

GRIP INSERTS - RANSOM GRIP INSERTS FOR RUGER P345

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR RUGER P345
- Manufacturer: RANSOM
- Product no.: 430119413
- Mfr. No.: 30-300-23-17
- Delivery weight: 0.907kg
- UPC: 810132581939

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR RUGER P345

Einführung

Herzlichen Glückwunsch zum Kauf der GRIP INSERTS RANSOM GRIP INSERTS für deine Ruger P345! Diese Inserts sind speziell entwickelt, um die Leistung deiner Waffe zu verbessern und gleichzeitig deren Sicherheit zu gewährleisten. Bitte lies die folgenden Sicherheitshinweise sorgfältig durch, um eine sichere Verwendung zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Inserts nur in der vorgesehenen Waffe verwendest.
- Überprüfe die Inserts regelmäßig auf Beschädigungen oder Abnutzung.
- Verwende die Inserts nicht, wenn sie beschädigt sind.
- Halte die Inserts und die Waffe außerhalb der Reichweite von Kindern und unbefugten Personen.
- Informiere dich über die richtige Handhabung und Pflege deiner Waffe.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Verwende keine harten Grip Inserts oder 3Dgedruckte Kunststoffinserts, da diese deiner Waffe schaden können.
- Achte darauf, dass die Inserts richtig installiert sind, um eine optimale Leistung zu gewährleisten.
- Vermeide es, die Waffe während des Testens unnötig zu belasten.
- Achte darauf, dass die Inserts die Durometer des menschlichen Handgriffs nachahmen, um Rückstoß und Vibrationen zu absorbieren.
- Sei dir bewusst, dass ein hartes Insert die Lebensdauer des Laufs und der Waffe verringern kann und im schlimmsten Fall zu Verletzungen führen kann.

Anweisungen zur Installation und Nutzung

1. Installation der Inserts

- Stelle sicher, dass die Waffe entladen ist, bevor du mit der Installation beginnst.
- Entferne die alten Inserts, falls vorhanden, und reinige den Bereich gründlich.
- Setze die neuen RANSOM GRIP INSERTS gemäß der beiliegenden Anleitung ein.
- Überprüfe die korrekte Positionierung und den Sitz der Inserts.

2. Nutzung der Inserts

- Führe deine Tests nur in kontrollierten Umgebungen durch.
- Achte darauf, dass die Inserts während des Schießens nicht verrutschen oder beschädigt werden.
- Beobachte die Reaktionen der Waffe während des Schießens, um sicherzustellen, dass die Inserts ordnungsgemäß funktionieren.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Abfallentsorgung.
- Achte darauf, dass die Inserts nicht in die Hände von Kindern gelangen, wenn du sie entsorgst.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder weitere Informationen zu den GRIP INSERTS RANSOM GRIP INSERTS für Ruger P345, konsultiere bitte die Website des Herstellers oder die Bedienungsanleitung deiner Waffe.

Schlussfolgerung

Die GRIP INSERTS RANSOM GRIP INSERTS sind eine wertvolle Ergänzung für deine Ruger P345. Durch die Beachtung dieser Sicherheitshinweise kannst du die Sicherheit und Leistung deiner Waffe maximieren. Sei stets vorsichtig und informiere dich über die besten Praktiken für die Verwendung deiner Waffe.

GRIP INSERTS RANSOM GRIP INSERTS FOR RUGER P345 Safety Instruction Guide

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Ruger P345. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure that the grip inserts are compatible with your firearm model.
- Always follow the manufacturer's instructions when using the Ransom Rest.
- Avoid using hard grip inserts or 3Dprinted plastic grip inserts, as they can damage your firearm and lead to inaccurate test results.
- Be aware that improper use of the grip inserts can result in injury or damage to the firearm.
- Report any unsafe products or incidents to the relevant authorities.
- Stay updated on recall notices via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not use hard or 3Dprinted grip inserts. These can generate destructive recoil energy that may damage your firearm.
- Ensure that the grip inserts match the durometer of the human hand for optimal performance.
- Be cautious of vibration and recoil; these forces can cause damage if not properly absorbed by the inserts.
- Regularly inspect the grip inserts for signs of wear or damage before each use.
- Keep the area around your shooting setup clear of obstructions and bystanders to ensure safety during operation.

