inserts oder 3Dgedruckte KunststoffGrip Inserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass die Inserts korrekt installiert sind, um optimale Leistung und Sicherheit zu gewährleisten.
- Führe keine destruktiven Tests oder Genauigkeitstests ohne die Verwendung der Ransom Grip Inserts durch, da dies zu fehlerhaften Ergebnissen führen kann.
- Sei dir bewusst, dass harte Inserts die Lebensdauer des Laufs und des Gewehrs verringern können und möglicherweise zu Verletzungen führen.

Anweisungen zur Installation und Verwendung

1. Installation der Inserts:

- Entferne die bestehenden Inserts, falls vorhanden.
- Setze die Ransom Grip Inserts gemäß den Anweisungen des Herstellers in den Ransom Rest ein.
- Stelle sicher, dass die Inserts fest und sicher sitzen, um Bewegungen während des Schusses zu vermeiden.

2. Verwendung der Inserts:

- Stelle sicher, dass das Gewehr in einer stabilen Position ist, bevor du mit dem Schießen beginnst.
- Achte darauf, dass die Inserts die Rückstoßenergie absorbieren, bevor die Maschine mechanisch zurückschlägt.
- Überwache die Leistung des Gewehrs und der Inserts während des Schießens und achte auf Anzeichen von Verschleiß oder Beschädigung.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffmaterialien.
- Stelle sicher, dass die Inserts nicht im normalen Müll entsorgt werden, um Umweltverschmutzung zu vermeiden.

Kontaktinformationen für weitere Unterstützung

Für Fragen zur Sicherheit oder zur Verwendung der GRIP INSERTS wende dich bitte an den Hersteller oder an die Verkaufsstelle, bei der du das Produkt erworben hast.

Diese Sicherheitshinweise sind darauf ausgelegt, dir zu helfen, die GRIP INSERTS sicher und effektiv zu nutzen. Bitte beachte alle Anweisungen sorgfältig und handle verantwortungsbewusst.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR HECKLER & KOCH 45C

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Heckler & Koch 45C. These grip inserts are designed to enhance the accuracy and performance of your shooting experience. However, it is important to follow safety guidelines to ensure proper use and to avoid any potential hazards.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the grip inserts.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can damage the firearm and lead to inaccurate test results.
- Be aware that improper use of grip inserts can cause injury or damage to the firearm.
- Ensure that the grip inserts are compatible with your specific firearm model.
- Regularly check the condition of the grip inserts for wear and tear.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Hard grip inserts can generate destructive recoil energy that travels through the frame and barrel, potentially damaging your firearm.
- **Replicate Humanlike Recoil:** The inserts are designed to mimic the durometer of the human hand, which is essential for accurate recoil absorption.
- **Monitor for Damage:** Inspect your firearm and the grip inserts regularly for any signs of damage. Accumulated damage may not be immediately visible.
- **Use as Intended:** These grip inserts are specifically designed for use with the Ransom Rest system. Do not use them for any other purpose.
- **Training:** Ensure that all users are trained in the proper handling and operation of the firearm and the grip inserts.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools if required for installation.

2. Installation:

- Remove any existing grip inserts from the firearm.
- Align the Ransom grip inserts with the firearm's grip frame.
- Securely attach the grip inserts, ensuring they fit snugly without gaps.
- Doublecheck that the inserts are properly installed and stable.

3. Usage:

- Position the firearm in the Ransom Rest system according to the manufacturer's instructions.
- Ensure that the grip inserts are absorbing recoil as intended during use.
- Regularly monitor the performance of the grip inserts during shooting sessions.

4. PostUsage:

- After use, inspect the grip inserts for any signs of wear or damage.
- Store the firearm and grip inserts in a safe and secure location.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local waste disposal regulations.
- Do not throw grip inserts in regular trash if they are made from materials that require special handling.

Contact Information for Further Support

For any questions or concerns regarding the use of the Ransom Grip Inserts, please refer to the manufacturer's contact details provided with the product. It is important to have access to support for any safety inquiries.

Conclusion

By following these safety instructions, you can ensure a safe and effective shooting experience with your Ransom Grip Inserts. Always prioritize safety and proper usage to protect yourself and others. Thank you for your attention to these important guidelines.

Istruzioni di Sicurezza per l'Uso degli Inserti GRIP RANSOM per Heckler & Koch 45C

Introduzione

Grazie per aver scelto gli Inserti GRIP RANSOM per il tuo Master Series Ransom Rest. Questo prodotto è progettato per migliorare le prestazioni della tua arma e garantire un utilizzo sicuro. È fondamentale seguire attentamente le istruzioni di sicurezza per evitare incidenti e garantire un'esperienza di tiro ottimale.

Linee Guida Generali di Sicurezza

- Assicurati sempre che l'arma sia scarica prima di installare o rimuovere gli inserti.
- Non utilizzare inserti rigidi o stampati in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Controlla regolarmente gli inserti per segni di usura o danni.
- Utilizza gli inserti solo con il Master Series Ransom Rest per il quale sono progettati.
- Segui tutte le leggi e regolamenti locali riguardanti l'uso delle armi.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non tentare di modificare o alterare gli inserti in alcun modo.
- Evita di utilizzare gli inserti in condizioni di umidità o bagnate, in quanto ciò potrebbe compromettere le prestazioni.
- Non utilizzare gli inserti se noti segni di danno o usura.
- Assicurati che gli inserti siano correttamente installati prima di ogni utilizzo.
- Non utilizzare gli inserti in modo che possano interferire con il funzionamento dell'arma.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti:

- Rimuovi gli inserti vecchi o danneggiati dal Ransom Rest.
- Pulisci l'area di contatto per garantire una buona aderenza.
- Inserisci i nuovi inserti RANSOM nel Ransom Rest seguendo le istruzioni fornite con il prodotto.
- Assicurati che gli inserti siano saldamente fissati e che non ci siano spazi vuoti.

2. Utilizzo degli Inserti:

- Posiziona l'arma nel Ransom Rest, assicurandoti che sia ben bilanciata.
- Effettua un controllo visivo per garantire che tutto sia in ordine prima di iniziare a tirare.
- Inizia a sparare, prestando attenzione alle vibrazioni e al rinculo; gli inserti dovrebbero assorbire parte di queste forze.
- Dopo ogni sessione di tiro, controlla gli inserti per eventuali segni di usura o danni.

Istruzioni per lo Smaltimento

- Gli inserti RANSOM non devono essere smaltiti come rifiuti domestici.
- Segui le normative locali per lo smaltimento dei materiali in plastica e gomma.
- Se gli inserti sono danneggiati o non più utilizzabili, contatta un centro di raccolta rifiuti per informazioni sullo smaltimento sicuro.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori informazioni sulla sicurezza e sull'uso degli inserti GRIP RANSOM, si consiglia di contattare il produttore o un rivenditore autorizzato. Assicurati di avere a disposizione il numero di modello e altre informazioni pertinenti sul prodotto.

Ricorda: la sicurezza è la priorità numero uno. Segui sempre queste istruzioni per garantire un'esperienza di tiro sicura e piacevole.
