

GRIP INSERTS - RANSOM GRIP INSERTS FOR HECKLER & KOCH VP9A1K

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR HECKLER & KOCH VP9A1K
- Manufacturer: RANSOM
- Product no.: 430119384
- Mfr. No.: 30-300-14-16
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132581380

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für RANSOM GRIP INSERTS für Heckler & Koch VP9A1K

Einführung

Herzlichen Glückwunsch zu deinem Kauf der RANSOM GRIP INSERTS für deine Heckler & Koch VP9A1K! Diese Einsätze sind speziell entwickelt worden, um die Sicherheit und Leistung deines Gewehrs zu optimieren. Bitte lies die folgenden Sicherheitshinweise sorgfältig durch, um sicherzustellen, dass du die Produkte sicher und effektiv verwendest.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die RANSOM GRIP INSERTS nur gemäß den Anweisungen verwendest.
- Überprüfe regelmäßig die Einsätze auf Abnutzung oder Beschädigungen.
- Halte die Einsätze von Kindern und unbefugten Personen fern.
- Verwende die RANSOM GRIP INSERTS nur mit der angegebenen Waffe, um Sicherheitsrisiken zu vermeiden.
- Melde unsichere Produkte oder Vorfälle sofort den zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- Vermeide die Verwendung von harten Griffesätzen oder 3Dgedruckten Kunststoffgriffen, da diese deinem Gewehr schaden können.
- Beachte, dass harte Einsätze destruktive Rückstoßenergie erzeugen, die die Waffe beschädigen kann.
- Die Schäden durch harte Einsätze sind nicht sofort sichtbar, summieren sich jedoch mit jedem Schuss.
- Ein harter Einsatz kann die Lebensdauer des Laufs und des Gewehrs verringern und möglicherweise Verletzungen verursachen.

Anweisungen für Installation und Nutzung

1. Installation der RANSOM GRIP INSERTS:

- Entferne die alten Griffesätze, falls vorhanden.
- Setze die RANSOM GRIP INSERTS gemäß der Anleitung in das Gewehr ein.
- Stelle sicher, dass die Einsätze fest und sicher sitzen.

2. Nutzung der RANSOM GRIP INSERTS:

- Führe die ersten Schüsse mit Vorsicht aus, um sicherzustellen, dass die Einsätze korrekt funktionieren.
- Achte auf Anzeichen von Verschleiß oder Beschädigung während des Gebrauchs.
- Bei Anzeichen von Beschädigung sofort die Einsätze ersetzen.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte RANSOM GRIP INSERTS gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffabfällen.
- Stelle sicher, dass die Einsätze nicht in die Hände von Kindern gelangen.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung zu den RANSOM GRIP INSERTS kontaktiere bitte den Hersteller

oder den Händler, bei dem du das Produkt erworben hast.

Bitte beachte, dass die Sicherheit deiner Waffe und deiner eigenen Person von der ordnungsgemäßen Verwendung und Wartung der RANSOM GRIP INSERTS abhängt. Halte dich an diese Richtlinien, um ein sicheres Schießen zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS RANSOM GRIP INSERTS FOR HECKLER & KOCH VP9A1K

Introduction

Thank you for choosing the Ransom International Grip Inserts designed specifically for the Heckler & Koch VP9A1K. This guide provides essential safety information to ensure proper use and maintenance of the product. Please read this document carefully to understand how to use the grip inserts safely and effectively.

General Safety Guidelines

- Ensure that the grip inserts are compatible with your firearm model before use.
- Always follow the manufacturer's recommendations for installation and usage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the grip inserts for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can damage your firearm and produce inaccurate test results.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be eliminated; they must be controlled. The grip inserts are designed to absorb these forces effectively.
- **Monitor for Damage:** Be aware that using hard inserts may not show immediate damage but can lead to significant wear over time.
- **Follow Testing Protocols:** When conducting destructive or accuracy testing, ensure that you replicate humanlike recoil to avoid flawed results.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and safe to handle before installation.
- Carefully follow the instructions provided with the grip inserts to install them securely.
- Confirm that the inserts are properly seated and do not interfere with the firearm's operation.

