

GRIP INSERTS - RANSOM GRIP INSERTS FOR RUGER GP100

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR RUGER GP100
- Manufacturer: RANSOM
- Product no.: 430119403
- Mfr. No.: 30-300-23-07
- Delivery weight: 0.907kg
- UPC: 810132581823

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR RUGER GP100

Einführung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM GRIP INSERTS für Ruger GP100. Diese Anleitung soll dir helfen, die Inserts sicher zu verwenden und potenzielle Gefahren zu vermeiden. Bitte lies diese Hinweise sorgfältig durch, um die optimale Leistung und Sicherheit deines Produkts zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Inserts nur für den vorgesehenen Zweck verwendest.
- Überprüfe die Inserts regelmäßig auf sichtbare Schäden oder Abnutzung.
- Halte die Inserts und das gesamte Zubehör außerhalb der Reichweite von Kindern.
- Informiere dich über die richtige Handhabung und Pflege der Inserts.
- Melde unsichere Produkte oder Unfälle umgehend den zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Vermeide die Verwendung von harten Grip Inserts oder 3Dgedruckten Kunststoff Inserts, da diese deinem Gewehr schaden können.
- Beachte, dass harte Inserts destruktive Rückstoßenergien erzeugen können, die die Funktion deines Gewehrs beeinträchtigen.
- Verwende die Inserts nur in Verbindung mit dem Master Series Ransom Rest.
- Achte darauf, dass die Inserts korrekt installiert sind, um eine optimale Leistung zu gewährleisten.
- Sei dir bewusst, dass unsachgemäße Verwendung zu Verletzungen führen kann.

Anweisungen zur Installation und Verwendung

1. Installation der Inserts:

- Entferne die alten Inserts, falls vorhanden.
- Setze die RANSOM GRIP INSERTS vorsichtig in die vorgesehenen Halterungen ein.
- Stelle sicher, dass die Inserts fest und sicher sitzen.
- Überprüfe die Passform, bevor du mit dem Schießen beginnst.

2. Verwendung der Inserts:

- Stelle sicher, dass das Gewehr sicher auf dem Ransom Rest montiert ist.
- Achte darauf, die Inserts während des Schießens nicht zu beschädigen.
- Führe regelmäßig Tests durch, um die Leistung der Inserts zu überprüfen.
- Bei Anzeichen von Verschleiß oder Beschädigung, entferne die Inserts sofort und ersetze sie.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Abfallentsorgung.
- Verwende geeignete Recyclingmethoden, wenn verfügbar.
- Achte darauf, dass die Inserts nicht in die Hände von Kindern gelangen, wenn du sie entsorgst.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder weitere Informationen zu den GRIP INSERTS RANSOM GRIP INSERTS für Ruger GP100, wende

dich bitte an den Hersteller oder den Vertriebspartner.

Bitte beachte, dass diese Sicherheitshinweise dazu dienen, die sichere Verwendung der GRIP INSERTS zu gewährleisten und potenzielle Risiken zu minimieren. Deine Sicherheit und die Sicherheit anderer ist von größter Bedeutung.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR RUGER GP100

Introduction

Thank you for choosing the GRIP INSERTS RANSOM GRIP INSERTS FOR RUGER GP100. These inserts are designed to enhance the performance of your Master Series Ransom Rest by mimicking the natural recoil absorption of the human hand. Please read this safety instruction guide thoroughly to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure safe use of the grip inserts and the Ransom Rest by following these guidelines:
 - Always use the grip inserts specifically designed for your firearm model.
 - Avoid using hard grip inserts or 3Dprinted plastic grip inserts, as they can damage your firearm.
 - Be aware of the potential hazards associated with improper use of grip inserts.
 - Regularly inspect the inserts for wear and tear before each use.
 - Store the inserts in a safe place, away from children and vulnerable individuals.

Specific Safety Precautions for Use

- To ensure safe operation and avoid potential hazards, adhere to the following precautions:
 - Do not use hard or 3Dprinted inserts, as they may generate destructive recoil energy.
 - Understand that vibration and recoil cannot be stopped; they can only be controlled.
 - Ensure that the inserts are properly installed and securely fitted before use.
 - Do not exceed the recommended number of shots per session to minimize wear on the firearm and inserts.
 - If you notice any abnormal behavior during testing, cease use immediately and inspect the equipment.

