

GRIP INSERTS - RANSOM GRIP INSERTS PARDINI FIOCCHI GPO,GPS,HP,K60,MP,SP,SPE

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS PARDINI FIOCCHI GPO,GPS,HP,K60,MP,SP,SPE
- Manufacturer: RANSOM
- Product no.: 430119398
- Mfr. No.: 30-300-22
- Delivery weight: 0.907kg
- UPC: 810132581717

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für die GRIP INSERTS von RANSOM

Einführung

Willkommen zu deinem neuen GRIP INSERTS Produkt von RANSOM. Diese Einsätze sind speziell entwickelt, um dein Schießerlebnis zu verbessern und die Leistung deines Master Series Ransom Rest zu optimieren. Um sicherzustellen, dass du das Produkt sicher und effektiv verwendest, haben wir wichtige Sicherheitshinweise und Anleitungen zusammengestellt.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die GRIP INSERTS nur in Übereinstimmung mit den Anweisungen des Herstellers verwendest.
- Verwende die Einsätze nicht, wenn sie beschädigt oder abgenutzt sind.
- Halte die GRIP INSERTS außerhalb der Reichweite von Kindern und anderen unbefugten Personen.
- Berichte unsichere Produkte oder Unfälle umgehend an die zuständigen Behörden.
- Überprüfe regelmäßig die EU Safety Gate Plattform auf Rückrufupdates.

Besondere Sicherheitsvorkehrungen für die Benutzung

- Vermeide die Verwendung von harten Griffesätzen oder 3Dgedruckten Kunststoffeinsätzen, da diese deinem Gewehr schaden können.
- Harte Einsätze erzeugen destruktive Rückstoßenergie, die durch den Rahmen und den Lauf wandert.
- Achte darauf, dass du die Einsätze korrekt installierst, um Verletzungen oder Schäden zu vermeiden.
- Sei dir bewusst, dass ein harter Einsatz die Lebensdauer deines Laufs und deiner Waffe verringern kann.
- Wenn du unsicher bist, ob die Einsätze für deine Waffe geeignet sind, konsultiere einen Fachmann.

Anweisungen für Installation und Nutzung

1. **Vorbereitung:** Überprüfe, ob die GRIP INSERTS unbeschädigt sind und alle Teile vorhanden sind.
2. **Installation:**
 - Entferne den alten Einsatz, falls vorhanden.
 - Setze die GRIP INSERTS gemäß den Anweisungen des Herstellers ein.
 - Stelle sicher, dass die Einsätze fest sitzen und keine Lücken vorhanden sind.
3. **Nutzung:**
 - Halte die Waffe immer in sicherer Position und achte auf deine Umgebung.
 - Teste die Einsätze mit einem sicheren Schuss, um sicherzustellen, dass sie korrekt funktionieren.
 - Achte darauf, dass du die Einsätze regelmäßig auf Abnutzung oder Beschädigung überprüfst.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte GRIP INSERTS gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Stelle sicher, dass die Einsätze nicht in die Hände von Kindern gelangen, wenn du sie entsorgst.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung wende dich bitte an den Hersteller oder einen Fachhändler. Achte darauf, dass alle Anfragen bezüglich Sicherheit und Nutzung in Übereinstimmung mit den geltenden Vorschriften erfolgen.

Bitte beachte, dass diese Anleitung für deine Sicherheit und die Sicherheit anderer gedacht ist. Indem du diese

Richtlinien befolgst, trägst du dazu bei, ein sicheres Schießerlebnis zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS PARDINI FIOCCHI

