

GRIP INSERTS - RANSOM GRIP INSERTS FOR RUGER LC9

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR RUGER LC9
- Manufacturer: RANSOM
- Product no.: 430119422
- Mfr. No.: 30-300-23-22
- Delivery weight: 0.907kg
- UPC: 810132581960

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM GRIP INSERTS FÜR RUGER LC9

Einleitung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM GRIP INSERTS FÜR RUGER LC9. Diese Anleitung soll dir helfen, das Produkt sicher und effektiv zu nutzen. Bitte lies die folgenden Informationen sorgfältig durch, um potenzielle Gefahren zu vermeiden und die bestmögliche Leistung zu erzielen.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die GRIP INSERTS nur gemäß den Anweisungen verwendest.
- Halte das Produkt außerhalb der Reichweite von Kindern und anderen schutzbedürftigen Personen.
- Überprüfe regelmäßig den Zustand der Inserts auf Risse oder Beschädigungen.
- Verwende die Inserts nur mit dem vorgesehenen Ransom Rest und der Ruger LC9.
- Berichte unsichere Produkte oder Unfälle den zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Vermeide die Verwendung von harten Grip Inserts oder 3Dgedruckten Kunststoffinserts, da diese deinem Gewehr schaden können.
- Harte Inserts erzeugen schädliche Rückstoßenergien, die die Struktur deines Gewehrs beeinträchtigen können.
- Achte darauf, dass die Inserts korrekt installiert sind, um ihre Funktionalität zu gewährleisten.
- Verwende die Inserts nicht, wenn sie beschädigt oder abgenutzt sind.
- Halte dich an die empfohlenen Sicherheitsstandards beim Schießen, um Verletzungen zu vermeiden.

Anweisungen für Installation und Verwendung

1. Installation der Grip Inserts:

- Stelle sicher, dass das Gewehr entladen ist, bevor du mit der Installation beginnst.
- Entferne die alten Inserts, falls vorhanden, und reinige den Bereich gründlich.
- Setze die neuen GRIP INSERTS vorsichtig in den vorgesehenen Platz ein.
- Stelle sicher, dass die Inserts fest sitzen und keine Lücken aufweisen.

2. Verwendung der Inserts:

- Nutze die Inserts nur in Verbindung mit dem Ransom Rest.
- Achte darauf, dass die Inserts korrekt positioniert sind, um die Rückstoßkräfte zu absorbieren.
- Teste die Waffe zunächst auf sicherem Gelände, um die Funktionalität der Inserts zu überprüfen.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Halte dich an die Richtlinien für die Entsorgung von Waffen und Zubehörteilen, um Umweltschäden zu vermeiden.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung bezüglich der GRIP INSERTS RANSOM GRIP INSERTS FÜR RUGER LC9, wende dich bitte an den Hersteller oder den Händler, bei dem du das Produkt erworben hast. Achte darauf,

dass alle Anfragen in Übereinstimmung mit den geltenden Sicherheitsrichtlinien bearbeitet werden.

Vielen Dank, dass du die Sicherheitshinweise beachtet hast. Deine Sicherheit und die Sicherheit anderer stehen an erster Stelle!

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR RUGER LC9

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Ruger LC9. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide thoroughly before installation and usage.

General Safety Guidelines

- Ensure safe use of the grip inserts by following all instructions provided in this guide.
- Be aware that improper use may lead to damage to your firearm and potential injury.
- Regularly check for product recalls or safety alerts related to the grip inserts.
- If you encounter any issues or have safety concerns, report them to the appropriate authorities.

Specific Safety Precautions for Use

- Do not use hard grip inserts or 3Dprinted plastic grip inserts with your Ransom Rest. These can damage your firearm by generating destructive recoil energy.
- Hard inserts are poorly engineered and do not replicate humanlike recoil, which can render test data invalid.
- Avoid using hard inserts as they will not provide repeatable test results and may lead to inaccurate assessments.
- Be aware that using hard inserts can decrease the lifespan of your firearm and may cause injury or death.
- Use the grip inserts specifically designed to match the durometer of the human hand to absorb recoil effectively.
- Always ensure that the grip inserts are properly installed before conducting any tests or usage.

