

GRIP INSERTS - RANSOM GRIP INSERTS FOR MITCHELL ARMS P08/STOEGER LUGER 9MM

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR MITCHELL ARMS P08/STOEGER LUGER 9MM
- Manufacturer: RANSOM
- Product no.: 430119392
- Mfr. No.: 30-300-19
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132581618

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM GRIP INSERTS FÜR MITCHELL ARMS P08/STOEGER LUGER 9MM

Einführung

Herzlichen Glückwunsch zu deinem Kauf der RANSOM GRIP INSERTS! Diese Inserts sind speziell dafür entwickelt worden, deine Schussleistung zu optimieren. Um sicherzustellen, dass du die Inserts sicher und effektiv verwendest, befolge bitte die nachfolgenden Sicherheitshinweise und Anweisungen.

Allgemeine Sicherheitshinweise

- Stelle sicher, dass du die Inserts nur mit dem Master Series Ransom Rest verwendest.
- Verwende keine harten oder 3Dgedruckten Grip Inserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass du die Inserts regelmäßig auf Beschädigungen überprüfst.
- Halte die Inserts außerhalb der Reichweite von Kindern und schutzbedürftigen Personen.
- Informiere dich regelmäßig über Rückrufaktionen und Sicherheitswarnungen über die EU Safety Gate Plattform.

Besondere Sicherheitsvorkehrungen für die Verwendung

- **Vermeide harte Inserts:** Harte Inserts können zerstörerische Rückstoßenergie erzeugen, die deinem Gewehr schaden kann.
- **Kontrolliere die Konstruktion:** Stelle sicher, dass die Inserts gut konstruiert sind, um die menschliche Hand und deren Rückstoß realistisch nachzuahmen.
- **Achte auf Vibrationen:** Die Inserts sind so konzipiert, dass sie Vibrationen absorbieren. Achte darauf, dass sie korrekt installiert sind, um ihre Funktion zu gewährleisten.
- **Sei vorsichtig bei Tests:** Wenn du destruktive Tests oder Genauigkeitstests durchführst, achte darauf, dass du die menschliche Hand nachahmst, um fehlerhafte Ergebnisse zu vermeiden.

Anweisungen für Installation und Nutzung

1. Vorbereitung:

- Stelle sicher, dass dein Ransom Rest sauber und in gutem Zustand ist.
- Überprüfe die Inserts auf sichtbare Schäden oder Abnutzung.

2. Installation der Inserts:

- Setze die Grip Inserts vorsichtig in die vorgesehenen Halterungen des Ransom Rest ein.
- Achte darauf, dass die Inserts fest sitzen und keine Bewegungsspielräume haben.

3. Verwendung:

- Führe deine Tests oder Schüsse gemäß den Anleitungen des Ransom Rest durch.
- Achte darauf, dass die Inserts während des Schießens nicht beschädigt werden.

4. Nach dem Gebrauch:

- Überprüfe die Inserts nach jeder Nutzung auf Abnutzung oder Beschädigungen.
- Lagere die Inserts an einem trockenen und sicheren Ort.

Entsorgungsanweisungen

- Die Grip Inserts sollten gemäß den örtlichen Vorschriften für Kunststoffabfälle entsorgt werden.
- Informiere dich über Recyclingmöglichkeiten in deiner Nähe, um die Umwelt zu schonen.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder bei Fragen zur Sicherheit deiner RANSOM GRIP INSERTS, wende dich bitte an den Kundenservice deines Händlers oder besuche die offizielle Webseite des Herstellers. Achte darauf, dass du alle Sicherheitsanweisungen befolgst, um eine sichere Nutzung zu gewährleisten.

Bleibe sicher und viel Spaß beim Schießen mit deinen RANSOM GRIP INSERTS!

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR MITCHELL ARMS

P08/STOEGER LUGER 9MM

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Mitchell Arms P08 or Stoeger Luger 9mm. These grip inserts are designed to enhance your shooting experience while ensuring safety and performance. This guide provides essential safety information and instructions to help you use the product effectively.

