

GRIP INSERTS - RANSOM GRIP INSERTS RUGERBISLEY,BISLEY 2022, NEW VAQUERO

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS RUGERBISLEY,BISLEY 2022, NEW VAQUERO
- Manufacturer: RANSOM
- Product no.: 430119400
- Mfr. No.: 30-300-23-04
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132581793

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM GRIP INSERTS RUGERBISLEY, BISLEY 2022, NEW VAQUERO

Einleitung

Herzlich willkommen! Du hast die GRIP INSERTS RANSOM GRIP INSERTS RUGERBISLEY, BISLEY 2022, NEW VAQUERO erworben. Diese Inserts sind speziell für den Master Series Ransom Rest entwickelt worden. Um sicherzustellen, dass du diese Produkte sicher verwendest und die bestmöglichen Ergebnisse erzielst, haben wir diese Sicherheitshinweise erstellt.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du alle Anweisungen und Warnhinweise in diesem Dokument sorgfältig liest und verstehst.
- Verwende die GRIP INSERTS nur für den vorgesehenen Zweck.
- Bewahre die Inserts außerhalb der Reichweite von Kindern und anderen unbefugten Personen auf.
- Überprüfe regelmäßig den Zustand der Inserts auf Risse oder Beschädigungen.
- Melde unsichere Produkte oder Unfälle sofort den zuständigen Behörden.

Besondere Sicherheitsvorkehrungen für die Verwendung

- Verwende keine harten Grip Inserts oder 3Dgedruckte KunststoffGrip Inserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass die Inserts der DurometerHärte der menschlichen Hand entsprechen, um optimale Leistung zu gewährleisten.
- Vermeide es, die Inserts bei extremen Temperaturen oder in feuchten Umgebungen zu lagern.
- Halte die Inserts sauber und frei von Schmutz oder Ablagerungen, um ihre Funktionalität nicht zu beeinträchtigen.

Anweisungen zur Installation und Verwendung

1. Installation der GRIP INSERTS:

- Stelle sicher, dass die Waffe entladen ist, bevor du mit der Installation beginnst.
- Entferne die vorhandenen Inserts, falls vorhanden.
- Setze die neuen GRIP INSERTS vorsichtig in die vorgesehenen Halterungen ein, bis sie fest sitzen.
- Überprüfe, ob die Inserts korrekt installiert sind und sich nicht bewegen lassen.

2. Verwendung der GRIP INSERTS:

- Führe Schusstests durch, um die Leistung der Inserts zu überprüfen.
- Achte darauf, dass die ersten Millisekunden des Schusses vom Insert absorbiert werden, bevor die Maschine reagiert.
- Vermeide übermäßigen Druck oder unsachgemäße Handhabung während des Schießens.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffabfällen.
- Informiere dich über umweltfreundliche Entsorgungsoptionen in deiner Region.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder zusätzliche Informationen zu den GRIP INSERTS, einschließlich Sicherheitsanfragen, wende dich bitte an den Hersteller oder deinen Händler.

Diese Sicherheitshinweise sollen dir helfen, die GRIP INSERTS sicher und effektiv zu verwenden. Dein Schutz und das ordnungsgemäße Funktionieren deiner Waffe haben für uns höchste Priorität. Vielen Dank, dass du dich für unsere Produkte entschieden hast!

Safety Instruction Guide for Ransom Grip Inserts

Introduction

Thank you for choosing Ransom International Grip Inserts for your Master Series Ransom Rest. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully to understand how to use the grip inserts effectively and safely.

General Safety Guidelines

- Ensure the grip inserts are used only with the specified Master Series Ransom Rest models.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts, as they can damage your firearm and produce inaccurate test results.
- Always handle firearms safely and in accordance with local laws and regulations.
- Keep the grip inserts out of reach of children and vulnerable individuals to prevent accidents.
- Regularly inspect the grip inserts for wear and damage before each use.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Hard grip inserts can generate destructive recoil energy, leading to potential damage to your firearm and posing safety risks.
- **Absorption of Recoil:** The grip inserts are designed to mimic the human hand, absorbing recoil and vibration effectively. Using improper inserts will not replicate this effect.
- **Testing Conditions:** When conducting tests, ensure that the grip inserts are used to reflect humanlike recoil for valid results.
- **Potential Damage:** Be aware that using hard inserts may lead to decreased barrel life and could potentially cause injury or death if mishandled.
- **Manufacturer Recommendation:** Follow the manufacturer's guidelines strictly to avoid risks associated with improper use.

