

GRIP INSERTS - RANSOM GRIP INSERTS FOR RUGER P93,P94,P95,P94-44,KP9-44,ZYTEL 9

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR RUGER P93,P94,P95,P94-44,KP9-44,ZYTEL 9
- Manufacturer: RANSOM
- Product no.: 430119405
- Mfr. No.: 30-300-23-09
- Delivery weight: 0.907kg
- UPC: 810132581861

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS

Einleitung

Herzlich willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM GRIP INSERTS, die speziell für Ruger P93, P94, P95, P9444, KP944 und ZYTEL 9 entwickelt wurden. Diese Anleitung soll sicherstellen, dass du das Produkt sicher und effektiv nutzen kannst. Bitte lese alle Informationen sorgfältig durch, um mögliche Gefahren zu vermeiden.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die GRIP INSERTS nur mit kompatiblen Waffen verwendest.
- Überprüfe regelmäßig die Inserts auf Abnutzung oder Beschädigungen.
- Halte die Inserts und die Waffe von Kindern und unbefugten Personen fern.
- Befolge alle gesetzlichen Bestimmungen und Vorschriften bezüglich des Besitzes und der Verwendung von Feuerwaffen.
- Melde unsichere Produkte und Vorfälle an die zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Verwende die GRIP INSERTS nur für den vorgesehenen Zweck.
- Vermeide den Einsatz von harten oder 3Dgedruckten Einsätzen, da diese schädlich für die Waffe sein können.
- Achte darauf, dass die Inserts korrekt installiert sind, um eine sichere Nutzung zu gewährleisten.
- Führe vor jedem Gebrauch eine Sichtprüfung der Inserts durch.
- Bei Anzeichen von Beschädigungen oder übermäßiger Abnutzung, ersetze die Inserts sofort.

Anweisungen zur Installation und Verwendung

1. Installation der GRIP INSERTS:

- Stelle sicher, dass die Waffe entladen und sicher ist, bevor du mit der Installation beginnst.
- Entferne die vorhandenen Inserts gemäß den Anweisungen des Herstellers.
- Setze die neuen GRIP INSERTS vorsichtig ein und achte darauf, dass sie richtig sitzen.
- Überprüfe die Passform und stelle sicher, dass die Inserts fest und sicher sind.

2. Verwendung der GRIP INSERTS:

- Halte die Waffe wie gewohnt, wobei die GRIP INSERTS dir zusätzlichen Komfort und Kontrolle bieten.
- Achte darauf, dass du beim Schießen die richtige Technik anwendest, um Rückstoß und Vibrationen zu kontrollieren.
- Nach dem Schießen, überprüfe die Inserts auf mögliche Beschädigungen.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte GRIP INSERTS gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffabfällen.
- Achte darauf, dass die Inserts sicher und umweltfreundlich entsorgt werden, um Schäden an der Umwelt zu vermeiden.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung bezüglich der GRIP INSERTS, wende dich bitte an den Hersteller oder den Händler, bei dem du das Produkt erworben hast. Sie können dir bei Fragen oder Problemen helfen.

Bitte beachte, dass die Sicherheit bei der Verwendung von Feuerwaffen von größter Bedeutung ist. Halte dich an diese Richtlinien, um sicherzustellen, dass du und andere in deiner Umgebung geschützt sind.

GRIP INSERTS RANSOM GRIP INSERTS FOR RUGER P93, P94, P95, P9444, KP944, ZYTEL 9 Safety Instruction Guide

Introduction

Thank you for choosing the Ransom International Grip Inserts for your firearm. These inserts are designed to enhance the performance of your Master Series Ransom Rest while ensuring safety and accuracy during testing. It is crucial to follow the safety guidelines outlined in this document to prevent damage to your firearm and ensure user safety.

General Safety Guidelines

- Always use the grip inserts as intended, following the manufacturer's instructions.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can damage your gun and lead to inaccurate test results.
- Ensure that the grip inserts match the durometer of the human hand to absorb recoil effectively.
- Regularly inspect the grip inserts for signs of wear or damage. Replace them if necessary.
- Keep the product out of reach of children and vulnerable individuals.

Specific Safety Precautions for Use

- Avoid using hard or 3Dprinted inserts, as they can generate destructive recoil energy that may harm your firearm.
- Be aware that improper use of grip inserts can lead to decreased barrel life and potential injury.
- Ensure that all testing is conducted in a controlled environment to minimize risks.
- Always wear appropriate safety gear, such as eye protection, when using firearms.
- Do not attempt to modify or alter the grip inserts in any way.

