

GRIP INSERTS - RANSOM GRIP INSERTS FOR MAUSER 1896 (C-96) W/ROUND BROOMHANDLE

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR MAUSER 1896 (C-96) W/ROUND BROOMHANDLE
- Manufacturer: RANSOM
- Product no.: 430119394
- Mfr. No.: 30-300-21
- Delivery weight: 0.907kg
- UPC: 810132581656

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR MAUSER 1896 (C96)

Einleitung

Herzlichen Glückwunsch zum Kauf der GRIP INSERTS für deine Mauser 1896 (C96)! Diese Anleitung bietet wichtige Informationen zur sicheren Verwendung, Installation und Entsorgung deiner Grip Inserts. Bitte beachte die folgenden Sicherheitshinweise, um die optimale Leistung und Sicherheit deines Produkts zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die GRIP INSERTS nur für die vorgesehenen Zwecke verwendest.
- Verwende keine harten Grip Inserts oder 3Dgedruckten KunststoffGrip Inserts, da diese deinem Gewehr schaden können.
- Halte die Inserts von Kindern und anderen gefährdeten Gruppen fern.
- Überprüfe regelmäßig den Zustand der Inserts und deines Gewehrs auf mögliche Schäden.
- Melde unsichere Produkte oder Unfälle an die zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- **Vermeide harte Inserts:** Harte Inserts erzeugen destruktive Rückstoßenergie, die deinem Gewehr schaden kann.
- **Achte auf die Konstruktion:** Die meisten harten oder 3Dgedruckten Inserts sind schlecht konstruiert und können menschlichen Rückstoß nicht nachahmen.
- **Vermeide langfristige Schäden:** Ein hartes Insert kann die Lebensdauer deines Laufs und Gewehrs verringern und möglicherweise Verletzungen verursachen.

Anweisungen zur Installation und Nutzung

1. Vorbereitung:

- Stelle sicher, dass dein Gewehr sicher und in einem stabilen Zustand ist.
- Überprüfe die Inserts auf Beschädigungen oder Abnutzung.

2. Installation der Grip Inserts:

- Entferne die alten Inserts, falls vorhanden.
- Setze die GRIP INSERTS vorsichtig in die vorgesehenen Bereiche ein, bis sie sicher sitzen.
- Achte darauf, dass die Inserts fest und stabil sind.

3. Verwendung der Grip Inserts:

- Bei der Verwendung des Ransom Rest sollte der Rückstoß so verlaufen, wie es bei einer menschlichen Hand der Fall ist.
- Achte darauf, dass die Inserts Vibrationen und Rückstoß absorbieren, ohne diese Kräfte in das Gewehr zu übertragen.

4. Nach der Verwendung:

- Überprüfe die Inserts und dein Gewehr auf mögliche Schäden.
- Reinige die Inserts regelmäßig, um ihre Leistung zu erhalten.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Grip Inserts gemäß den lokalen Vorschriften für die Abfallentsorgung.
- Achte darauf, dass die Inserts nicht in die Hände von Kindern gelangen.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen und Unterstützung kontaktiere bitte den Hersteller oder den Händler, bei dem du das Produkt erworben hast.

Bitte beachte, dass diese Sicherheitshinweise gemäß der EUVerordnung über die allgemeine Produktsicherheit (GPSR) erstellt wurden. Sie dienen dazu, potenzielle Gefahren zu identifizieren und klare Anweisungen zur Vermeidung dieser Gefahren zu geben. Sicherheit hat oberste Priorität!

Safety Instruction Guide for GRIP INSERTS RANSOM GRIP INSERTS FOR MAUSER 1896 (C96) W/ROUND BROOMHANDLE

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Mauser 1896 (C96) with round broomhandle. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure safe use of the grip inserts by following all instructions provided in this guide.
- Avoid using hard grip inserts or 3Dprinted plastic grip inserts, as they can damage your firearm and produce invalid test results.
- Be aware that improper use of the product can lead to potential injury or damage to your firearm.
- Always check for recalls or safety alerts regarding the product through the EU's Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not use hard grip inserts or 3Dprinted inserts. These can generate destructive recoil energy that may damage your firearm.
- Understand that hard inserts do not replicate humanlike recoil, which can lead to inaccurate test results.
- Be cautious of the potential for increased wear and tear on your firearm if hard inserts are used.
- Recognize that repeated use of hard inserts can lead to longterm damage, including decreased barrel life and potential safety hazards.
- Ensure that all users of the firearm are aware of the risks associated with improper grip insert usage.

