

GRIP INSERTS - RANSOM GRIP INSERTS FOR HIGH STANDARD 106,107,MIL, CIT,SUP,TRO,VIC

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR HIGH STANDARD 106,107,MIL, CIT,SUP,TRO,VIC
- Manufacturer: RANSOM
- Product no.: 430119385
- Mfr. No.: 30-300-15-02
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132581403

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für die Verwendung der Ransom Grip Inserts

Einführung

Herzlichen Glückwunsch zu deinem Kauf der RANSOM GRIP INSERTS! Diese Inserts sind speziell für deinen Master Series Ransom Rest entwickelt worden und bieten eine sichere und effektive Lösung für dein Schießtraining. Um die Sicherheit und die optimale Leistung deines Gewehrs zu gewährleisten, ist es wichtig, die folgenden Sicherheitshinweise zu beachten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass die RANSOM GRIP INSERTS nur mit den angegebenen Gewehren (High Standard 106, 107, MIL, CIT, SUP, TRO, VIC) verwendet werden.
- Verwende niemals harte Grip Inserts oder 3Dgedruckte Kunststoff Inserts, da diese deinem Gewehr schaden können.
- Halte die Inserts und das Gewehr außerhalb der Reichweite von Kindern und schütze sie vor unsachgemäßer Handhabung.
- Überprüfe regelmäßig den Zustand der RANSOM GRIP INSERTS auf Risse oder Verschleiß.

Besondere Sicherheitsvorkehrungen bei der Verwendung

- Achte darauf, dass die Inserts korrekt installiert sind, um eine optimale Leistung zu gewährleisten.
- Vermeide es, die Inserts zu verwenden, wenn du Anzeichen von Beschädigung oder Abnutzung bemerkst.
- Beachte, dass harte Inserts gefährliche Rückstoßenergien erzeugen können, die zu Verletzungen oder Schäden an deinem Gewehr führen können.
- Halte dich an die Anweisungen des Herstellers, um die Sicherheit während des Schießens zu gewährleisten.

Anweisungen zur Installation und Verwendung

1. Installation der RANSOM GRIP INSERTS:

- Entferne die alten Inserts, falls vorhanden.
- Setze die RANSOM GRIP INSERTS gemäß den Anweisungen des Herstellers ein.
- Stelle sicher, dass sie fest sitzen und keine Bewegungsspielräume haben.

2. Verwendung der Inserts:

- Halte das Gewehr sicher und stabil, während du die Inserts verwendest.
- Achte darauf, dass du die Vibrationen und den Rückstoß kontrollierst, indem du die Inserts richtig nutzt.
- Beobachte die ersten Millisekunden nach dem Schuss, um sicherzustellen, dass die Inserts ihre Funktion erfüllen.

3. Nach dem Gebrauch:

- Überprüfe die Inserts auf mögliche Beschädigungen oder Abnutzung.
- Reinige die Inserts gemäß den Empfehlungen des Herstellers, um ihre Lebensdauer zu verlängern.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Abfallentsorgung.
- Informiere dich über Recyclingmöglichkeiten für Kunststoffe, falls zutreffend.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder weitere Informationen über die RANSOM GRIP INSERTS und deren sichere Verwendung, wende dich bitte an den Hersteller oder den Händler, bei dem du das Produkt erworben hast.

Schlussfolgerung

Die RANSOM GRIP INSERTS bieten eine hervorragende Möglichkeit, dein Schießtraining zu verbessern und die Leistung deines Gewehrs zu optimieren. Indem du die oben genannten Sicherheitsrichtlinien und Anweisungen befolgst, kannst du sicherstellen, dass du das Beste aus deinem Produkt herausholst und gleichzeitig die Sicherheit gewährleistest.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Master Series Ransom Rest. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this guide carefully before use to understand the safety precautions and proper handling of the grip inserts.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the grip inserts by following all instructions. These inserts are designed to minimize recoil and vibration, ensuring a safer shooting experience.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to the product. Follow the manufacturer's instructions for any necessary remedies.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements. Verify that the product is genuine and meets EU safety standards.
- **Special Consumer Focus:** Extra care should be taken when using the product around vulnerable groups, including children. Ensure that the grip inserts are stored safely out of reach.
- **EU Contact Point:** For any safety inquiries, refer to the manufacturer's contact point, which is based in the EU.
- **Rapid Alerts:** Regularly check for updates on unsafe products through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can damage your firearm and produce inaccurate test results.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be eliminated but can be controlled. Using the correct grip inserts helps manage these forces.
- **Monitor for Damage:** Inspect your firearm regularly for signs of wear or damage caused by improper inserts. A hard insert can lead to decreased barrel life and potential injury.
- **Follow Testing Protocols:** Ensure that testing mimics human handling to obtain valid results. Using hard or poorly engineered inserts will compromise accuracy.
- **Educate Yourself:** Familiarize yourself with the physics of recoil and vibration to understand the importance of using the right grip inserts.

