

GRIP INSERTS - RANSOM GRIP INSERTS FOR RUGER SR9

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR RUGER SR9
- Manufacturer: RANSOM
- Product no.: 430119418
- Mfr. No.: 30-300-23-20
- Delivery weight: 0.907kg
- UPC: 810132581977

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR RUGER SR9

Einführung

Herzlichen Glückwunsch zu deinem Kauf der GRIP INSERTS RANSOM GRIP INSERTS für Ruger SR9! Diese Inserts sind speziell entwickelt worden, um die Leistung deiner Waffe zu optimieren und gleichzeitig die Sicherheit zu gewährleisten. Bitte lese diese Sicherheitshinweise sorgfältig durch, um sicherzustellen, dass du die Inserts korrekt und sicher verwendest.

Allgemeine Sicherheitsrichtlinien

- Verwende die Inserts nur für den vorgesehenen Zweck.
- Achte darauf, dass die Inserts in einwandfreiem Zustand sind, bevor du sie verwendest.
- Halte dich an alle Anweisungen zur Installation und Nutzung.
- Informiere dich über die Risiken, die mit der Verwendung von harten oder 3Dgedruckten Inserts verbunden sind.
- Berichte unsichere Produkte oder Vorfälle den zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- **Verwende keine harten Inserts:** Harte Inserts können die Waffe beschädigen und gefährliche Rückstoßenergien erzeugen.
- **Vermeide 3Dgedruckte Inserts:** Diese sind oft schlecht konstruiert und können die Testergebnisse verfälschen.
- **Achte auf die DurometerHärte:** Die Inserts sind so konzipiert, dass sie der Härte der menschlichen Hand entsprechen und somit Vibrationen absorbieren.
- **Sei vorsichtig bei der Handhabung:** Halte die Waffe immer in einem sicheren Zustand und achte auf deine Umgebung.

Anweisungen zur Installation und Nutzung

1. Installation der Inserts:

- Stelle sicher, dass die Waffe entladen ist, bevor du mit der Installation beginnst.
- Entferne die alten Inserts, falls vorhanden.
- Setze die RANSOM GRIP INSERTS vorsichtig in die vorgesehenen Halterungen ein.
- Überprüfe, ob die Inserts richtig sitzen und fest sind.

2. Nutzung der Inserts:

- Führe Testschüsse durch, um sicherzustellen, dass die Inserts korrekt funktionieren.
- Achte auf Veränderungen im Rückstoß und in der Vibration während des Schießens.
- Bei Anzeichen von Beschädigungen oder ungewöhnlichem Verhalten, stoppe die Nutzung und überprüfe die Inserts.

Entsorgungsanweisungen

- Entsorge defekte oder nicht mehr benötigte Inserts gemäß den örtlichen Vorschriften für elektronische Abfälle.
- Achte darauf, dass alle Teile umweltgerecht entsorgt werden.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Unterstützung zu den GRIP INSERTS RANSOM GRIP INSERTS wende dich bitte an den Hersteller oder einen autorisierten Fachhändler. Stelle sicher, dass du alle relevanten Informationen zu deinem Produkt bereithältst.

Schlussfolgerung

Die Sicherheit bei der Nutzung deiner Waffe ist von größter Bedeutung. Die GRIP INSERTS RANSOM GRIP INSERTS für Ruger SR9 sind eine hervorragende Wahl, um die Leistung zu verbessern, aber es ist wichtig, die oben genannten Sicherheitsrichtlinien zu befolgen. Sei stets vorsichtig und informiere dich über alle relevanten Sicherheitsaspekte.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR RUGER SR9

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Ruger SR9. These inserts are designed to enhance your shooting experience while ensuring safety and reliability. This guide provides essential safety instructions, usage precautions, and disposal information to help you use the product effectively and safely.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or removing the grip inserts.
- Inspect the grip inserts for any signs of damage or wear before each use.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts with your Ransom Rest, as they can cause damage to your firearm.
- Be aware that improper use of grip inserts can lead to inaccurate test results and potential injury.
- Keep the grip inserts out of reach of children and vulnerable individuals to prevent accidents.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard or 3Dprinted grip inserts. These can generate destructive recoil energy that may damage your firearm and lead to unsafe conditions.
- **Proper Installation:** Follow the installation instructions carefully to ensure the grip inserts are securely attached. Improper installation can lead to malfunction or injury.
- **Monitor for Wear:** Regularly check the condition of the grip inserts. If they show signs of wear or damage, replace them immediately.
- **Test Environment:** Conduct tests in a controlled environment where safety measures are in place to handle any potential recoil or mishaps.
- **User Responsibility:** Understand that you are responsible for the safe use of the firearm and the grip inserts. Always prioritize safety.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any existing grip inserts from the firearm.
- Align the Ransom Grip Inserts with the grip of the firearm.
- Securely attach the grip inserts, ensuring they fit snugly without gaps.
- Doublecheck that the inserts are properly installed before proceeding.

