

GRIP INSERTS - RANSOM GRIP INSERTS RUGER.22/45 MKIII

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS RUGER.22/45 MKIII
- Manufacturer: RANSOM
- Product no.: 430119411
- Mfr. No.: 30-300-23-16
- Delivery weight: 0.907kg
- UPC: 810132581847

Sicherheitshinweise für die GRIP INSERTS RANSOM GRIP INSERTS RUGER .22/45 MKIII

Einführung

Herzlichen Glückwunsch zu deinem Kauf der GRIP INSERTS RANSOM GRIP INSERTS RUGER .22/45 MKIII! Diese Einsätze sind speziell für die Verwendung mit deinem Ransom Rest konzipiert und sollen die Sicherheit und Genauigkeit beim Schießen verbessern. Bitte lies die folgenden Sicherheitshinweise sorgfältig durch, um sicherzustellen, dass du die Produkte sicher und effektiv nutzt.

Allgemeine Sicherheitsrichtlinien

- Die Verwendung der GRIP INSERTS sollte nur in Verbindung mit dem Ransom Rest erfolgen.
- Stelle sicher, dass du die Einsätze regelmäßig auf Abnutzung oder Beschädigungen überprüfst.
- Halte die Einsätze außerhalb der Reichweite von Kindern und schütze sie vor unsachgemäßer Handhabung.
- Verwende die Einsätze nicht mit harten oder 3Dgedruckten Materialien, da diese deine Waffe beschädigen können.
- Beachte alle örtlichen Gesetze und Vorschriften bezüglich des Schießens und der Verwendung von Feuerwaffen.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- **Vermeide harte Einsätze:** Harte GriffEinsätze oder 3Dgedruckte Einsätze können destruktive Rückstoßenergie erzeugen, die deine Waffe beschädigen kann.
- **Ersatz bei Beschädigung:** Wenn du Anzeichen von Abnutzung oder Beschädigung an den Einsätzen bemerkst, ersetze sie sofort.
- **Testmethoden:** Bei Tests musst du die menschliche Hand nachahmen, um realistische Ergebnisse zu erzielen. Harte Einsätze können die Testergebnisse verfälschen.
- **Sicherheitsausrüstung:** Trage beim Schießen immer geeignete Schutzausrüstung, einschließlich Ohr und Augenschutz.

Anweisungen für Installation und Verwendung

1. **Vorbereitung:** Stelle sicher, dass dein Ransom Rest sauber und in gutem Zustand ist.
2. **Installation der Einsätze:**
 - Entferne die alten Einsätze, falls vorhanden.
 - Setze die GRIP INSERTS vorsichtig in die vorgesehenen Halterungen ein.
 - Achte darauf, dass die Einsätze richtig sitzen und fest an ihrem Platz sind.
3. **Verwendung:**
 - Platziere deine Waffe sicher im Ransom Rest.
 - Überprüfe vor jedem Schuss, ob die Einsätze korrekt installiert sind.
 - Führe die Schüsse durch, während du die Rückstoß und Vibrationseffekte beobachtest.
4. **Nach dem Schießen:**
 - Reinige die Einsätze und den Ransom Rest nach jedem Gebrauch.
 - Lagere die Einsätze an einem trockenen und sicheren Ort.

Entsorgungsanweisungen

- Die GRIP INSERTS sollten gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffabfällen entsorgt werden.
- Informiere dich über die besten Praktiken zur umweltfreundlichen Entsorgung.

Kontaktinformationen für weitere Unterstützung

Für Sicherheitsanfragen oder Unterstützung zu den GRIP INSERTS wende dich bitte an den Hersteller oder deinen Händler. Stelle sicher, dass du alle relevanten Informationen über das Produkt bereithältst.

Bitte beachte, dass die Sicherheit bei der Verwendung von Schusswaffen oberste Priorität hat. Halte dich an alle Anweisungen und Richtlinien, um ein sicheres Schießerlebnis zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS RUGER.22/45 MKIII

Introduction

Thank you for choosing the GRIP INSERTS RANSOM GRIP INSERTS RUGER.22/45 MKIII. This product is designed to enhance your shooting experience while ensuring safety and optimal performance. It is crucial to follow the safety instructions outlined in this guide to prevent any potential hazards associated with its use.

