

GRIP INSERTS - RANSOM GRIP INSERTS FOR RUGER SECURITY SIX SN 150 OR LOWER

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR RUGER SECURITY SIX SN 150 OR LOWER
- Manufacturer: RANSOM
- Product no.: 430119410
- Mfr. No.: 30-300-23-13
- Delivery weight: 0.907kg
- UPC: 810132581908

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS für Ruger Security Six

Einleitung

Willkommen zu deinem neuen GRIP INSERTS RANSOM GRIP INSERTS für die Ruger Security Six. Diese Inserts sind speziell entwickelt, um die Leistung und Sicherheit deiner Waffe zu optimieren. Bitte lese die folgenden Sicherheitshinweise sorgfältig durch, um einen sicheren und effektiven Gebrauch zu gewährleisten.

Allgemeine Sicherheitshinweise

- Stelle sicher, dass du die Inserts nur mit der Ruger Security Six (SN 150 oder niedriger) verwendest.
- Verwende keine harten Griffesätze oder 3Dgedruckte Kunststoffgriffesätze.
- Halte die Inserts außerhalb der Reichweite von Kindern und schütze sie vor unsachgemäßer Handhabung.
- Achte darauf, dass du die Waffe immer in einem sicheren Zustand aufbewahrst, wenn sie nicht in Gebrauch ist.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- Harte Einsätze können die Waffe beschädigen und gefährliche Rückstoßenergien erzeugen.
- Vermeide den Einsatz von Materialien, die nicht für die Verwendung mit deinem Ransom Rest geeignet sind.
- Achte darauf, dass du die Inserts regelmäßig auf Abnutzung oder Beschädigungen überprüfst.
- Wenn du eine Veränderung der Leistung oder ein ungewöhnliches Verhalten der Waffe bemerkst, stoppe sofort die Nutzung und überprüfe die Inserts.

Anweisungen für Installation und Nutzung

1. Installation der Inserts:

- Entferne die Waffe aus dem Ransom Rest.
- Setze die GRIP INSERTS gemäß den beiliegenden Anweisungen ein.
- Stelle sicher, dass die Inserts fest und sicher sitzen, bevor du die Waffe wieder montierst.

2. Nutzung der Inserts:

- Beginne mit der Waffe in einem sicheren Zustand und stelle sicher, dass der Lauf in eine sichere Richtung zeigt.
- Führe deine Schüsse wie gewohnt durch, während du darauf achtest, dass die Inserts richtig funktionieren.
- Überwache die ersten Millisekunden nach dem Schuss, um sicherzustellen, dass die Inserts die Vibration und den Rückstoß effektiv absorbieren.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoff und Metallprodukten.
- Achte darauf, dass du die Inserts sicher entsorgst, um Umweltschäden zu vermeiden.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Unterstützung zu deinem Produkt empfehlen wir, die Website des Herstellers zu besuchen oder

den Kundenservice zu kontaktieren.

Schlussfolgerung

Die GRIP INSERTS RANSOM GRIP INSERTS für die Ruger Security Six sind eine ausgezeichnete Wahl, um die Leistung und Sicherheit deiner Waffe zu verbessern. Befolge diese Sicherheitshinweise, um eine sichere Nutzung zu gewährleisten und mögliche Risiken zu minimieren. Achte immer darauf, dass du verantwortungsvoll mit deiner Waffe umgehst.

GRIP INSERTS RANSOM GRIP INSERTS FOR RUGER SECURITY SIX SN 150 OR LOWER Safety Instruction Guide

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Ruger Security Six. This guide provides essential safety instructions to ensure the correct and safe use of the grip inserts. Please read this manual carefully before installation and usage.

General Safety Guidelines

- **Product Safety:** Ensure safe use of this product by following all instructions and warnings provided in this guide.
- **Enhanced Recalls:** Stay informed about any recall notices regarding this product. If you receive a recall notice, follow the instructions provided for a remedy.
- **Online Shopping Protections:** When purchasing online, ensure that the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** Extra caution should be taken if the product is used by vulnerable groups, including children.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact point which is available with the product.
- **Rapid Alerts:** Be aware of updates regarding unsafe products through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Do Not Use Hard Inserts:** Avoid using hard grip inserts or 3Dprinted plastic grip inserts. These can cause damage to your firearm due to destructive recoil energy.
- **Potential Hazards:** Using inappropriate inserts can lead to:
 - Damage to the gun's barrel and structure.
 - Invalid test results due to failure to replicate humanlike recoil.
 - Increased risk of injury or death from firearm malfunction.
- **Caution Against Duplication:** Hard inserts will not provide repeatable test results and may not be duplicatable for end users. Always mimic humanlike conditions during testing.
- **Absorption of Forces:** The grip inserts are designed to absorb vibration and recoil, ensuring that these forces do not transfer to the firearm.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and safe before installation.
- Remove any existing grip inserts from the firearm.
- Carefully insert the Ransom grip inserts into the designated area, ensuring a snug fit.
- Confirm that the inserts are securely in place before proceeding.