Instructions for Installation and Usage

1. Installation:

- Remove any existing grip inserts from the Ransom Rest.
- Carefully place the Ransom International Grip Inserts into the designated slots of the Ransom Rest.
- Ensure that the inserts are securely fitted and do not move when the firearm is placed in the rest.

2. Usage:

- Before using the Ransom Rest with the grip inserts, ensure the firearm is unloaded and safe to handle.
- Place the firearm in the Ransom Rest, ensuring it is properly aligned and secured.
- Conduct your shooting tests while monitoring the performance of the grip inserts.
- Pay attention to how the inserts absorb recoil and vibrations, as they are designed to mimic the human hand.

3. PostUsage:

- After use, inspect the grip inserts for any signs of wear or damage.
- Clean the inserts as necessary to maintain optimal performance.
- Store the grip inserts in a safe and dry location when not in use.

Disposal Instructions

- Dispose of any damaged grip inserts in accordance with local waste disposal regulations.
- Do not incinerate the grip inserts, as they may contain materials that can release harmful substances when burned.
- If you are unsure about the disposal process, consult local waste management authorities for guidance.

Contact Information for Further Support

For any questions or concerns regarding the Ransom International Grip Inserts, please refer to the manufacturer's website or contact their customer support for assistance.

By following these safety instructions, you can ensure the safe and effective use of your Ransom International Grip Inserts. Thank you for your attention to these important guidelines.

Guida alle Istruzioni di Sicurezza per GRIP INSERTS RANSOM GRIP INSERTS PER MAUSER 1896 (C96) W/ROUND BROOMHANDLE

Introduzione

Grazie per aver scelto i GRIP INSERTS di RANSOM per il tuo Mauser 1896 (C96) con impugnatura a forma di scopa. Questo prodotto è progettato per migliorare l'esperienza di tiro e garantire prestazioni ottimali. È fondamentale seguire attentamente le istruzioni di sicurezza e utilizzo per garantire un uso sicuro e efficace.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo gli inserti progettati specificamente per il tuo modello di arma.
- Non utilizzare inserti rigidi o stampati in 3D, in quanto possono danneggiare l'arma e compromettere la sicurezza.
- Controlla regolarmente gli inserti per eventuali segni di usura o danni.
- Segui sempre le istruzioni del produttore per l'installazione e l'uso.
- Tieni presente che gli inserti sono progettati per assorbire il rinculo e la vibrazione, quindi non devono essere sostituiti con materiali non idonei.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare gli inserti se noti segni di danneggiamento o usura.
- Assicurati che l'arma sia in una posizione sicura e stabile durante l'uso.
- Non tentare di modificare o adattare gli inserti in alcun modo.
- Durante le sessioni di tiro, indossa sempre occhiali protettivi e protezioni per le orecchie.
- Non utilizzare gli inserti in condizioni climatiche estreme o in ambienti non controllati.

Istruzioni per l'Installazione e l'Uso

1. Preparazione:

- Assicurati che l'arma sia scarica e in una posizione sicura.
- Rimuovi eventuali inserti esistenti o componenti non necessari.

2. Installazione:

- Segui le istruzioni specifiche del produttore per installare gli inserti.
- Assicurati che gli inserti siano ben fissati e non si muovano durante l'uso.
- Controlla che non ci siano spazi vuoti tra l'inserto e l'arma.

3. Utilizzo:

- Posiziona l'arma nel supporto Ransom Rest come indicato nelle istruzioni.
- Esegui un controllo finale per assicurarti che tutto sia in ordine prima di iniziare a sparare.
- Durante il tiro, osserva attentamente le prestazioni dell'inserto e cerca segni di malfunzionamento.

Istruzioni per lo Smaltimento

- Gli inserti devono essere smaltiti in conformità con le normative locali sui rifiuti.
- Non gettare gli inserti nell'ambiente; utilizza i punti di raccolta designati per il materiale di scarto.
- Se gli inserti sono danneggiati, consulta un professionista per il corretto smaltimento.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori informazioni o domande relative alla sicurezza, contattare il rivenditore autorizzato o visitare il sito web del produttore.

Conclusione

Seguendo queste linee guida di sicurezza e le istruzioni per l'uso, puoi garantire un'esperienza di tiro sicura e soddisfacente con i GRIP INSERTS RANSOM. Ricorda che la sicurezza è la priorità numero uno durante l'uso di qualsiasi arma da fuoco.
