

GRIP INSERTS - RANSOM GRIP INSERTS FOR RUGER SR-9 COMPACT

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR RUGER SR-9 COMPACT
- Manufacturer: RANSOM
- Product no.: 430119420
- Mfr. No.: 30-300-23-20-C
- Delivery weight: 0.907kg
- UPC: 810132581984

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR RUGER SR9 COMPACT

Einführung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM GRIP INSERTS, die speziell für die Ruger SR9 Compact entwickelt wurden. Diese Anleitung soll dir helfen, die Inserts sicher und effektiv zu verwenden, um die bestmöglichen Testergebnisse zu erzielen und Schäden an deiner Waffe zu vermeiden.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Inserts gemäß den Anweisungen verwendest, um Verletzungen oder Schäden zu vermeiden.
- Halte die Inserts von Kindern und anderen schutzbedürftigen Personen fern.
- Informiere dich regelmäßig über Rückrufaktionen und Sicherheitswarnungen auf der EU Safety Gate Plattform.
- Melde unsichere Produkte oder Vorfälle umgehend den zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- Verwende keine harten Grip Inserts oder 3Dgedruckte KunststoffInserts, da diese deine Waffe beschädigen können.
- Achte darauf, dass die Inserts dem Durometer der menschlichen Hand entsprechen, um die Rückstoßkräfte richtig zu absorbieren.
- Überprüfe regelmäßig den Zustand der Inserts auf Risse oder Abnutzung.
- Vermeide den Einsatz der Inserts, wenn sie beschädigt oder abgenutzt sind.

Anweisungen für Installation und Nutzung

1. Installation der Inserts:

- Stelle sicher, dass die Waffe entladen ist, bevor du mit der Installation beginnst.
- Entferne die alten Inserts, falls vorhanden, indem du sie vorsichtig herausziehst.
- Setze die neuen GRIP INSERTS in die vorgesehenen Halterungen ein, bis sie sicher sitzen.
- Überprüfe, ob die Inserts fest sitzen und keine Lücken aufweisen.

2. Nutzung der Inserts:

- Verwende die Inserts nur in Verbindung mit dem Master Series Ransom Rest.
- Achte darauf, dass die Waffe korrekt im Ransom Rest positioniert ist, um genaue Testergebnisse zu erhalten.
- Führe Schüsse ab und beobachte die Reaktion der Maschine. Die Inserts sollten die Rückstoßkräfte absorbieren.
- Nach dem Schießen, überprüfe die Inserts auf Beschädigungen oder Abnutzung.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts umweltgerecht.
- Bitte konsultiere lokale Entsorgungsrichtlinien, um sicherzustellen, dass du die Inserts korrekt entsorgst.

Kontaktinformationen für weitere Unterstützung

Für Unterstützung und weitere Informationen über die GRIP INSERTS, wende dich bitte an den Hersteller oder einen autorisierten Händler. Es ist wichtig, dass du alle Fragen oder Anliegen bezüglich der Sicherheit der Inserts klärst.

Diese Sicherheitshinweise sind wichtig, um die sichere Nutzung der GRIP INSERTS RANSOM GRIP INSERTS zu gewährleisten. Bitte halte dich an die Anweisungen und informiere dich regelmäßig über Sicherheitsupdates.

GRIP INSERTS RANSOM GRIP INSERTS FOR RUGER SR9 COMPACT

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Ruger SR9 Compact. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this document carefully and follow all guidelines to avoid potential hazards.

General Safety Guidelines

- Ensure safe use of the grip inserts by following all instructions provided.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts with your Master Series Ransom Rest.
- Be aware that hard inserts can damage your firearm due to destructive recoil energy.
- Understand that improper inserts can lead to inaccurate test results and potential safety risks.
- Always check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts as they can generate harmful recoil energy.
- **Use Approved Inserts Only:** Only use Ransom Grip Inserts designed for your firearm model to ensure compatibility and safety.
- **Monitor for Damage:** Regularly inspect your firearm and inserts for signs of wear or damage.
- **Understand Recoil Dynamics:** Be aware that vibration and recoil cannot be eliminated but can be controlled. Proper inserts are designed to mimic the human hand in absorbing these forces.
- **Safety and Testing:** If conducting destructive or accuracy testing, ensure that you are mimicking humanlike grip dynamics to obtain valid results.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any existing grip inserts from your firearm.
- Carefully insert the Ransom Grip Inserts according to the manufacturer's guidelines.
- Ensure a snug fit to prevent movement during use.