2. Usage:

- Use the grip inserts exclusively as intended with the specified firearm model.
- Regularly check the grip inserts for any signs of wear or damage during use.
- If you notice any issues, discontinue use immediately and consult the manufacturer.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials.
- Consult local waste management facilities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the manufacturer's contact information provided with the product. Always ensure you have the latest updates regarding safety recalls or product information.

By following these guidelines, you can ensure safe and effective use of the Ransom International Grip Inserts. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.

Istruzioni di Sicurezza per GRIP INSERTS RANSOM per Heckler & Koch VP9A1K

Introduzione

Benvenuti nel manuale di sicurezza per i GRIP INSERTS RANSOM progettati per l'uso con la tua Master Series Ransom Rest. Questo documento fornisce informazioni essenziali per garantire un utilizzo sicuro e corretto del prodotto, in conformità con le normative europee sulla sicurezza dei prodotti.

Linee Guida Generali di Sicurezza

- Assicurati che i GRIP INSERTS siano utilizzati esclusivamente con la Master Series Ransom Rest.
- Non utilizzare grip inserts rigidi o stampati in 3D, poiché possono danneggiare l'arma.
- Segui sempre le istruzioni di installazione e utilizzo per evitare incidenti.
- Conserva il prodotto in un luogo asciutto e sicuro, lontano dalla portata di bambini e animali.
- In caso di malfunzionamento o danno, interrompi immediatamente l'uso e contatta un professionista.

Precauzioni di Sicurezza Specifiche per l'Utilizzo

- Non utilizzare grip inserts che non siano stati progettati specificamente per il tuo modello di arma.
- Evita di sovraccaricare l'arma durante l'uso; segui le raccomandazioni del produttore per il carico massimo.
- Indossa sempre occhiali protettivi e protezioni per le orecchie durante l'uso dell'arma.
- Fai attenzione a eventuali vibrazioni o rumori anomali durante l'uso; interrompi l'uso se noti qualcosa di strano.
- Non tentare di modificare o riparare il prodotto da solo.

Istruzioni per l'Installazione e l'Uso

1. Installazione dei GRIP INSERTS:

- Assicurati che l'arma sia scarica prima di iniziare.
- Segui le istruzioni del produttore per installare i grip inserts sulla tua Master Series Ransom Rest.
- Verifica che gli inserts siano saldamente fissati e non presentino segni di usura o danni.

2. Utilizzo dei GRIP INSERTS:

- Posiziona l'arma sulla Ransom Rest con i grip inserts installati.
- Assicurati che l'arma sia in una posizione stabile e sicura prima di procedere.
- Segui le procedure di sparo standard, mantenendo sempre il controllo dell'arma.

Istruzioni per lo Smaltimento

- Segui le normative locali per lo smaltimento dei materiali non utilizzati o danneggiati.
- Non gettare i grip inserts nella spazzatura domestica; verifica se esistono programmi di riciclaggio nella tua area.
- Se il prodotto è danneggiato, contatta un professionista per la gestione sicura dello smaltimento.

Informazioni di Contatto per Ulteriore Supporto

Per domande o preoccupazioni riguardanti la sicurezza del prodotto, ti invitiamo a contattare un professionista qualificato o a visitare il sito web del produttore per ulteriori informazioni.

Avvertenze Finali

- Ricorda che l'uso di grip inserts rigidi può compromettere la tua sicurezza e quella degli altri.
- Segui sempre le raccomandazioni di sicurezza e fai attenzione durante l'uso dell'arma.
- Rimanere informati sulle eventuali segnalazioni di richiamo relative al prodotto tramite il sistema Safety Gate dell'UE.

Grazie per aver scelto i GRIP INSERTS RANSOM. La tua sicurezza è la nostra priorità.