Instructions for Installation and Usage

1. Installation:

- Remove any existing grip inserts from your Ransom Rest.
- Clean the grip area of the Ransom Rest to ensure a proper fit for the new inserts.
- Carefully place the Ransom International Grip Inserts into the designated area, ensuring they fit snugly without gaps.
- Verify that the inserts are securely in place before proceeding to use the Ransom Rest.

2. Usage:

- Position your firearm securely in the Ransom Rest, ensuring that it is stable and locked in place.
- When firing, monitor the performance of the grip inserts, noting any unusual vibrations or movements.
- After use, remove the firearm and inspect the grip inserts for any signs of damage or wear.
- Store the grip inserts in a dry, secure location when not in use to prolong their lifespan.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not dispose of grip inserts in regular household waste if they are made from materials that require special handling.

- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Ransom International Grip Inserts, please refer to the manufacturer's contact information provided with your product.

Thank you for following these safety guidelines. Your safety and the proper functioning of your firearm are our top priorities.

Istruzioni di Sicurezza per gli Inserti RANSOM per Impugnatura per RUGER P345

Introduzione

Benvenuto! Gli inserti RANSOM per impugnatura sono progettati per migliorare il controllo e la precisione durante l'uso del tuo RUGER P345. È fondamentale seguire attentamente queste istruzioni di sicurezza per garantire un utilizzo sicuro e ottimale del prodotto.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo gli inserti RANSOM progettati specificamente per il tuo RUGER P345.
- Non utilizzare inserti rigidi o stampati in 3D, poiché possono danneggiare l'arma e compromettere la tua sicurezza.
- Fai attenzione durante l'installazione e l'uso; segui sempre le istruzioni fornite.
- Controlla regolarmente il tuo prodotto per eventuali segni di usura o danni.
- Non lasciare mai il prodotto incustodito in presenza di bambini o persone vulnerabili.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti RANSOM sono progettati per assorbire il rinculo e le vibrazioni, replicando il comportamento della mano umana.
- Evita di utilizzare forze eccessive durante l'installazione.
- Non utilizzare inserti di materiali diversi da quelli raccomandati.
- Assicurati che l'arma sia scarica prima di installare o rimuovere gli inserti.
- Non utilizzare gli inserti se noti segni di danno o usura.

Istruzioni per l'Installazione e l'Uso

1. Preparazione:

- Assicurati che l'arma sia completamente scarica.
- Raccogli tutti gli strumenti necessari per l'installazione.

2. Installazione:

- Rimuovi eventuali inserti precedenti seguendo le istruzioni del produttore.
- Posiziona l'inserto RANSOM nell'area designata dell'impugnatura.
- Assicurati che l'inserto sia ben fissato e non si muova.

3. Uso:

- Utilizza l'arma come indicato nel manuale del produttore.
- Monitora le prestazioni dell'inserto durante l'uso; se noti anomalie, interrompi l'uso immediatamente.

Istruzioni per lo Smaltimento

- Gli inserti RANSOM devono essere smaltiti secondo le normative locali sui rifiuti.
- Non gettare gli inserti insieme ai rifiuti domestici.
- Contatta un centro di smaltimento autorizzato per informazioni specifiche.

Informazioni di Contatto per Ulteriore Supporto

Per domande o preoccupazioni riguardo alla sicurezza del prodotto, contatta il tuo rivenditore o visita il sito ufficiale del produttore per ulteriori informazioni e supporto.

Seguendo queste istruzioni di sicurezza, puoi garantire un utilizzo sicuro e efficace degli inserti RANSOM per impugnatura con il tuo RUGER P345. La tua sicurezza è la nostra priorità.