2. Usage:

- When using the Ransom Rest, ensure that the grip inserts are properly installed to absorb recoil effectively.
- Monitor the firearm during use for any signs of unusual wear or damage.
- Always follow the manufacturer's guidelines for testing and handling your firearm.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not dispose of the grip inserts in regular household waste if they contain hazardous materials. Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For further assistance or inquiries regarding safety and usage, please refer to the designated EU contact point provided with your product.

By adhering to these safety guidelines, you can ensure a safer experience while using the Ransom International Grip Inserts. Thank you for prioritizing safety in your shooting practices.

Guida di Sicurezza per GRIP INSERTS RANSOM per RUGER SECURITY SIX

Introduzione

Benvenuto nella guida di sicurezza per i GRIP INSERTS RANSOM progettati per il RUGER SECURITY SIX con numero di serie 150 o inferiore. Questa guida è stata redatta per garantire un uso sicuro e responsabile del prodotto, in conformità con il Regolamento Generale sulla Sicurezza dei Prodotti dell'Unione Europea (GPSR). Ti invitiamo a leggere attentamente le informazioni fornite per massimizzare la tua sicurezza e quella degli altri.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo i GRIP INSERTS RANSOM specificamente progettati per il tuo modello di arma.
- Non utilizzare inserti in plastica rigida o stampati in 3D. Questi possono danneggiare l'arma e compromettere la sicurezza.
- Controlla regolarmente il tuo prodotto per eventuali segni di usura o danni.
- Segui sempre le istruzioni del produttore per l'uso e la manutenzione.
- In caso di dubbi o domande, contatta un esperto o il produttore.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti RANSOM sono progettati per assorbire le vibrazioni e le armoniche, garantendo un rinculo simile a quello umano.
- Non utilizzare inserti rigidi, poiché possono trasferire forze dannose all'arma, riducendo la sua vita utile e aumentando il rischio di infortuni.
- Non ignorare eventuali segni di malfunzionamento o danno. Se noti anomalie, interrompi immediatamente l'uso e chiedi assistenza.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti

- Assicurati che l'arma sia scarica e in sicurezza prima di procedere.
- Rimuovi eventuali inserti esistenti seguendo le istruzioni del produttore.
- Posiziona gli inserti RANSOM nel modo corretto, assicurandoti che siano ben fissati e allineati.
- Controlla che non ci siano spazi o movimenti eccessivi.

2. Uso degli Inserti

- Utilizza l'arma in un ambiente sicuro e controllato, rispettando tutte le normative locali sul possesso e l'uso delle armi.
- Durante il tiro, mantieni una postura corretta e stabile per massimizzare l'assorbimento delle forze.
- Evita di utilizzare l'arma in situazioni di stress o distrazione.

3. Controllo PostUso

- Dopo ogni sessione di tiro, controlla gli inserti per eventuali segni di usura o danni.
- Pulisci e mantenziona regolarmente l'arma e gli inserti per garantire prestazioni ottimali.

Istruzioni per lo Smaltimento

- Gli inserti RANSOM non devono essere smaltiti nell'ambiente. Segui le normative locali per il corretto smaltimento dei materiali.

- Contatta il tuo comune o un centro di raccolta per informazioni su come smaltire in modo sicuro i materiali non più utilizzabili.

Informazioni di Contatto per Ulteriore Supporto

Per domande o ulteriori informazioni sulla sicurezza del prodotto, ti invitiamo a contattare un esperto o il produttore. Assicurati di avere a disposizione il numero di serie del tuo prodotto per facilitare la comunicazione.

Conclusione

La sicurezza è la nostra priorità. Utilizzando i GRIP INSERTS RANSOM per il tuo RUGER SECURITY SIX in modo responsabile e seguendo queste linee guida, contribuirai a garantire un'esperienza di tiro sicura e piacevole. Grazie per aver scelto i nostri prodotti e per il tuo impegno nella sicurezza.