2. Usage:

- Place the firearm in the Ransom Rest securely.
- Monitor the setup for stability before conducting any tests.
- Perform tests in a controlled environment, maintaining awareness of your surroundings.
- After usage, remove the firearm from the Ransom Rest and inspect both the firearm and the inserts for any signs of damage.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not throw them in regular household waste if they contain materials that require special handling.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the Ransom Grip Inserts, please refer to the manufacturer's website or contact their customer support. Ensure you have the product details ready for more efficient assistance.

By adhering to these guidelines, you can ensure the safe and effective use of your Ransom Grip Inserts, maximizing both performance and safety during your shooting activities. Always prioritize safety and proper handling to enjoy a riskfree experience.

Istruzioni di Sicurezza per l'Utilizzo degli Inserti Grip RANSOM per Ruger SR9 Compact

Introduzione

Benvenuto! Questo documento fornisce linee guida di sicurezza fondamentali per l'uso degli inserti grip RANSOM progettati per la tua Ruger SR9 Compact. È essenziale seguire queste istruzioni per garantire un utilizzo sicuro ed efficace del prodotto.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo inserti grip RANSOM progettati specificamente per il tuo modello di arma.
- Evita di utilizzare inserti rigidi o stampati in 3D, poiché possono danneggiare l'arma e causare malfunzionamenti.
- Controlla regolarmente gli inserti per segni di usura o danni.
- Non utilizzare gli inserti se noti anomalie nella loro struttura o funzionalità.
- Tieni gli inserti e l'arma lontano dalla portata di bambini e gruppi vulnerabili.
- Segnala qualsiasi prodotto ritenuto non sicuro alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- **Assorbimento delle Forze:** Gli inserti grip RANSOM sono progettati per assorbire le forze di rinculo, evitando danni all'arma.
- **Controllo delle Vibrazioni:** Gli inserti aiutano a ridurre le vibrazioni e le armoniche, migliorando la stabilità durante il tiro.
- **Progettazione Ingegneristica:** Gli inserti sono realizzati per imitare la durezza della mano umana, garantendo risultati di test accurati.
- **Attenzione ai Malfunzionamenti:** Non utilizzare inserti non adeguati; ciò può portare a lesioni o malfunzionamenti gravi.

Istruzioni per l'Installazione e l'Uso

1. Preparazione:

- Assicurati che l'arma sia scarica prima di iniziare l'installazione.
- Pulisci l'area di contatto dell'arma per garantire una buona adesione degli inserti.

2. Installazione:

- Segui le istruzioni specifiche fornite con gli inserti grip RANSOM per un'installazione corretta.
- Assicurati che gli inserti siano saldamente fissati e non presentino movimenti o allentamenti.

3. Uso:

- Durante il tiro, mantieni una presa salda sull'arma per massimizzare l'efficacia degli inserti.
- Evita di utilizzare l'arma in condizioni meteorologiche estreme che potrebbero influenzare le prestazioni degli inserti.

4. Controllo PostUso:

- Dopo ogni sessione di tiro, controlla gli inserti per eventuali segni di usura o danni.
- Sostituisci gli inserti se noti anomalie nella loro struttura.

Istruzioni per lo Smaltimento

- Gli inserti grip RANSOM devono essere smaltiti in conformità con le normative locali sui rifiuti.
- Non gettare gli inserti nel normale pattume; verifica se esistono punti di raccolta specifici per materiali di questo tipo.
- Se non sei sicuro di come smaltire gli inserti, contatta il tuo comune per informazioni sulle procedure corrette.

Informazioni di Contatto per Ulteriore Supporto

Per qualsiasi domanda o chiarimento riguardante la sicurezza degli inserti grip RANSOM, ti invitiamo a contattare il tuo rivenditore o un esperto del settore. È importante avere accesso a informazioni affidabili per garantire un uso sicuro e responsabile del prodotto.

Ricorda, la sicurezza è una responsabilità condivisa. Segui queste linee guida per proteggere te stesso e gli altri durante l'uso degli inserti grip RANSOM per la tua Ruger SR9 Compact.