Instructions for Installation and Usage

1. **Preparation:** Ensure that the Ransom Rest is clean and free from debris before installing the grip inserts.
2. **Installation:**
 - Remove any existing grip inserts from the Ransom Rest.
 - Select the appropriate Ransom grip insert that matches the model of your firearm (High Standard 106, 107, MIL, CIT, SUP, TRO, VIC).
 - Align the grip insert with the designated slot on the Ransom Rest.
 - Firmly press the insert into place until it is secure.
3. **Usage:**
 - Place your firearm securely in the Ransom Rest, ensuring it is stable.
 - Conduct your shooting tests while monitoring for any unusual vibrations or movements.
 - After each use, inspect the grip inserts for wear and replace if necessary.
4. **PostUse Care:** Clean the grip inserts and the Ransom Rest after use to maintain their condition and functionality.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local waste disposal regulations.
- Do not dispose of grip inserts in regular household waste if they are made from materials that require special handling.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of the Ransom Grip Inserts, please reach out to the manufacturer's contact point based in the EU. They will provide you with the necessary support and information.

By following this safety instruction guide, you can ensure the safe use of the Ransom Grip Inserts and enhance your shooting experience. Thank you for your attention to these important safety measures.

Istruzioni di Sicurezza per l'Uso degli INSERTI GRIP RANSOM

Introduzione

Benvenuto! Questo documento fornisce informazioni importanti sulla sicurezza per l'uso degli INSERTI GRIP RANSOM, progettati per garantire prestazioni superiori nel tuo Master Series Ransom Rest. È fondamentale seguire queste istruzioni per garantire un uso sicuro e corretto del prodotto.

Linee Guida Generali di Sicurezza

- Assicurati che gli INSERTI GRIP RANSOM siano utilizzati esclusivamente con armi compatibili, come i modelli High Standard 106, 107, MIL, CIT, SUP, TRO, VIC.
- Non utilizzare inserti rigidi o stampati in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Controlla regolarmente gli INSERTI per segni di usura o danni prima di ogni utilizzo.
- Leggi e segui tutte le istruzioni fornite con il prodotto.
- Se hai domande o dubbi sull'uso degli INSERTI, rivolgiti a un professionista qualificato.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli INSERTI sono progettati per assorbire le forze di rinculo e vibrazione, simili a come farebbe la mano umana.
- Non forzare l'arma o gli INSERTI oltre le specifiche raccomandate dal produttore.
- Evita di utilizzare gli INSERTI in condizioni estreme, come temperature elevate o umidità eccessiva.
- Non modificare gli INSERTI in alcun modo, poiché ciò può compromettere la loro funzionalità e sicurezza.
- In caso di malfunzionamento o comportamento anomalo degli INSERTI, interrompi immediatamente l'uso e verifica il prodotto.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli INSERTI GRIP RANSOM:

- Assicurati che l'arma sia scarica e non in uso prima di procedere all'installazione.
- Segui le istruzioni specifiche fornite con il prodotto per l'installazione corretta degli INSERTI.
- Verifica che gli INSERTI siano fissati saldamente e che non vi siano spazi o movimenti indesiderati.

2. Uso degli INSERTI GRIP RANSOM:

- Posiziona l'arma nel Master Series Ransom Rest secondo le istruzioni del produttore.
- Assicurati che gli INSERTI siano in contatto corretto con l'arma per garantire un assorbimento efficace del rinculo.
- Durante il tiro, mantieni una postura stabile e controllata per ridurre al minimo il rischio di infortuni.

Istruzioni per lo Smaltimento

- Gli INSERTI GRIP RANSOM devono essere smaltiti in conformità con le normative locali sui rifiuti.
- Non gettare gli INSERTI nell'ambiente. Contatta le autorità locali per informazioni sullo smaltimento corretto.
- Assicurati che gli INSERTI non possano essere utilizzati accidentalmente da bambini o animali domestici dopo lo smaltimento.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori informazioni, domande o segnalazioni di problemi di sicurezza, ti invitiamo a contattare il produttore o un professionista qualificato. Assicurati di avere il numero di modello e altri dettagli pertinenti a portata di mano per ricevere assistenza.

Conclusione

La sicurezza è la nostra priorità. Seguendo queste istruzioni, puoi garantire un uso sicuro e efficace degli INSERTI GRIP RANSOM. Ricorda sempre di prestare attenzione e di agire con cautela durante l'uso di armi e accessori. Grazie per aver scelto i nostri prodotti!
