

GRIP INSERTS - RANSOM GRIP INSERTS FOR RUGER SPEED SIX

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR RUGER SPEED SIX
- Manufacturer: RANSOM
- Product no.: 430119415
- Mfr. No.: 30-300-23-18
- Delivery weight: 0.907kg
- UPC: 810132581922

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für die GRIP INSERTS RANSOM GRIP INSERTS FÜR RUGER SPEED SIX

Einführung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM GRIP INSERTS FÜR RUGER SPEED SIX. Diese Anleitung soll dir helfen, das Produkt sicher und effektiv zu verwenden. Bitte lies alle Anweisungen sorgfältig durch, um mögliche Risiken zu vermeiden und die bestmögliche Leistung zu gewährleisten.

Allgemeine Sicherheitshinweise

- Stelle sicher, dass du die GRIP INSERTS nur gemäß den Anweisungen verwendest.
- Überprüfe das Produkt regelmäßig auf Beschädigungen oder Abnutzung.
- Halte das Produkt außerhalb der Reichweite von Kindern und anderen unbefugten Personen.
- Verwende das Produkt nicht, wenn du gesundheitliche Probleme hast, die deine Fähigkeit beeinträchtigen könnten, es sicher zu bedienen.
- Achte darauf, dass alle Sicherheitsvorkehrungen für den Einsatz von Feuerwaffen beachtet werden.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Verwende ausschließlich die GRIP INSERTS, die für den Ruger Speed Six entwickelt wurden.
- Vermeide die Verwendung von harten Griffesätzen oder 3Dgedruckten Kunststoffgriffesätzen, da diese die Waffe beschädigen können.
- Achte darauf, dass die GRIP INSERTS korrekt in den Ransom Rest eingesetzt sind, um eine optimale Leistung zu gewährleisten.
- Bei der Nutzung des Produkts ist es wichtig, dass du die Rückstoßkräfte verstehst und wie die GRIP INSERTS diese absorbieren.

Anweisungen für Installation und Nutzung

1. Installation der GRIP INSERTS:

- Entferne die alten Griffesätze aus dem Ransom Rest.
- Setze die GRIP INSERTS vorsichtig an der vorgesehenen Stelle ein.
- Stelle sicher, dass die Einsätze fest und sicher sitzen, bevor du mit dem Schießen beginnst.

2. Nutzung der GRIP INSERTS:

- Positioniere die Waffe sicher im Ransom Rest.
- Achte darauf, dass der Ransom Rest stabil steht, bevor du mit dem Schießen beginnst.
- Überprüfe regelmäßig die GRIP INSERTS auf Abnutzung, besonders nach intensivem Gebrauch.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte GRIP INSERTS gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Stelle sicher, dass du alle Teile des Produkts umweltgerecht entsorgst, um die Umwelt zu schützen.

Kontaktinformationen für weitere Unterstützung

Für weitere Fragen oder Unterstützung wende dich bitte an den Hersteller oder den Verkäufer des Produkts. Es ist wichtig, dass du bei Unsicherheiten oder Problemen umgehend Hilfe suchst.

Schlussfolgerung

Die GRIP INSERTS RANSOM GRIP INSERTS FÜR RUGER SPEED SIX sind ein wichtiges Zubehör, das dir hilft, deine Schießpräzision zu verbessern. Durch das Befolgen dieser Sicherheitshinweise kannst du sicherstellen, dass du das Produkt effektiv und ohne Risiko verwendest. Achte darauf, alle Anweisungen zu befolgen und bei Fragen oder Bedenken Unterstützung zu suchen.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR RUGER SPEED SIX

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Ruger Speed Six. This guide provides essential safety instructions to ensure the safe use and handling of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure safe use of the grip inserts by following all instructions provided.
- Avoid using hard grip inserts or 3Dprinted plastic grip inserts, as they may damage your firearm.
- Be aware that using unsuitable inserts can lead to inaccurate test results and potential harm.
- Always check for product recalls or safety alerts on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not use hard grip inserts or 3Dprinted inserts, as they can generate destructive recoil energy.
- Understand that hard inserts may not replicate humanlike recoil, leading to flawed test data.
- Be cautious that vibration and recoil forces must be managed; improper inserts can cause damage to your firearm.
- Always inspect inserts for wear and tear before each use to ensure they are in good condition.
- Keep the grip inserts away from children and individuals who may not understand their use.

