

GRIP INSERTS - RANSOM GRIP INSERTS FOR RUGER SP101

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR RUGER SP101
- Manufacturer: RANSOM
- Product no.: 430119409
- Mfr. No.: 30-300-23-12
- Delivery weight: 0.907kg
- UPC: 810132581892

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR RUGER SP101

Einleitung

Herzlich willkommen! Die RANSOM INTERNATIONAL GRIP INSERTS sind speziell entwickelt worden, um optimalen Schutz für deine Waffe zu bieten. Dieses Dokument enthält wichtige Sicherheitshinweise, um sicherzustellen, dass du die Inserts sicher und effektiv verwendest. Bitte lies die folgenden Informationen sorgfältig durch.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Inserts nur mit kompatiblen Waffen verwendest.
- Überprüfe vor jeder Verwendung die Inserts auf sichtbare Schäden oder Abnutzung.
- Lagere die Inserts an einem sicheren Ort, der für Kinder unzugänglich ist.
- Halte dich an alle gesetzlichen Bestimmungen zur Verwendung von Feuerwaffen in deinem Land.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Verwende keine harten oder 3Dgedruckten Einsätze, da diese deiner Waffe schaden können.
- Achte darauf, dass die Inserts richtig installiert sind, um unerwartete Rückstoßenergie zu vermeiden.
- Teste die Inserts zunächst in einer sicheren Umgebung, um ihre Effektivität zu bestätigen.
- Halte die Umgebung frei von Ablenkungen, wenn du die Waffe mit den Inserts verwendest.

Anweisungen für Installation und Verwendung

1. Installation der Inserts

- Stelle sicher, dass die Waffe entladen ist.
- Entferne den alten Griff oder die alten Inserts, falls vorhanden.
- Setze die RANSOM GRIP INSERTS gemäß der beiliegenden Anleitung an der vorgesehenen Stelle ein.
- Überprüfe, ob die Inserts fest sitzen und keine Spielräume aufweisen.

2. Verwendung der Inserts

- Halte die Waffe wie gewohnt, wobei die Inserts optimalen Komfort bieten sollten.
- Achte darauf, dass du die Waffe in einer sicheren Richtung hältst, während du mit ihr arbeitest.
- Nach dem Schuss sollte die Waffe sicher abgelegt werden, um mögliche Verletzungen zu vermeiden.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für den Umgang mit gefährlichem Abfall.
- Achte darauf, dass alle Teile sicher verpackt sind, um Verletzungen zu vermeiden.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder bei Fragen zur Sicherheit der RANSOM GRIP INSERTS wende dich bitte an den Hersteller oder den Händler, bei dem du das Produkt erworben hast. Es ist wichtig, dass du bei Unsicherheiten immer Unterstützung suchst.

Schlussfolgerung

Die RANSOM GRIP INSERTS bieten eine hervorragende Lösung für den Schutz deiner Waffe. Indem du die oben genannten Sicherheitsrichtlinien befolgst, kannst du sicherstellen, dass du die Inserts sicher und effektiv verwendest. Denke daran, dass Sicherheit immer an erster Stelle steht.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR RUGER SP101

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Ruger SP101. These grip inserts are designed to enhance your shooting experience by mimicking the natural recoil absorption of the human hand. This guide provides essential safety information and instructions to ensure safe and effective use of the product.

General Safety Guidelines

- **Product Safety:** Ensure the safe use of the grip inserts by following all instructions carefully.
- **Enhanced Recalls:** Be aware that in the event of a product recall, standardized notices will be provided, and remedies will be offered for any dangerous products.
- **Online Shopping Protections:** When purchasing online, ensure that the seller complies with safety requirements equivalent to those in physical stores.
- **Consumer Focus:** Special precautions are recommended for vulnerable groups, including children.
- **EU Contact Point:** For safety inquiries, ensure that you have access to an EU-based contact.
- **Rapid Alerts:** Stay informed about any updates on unsafe products through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3D-printed plastic grip inserts. These can damage your firearm by generating destructive recoil energy.
- **Recoil Control:** Understand that vibration and recoil cannot be stopped; they must be controlled. Using the correct grip inserts will help absorb these forces.
- **Inspection:** Regularly inspect the grip inserts for wear and tear. Replace them if you notice any damage.
- **Injury Risk:** Be aware that using inappropriate inserts may lead to decreased firearm lifespan and potential injury or death.
- **Test Validity:** Ensure that tests conducted with the grip inserts mimic humanlike recoil to avoid flawed results.