2. Usage:

- Position the firearm in the Ransom Rest according to the manufacturer's guidelines.
- Begin your shooting session with a careful focus on maintaining control of the firearm.
- Monitor the performance of the grip inserts during use. If you notice any unusual behavior, cease use immediately.
- After completing your shooting session, remove the grip inserts and inspect them for any signs of damage.

Disposal Instructions

- Dispose of damaged or worn grip inserts in accordance with local regulations. Do not throw them in regular trash if they are classified as hazardous waste.
- If you are unsure about the disposal methods, consult your local waste management authority for guidance.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Ransom Grip Inserts, please reach out to the designated EU contact point provided by the manufacturer.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Ransom International Grip Inserts. Always prioritize safety and responsible use when handling firearms.

Istruzioni di Sicurezza per l'Uso degli GRIP INSERTS RANSOM per Ruger SR9

Introduzione

Grazie per aver scelto gli GRIP INSERTS RANSOM per il tuo Ruger SR9. Questo prodotto è progettato per offrire prestazioni superiori e proteggere la tua arma da fuoco. È fondamentale seguire le istruzioni di sicurezza e utilizzo per garantire un'esperienza sicura e soddisfacente.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo gli GRIP INSERTS RANSOM progettati specificamente per il tuo modello di arma.
- Non utilizzare grip inserts rigidi o in plastica stampata in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Fai attenzione durante l'installazione e l'uso per evitare lesioni personali o danni all'arma.
- Controlla regolarmente il prodotto per segni di usura o danni.
- Segui sempre le normative locali e nazionali riguardanti l'uso delle armi da fuoco.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli GRIP INSERTS RANSOM sono progettati per assorbire le forze di rinculo e vibrazione, quindi utilizza solo questi inserti per garantire risultati di test ripetibili.
- Non utilizzare grip inserts rigidi, poiché possono generare energia di rinculo distruttiva che danneggia l'arma.
- Assicurati che l'inserto sia installato correttamente prima di utilizzare l'arma.
- Non tentare di modificare o riparare gli GRIP INSERTS RANSOM in modo non autorizzato.
- In caso di malfunzionamenti o anomalie, interrompi immediatamente l'uso e contatta un professionista.

Istruzioni per l'Installazione e l'Uso

1. **Preparazione:** Assicurati che l'arma sia scarica e in una posizione sicura prima di iniziare l'installazione.
2. **Installazione:**
 - Rimuovi eventuali inserti esistenti dall'arma.
 - Posiziona gli GRIP INSERTS RANSOM nell'arma seguendo le istruzioni specifiche fornite con il prodotto.
 - Assicurati che gli inserti siano ben fissati e che non ci siano spazi vuoti.
3. **Utilizzo:**
 - Utilizza l'arma solo con gli GRIP INSERTS RANSOM installati.
 - Esegui dei test di prova in un ambiente controllato per verificare il corretto funzionamento.
 - Monitora l'arma e gli inserti durante l'uso per eventuali segni di usura.

Istruzioni per lo Smaltimento

- Gli GRIP INSERTS RANSOM devono essere smaltiti in conformità con le normative locali riguardanti i rifiuti di plastica e materiali compositi.
- Non gettare gli inserti nel normale sacco della spazzatura; verifica se ci sono programmi di riciclaggio nella tua area.
- Segui sempre le linee guida di smaltimento per garantire la sicurezza ambientale.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori informazioni o domande riguardanti gli GRIP INSERTS RANSOM, ti invitiamo a contattare il tuo rivenditore o il servizio clienti del produttore. Assicurati di avere a disposizione il numero di modello e la prova d'acquisto.

Avvertenze Finali

- Ricorda che la sicurezza è la priorità principale quando si maneggiano armi da fuoco.
- Segui sempre le istruzioni fornite e non esitare a cercare assistenza professionale se necessario.
- Mantieni gli GRIP INSERTS RANSOM lontano dalla portata di bambini e persone non autorizzate.

Grazie per aver scelto gli GRIP INSERTS RANSOM. La tua sicurezza e soddisfazione sono importanti per noi.