Instructions for Installation and Usage

1. Installation:

- Remove any existing grip inserts from your Ransom Rest.
- Clean the area where the new grip inserts will be installed to ensure a secure fit.
- Carefully place the Ransom Grip Inserts into the designated slots, ensuring they are aligned properly.
- Press firmly until the inserts are securely in place.
- Doublecheck that the inserts are properly installed before proceeding to use.

2. Usage:

- When preparing to test your firearm, ensure that the grip inserts are properly seated.
- Load your firearm according to the manufacturer's instructions.
- Position the firearm in the Ransom Rest, ensuring it is stable and secure.
- Begin your testing, monitoring for any unusual vibrations or movements.
- After each use, inspect the grip inserts for any signs of damage or wear.

Disposal Instructions

- Dispose of any worn or damaged grip inserts according to local regulations for plastic waste.
- Do not throw inserts into regular trash if they are made from materials that require special disposal.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the Ransom Grip Inserts, please refer to the manufacturer's contact information provided with your product. It is important to consult with a qualified professional if you encounter any issues or require further assistance.

Thank you for taking the time to read this safety instruction guide. Your safety and the proper functioning of your firearm are our top priorities. Always follow these guidelines to ensure a safe and enjoyable experience.

Guida alle Istruzioni di Sicurezza per gli Inserti Grip Ransom per Ruger Speed Six

Introduzione

Benvenuti nella guida alle istruzioni di sicurezza per i Grip Inserts Ransom, progettati per l'uso con il Master Series Ransom Rest. Questa guida è stata redatta per garantire un utilizzo sicuro e responsabile del prodotto, in conformità con le normative europee sulla sicurezza dei prodotti (EU General Product Safety Regulation GPSR).

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare il prodotto solo come indicato nelle istruzioni.
- Non utilizzare inserti rigidi o inserti in plastica stampati in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Segnala eventuali prodotti non sicuri o incidenti alle autorità competenti.
- Controlla regolarmente le informazioni sui richiami attraverso la piattaforma Safety Gate dell'UE.

Precauzioni di Sicurezza Specifiche per l'Uso

- **Assorbimento delle Vibrazioni:** Gli inserti sono progettati per assorbire le vibrazioni, riducendo il rischio di danni all'arma.
- **Controllo del Rinculo:** Gli inserti imitano la mano umana, assorbendo le forze di rinculo e migliorando la stabilità.
- **Prolungamento della Vita dell'Arma:** Utilizzare inserti inadeguati può ridurre la durata dell'arma e aumentare il rischio di infortuni.
- **Attenzione alla Sicurezza:** Non utilizzare mai inserti rigidi o stampati in 3D. Se funzionassero, sarebbero già utilizzati da tutti i produttori di armi.

Istruzioni per l'Installazione e l'Uso

1. Preparazione:

- Assicurati che l'arma sia scarica e in sicurezza prima di iniziare l'installazione.
- Rimuovi eventuali inserti precedenti.

2. Installazione:

- Posiziona i Grip Inserts Ransom nell'arma seguendo le istruzioni specifiche del produttore.
- Assicurati che gli inserti siano ben fissati e non presentino movimenti.

3. Uso:

- Utilizza il Ransom Rest con i Grip Inserts installati per testare la tua arma.
- Monitora attentamente le prestazioni e l'integrità dell'arma durante l'uso.

4. Controllo PostUso:

- Dopo ogni sessione di tiro, ispeziona gli inserti per eventuali segni di usura o danni.
- Sostituisci gli inserti se noti qualsiasi anomalia.

Istruzioni per lo Smaltimento

- Segui le normative locali per lo smaltimento dei materiali utilizzati.

- Non gettare gli inserti in luoghi non autorizzati; verifica le opzioni di riciclaggio disponibili nella tua area.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori informazioni sulla sicurezza del prodotto o per assistenza, contatta il servizio clienti del produttore. Assicurati di avere il numero di modello e la data di acquisto a disposizione per facilitare il supporto.

Questa guida è stata redatta per garantire un utilizzo sicuro e responsabile dei Grip Inserts Ransom. Seguire attentamente queste istruzioni contribuirà a mantenere la sicurezza tua e degli altri durante l'uso del prodotto.
