

GRIP INSERTS - RANSOM GRIP INSERTS FOR RUGER REDHAWK

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR RUGER REDHAWK
- Manufacturer: RANSOM
- Product no.: 430119407
- Mfr. No.: 30-300-23-10
- Delivery weight: 0.907kg
- UPC: 810132581878

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitsanleitung für GRIP INSERTS RANSOM

GRIP INSERTS FÜR RUGER REDHAWK

Einführung

Herzlich willkommen zu den Sicherheitsanweisungen für die RANSOM INTERNATIONAL GRIP INSERTS, die speziell für den Ruger Redhawk entwickelt wurden. Diese Anleitung soll dir helfen, die Sicherheit bei der Verwendung des Produkts zu gewährleisten und potenzielle Gefahren zu vermeiden.

Allgemeine Sicherheitsrichtlinien

- Verwende die GriffEinsätze nur mit dem vorgesehenen Gerät, dem Ruger Redhawk.
- Halte die GriffEinsätze von Kindern und unbefugten Personen fern.
- Stelle sicher, dass die Einsätze vor der Verwendung auf Beschädigungen überprüft werden.
- Achte darauf, die Einsätze gemäß den Anweisungen in dieser Anleitung zu verwenden.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- **Vermeide harte Einsätze:** Harte oder 3Dgedruckte Einsätze können die Waffe schädigen und gefährliche Rückstoßenergien erzeugen.
- **Absorption von Rückstoß:** Die RANSOM GriffEinsätze sind so konzipiert, dass sie den Rückstoß und die Vibration absorbieren, um die Waffe zu schützen.
- **Regelmäßige Überprüfung:** Überprüfe regelmäßig die Einsätze auf Anzeichen von Verschleiß oder Beschädigung.
- **Vermeide unsachgemäße Verwendung:** Nutze die Einsätze nicht für andere Waffen oder Anwendungen, für die sie nicht vorgesehen sind.

Anweisungen zur Installation und Nutzung

1. Vorbereitung:

- Stelle sicher, dass die Waffe entladen ist, bevor du die GriffEinsätze installierst.
- Reinige den Bereich, in dem die Einsätze installiert werden, um eine ordnungsgemäße Haftung zu gewährleisten.

2. Installation:

- Setze die GriffEinsätze vorsichtig in die vorgesehenen Bereiche des Ruger Redhawk ein.
- Stelle sicher, dass die Einsätze fest und sicher sitzen, bevor du die Waffe verwendest.

3. Nutzung:

- Halte die Waffe während des Schießens sicher und stabil.
- Achte darauf, dass die Einsätze während des Schießens nicht verrutschen oder sich lösen.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte GriffEinsätze gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Achte darauf, dass die Einsätze nicht in die Umwelt gelangen, um eine Verschmutzung zu vermeiden.

Kontaktinformationen für weitere Unterstützung

- Für Sicherheitsanfragen oder weitere Informationen zu den RANSOM GRIP INSERTS, wende dich bitte an den Hersteller oder den Händler, bei dem du das Produkt erworben hast.

Schlussfolgerung

Die RANSOM INTERNATIONAL GRIP INSERTS bieten optimalen Schutz für deine Waffe und sind eine wertvolle Ergänzung für den Ruger Redhawk. Durch die Beachtung dieser Sicherheitsrichtlinien kannst du die Lebensdauer deiner Waffe verlängern und das Risiko von Verletzungen minimieren. Achte stets darauf, sicher und verantwortungsbewusst mit deiner Feuerwaffe umzugehen.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR RUGER REDHAWK

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Ruger Redhawk. This guide provides essential safety instructions and guidelines to ensure the safe use of the product. Please read this document carefully and follow all instructions to avoid potential hazards.

General Safety Guidelines

- Always ensure that the grip inserts are compatible with your firearm model before use.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can cause damage to your firearm and compromise safety.
- Be aware that improper use of grip inserts can lead to inaccurate test results and potential harm.
- Always handle firearms with care and follow all standard safety protocols.
- Keep the product out of reach of children and vulnerable individuals.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Hard grip inserts can generate destructive recoil energy that may damage your firearm. They do not mimic humanlike recoil and can lead to inaccurate testing.
- **Monitor for Damage:** Inspect your firearm regularly for signs of wear or damage that may arise from using inappropriate grip inserts.
- **Use Proper Technique:** When using the grip inserts, ensure they are installed correctly and that you are following the recommended testing procedures.
- **Be Cautious of Recoil:** Understand that recoil cannot be eliminated but can be controlled. Using the correct grip inserts will help absorb recoil and vibrations effectively.
- **Do Not Modify Inserts:** Altering the grip inserts can compromise their effectiveness and safety. Use them as intended.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and in a safe condition before installation.
- Carefully remove the existing grip from your Ruger Redhawk.
- Align the Ransom grip inserts with the grip frame of the firearm.
- Securely attach the grip inserts, ensuring they fit snugly without gaps.
- Verify that the inserts are properly installed before proceeding to use the firearm.