General Safety Guidelines

- Ensure that the grip inserts are compatible with your firearm model before use.
- Always handle firearms with care and follow all safety protocols.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts, as they may damage your firearm and yield inaccurate test results.
- Be aware that improper use of grip inserts can lead to injury or damage to the firearm.
- Regularly inspect the inserts for wear and tear, and replace them as necessary.
- Keep the grip inserts out of reach of children and vulnerable individuals.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted inserts. These can generate destructive recoil energy that may harm your firearm.
- **Understand Recoil Dynamics:** Remember that vibration and recoil cannot be eliminated; they can only be controlled. The inserts are designed to absorb these forces, mimicking the human hand.
- **Monitor for Damage:** Be aware that damage to your firearm may not be immediately visible but can accumulate over time with the use of hard inserts.
- **Follow Manufacturer Guidelines:** Adhere strictly to the manufacturer's instructions for proper use to ensure safety and functionality.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before installing the grip inserts.
- Remove any existing grip inserts from your firearm.
- Align the Ransom grip inserts with the grip frame of your firearm.
- Securely attach the inserts, ensuring a snug fit without excessive force.

2. Usage:

- When using the grip inserts, ensure that they are properly installed and do not interfere with the operation of the firearm.
- Regularly check the stability of the grip inserts during use.
- After firing, inspect the inserts for signs of wear or damage.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not discard inserts in regular household waste if they contain hazardous materials.

Contact Information for Further Support

For any safety inquiries or additional support regarding the Ransom Grip Inserts, please refer to the manufacturer's contact information provided with your product packaging or visit their official website.

By following these safety guidelines and instructions, you can help ensure a safe and effective shooting experience with your Ransom Grip Inserts. Always prioritize safety and responsible firearm handling.

Istruzioni di Sicurezza per l'Utilizzo degli Inserti Grip Ransom per Mitchell Arms P08/Stoeger Luger 9mm

Introduzione

Benvenuti nel manuale di sicurezza per gli Inserti Grip Ransom progettati per le armi Mitchell P08 e Stoeger Luger 9mm. Questo documento fornisce linee guida essenziali per garantire un uso sicuro e corretto del prodotto, conformemente alle normative europee sulla sicurezza dei prodotti (EU GPSR).

Linee Guida Generali sulla Sicurezza

- Assicurarsi che il prodotto sia utilizzato esclusivamente per il suo scopo previsto.
- Controllare regolarmente gli inserti per eventuali segni di usura o danni.
- Tenere gli inserti lontano dalla portata dei bambini e di gruppi vulnerabili.
- Segnalare eventuali prodotti non sicuri o incidenti alle autorità competenti.
- Controllare aggiornamenti sui richiami sulla piattaforma Safety Gate dell'UE.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare inserti grip rigidi o stampati in 3D con il Master Series Ransom Rest. Questi possono danneggiare l'arma e compromettere la sicurezza.
- Assicurarsi che gli inserti siano installati correttamente prima di ogni utilizzo.
- Non superare le specifiche di utilizzo indicate dal produttore.
- Evitare di utilizzare il prodotto in condizioni ambientali estreme (es. umidità, polvere, temperature estreme).
- Non utilizzare gli inserti se si notano segni di danni o deformazioni.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti Grip Ransom:

- Rimuovere eventuali inserti precedenti dall'arma.
- Pulire accuratamente l'area di contatto per garantire una buona adesione.
- Inserire gli inserti grip Ransom seguendo le istruzioni specifiche del produttore.
- Verificare che gli inserti siano saldamente fissati prima di utilizzare l'arma.

2. Uso degli Inserti Grip Ransom:

- Posizionare l'arma sul Master Series Ransom Rest.
- Assicurarsi che gli inserti grip siano in contatto corretto con l'arma.
- Effettuare un controllo visivo per confermare che non ci siano interferenze o movimenti indesiderati.
- Procedere con il tiro solo quando si è certi che tutto sia in ordine.

Istruzioni per lo Smaltimento

- Gli inserti grip Ransom devono essere smaltiti in conformità con le normative locali sui rifiuti.
- Non gettare gli inserti nel normale rifiuto domestico.
- Contattare le autorità locali per informazioni sullo smaltimento corretto dei materiali.

Informazioni di Contatto per Ulteriore Supporto

Per domande o ulteriori informazioni sulla sicurezza degli inserti grip Ransom, si prega di contattare il servizio clienti del produttore. Assicurarsi di avere il numero di modello e altre informazioni pertinenti a portata di mano per facilitare l'assistenza.

Queste istruzioni di sicurezza sono state redatte per garantire un utilizzo sicuro e responsabile degli Inserti Grip Ransom. Si prega di seguire attentamente tutte le linee guida e di mantenere la sicurezza come priorità principale durante l'uso del prodotto.