Instructions for Installation and Usage

1. Installation:

- Remove any existing grip inserts from your Ransom Rest.
- Select the appropriate Ransom Grip Inserts for your firearm model.
- Align the grip inserts with the designated slots on the Ransom Rest.
- Firmly press the inserts into place until they are securely fitted.

2. Usage:

- Place your firearm securely in the Ransom Rest with the installed grip inserts.
- Ensure that the firearm is in a stable position before firing.
- Monitor the performance of the grip inserts during use. If you notice any unusual vibrations or sounds, stop using the grip inserts immediately and inspect them.
- After completing your testing, remove the firearm from the Ransom Rest carefully.

Disposal Instructions

- Dispose of any damaged or worn grip inserts responsibly.
- Follow local regulations for disposing of plastic materials.
- Do not throw grip inserts in regular household waste. Check for recycling options in your area.

Contact Information for Further Support

For any inquiries regarding the safety or performance of the Ransom Grip Inserts, please contact the manufacturer or your local distributor. They can provide further guidance and support.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective experience with your Ransom International Grip Inserts. Thank you for prioritizing safety in your firearm testing.

Istruzioni di Sicurezza per GRIP INSERTS RANSOM

Introduzione

Grazie per aver scelto i GRIP INSERTS RANSOM per la tua Ransom Rest. Questo prodotto è progettato per migliorare le prestazioni del tuo Ransom Rest e garantire un'esperienza di tiro più sicura e controllata. È fondamentale seguire le istruzioni di sicurezza e utilizzo fornite in questo documento per garantire un uso corretto e sicuro del prodotto.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare i grip inserts Ransom esclusivamente con il Ransom Rest della Master Series.
- Non utilizzare grip inserts rigidi o stampati in 3D, in quanto possono danneggiare l'arma e causare infortuni.
- Verifica regolarmente il prodotto per eventuali segni di usura o danni prima di ogni utilizzo.
- Segnala eventuali prodotti non sicuri o incidenti alle autorità competenti.
- Controlla gli aggiornamenti sui richiami attraverso la piattaforma Safety Gate dell'UE.

Precauzioni di Sicurezza Specifiche per l'Utilizzo

- **Controllo delle Forze:** Ricorda che il rinculo e le vibrazioni non possono essere completamente fermati, ma solo controllati. Utilizza i grip inserts Ransom per gestire questi effetti durante il tiro.
- **Assorbimento delle Vibrazioni:** Gli inserts Ransom sono progettati per assorbire vibrazioni e armoniche. Assicurati che siano installati correttamente per massimizzare questo beneficio.
- **Durata della Canne:** L'uso di grip inserts rigidi può ridurre la vita della canna e causare danni all'arma. Sii sempre attento e utilizza solo prodotti raccomandati.

Istruzioni per l'Installazione e l'Uso

1. Installazione:

- Rimuovi qualsiasi grip insert esistente dal Ransom Rest.
- Pulisci la superficie di contatto per garantire una buona adesione.
- Posiziona il grip insert Ransom sul Ransom Rest, assicurandoti che sia allineato correttamente.
- Fissa il grip insert seguendo le istruzioni specifiche del produttore per garantire una corretta installazione.

2. Uso:

- Prima di iniziare a utilizzare il Ransom Rest, verifica che il grip insert sia fissato saldamente.
- Utilizza il Ransom Rest in un ambiente sicuro e controllato, lontano da persone e animali.
- Segui tutte le norme di sicurezza relative all'uso delle armi da fuoco.

Istruzioni per lo Smaltimento

- Non gettare i grip inserts Ransom nel normale rifiuto domestico.
- Segui le normative locali per lo smaltimento dei materiali di plastica e dei prodotti per armi.
- Contatta le autorità locali per informazioni su come smaltire in modo sicuro i grip inserts usurati o danneggiati.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori domande o chiarimenti riguardo l'uso e la sicurezza dei GRIP INSERTS RANSOM, ti invitiamo a

contattare il tuo rivenditore o il produttore. Assicurati di avere il numero di modello e altre informazioni pertinenti a portata di mano per facilitare il supporto.

Grazie per aver scelto i GRIP INSERTS RANSOM. Utilizzali in modo sicuro e responsabile per migliorare la tua esperienza di tiro.