Instructions for Installation and Usage

1. Installation:

- Ensure that your firearm is unloaded before installing the grip inserts.
- Remove any existing grip inserts from the firearm.
- Align the Ransom grip inserts with the grip area of your Ruger SP101.
- Firmly press the inserts into place until they are securely fitted.
- Double-check to ensure that the inserts are properly installed and do not move.

2. Usage:

- When using the Ransom Rest with the grip inserts, ensure that the machine is in a stable position.
- Follow the operational guidelines for your Ransom Rest to ensure optimal performance.
- Always monitor the condition of the grip inserts during use, and replace them if they show signs of wear.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not dispose of the grip inserts in regular household waste if they are made from materials that require special handling.
- Consider recycling the materials if possible, or contact your local waste management facility for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of the Ransom International Grip Inserts, please refer to the contact information provided at the point of purchase or consult the manufacturer's website for support.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Ransom International Grip Inserts for Ruger SP101. Always prioritize safety in all firearmrelated activities.

Istruzioni di Sicurezza per gli Inserti GRIP RANSOM per Ruger SP101

Introduzione

Benvenuto! Questo documento fornisce istruzioni di sicurezza essenziali per l'uso degli Inserti GRIP RANSOM progettati per il Ruger SP101. È fondamentale seguire queste linee guida per garantire un uso sicuro e efficace del prodotto.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo inserti progettati specificamente per il tuo modello di arma.
- Non utilizzare inserti rigidi o stampati in 3D, poiché possono danneggiare l'arma e compromettere la tua sicurezza.
- Segui sempre le istruzioni del produttore per l'installazione e l'uso.
- Controlla regolarmente il prodotto per eventuali segni di usura o danni.
- Conserva il prodotto in un luogo sicuro, lontano dalla portata di bambini e gruppi vulnerabili.
- In caso di problemi o incidenti, contatta immediatamente le autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti sono progettati per assorbire il rinculo e le vibrazioni. Non utilizzare inserti non conformi, poiché potrebbero ridurre l'efficacia del sistema.
- Evita di utilizzare l'arma in condizioni avverse che potrebbero influire sulla sicurezza e sul funzionamento dell'inserto.
- Non tentare di modificare o riparare gli inserti senza l'assistenza di un professionista qualificato.
- Non utilizzare l'arma se noti comportamenti anomali durante il funzionamento.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti:

- Assicurati che l'arma sia scarica e priva di munizioni prima di procedere.
- Rimuovi eventuali inserti precedentemente installati.
- Posiziona gli inserti GRIP RANSOM nell'impugnatura seguendo le istruzioni specifiche fornite con il prodotto.
- Verifica che gli inserti siano saldamente fissati e che non ci siano spazi vuoti.

2. Utilizzo degli Inserti:

- Utilizza l'arma in un ambiente controllato e sicuro.
- Prima di ogni utilizzo, controlla che gli inserti siano in buone condizioni e non presentino segni di usura.
- Durante il tiro, mantieni una presa salda sull'arma e segui le pratiche di sicurezza standard.

Istruzioni per lo Smaltimento

- Gli inserti devono essere smaltiti in conformità con le normative locali sui rifiuti.
- Non gettare gli inserti in normali contenitori di rifiuti se contengono materiali pericolosi o non biodegradabili.
- Contatta le autorità locali per informazioni sullo smaltimento sicuro di prodotti di armamento.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori informazioni sulla sicurezza del prodotto o per segnalare incidenti, contatta il tuo rivenditore o il produttore. Assicurati di avere a disposizione il numero di modello e la data di acquisto.

Ricorda: la tua sicurezza e quella degli altri è la priorità numero uno. Segui queste istruzioni e utilizza il prodotto in modo responsabile.