General Safety Guidelines

- Always ensure that you are using the grip inserts specifically designed for your model to avoid compatibility issues.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts, as they can damage your firearm and produce inaccurate test results.
- Be aware that improper use of grip inserts may lead to injury or damage to your firearm.
- Always handle firearms with care and follow all safety protocols associated with firearm use.
- Ensure that all users of the grip inserts are aware of the safety guidelines and proper handling procedures.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Hard grip inserts generate destructive recoil energy that can travel through the frame and barrel of the firearm, leading to potential damage.
- **Mimic Human Recoil:** The grip inserts are designed to replicate the natural recoil absorption of the human hand. Using alternatives may result in flawed testing and inaccurate results.
- **Monitor for Damage:** Regularly inspect your firearm and grip inserts for signs of wear or damage. Accumulated damage may not be immediately visible but can affect performance and safety.
- **Educate Users:** Ensure that all users, especially those new to firearms, understand the importance of using the correct grip inserts and the risks associated with hard or improperly designed alternatives.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and in a safe condition before installing the grip inserts.
- Follow the manufacturer's instructions for installing the grip inserts onto your firearm. Ensure they are securely attached and fit properly.
- Verify that the grip inserts match the durometer of the human hand to ensure effective recoil absorption.

2. Usage:

- Use the grip inserts only for the intended firearm model (Ruger .22/45 MKIII).
- Do not exceed the recommended firing limits; excessive use may lead to damage.
- After installation, conduct a test with caution, observing how the grip inserts absorb recoil and vibration.
- If you notice any unusual behavior or performance, discontinue use and inspect the grip inserts and firearm.

Disposal Instructions

- Dispose of any damaged or worn grip inserts responsibly. Follow local regulations for the disposal of plastic and other materials.
- Do not dispose of grip inserts in a manner that could pose a risk to the environment or public safety.

Contact Information for Further Support

For any safety inquiries or further support, please refer to the manufacturer's contact details provided with your product packaging.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with the GRIP INSERTS RANSOM GRIP INSERTS RUGER.22/45 MKIII. Always prioritize safety and proper usage to maintain the integrity of your firearm and the wellbeing of all users. Thank you for your attention to these important guidelines.

Istruzioni di Sicurezza per i Grip Inserts RANSOM per RUGER .22/45 MKIII

Introduzione

Grazie per aver scelto i Grip Inserts RANSOM per il tuo RUGER .22/45 MKIII. Questo prodotto è progettato per migliorare la precisione e la stabilità durante l'uso del Master Series Ransom Rest. È fondamentale seguire le linee guida di sicurezza per garantire un utilizzo corretto e sicuro.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo grip inserts RANSOM. L'uso di grip inserts rigidi o in plastica stampati in 3D può danneggiare l'arma.
- Segui sempre le istruzioni di installazione e utilizzo fornite con il prodotto.
- Non utilizzare i grip inserts in situazioni di alta pressione o in condizioni che superano le specifiche del prodotto.
- Mantieni il prodotto e l'arma in un luogo sicuro e fuori dalla portata di bambini e gruppi vulnerabili.
- In caso di problemi, contatta un professionista qualificato.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare grip inserts rigidi o stampati in 3D, poiché possono generare energia di rinculo distruttiva.
- Evita di testare il prodotto in condizioni che non imitano il comportamento umano, poiché i risultati saranno compromessi.
- Controlla attentamente l'arma e i grip inserts prima di ogni utilizzo per assicurarti che non ci siano danni visibili.
- Assicurati che gli inserti siano installati correttamente e saldamente prima di utilizzare l'arma.

Istruzioni per l'Installazione e l'Uso

1. Installazione:

- Rimuovi qualsiasi grip insert esistente dall'arma.
- Pulisci la superficie di contatto dell'arma per assicurarti che sia priva di polvere e detriti.
- Posiziona i Grip Inserts RANSOM sull'arma, assicurandoti che siano allineati correttamente.
- Fissa gli inserti secondo le istruzioni specifiche fornite con il prodotto.

2. Utilizzo:

- Posiziona l'arma sul Master Series Ransom Rest.
- Assicurati che gli inserti assorbano le vibrazioni e il rinculo durante il tiro.
- Monitora attentamente le prestazioni dell'arma e degli inserti durante l'uso.

Istruzioni per lo Smaltimento

- Smaltisci i Grip Inserts RANSOM in conformità con le normative locali sullo smaltimento dei rifiuti.
- Non gettare i grip inserts nel normale spazzatura se contengono materiali pericolosi o non biodegradabili.
- Consulta le autorità locali per informazioni specifiche sullo smaltimento di prodotti di plastica e metallo.

Informazioni di Contatto per Ulteriore Supporto

Per qualsiasi domanda o preoccupazione relativa alla sicurezza del prodotto, ti invitiamo a contattare un

professionista qualificato. Assicuratevi di avere a disposizione il numero di modello e altre informazioni pertinenti sul prodotto.

Conclusione

Seguendo queste istruzioni di sicurezza e le linee guida, puoi garantire un utilizzo sicuro ed efficace dei Grip Inserts RANSOM per il tuo RUGER .22/45 MKIII. La tua sicurezza e quella degli altri è la nostra priorità.