GPO,GPS,HP,K60,MP,SP,SPE

Introduction

Thank you for choosing the Ransom International Grip Inserts. These inserts are designed to enhance your shooting experience while ensuring the safety and longevity of your firearm. This guide provides essential safety instructions and guidelines to help you use the product correctly and safely.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the grip inserts to avoid risks associated with improper handling.
- **Enhanced Recalls:** Be aware that standardized recall notices may be issued for dangerous products. Always check for updates.
- **Online Shopping:** If you purchase online, the same safety protections apply as in physical stores.
- **Special Consumer Focus:** Extra precautions should be taken when the product is used by vulnerable groups, such as children.
- **EU Contact Point:** For any safety inquiries, please ensure you have a means to contact the manufacturer or supplier within the EU.
- **Rapid Alerts:** Stay informed about unsafe products through the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Do Not Use Hard Grip Inserts:** Avoid using hard grip inserts or 3Dprinted plastic grip inserts. These can damage your firearm and produce inaccurate test results.
- **Vibration and Recoil Management:** Understand that vibration and recoil cannot be completely stopped; they must be managed effectively. The grip inserts are designed to absorb these forces.
- **Potential Damage:** Using hard inserts may lead to premature wear of your firearm, including the barrel, and could result in injury.
- **Testing Accuracy:** Ensure that any testing mimics humanlike recoil to avoid flawed results.
- **Cautionary Note:** Many have attempted to use hard or 3Dprinted inserts and found them to be ineffective.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and safe to handle.
- Remove any existing grip inserts from the Ransom Rest.
- Carefully insert the Ransom International Grip Inserts into the designated slots.
- Ensure that the inserts fit snugly and securely.

2. Usage:

- Place the firearm in the Ransom Rest with the grip inserts properly installed.
- Conduct your tests in a controlled environment to monitor performance and safety.
- Always observe proper shooting practices and safety protocols while using the Ransom Rest.

3. PostUse Care:

- After use, inspect the grip inserts for any signs of wear or damage.

- Clean the inserts and the Ransom Rest to maintain optimal performance.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not throw the inserts in regular household waste. Instead, check for recycling options or hazardous waste disposal facilities.

Contact Information for Further Support

For any questions or concerns regarding the use of the Ransom International Grip Inserts, please refer to the manufacturer or supplier for assistance. Ensure that you have the appropriate contact information readily available.

By following these safety instructions, you can help ensure a safe and effective shooting experience with your Ransom International Grip Inserts. Always prioritize safety and proper usage to protect yourself and your firearm.

Istruzioni di Sicurezza per gli Inserti Grip Ransom

Introduzione

Grazie per aver scelto gli Inserti Grip Ransom per migliorare le prestazioni della tua arma. Questo manuale fornisce importanti istruzioni di sicurezza e informazioni per garantire un uso sicuro e efficace del prodotto. È fondamentale seguire queste linee guida per proteggere te stesso e la tua arma.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo gli Inserti Grip Ransom progettati specificamente per il tuo modello di arma.
- Non utilizzare inserti rigidi o inserti in plastica stampati in 3D, poiché possono danneggiare l'arma.
- Controlla regolarmente gli inserti per segni di usura o danni.
- Segui sempre le istruzioni del produttore per l'installazione e l'uso.
- In caso di dubbi o domande, contatta un esperto o il produttore.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti sono progettati per assorbire il rinculo e le vibrazioni, quindi non devono essere sostituiti con inserti non conformi.
- Non tentare di modificare o riparare gli inserti da solo.
- Utilizza sempre la tua arma in un ambiente sicuro e controllato.
- Assicurati che nessuna persona si trovi nelle vicinanze durante l'uso della tua arma.
- Non utilizzare gli inserti se noti segni di danneggiamento; sostituiscili immediatamente.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti

- Rimuovi gli inserti esistenti dalla tua arma seguendo le istruzioni del produttore.
- Pulisci l'area di installazione per garantire una buona aderenza.
- Inserisci gli Inserti Grip Ransom nel supporto dell'arma.
- Assicurati che gli inserti siano saldamente fissati e privi di movimenti.

2. Uso degli Inserti

- Posiziona l'arma sul Ransom Rest con gli inserti installati.
- Controlla che gli inserti siano correttamente allineati e funzionino come previsto.
- Inizia a sparare seguendo le pratiche di sicurezza standard per l'uso delle armi.

Istruzioni per lo Smaltimento

- Gli Inserti Grip Ransom non devono essere smaltiti insieme ai rifiuti domestici.
- Segui le normative locali per lo smaltimento di prodotti di sicurezza per armi.
- Contatta un centro di raccolta autorizzato per la corretta eliminazione degli inserti usurati o danneggiati.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori informazioni riguardo agli Inserti Grip Ransom o per segnalare prodotti non sicuri, contatta il tuo rivenditore o il produttore. Assicurati di avere a disposizione il numero di modello e altre informazioni rilevanti.

Conclusione

La sicurezza è la priorità principale quando si utilizzano prodotti per armi. Seguendo queste istruzioni e linee guida, puoi garantire un'esperienza di tiro sicura e soddisfacente. Scegli saggiamente per la tua sicurezza e per quella della tua arma!