Instructions for Installation and Usage

- Follow these steps to install and use the grip inserts safely:

1. Installation:

- Remove any existing grip inserts from the Ransom Rest.
- Clean the area where the new grip inserts will be installed.
- Align the new grip inserts with the mounting points on the Ransom Rest.
- Press the inserts firmly into place until they are securely fitted.

2. Usage:

- Place your firearm in the Ransom Rest with the installed grip inserts.
- Ensure the firearm is stable and secure before proceeding with any tests.
- Take your shots as needed, observing the performance of the inserts.
- Monitor for any signs of damage or wear on the inserts after each use.

Disposal Instructions

- When the grip inserts reach the end of their usable life, dispose of them responsibly:
 - Check local regulations for proper disposal methods of plastic materials.

- Do not dispose of the inserts in regular household waste if they can be recycled.
- If the inserts are damaged or broken, handle with care to avoid injury.

Contact Information for Further Support

- For any safety inquiries or concerns regarding the GRIP INSERTS RANSOM GRIP INSERTS FOR RUGER GP100, please reach out to the manufacturer or consult their website for assistance.

Conclusion

Following these safety instructions will help ensure a safe and effective experience with your GRIP INSERTS RANSOM GRIP INSERTS FOR RUGER GP100. Remember, proper use and maintenance are key to maximizing the performance of your equipment while minimizing risks. Thank you for your attention to safety.

Guida alle Istruzioni di Sicurezza per GRIP INSERTS RANSOM per Ruger GP100

Introduzione

Benvenuti nella guida alle istruzioni di sicurezza per i Grip Inserts Ransom progettati per il Ruger GP100. Questa guida ha lo scopo di fornire informazioni chiare e dettagliate per garantire un uso sicuro e responsabile del prodotto. È importante seguire queste istruzioni per proteggere te stesso e il tuo equipaggiamento.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare i Grip Inserts Ransom solo come indicato.
- Non utilizzare inserti rigidi o stampati in 3D, poiché possono danneggiare l'arma.
- Controlla regolarmente il tuo equipaggiamento per segni di usura o danni.
- In caso di malfunzionamento o danno, interrompi immediatamente l'uso e contatta un professionista qualificato.
- Segui tutte le normative locali e nazionali riguardanti l'uso delle armi da fuoco.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti Ransom sono progettati per assorbire il rinculo e le vibrazioni, quindi assicurati che siano installati correttamente.
- Non utilizzare mai grip inserts rigidi, poiché possono ridurre la vita della canna e dell'arma.
- Fai attenzione a eventuali vibrazioni eccessive durante il tiro; se noti qualcosa di anomalo, interrompi l'uso.
- Non utilizzare il prodotto in condizioni meteorologiche avverse che potrebbero compromettere la tua sicurezza.

Istruzioni per Installazione e Uso

1. Installazione degli Inserti:

- Assicurati che l'arma sia scarica prima di iniziare l'installazione.
- Segui le istruzioni del produttore per installare correttamente i Grip Inserts Ransom.
- Verifica che gli inserti siano saldamente posizionati e non si muovano durante l'uso.

2. Utilizzo degli Inserti:

- Durante il tiro, mantieni una presa salda e controllata.
- Fai attenzione a come il tuo corpo risponde al rinculo; gli inserti Ransom sono progettati per replicare la risposta umana.
- Non forzare l'arma in situazioni di alta pressione o durante il tiro in rapidità.

Istruzioni per lo Smaltimento

- Gli inserti Ransom devono essere smaltiti secondo le normative locali sui rifiuti.
- Non gettare gli inserti in luoghi non autorizzati o in modo irresponsabile.
- Contatta le autorità locali per informazioni su come smaltire correttamente il prodotto.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori informazioni o supporto riguardo ai Grip Inserts Ransom per Ruger GP100, ti invitiamo a contattare

il tuo rivenditore autorizzato o il produttore. Assicurati di avere il numero di modello e altre informazioni pertinenti pronte quando richiedi assistenza.

Conclusione

Seguire queste istruzioni di sicurezza è fondamentale per garantire un'esperienza di tiro sicura e soddisfacente. Ricorda sempre che la sicurezza è la priorità numero uno quando si maneggiano armi da fuoco. Grazie per aver scelto i Grip Inserts Ransom per il tuo Ruger GP100.