Instructions for Installation and Usage

1. Installation of Grip Inserts

- Carefully remove any existing grip inserts from the Ransom Rest.
- Align the Ransom International Grip Inserts with the designated slots in the Ransom Rest.
- Firmly press the inserts into place until they are securely fitted.
- Ensure that the inserts are flush with the surface of the Ransom Rest.

2. Usage Guidelines

- Position the firearm in the Ransom Rest according to the manufacturer's instructions.
- Confirm that the grip inserts are absorbing the initial recoil and vibration as intended.
- Monitor the firearm and Ransom Rest for any signs of damage or wear during usage.
- After each session, inspect the grip inserts for any signs of deterioration or damage.

Disposal Instructions

- Dispose of any damaged or worn grip inserts responsibly, following local regulations for plastic and electronic waste.
- Do not dispose of the grip inserts in regular household waste.

Contact Information for Further Support

For any inquiries regarding the safety and use of the Ransom International Grip Inserts, please refer to the contact information provided by the manufacturer or retailer where the product was purchased.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective experience with your Ransom International Grip Inserts for Ruger LC9. Thank you for prioritizing safety in your shooting practices.

Istruzioni di Sicurezza per l'Uso degli Inserti Grip RANSOM per Ruger LC9

Introduzione

Grazie per aver scelto gli inserti grip RANSOM per il tuo Ruger LC9. Questi inserti sono progettati per migliorare la tua esperienza di tiro, offrendo un assorbimento ottimale delle forze di rinculo e vibrazione. È importante seguire le linee guida di sicurezza per garantire un uso corretto e sicuro del prodotto.

Linee Guida Generali di Sicurezza

- Assicurati di leggere e comprendere tutte le istruzioni prima dell'uso.
- Utilizza solo gli inserti grip RANSOM progettati specificamente per il tuo Ruger LC9.
- Non utilizzare inserti grip rigidi o stampati in 3D, poiché possono danneggiare l'arma.
- Controlla regolarmente il tuo equipaggiamento per eventuali segni di usura o danno.
- Conserva gli inserti in un luogo asciutto e sicuro, lontano dalla portata di bambini e animali.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti grip RANSOM sono progettati per assorbire il rinculo e le vibrazioni. Non tentare di modificarli o sostituirli con altri inserti.
- Durante l'uso, assicurati che l'arma sia sempre in una posizione sicura e controllata.
- Non utilizzare gli inserti grip RANSOM in condizioni estreme (ad esempio, temperature molto basse o alte) che potrebbero comprometterne l'efficacia.
- In caso di malfunzionamenti o anomalie durante l'uso, interrompi immediatamente l'operazione e controlla l'arma e gli inserti.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti Grip:

- Rimuovi gli inserti esistenti dal tuo Ruger LC9.
- Pulisci l'area di contatto per garantire una buona aderenza.
- Posiziona gli inserti grip RANSOM in modo che si adattino perfettamente al telaio dell'arma.
- Assicurati che gli inserti siano ben fissati e non si muovano durante l'uso.

2. Uso degli Inserti Grip:

- Prima di ogni sessione di tiro, controlla che gli inserti siano in buone condizioni.
- Tieni l'arma in posizione sicura e controllata durante il tiro.
- Segui le linee guida di sicurezza generali per l'uso delle armi.

Istruzioni per lo Smaltimento

- Gli inserti grip RANSOM sono realizzati con materiali che possono essere riciclati. Controlla le normative locali per il riciclaggio.
- Non gettare gli inserti grip in rifiuti pericolosi o in discariche non autorizzate.
- Se gli inserti sono danneggiati o non utilizzabili, contatta il rivenditore per informazioni sullo smaltimento.

Informazioni di Contatto per Ulteriore Supporto

Per qualsiasi domanda o chiarimento riguardo all'uso degli inserti grip RANSOM, ti invitiamo a contattare il tuo

rivenditore di fiducia o il servizio clienti del produttore. Assicurati di avere a disposizione il numero di modello e la prova di acquisto per ricevere assistenza.

Ricorda, seguire queste istruzioni non solo migliorerà la tua esperienza di tiro, ma garantirà anche la tua sicurezza e quella degli altri. Utilizza sempre gli inserti grip RANSOM con responsabilità e attenzione.