Instructions for Installation and Usage

1. Installation:

- Remove any existing grip inserts from your Master Series Ransom Rest.
- Carefully align the Ransom Grip Inserts with the designated slots on the rest.
- Ensure a snug fit to prevent movement during use.

2. Usage:

- Place your firearm securely in the Ransom Rest, ensuring that the grip inserts are properly engaged.
- Conduct tests while observing the response of the grip inserts to ensure they are functioning as intended.
- Monitor for any signs of wear or damage during and after use.

3. PostUse Care:

- After use, clean the grip inserts with a soft cloth to remove any debris or residue.
- Store the grip inserts in a cool, dry place when not in use to prolong their lifespan.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local waste disposal regulations.
- Do not attempt to reuse or repair damaged grip inserts, as this may compromise safety.

Contact Information for Further Support

For any inquiries regarding the safety and use of Ransom Grip Inserts, please consult the manufacturer's website or customer service resources. They will provide the necessary assistance and support.

By following these safety instructions and guidelines, you will ensure a safe and effective experience with your Ransom Grip Inserts. Thank you for your attention to safety and for choosing Ransom International.

Guida alle Istruzioni di Sicurezza per i Grip Inserts RANSOM

Introduzione

Benvenuto nella guida alle istruzioni di sicurezza per i Grip Inserts RANSOM. Questo documento è progettato per garantire un uso sicuro e efficace del prodotto, rispettando le normative europee sulla sicurezza dei prodotti. Ti invitiamo a leggere attentamente queste istruzioni per proteggere te stesso e la tua arma.

Linee Guida Generali di Sicurezza

- Assicurati che i Grip Inserts RANSOM siano utilizzati solo con il Master Series Ransom Rest.
- Non utilizzare grip inserts rigidi o inserti in plastica stampati in 3D, poiché possono danneggiare la tua arma.
- Controlla regolarmente il prodotto per segni di usura o danni.
- Segui sempre le istruzioni di installazione e utilizzo fornite in questo manuale.

Precauzioni di Sicurezza Specifiche per l'Uso

- I Grip Inserts RANSOM sono progettati per assorbire il rinculo e le vibrazioni. Non tentare di modificare o adattare gli inserti.
- Se noti anomalie durante l'uso, interrompi immediatamente l'operazione e verifica il prodotto.
- Non utilizzare i Grip Inserts RANSOM in condizioni estreme come temperature elevate o umidità eccessiva.
- Mantieni i Grip Inserts RANSOM e il Master Series Ransom Rest lontano dalla portata dei bambini.

Istruzioni per l'Installazione e l'Uso

1. Installazione

- Assicurati che il Master Series Ransom Rest sia pulito e privo di detriti.
- Posiziona i Grip Inserts RANSOM nel supporto previsto sul Ransom Rest.
- Verifica che gli inserti siano saldamente fissati prima di procedere all'uso.

2. Utilizzo

- Posiziona l'arma nel Ransom Rest con i Grip Inserts RANSOM installati.
- Esegui il colpo seguendo le procedure di sicurezza standard per l'uso delle armi.
- Monitora il comportamento dell'arma durante il tiro e assicurati che non ci siano vibrazioni eccessive.

Istruzioni per lo Smaltimento

- Non gettare i Grip Inserts RANSOM nell'ambiente. Segui le normative locali per il corretto smaltimento dei materiali.
- Se il prodotto è danneggiato o non più utilizzabile, contatta il tuo rivenditore per informazioni sullo smaltimento.

Contatti per Ulteriori Supporto

Per domande o preoccupazioni riguardanti la sicurezza dei Grip Inserts RANSOM, ti invitiamo a contattare il tuo rivenditore autorizzato. Assicurati di avere a disposizione il numero di modello e la data di acquisto per una

rapida assistenza.

Conclusione

La tua sicurezza è la nostra priorità. Seguendo queste istruzioni e linee guida, puoi garantire un uso sicuro e efficace dei Grip Inserts RANSOM. Grazie per aver scelto il nostro prodotto!