2. Usage:

- When using the grip inserts, ensure you are in a safe and controlled environment.
- Use the inserts for testing purposes only, ensuring that all standard safety protocols for firearms are followed.
- Monitor the performance of the inserts during use. If you notice any irregularities, stop using them immediately and inspect for damage.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not incinerate or expose grip inserts to extreme heat, as this may release harmful substances.

- If you are unsure about disposal methods, consult local waste management authorities for guidance.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the Ransom Grip Inserts, please consult your local dealer or authorized distributor. They can provide guidance and support in accordance with the EU General Product Safety Regulation (GPSR).

Conclusion

By following the safety instructions outlined in this guide, you can ensure a safe and effective experience with your Ransom International Grip Inserts for Ruger Redhawk. Always prioritize safety and adhere to all guidelines provided. Thank you for your attention to these important safety measures.

Guida alla Sicurezza per i Grip Inserts RANSOM per Ruger Redhawk

Introduzione

Benvenuto nella guida alla sicurezza per i Grip Inserts RANSOM progettati per il Ruger Redhawk. Questa guida fornisce informazioni essenziali per garantire un uso sicuro e responsabile del prodotto, in conformità con le normative europee sulla sicurezza dei prodotti.

Linee Guida Generali di Sicurezza

- Assicurati di leggere e comprendere tutte le istruzioni prima di utilizzare i Grip Inserts.
- Non utilizzare grip inserts rigidi o in plastica stampata in 3D, poiché possono danneggiare l'arma e causare infortuni.
- Controlla regolarmente il prodotto per eventuali segni di usura o danni.
- Conserva i Grip Inserts in un luogo sicuro e asciutto, lontano dalla portata di bambini e animali domestici.
- Segnala eventuali prodotti non sicuri o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Utilizza solo i Grip Inserts RANSOM progettati per il tuo Ruger Redhawk.
- Segui attentamente le istruzioni di installazione e utilizzo fornite.
- Non forzare il grip insert durante l'installazione; assicurati che sia posizionato correttamente.
- Non utilizzare il tuo Ruger Redhawk con grip inserts non autorizzati o di qualità inferiore.
- In caso di malfunzionamenti, interrompi immediatamente l'uso e contatta un esperto.

Istruzioni per l'Installazione e l'Uso

1. Preparazione

- Assicurati che l'arma sia scarica e in sicurezza prima di iniziare l'installazione.
- Raccogli gli strumenti necessari per l'installazione.

2. Installazione

- Rimuovi il grip originale del Ruger Redhawk seguendo le istruzioni del produttore.
- Posiziona il Grip Insert RANSOM nel punto designato, assicurandoti che sia allineato correttamente.
- Fissa il grip insert secondo le istruzioni fornite, evitando di applicare troppa pressione.

3. Uso

- Utilizza il tuo Ruger Redhawk con i Grip Inserts RANSOM durante le sessioni di tiro.
- Monitora costantemente il comportamento dell'arma e del grip insert durante l'uso.
- In caso di vibrazioni eccessive o altri segnali di malfunzionamento, interrompi immediatamente l'uso.

Istruzioni per lo Smaltimento

- Quando il Grip Insert RANSOM non è più utilizzabile, smaltiscilo in conformità con le normative locali sullo smaltimento dei rifiuti.
- Non gettare il prodotto nell'ambiente; utilizza i punti di raccolta designati per materiali non pericolosi.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori informazioni sulla sicurezza o per segnalare un problema, contatta il tuo rivenditore o il produttore. Assicurati di avere a disposizione il numero di modello e altre informazioni pertinenti relative al tuo Grip Insert RANSOM.

Grazie per aver scelto i Grip Inserts RANSOM per il tuo Ruger Redhawk. La tua sicurezza è la nostra priorità.
